len, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance to provide for the grading, curbing, flagging and paving of Van Vechten Street from Frelinghuysen Avenue to the City Line with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Van Vechten Street from Frelinghuysen Avenue to the City Line with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the repaving and resurfacing of South 16th Street from Eighteenth Avenue to Avon Avenue with asphalt pavement (1½" top-1½" binder) on the old macadam prepared, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to provide for the repaving and resurfacing of South 16th Street from Eighteenth Avenue to Avon Avenue with asphalt pavement (1½" top-1½" binder) on the old macadam prepared.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance to provide for the repaving and resurfacing of

South 16th Street from Eighteenth Avenue to Avon Avenue with asphalt pavement (1½" top-1½" binder) on the old macadam prepared," be taken for its third reading.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the repaving and resurfacing of South 16th Street from Eighteenth Avenue to Avon Avenue with asphalt pavement (1½" top-1½" binder) on the old macadam prepared.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the opening of Goldsmith Avenue from its present westerly terminus, about 424 feet westerly to Hobson Street, and for the opening of Summit Avenue from Chancellor Avenue northerly to Goldsmith Avenue, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. Benjamin Braelow, 1060 Broad Street: I appear asking an adjournment on behalf of Mr. Jules Tepper for one week.

Commissioner Brennan moved that the ordinance be laid over one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to authorize additional alterations and improvements in and about the Main City Hall Building, and providing for the financing thereof, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Gillen moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the following ordinance be taken up on second reading:

An ordinance to authorize additional alterations and improvements in and about the Main City Hall Building, and providing for the financing thereof.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

Section 5 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Gillen moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the title of "An ordinance to authorize additional alterations and improvements in and about the Main City Hall Building, and providing for the financing thereof," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to authorize additional alterations and improvements in and about the Main City Hall Building, and providing for the financing thereof.

The ordinance having been read three times was declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to amend an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919 (extending industrial district to include Wharton, Ludlow and Van Vechten Street), and stated that today was the time fixed for hearing on the same.

Commissioner Brennan moved that the ordinance be laid over until April 30th.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following petition was received and read:

April 15, 1929.

To the Board of Commissioners of the City of Newark.

We, the undersigned, owners of the respective properties hereinafter designated, do hereby respectfully protest against the amending of the Building Zone Ordinance to provide for placing Hansbury Avenue, between Park View Terrace and Maple Avenue, in the one-family residence class, and respectfully request that Hansbury Avenue, between the streets aforesaid, be continued to be zoned for apartment houses.

(Signed by Eighteen.)

Ordered filed.

The City Clerk presented An ordinance to repeal an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919, which amendatory ordinance was adopted July 17, 1928, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: This is the Hansbury Avenue ordinance. Does anybody desire to be heard on this?

Mr. J. Henry Harrison, 810 Broad Street: Will your Honors hear those who oppose the ordinance first. I am here in opposition.

Mayor Congleton: We will hear from those who have asked us to repeal the ordinance that was formerly passed, first. Does anyone desiring the ordinance to be repealed wish to be heard? There is the lady who sponsored it.

Mrs. Ida Morris, 123 Keer Avenue: Do you want me to repeat what I said before?

Mayor Congleton: These gentlemen,

I assume, want to hear it so they can reply to you.

Mrs. Morris: I understand — Dr. Ward told me that they wanted to buy his property and he refused to sell to them because he didn't like the type of house they wanted to put up, and while he went abroad they bought the opposite side of the street and got the Zoning Commission to change that section—or it evidently was never zoned, but Dr. Ward wanted that to be a one-family district, but had he been here at the time when the ordinance was changed, why, he would have protested. When he got back they had gotten a permit or rezoning of that section for four-family. We were not notified. We live on the next street. We knew nothing about it. I went over there and I saw them digging and I asked for information and I got little or nothing. And the next day I went over and I got one of the foreign men there. He said, well, they were going to put up two-family houses. I thought if it was two-families it wasn't so bad. I went over again shortly after and they started the foundations. Things looked funny to me. I said, "What kind of houses are you going to put up here?" He said, "Why, I am putting up four-families." I said, "Let me see the plan." I said, "I understood they were to be two-families." He said, "No, they are four-families and I can put up six-story apartment if I want to. I can do anything I like." I said, "You can? I don't believe that."

I went down to see Dr. Ward and he said, "That is what they did; they did it while I was gone. I had no chance to protest at all." I called up Mr. Fiverson and he said, "They have no permit for an apartment yet, but," he said, "I understand they are planning to put one up, but," he said, "when their plans came in to me I told them I bet them a hat they wouldn't get a permit for that type house." Well, he said, they went over his head and got it anyway and he lost the hat, of course. Now, we are taxed to excess there, and I don't think it is quite fair to stick that type house up on the street, that there are nothing but one and two from Elizabeth Avenue all the way to Clinton Place. There are nothing but one and two-family houses. I came down to see Mr. Howe because he happened to be the man I knew,

and he said I should bring it before the City Commission, and that is why I am here.

Mayor Congleton: Does anyone else want to speak on the same point as you?

Mr. Leo L. Weinberg, 24 Commerce Street: I appear for Mr. Brell. Our opposition is based substantially on the same ground as advanced by Mrs. Morris. If the effect of this act contemplates the erection of any number of apartment houses indiscriminately with respect to the size and nature, it seems an imposition on those people already established there and who came into this particular community in some reliance upon the fact that they would be safeguarded in the type of home they built. Now primarily there are one and two-family houses in this particular locality, the nature of which and the attractiveness of which will be materially and substantially damaged if the acts contemplated by those parties concerned were permitted to prevail. We are opposed on broad general principles; and some time ago I appeared before the Zoning Board and advanced the same argument. It isn't fair to allow others not interested except in the economic return, who do not live there, who have no other interest in the outcome except that it might return them some financial emolument, to affect people who have been established there for some years and who come there, as I suggested, on the utmost reliance and security that their homes would be safeguarded and protected by the laws and the persons who adopted the same; and at this time to countenance any act of repeal which would materially change their position would be unfair.

Mayor Congleton: Let us see if we understand the situation aright. The ordinance as changed would permit apartment houses on the north side of Hansbury Avenue.

Mrs. Morris: Yes, sir.

Mayor Congleton: But not on the south side.

Mrs. Morris: Well, they didn't say that.

Mayor Congleton: Yes, it is all opened. On the south side of Chancellor Avenue, which is the next street north, there are apartment houses on the south side?

Mrs. Morris: Yes, sir.

Mayor Congleton: And by building apartment houses on the north side of Hansbury Avenue it would bring an apartment house up against an apartment house?

Mrs. Morris: Yes, sir.

Mayor Congleton: Wouldn't an apartment house on the north side of Hansbury Avenue be better to look at than the rear of an apartment on Chancellor Avenue?

Mr. Weinberg: The question we are concerned with is the great number of apartment houses that are there now. Apartment houses mean more stores, especially in that neighborhood—

Mayor Congleton: Not necessarily does it mean more stores.

Mr. Weinberg: Well, it is the natural consequence.

Mayor Congleton: Not necessarily at all, because a lot of permits to build apartment houses are made upon condition that there be no stores in the building.

Mr. Weinberg: That is a limitation that we could contemplate, but the fact remains that there are any number of apartment houses there now in that general area—

Mayor Congleton: On Chancellor Avenue.

Mr. Weinberg: And further out towards Elizabeth Avenue.

Mayor Congleton: On Elizabeth Avenue.

Mr. Weinberg: Unfortunately, those houses that are now in the course of construction we can not do anything about, but we are opposed to any act which might contemplate some more, and it is on that that we are opposed.

Mayor Congleton: This is west of Bergen Street.

Mr. Max Brell, 127 Keer Avenue: If your Honor please, we were down to see Dr. Ward last week and he was very happy to hear that there was to be something done. But he claims if apartment houses would be put up on the place where it is already permitted, and he has about four or five hundred feet of ground there from Parkview Terrace to Maple Avenue—

Mrs. Morris: More than four hundred feet.

Mr. Brell: Perhaps more. He said

how he could claim this for one-family houses. If there is an apartment across the street being built, he has to sell for the same purpose. He said if there would be one-family houses put up there he could sell his for one-family developments, but he says if there is an apartment house put up or six-family he will have to do the same thing because nobody will buy it for one-family houses. Who will buy one-family house if there is an apartment facing there, it is the same street.

Mayor Congleton: Personally, I would rather see a nice looking apartment across the street from me than look over the roof of a house at the back of an apartment, because I had that same experience and when they built a nice apartment across the street from me I felt it was a much better thing to look at than the back of the other apartment.

Mr. Brell: That is very true, but after all if the man has so much ground there and he is contemplating to sell this for one-family houses and they are putting up apartments, would people still buy this for one-family houses?

Mrs. Morris: I want to say this, Mr. Mayor: had they put up a high type house there you could not find so much fault, but they put up a house for what they can get for them. They are putting them up to sell. They are very ordinary. They are cheap. You can see the paper between the clapboards and the broad boards—what do they call them? I don't remember the name of them. You can almost see through the paper. On the roof they have got the cheapest kind of asbestos shingles—not even a piece of paper under it. How the building department has let them get away with that I don't know. The house is right on the sidewalk. It is disgraceful. You don't put them up in the shabbiest tenement district any more—they are passe absolutely. If there was a high type apartment house I agree with you in that. You can not put a nice apartment house there now because they are right on the street. If you put a nice apartment house you must set it back ten or fifteen feet. How under the sun they got an ordinance of that kind—what did you do? You wrecked the street.

Mayor Congleton: Houses have to be

built according to the building code and the complaint that we get most of the time is our building code is so far in advance of the building code of East Orange and those other neighboring municipalities that people are going out there to build because they can build in a fashion different than in Newark and save a lot of money.

Mrs. Morris: Well, you see, that street was a virgin block. It is the only block in the Weequahic section between Parkview Terrace and Maple Avenue that had anything of that type on the street, and there was nothing but one and two. Why they didn't carry that out more is a pity.

Mayor Congleton: We certainly will look at it before any action is taken.

Mrs. Morris: I appeal to you, gentlemen, because it is not fair to us. We have expensive homes there and they are all two years old and three. If it was an old section, why, go ahead, but don't go ahead and wreck a side street. That is a shame.

Mayor Congleton: Now, we will hear the other side.

Mr. Harry A. Pine, 17 Academy Street: I represent a group of builders known as the Builders Association of Essex County. We are not interested in any particular individual that is affected here, but we oppose the repealing of that original zoning ordinance as a matter of principle because we feel that the builders of the city of Newark who have done a great deal to build these many apartment houses that are going to make it the metropolitan city that we expect it to be, will have fear in their hearts and they will hesitate to buy a plot of ground for the purpose of erecting an apartment house, paying the price that is expected of them, and knowing all the while that a repeal of that ordinance may be passed which will prejudice their investment and prevent them from going ahead. Now, the City of Newark should have no virgin streets any more. I think we are coming to a point where our streets will be covered by apartment houses. With the benefit from the various improvements that are intended by our city fathers, two-family houses will have no place in Newark. I think the owners of two or one-family houses ought to be big enough and patriotic enough not to

interfere with the progress of the times. Now, mention was made of the City of Orange and East Orange. We know that many of the thousands of people who are going to Newark and who are going to occupy the many offices that are being erected in the high office buildings will want to live in Newark. We don't want them to come to Newark and then take a jitney to some suburb because they do not find a pleasing apartment. I believe it is throwing a monkey-wrench in the machinery of progress by preventing the erection of apartments after investments have been made. Some of our builders have purchased property on Hansbury Avenue. They now own property there. When they made the purchase it was for the purpose of erecting apartment houses. The zoning ordinance permitted it and it is decidedly unfair, after the investment has been made—and we don't have to be real estate experts to know that the investment for an apartment house site is considerably higher than for a one or two-family site—and it would be manifestly unfair, after an investment has been made, to repeal the ordinance and tell them they can not erect more than a one-family house. The proposition will come to this, that no builder will want to make an investment and he won't want to take a chance in buying any property, unless there is an apartment house already on it. I am opposed to the repeal of the ordinance on the general principles it would interfere with the progress of Newark.

Mayor Congleton: Does anyone else desire to be heard?

Mr. J. Henry Harrison, 810 Broad Street: If your Honor please, I appear for Harry Kaplan and his interest which controls the remaining frontage on the northerly side of Hansbury Avenue. He is now erecting, as Mrs. Morris has said, three four-family houses on the westerly part of his tract. He has filed plans for three apartments for the remainder of his tract. The total amount of land which he owns there is 468 feet, 324 feet of which it is proposed to put in apartment houses. Those plans, I am informed, are now before the Building Department. I think the general remarks which Mr. Pine has made with reference to the fairness of the proposition can be spe-

cifically applied to Mr. Kaplan. In other words, he contracted to purchase the property with the specific provision that unless the ordinance were changed the purchase would not become effective. The ordinance was changed on July 17, 1928, and he took title on August 1, 1928. Since that time, as I say, he has erected these three four-family houses and is proceeding to erect the apartment houses. Now, as your Honors doubtless know, there is on the southerly side of Chancellor Avenue, between Maple Avenue and Parkview Terrace, which are the two streets at issue in this case, apartment houses already erected and excavations already made for additional apartment houses. Now, I think from what Dr. Ward has told us, that no one is authorized to speak for him, and I think I might safely say that he did not oppose in 1928 amendment of this ordinance. And at that time, if I may call your Honors' attention to this fact, that Mrs. Morris nor Mr. Brell did not then appear at the time the ordinance was changed for this specific purpose. Now, if my information is correct, while Mrs. Morris had built there prior to the change of this ordinance, Mr. Brell, however, had made his purchase subsequent thereto and with full knowledge of conditions. I have here a petition which is signed pretty generally by property owners in that section, and without reviewing the petition in detail, I may say it seems generally to express the point of view of the people in that locality.

Mrs. Morris: Who are the property owners?

Mr. Harrison: Favorable to the retention of this present condition. Now, Mrs. Morris asks as to what property owners, if any, appear upon Keer Avenue, I take it. I have here five or six property owners on Keer Avenue.

Mrs. Morris: Not on our block.

Mr. Harrison: If I am informed correctly. The other property owners who petition against the proposed change are the remaining property owners upon this particular block. In other words, Throme, who owns 140 odd feet on the northeasterly corner of Maple Avenue and Hansbury Avenue, and Bruner and Adams, who own the corners on the northwesterly corners of Parkview Avenue and Hansbury Avenue. They have signed this peti-

tion and protest against the proposed change, so you have a situation, reviewing the facts in brief, where the ordinance was changed with the expressed purpose of making this an apartment house zone and where individual owners have gone ahead to build in accordance with the ordinance as adopted, where plans are already provided for substantial apartment houses to take the rest of the block, and which houses, I am informed, will approximately cost some \$200,000 each. It is unfair, I think, on the other side, to depreciate the value of this man's property who bought with full knowledge of what the conditions were and the full expectation of using the property for its most valuable use, so you have not only the particular precedent, but you have the generality of opinion there which opposes a change of this ordinance. And I respectfully submit, without assuming to answer Mrs. Morris' point in detail, that under the circumstances the repealer should not be passed.

Mayor Congleton: Does anyone else wish to speak?

Commissioner Gillen: Would it not be wise at this time, Mr. Mayor, to lay the matter over for two weeks and have the Board inspect the premises and see what conditions are? We have heard arguments on both sides. We can not very well get any more light on the subject unless we look at the property on the ground.

Mrs. Morris: Mayor Congleton, those apartments are half empty on Chancellor Avenue now. They can not rent them, and you have much vacant land on Chancellor Avenue. Why don't they build there? Why do they go into a little private street and wreck it? As for Mr. Throme, he can not help it. They allowed him to put stores on Maple Avenue. He wasn't supposed to do that, and he got away with it. He has to be in line with them; he can't help it.

Mayor Congleton: The motion is that the matter be laid over for two weeks.

Commissioner Murray: I second the motion.

Mrs. Morris: These members that signed it are on the next block below it. It don't mean one thing to them.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of an eight (8) inch pipe sewer, for house sewage only, in Maybaum Avenue from a point approximately 100 feet north of Tremont Avenue to the City Line.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That a pipe sewer, for house sewage only, shall be constructed in Maybaum Avenue from a point approximately 100 feet north of Tremont Avenue to the City Line. This sewer to be eight (8) inches in diameter with four (4) inch cast iron house connections to the curb lines, together with all the appurtenances necessary to complete the same, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated April 18, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$3,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$3,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement

commission", approved March 22, 1916 (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that May 14th, 1929, at 10 A.M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Virginia Street from Frelinghuysen Avenue to the City Line with asphaltic concrete pavement (1" binder-2" top) on a six (6) inch concrete foundation, and authorizing the making and execution of a contract with the City of Elizabeth for the payment by the City of Newark of a portion of the cost.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Virginia Street from Frelinghuysen Avenue westerly to the City Line shall be graded, curbed, flagged and paved with asphaltic concrete pavement (1" binder-2" top) on a six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of the street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of an act entitled "An Act Concerning Municipalities," approved March 27, 1927 (P. L. 1917-319), and the supplements thereto and amendments thereof.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed against the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be made by the City of Elizabeth in accordance with an agreement between the City of Elizabeth and the City of Newark setting forth the work to be undertaken, the plans and specifications therefor, and that the cost of the improvement lying within the City of Newark shall be borne by the City

of Newark, together with a pro rata share of all incidental expenses incurred by the City of Elizabeth including advertising, engineering services and inspection of the work during the progress of the improvement, and upon the completion of said improvement and the certification of the cost of the same by the City Engineer of Elizabeth to the City of Newark, such cost shall be paid by the City of Newark to the City of Elizabeth.

Section 3. That in order to temporarily finance said improvement, the sum of Two thousand dollars (\$2,000.00) is hereby appropriated and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P.L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That upon the passage of this ordinance the Director of the Department of Public Affairs and the City Clerk be and they are hereby authorized and directed to execute a contract with the City of Elizabeth on behalf of the City of Newark, containing the provisions of this ordinance.

Section 5. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that May 14th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or

as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

pealed.  
The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to authorize the improvement of City Railway and providing for the financing thereof.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That the improvement of the City Railway be and the same is hereby authorized.

2. That the total net cost of constructing the portion of City Railway known and designated as Section 4, shall not exceed the sum of Three hundred thousand dollars (\$300,000.00).

3. Pursuant to the provisions of Section 12 of Chapter 252 of the Laws of 1916, and the amendments thereof and supplements thereto, there shall be issued temporary improvement bonds of the City of Newark, in an aggregate principal amount of Three hundred thousand dollars (\$300,000.00), bearing interest at a rate not exceeding six per centum (6%) per annum, payable semi-annually, for the purpose of temporarily financing the cost of the construction work aforesaid, and all incidentals connected therewith, in order to make the same suitable for said purpose. All other matters in respect to said temporary improvement bonds shall be determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and

supplemental thereto, and the Director of the Department of Revenue and Finance is hereby authorized to issue said temporary improvement bonds at such time or times and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Auditor and City Clerk are hereby authorized and directed to execute such bonds or so many thereof as the Director of the Department of Revenue and Finance may deem it advisable to issue.

4. The sum of Three hundred thousand dollars (\$300,000.00) to be raised by the issuance of said temporary improvement bonds is hereby appropriated for the purpose for which said bonds are hereby authorized to be issued.

5. This ordinance shall take effect immediately upon final passage and publication in accordance with law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that May 7th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following petitions were received and read:

Hon. Board of Commissioners,  
City of Newark, N. J.

Gentlemen:

We hereby protest against the granting of a permit for a cemetery at McClellan Street and Devlin Avenue, Newark, N. J. This cemetery would be right beside our houses and would be

a terrible detriment to us in depreciating the value of our properties and in making it undesirable for our homes. We have cemeteries in the neighborhood now and too many of them. Why put up another one? This application has come up time and again and it seems a hardship on us to compel us to get up these petitions and to hire a lawyer to appear before you to defend our rights. The City fathers have gone on record long ago as opposing any further permits for cemetery purposes within the City as it takes the property out of the tax ratables and even improvements and assessments for local improvements cannot be collected from cemeteries. This is the most undesirable thing that could be done in this vicinity and we, the residents and property owners of this section, are unanimous in our opposition to this and ask that the permit be refused once and for all so that you will not compel us every year to come before you.

Signed by about twenty  
property owners.

Ordered filed.

To the Honorable  
Board of Commissioners of  
The City of Newark:

United Hebrew Organizations of Newark, New Jersey, a corporation of New Jersey organized for the general welfare of its members and not for pecuniary profit respectfully presents this petition to the Honorable City Commission:

1. It has purchased a part of land in the City of Newark; County of Essex and State of New Jersey, more particularly described as follows:

Beginning at the intersection of the southerly line of McClellan Avenue with the easterly line of Devlin Avenue; thence running in a course south 57 degrees 34 minutes east 286.98 feet to a point; thence south in a course 36 degrees 3 minutes west 267.10 feet to a stake north 75 feet from Virginia Street; thence running in a course 53 degrees 57 minutes west 89.27 feet to a stake; thence running in a course south 79 degrees 14 minutes west 5.79 feet to a stake and point on the easterly line of Devlin Avenue; thence running north 1 degree 8 minutes west and along the easterly line of Devlin Avenue 318.46 feet to the

outerly line of McClellan Avenue and point and place of beginning.

2. It desires to use said lands as a cemetery for the burial of its deceased members and the deceased members of their families.

3. The lands are situated in a district devoted primarily to cemetery purposes, as will more fully appear from sketch of the lands in question and surrounding lands, which sketch is submitted with this petition.

4. The petitioner, therefore, respectfully requests that your Honorable Board, by proper resolution or other action of your Honorable Board permit the petitioner to use said lands as a cemetery.

5. Your petitioner undertakes in all things to comply with regulations and ordinances of the City of Newark and the regulations and statutes of the State of New Jersey governing cemeteries.

Respectfully submitted,

Hyman Arbetman, Pres,  
Louis Rappaport, Secy.

United Hebrew Organizations  
of Newark, N. J.

Personal inspection and conference.

Public hearing on petition of United Hebrew Association in the City of Newark.

Mayor Congleton: This is the day fixed for the hearing on the application for a permit for another cemetery in the City of Newark. We will hear those that are in favor first.

Mr. William L. Greenbaum, 164 Market Street: Mr. Mayor and gentlemen, I represent the United Hebrew Organization and Society consisting of approximately 750 members, male and female. Now, this society, which is organized for the purpose of aiding the members of it, is not for pecuniary profit. One of the duties which they perform is taking care of the sick and also providing a burial place for the dead of that society. They are interested in this property. This property where they propose to conduct this cemetery is in a section which is surrounded by cemeteries.

Mayor Congleton: Will you tell us what the acreage is of the plot you desire a permit for, Mr. Greenbaum?

Mr. Greenbaum: Well, I can give you the measurements. I can not tell you in acreage—286 feet on McClelland Avenue, 310 feet on—about two acres, I am informed. Now, this is in a section—

Mayor Congleton: What is the value of that by the acre?

Mr. Greenbaum: Well, I will have to ask somebody. About \$12,000 per acre.

Mayor Congleton: That is \$24,000 worth of property at present market prices that you desire to take out of the ratables?

Mr. Greenbaum: We don't desire to do that. I suppose the law takes care of that.

Mayor Congleton: Well, that is the point we have to look at. That is the effect of granting your application. How many streets do you front on?

Mr. Greenbaum: McClelland Avenue, Devlin Avenue and Madison Avenue.

Mayor Congleton: Have those streets been improved?

Mr. Greenbaum: McClelland Avenue has been paved.

Mayor Congleton: Have the other streets been paved?

Mr. Greenbaum: I don't believe they have.

Mayor Congleton: Will you agree to pay the paving assessments on those streets if we grant this permit?

Mr. Greenbaum: Yes, sir.

Mayor Congleton: Including McClelland Street?

Mr. Greenbaum: Well, McClelland Avenue has been paid.

Mayor Congleton: I know, but it has not been assessed yet.

Mr. Greenbaum: If that will be one of the conditions on which—

Mayor Congleton: I don't know; I am just merely asking.

Mr. Greenbaum: If that will be the only obstacle—

Mayor Congleton: If it is taken out of the ratables and devoted to cemetery purposes the general taxpayers of the city will have to pay for the paving of that street in front of that property.

Mr. Greenbaum: Well, if the Commission will think that is a fair thing to do, to insist upon, we will do it. I

don't know what the other cemetery associations have done there. I don't know whether or not they have paid for the paving of the streets. However, if that will be a condition that will be imposed, I suppose we will be obliged to meet it.

Mayor Congleton: Any cemetery permit that has been granted, Mr. Greenbaum, since the Court of Errors and Appeals held that cemeteries were not liable for street assessments for local improvements have paid for the assessments before they got permits.

Mr. Greenbaum: We don't ask anything different from what the others did. We would be glad to meet that condition absolutely.

Mayor Congleton: Now, go ahead. I will try not to interrupt you.

Mr. Greenbaum: I am glad if you ask me questions because there may be things you want to know that I don't mention. Now, then, it is true that this will be taken out of the ratables. But in every city the commissioners, and especially in the City of Newark, have taken care of the live people very well, I think, and there is also an obligation to take care of the dead ones. Now, this organization proposes to conduct this cemetery and it is not for pecuniary profit; it is simply to help its members and give them a resting place and not charge prices that are exorbitant, because that is the condition which exists in a great many places today—prices asked for plots are very high, and this organization proposes to give to its members these plots at cost; and I am asking the consideration of this Commission in view of the fact that the entire section there is nothing but cemeteries. I don't think that it can be used for any other purposes, and I ask that you give this application your serious consideration for the reasons mentioned.

Mayor Congleton: McClelland Street is one of the main entrances to the new State Highway 25.

Commissioner Murray: Cemeteries to the right and left of it and all around it.

Mayor Congleton: Does anyone else desire to be heard?

Commissioner Howe: How would the cemetery affect the street?

Mayor Congleton: In what way?

Commissioner Howe: That fact that it is on a main highway.

Commissioner Murray: You can not devote it to any other purpose.

Mr. Greenbaum: You have cemeteries all along there. All along that highway you have nothing but cemeteries on either side.

Mayor Congleton: All right.

Mr. Aaron Levinstone, 24 Commerce Street: Mr. Commissioners, it is one of the fundamentals of the Jewish religion that care must be taken of the dead, and, in fact, it is as important and perhaps more important than some of the obligations that we owe to the living. Now, a city like Newark, with its splendid and marvelous progress that it has made, is distinguished for all the wonderful accomplishments it has given and has made in improving the conditions of the living. But this is rather a matter that can not be measured in dollars and cents. The citizens are willing to pay all the obligations and taxes, but when it comes to taking care of them at a time when they have served their duty and they have finished their accounts with this splendid city, they ought to be given as fine and as comfortable and dignified a place as possible. We are building a wonderful city, and this morning I heard there was going on here a discussion about the changes of different streets and apartments and all that. And I think we ought to have a place separate and apart for the dead; and particularly in a place like this where there is nothing but cemeteries around. Here is a crowd of citizens, six or seven hundred, who want this place for their resting place after they are through with this world. And I think there should be no objection at all on the part of the honorable Commission to give them a permit. It is not used, as Mr. Greenbaum said, for any pecuniary benefits; it is simply for the benefit of the members. And I want to say, most of the members are not belonging really to the rich class; they are all people of middle class, and this permission granted to them will provide them with a place of resting after they are through with this little world.

Mr. Benjamin M. Ratner, 120 Market Street: With reference to this particular property in question, I want to bring to the attention of you gen-

gentlemen one fact, that that strip of ground, that two acres in question, is the only piece of ground that is left in the neighborhood of this particular cemetery ground. What could you gentlemen, or anybody else in this city, do with that particular piece of ground other than to use it for a cemetery? Nothing else. Many say it is not large enough; they say it isn't convenient. It has got to be used for a cemetery because it is so near the rest of the cemeteries. Now, another thing that is more important: 750 members belong to this particular Jewish organization. Cemeteries, as we all know, are very scarce. Those members who belong to organizations have their particular cemetery. If I belonged to an organization which did not have a cemetery, and if the day of judgment came, I don't know, probably if my family would have a place to bury me. Probably they would have to take out to Passaic or Clifton, where there are plenty of cemeteries, and I, as a citizen of this great city in which I have earned my bread and butter and made it greater and better. And for that reason I say that that strip of ground being the only thing that is left, and these 750 members and their families, which aggregate probably more than 2,000, they would only have that plot of ground upon which to bury their souls. Now, there is nothing that you could use it for, as I said. It is important that these people have a resting place. They haven't any resting place. They don't know where their members are going to lie when they pass from this wide world, and we as citizens must provide a resting place for them, and as to that small tract of two acres, the City, gentlemen, should not, and I do not think you will turn down the proposition, and grant them the privilege of using that piece of ground for a cemetery. I say further, that if they are willing, in view of what the Court of Errors and Appeals has said, to make an agreement with the City to pay for the paving and such other assessments as could be levied against this property, in view of what the Court of Errors and Appeals has said, they show their good faith. And I say in closing, the Commission should grant them a permit in view of the circumstances as they now exist.

Mayor Congleton: Is there anyone

here who desires to speak in opposition?

Mr. C. Merton, Floral Avenue: Gentlemen, I am down there 31 years and I pretty near know what cemeteries are. There has been about 100 acres given to cemeteries within the last thirty years. Don't you think that is enough? Now, I have nothing against cemeteries whatsoever, but if these people want a cemetery in front of their house or in their back yard, let them have it, but not in front of my house. These people never come near us, never said what they want, but give us nothing but a common sneak-around-the-back and get the cemetery. Now, I don't think that is right. This association means to do what they are, why don't they come around and tell people what they want to do? Why do they sneak around the back? Gentlemen, do you mean to tell me they didn't know that these streets are paved? I worked hard to have that done. Why is it they have all got cemeteries? If that is the only reason, when they get one piece they will get the other piece. Who wants it? There has been two cemeteries been down there and we got additional. Who wants it after they do get it? I agree with them. But listen; we want something, too. Our children we have to take to school. Why? Because they are grabbing everything. We don't get anything out of it. Now, I am down here 31 years. Don't you think we are entitled to something? They say there is nothing down there. We certainly won't get nothing down there if you are going to give all the ground away. We are dead because they bury the dead there and we will always be dead. That is the idea of a cemetery. I think in thirty years 100 acres is enough. Look up your records; I think you will see I am right. Now, who is paying for that? The taxpayers all got to pay for it. These people don't pay any taxes. There is plenty of ground they can have for cemeteries; that I know. That ought to be a fine place in Newark. Here is a highway coming from Elizabeth, Madison Avenue coming in has two parks. They start a cemetery and we are continually giving them cemeteries on that street. Well, I think it is a fine idea. I am in the florist business. I have nothing against the cemeteries, but I do think when it does

affect the whole city you are really going to have that fine highway, a fine street coming in, and putting cemeteries on top of it. Now, if those people think it is a fine thing for the City of Newark, why, go ahead.

Mr. Greenbaum: May I ask this gentleman a question? Where is Floral Avenue with reference to this plot?

Mr. Merton: There is Floral Avenue. Madison Avenue is in Elizabeth. Of course, you don't know where it is.

Mr. Greenbaum: You call this Floral Avenue?

Mr. Merton: Yes, sir, Floral Avenue, and here is the petition.

Mr. Greenbaum: Where do you live?

Mr. Merton: Right across from the cemetery.

Mr. Greenbaum: Which cemetery?

Mr. Merton: What you want.

Mr. Greenbaum: There is one right in back of you, isn't there?

Mr. Merton: Yes, we got them all around.

Mr. Greenbaum: One on the side of you?

Mr. Merton: Yes, and we have got enough. I am right across from it.

Mr. Greenbaum: Right over here?

Mr. Merton: Yes.

Mr. Greenbaum: How much ground do you own?

Mr. Merton: We own this whole strip and then this lot back of this house back there. Now you are going to put a cemetery between all this property. That is a fine how-do-ya-do.

Mayor Congleton: Does anyone else desire to be heard in opposition?

Mr. Thomas M. Kane, 31 Clinton Street: We have here, gentlemen, four petitions that are signed by various property owners down in that immediate section. Now an appeal is made on behalf of this cemetery and it strikes me as being very sympathetic, and I am sure that this Board, like any other men and women with any sense of decency are sympathetic, not only of the living but of the dead. This organization, if I understand it, is composed of people who do not live in the neighborhood. They are an organization who want to go down there and bury their dead. The people in that immediate neighborhood represented on these pe-

titions and the Newark and Elizabeth Boundary Line Protective Association, which I represent, are opposed to the proposition. My understanding is and was when I appeared before this Commission some year or so ago in opposition to the same permit that the policy of the Commission was to grant no permits for cemeteries within the city limits. It struck me as being a very proper thing to do because the greatest argument that we used against it, and properly so, is that it takes this property out of the tax ratables. The Mayor asked Mr. Greenbaum if they would be willing to pay for the pavement of these streets, and he in a way says yes, and they might pay for improvements although they are not bound under the law. That is very much in line with the Mayor's attitude some time ago when I read in the paper he was rather disturbed because a cemetery up in another section of the city would not pay for certain improvements. But there is a question of paying for the pavement of the streets and the immediate improvements, it seems to me, is only a part of the traffic situation. That plot of land down there, no matter what the improvements may be, is taken out of the tax ratables, and that, of course, is part of our yearly income, part of the blood of our sustenance here in the city. That is a very important item. I think, as I said before, the Commission very wisely did decide on a policy which they should follow in this case; that is, to keep all cemeteries out of the city. I repeat again that we are all sympathetic, but in these days of automobiles, gentlemen of the Commission, it seems to me that it is a very easy matter for the members of this society to take their beloved dead out into some hillside or township out here where there is plenty of room, where nobody will oppose it, and where their people may rest peacefully without the noise, if they could hear it, of automobiles or traffic. Now, the fact that we may have cemeteries down there is no reason why we should put more there. In other words, two swallows don't make a summer. The Mayor has very aptly said this is the approach to the State Highway. We are all glad that we have some State Highways running through our city. Now, should we make that approach as disagreeable as possible?

Of course, cemeteries are needed, but I think in fairness to those taxpayers these people who are living in the neighborhood, I don't think they should be compelled to have any more cemeteries in that section, and I respectfully submit, gentlemen of the Commission, that you should follow the policy that you have laid down, and that is to refuse this permit the same as you refuse all permits for cemeteries in the city.

Mayor Congleton: Does anyone else desire to be heard in opposition?

Mr. Victor Ciava, 55-57 Pershing Avenue: I am living down there and my house is pointed in that position, to Devlin Avenue, right over to that plot where they want to grant the cemetery, and I don't like to see cemeteries there just on account it makes the front of my house. Another thing, we taxpayers are paying taxes and I believe we got enough cemeteries down there and enough noise on Sunday. Every Sunday there is people buried down there and I wouldn't like to have it any closer.

Mayor Congleton: Anyone else?

Mr. William J. Phillipowitz, 73 Leslie Street: I have properties there next to that plot, number 10, 12, 14, 16 and 18 and it costs me an average of about \$75,000, and the place which applicants have bought it and they say it is worth \$12,000. It was sold for \$7,500. And we pay it all—assessments, McClelland, Madison Avenue, Garibaldi avenue. We pay it all—sewer and water. It costs us a lot of money, and I don't see why, gentlemen, people which don't live there would come and get more privilege for the cemeteries and destroy the neighbors which are living there and paying taxes. Therefore, I oppose it for any cemeteries.

Mayor Congleton: Does anyone else desire to be heard in opposition?

Mr. Greenbaum: Mr. Phillipowitz, where did you say you live, on Leslie Street?

Mr. Phillipowitz: Yes, but I own the property right there.

Mr. Greenbaum: Which property do you own?

Mr. Phillipowitz: I own 10, 12, 14, 16 and 18 Garibaldi Avenue, next to the very same plot.

Mr. Greenbaum: Where is that on this map?

Mr. Phillipowitz: Who is made that map? Where is McClelland Street? Here is Garibaldi Avenue.

Mr. Greenbaum: That is not the Elizabeth side?

Mr. Phillipowitz: No, that is the Newark side.

Mr. Greenbaum: Have you your tax bill?

Mr. Phillipowitz: Here is my tax bill. I pay over a thousand dollars annual tax for all these properties.

Mr. Greenbaum: You know there was another permit granted for a cemetery last year, don't you?

Mr. Phillipowitz: No, it wasn't. It was filed but it was rejected.

Mr. Greenbaum: There was an application for another permit for a cemetery made before this Commission last year.

Mayor Congleton: I do not think that is pertinent to ask this man about that. We know about those things.

Mr. Greenbaum: I want to find out if he objected to that one.

Mayor Congleton: It doesn't make any difference whether he did or not. He is objecting to this. I think we have got to take this case up on its own merits.

Mr. Greenbaum: I thought you might consider the sincerity of his objections.

Mayor Congleton: Well, when a man pays a thousand dollars in taxes down there his objection has some merit.

Mr. Ratner: May I say this, that the attitude of those who oppose is a bit selfish. Probably this man owns one or two or three or four lots of ground. That isn't so important as the lives of 750 or probably 2,000 people who are going to pass out of this world. That is the thing to be considered. No. Because this man has four lots there and he paid a thousand dollars. There are 2,000 lives that must be put away in a proper place. We can not put them down on Broad and Market Street, down near the metropolitan district. We have got to take them out to the outlying districts. That is the proper place for them.

Commissioner Gillen: You are not going to bury them alive.

Mr. Merton: They don't care a bit for us.

Mayor Congleton: Do not get personal. You have made your objection to the granting of this permit on certain grounds, and the application is asked for on certain grounds. Now, let us stick to the proposition and not deal in personalities. Does anyone else desire to be heard?

Commissioner Gillen: I move the public hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray: I suggest before taking any decided action either way that the Commission reserve the matter for personal inspection and final action at a future date.

Mayor Congleton: With the full Board. Commissioner Brennan has had to leave to go to his doctor. The motion is that this matter be taken up in conference.

Commissioner Howe: And that the Commissioners make a personal inspection.

Mayor Congleton: And that the Commissioners make a personal inspection.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following petition was received and read:

We, the undersigned, property owners and residents in the vicinity of the garage owned by Frank Luciano on premises 49-51 Stone Street, Newark, N. J., hereby express our willingness and desire to have permit to conduct a public garage upon said premises 49-51 Stone Street, Newark, N. J., granted to the said Frank Luciano.

We further certify that said garage has been conducted as a public garage by the said Frank Luciano during the year of 1928, and that no complaints of any kind have ever been heard by us or made by us as to the manner in which said garage was operated.

We further certify that the said garage is a necessity for the neighborhood, and that many persons owning cars in said neighborhood are unable to store their cars except in said garage space provided by the said Frank Luciano.

Signed by thirty-two property owners.

Laid over to April 30, 1929.

Mayor Congleton: We have before us an application for the reopening of a case before the Board of Adjustment which came up last week. Judge Minisi, Commissioner Brennan was here but he could only stay for a little while on account of his physical condition. He has had to leave. I am going to ask you to be patient with us and we will have to put it over for another week.

Judge Minisi: May I make at least this request, Mr. Mayor? This man's permit expires on May 1. Is there any way that I could get at least a month's extension?

Mayor Congleton: Well, next Tuesday will be before May 1.

Judge Minisi: Except that if this Board takes any sort of affirmative action next Tuesday it will have to come up before the Zoning Board two weeks later.

Mayor Congleton: I would suggest that you take that up with Commissioner Brennan. Our Board would have no authority. That comes under the Bureau of Combustibles, but I think you will find him reasonable in that respect. He tried to stay but could not.

Judge Minisi: Thank you very much.  
Laid over to April 30, 1929.

Commissioner Howe offered the following resolution:

RESOLVED, That the sum of Two hundred thirty-four dollars and eleven cents (\$234.11) be and the same is hereby appropriated to persons named on the annexed certified list, being the bills and claims of the Department of Revenue and Finance, as follows:

Comptroller's Office .....	\$ 34.11
City sundries .....	200.00
	<hr/>
	\$234.11

John Howe  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolutions:

RESOLVED, That the sum of Three hundred and eighty dollars (\$380.00) be and the same is hereby appropriated to the City Treasurer as per annexed certified list, being the weekly payroll of the Department of Parks and Public Property for week ending April 17, 1929, as follows:

Alice W. Hayes Estate.....\$380.00

Charles P. Gillen  
John Howe  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the sum of One thousand nine hundred ninety-eight dollars and fifteen cents (\$1,998.15) be and the same is hereby appropriated to the City Treasurer as per annexed certified list, being the weekly payroll of the Department of Parks and Public Property for week ending April 17, 1929, as follows:

Shade Tree .....\$1,998.15

Charles P. Gillen  
John Howe  
Jerome T. Congleton  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the sum of Six thousand nine hundred ninety-three dollars and twenty-nine cents (\$6,993.29) be and the same is hereby appropriated to the persons named on the annexed certified list, being the bills

and claims of the Department of Parks and Public Property, as follows:

Alice W. Hayes Estate.....\$ 731.25  
City Hall Alterations..... 6,262.04  
\$6,993.29

Charles P. Gillen  
John Howe  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton

RESOLVED, That the sum of Six hundred and eighty-two dollars (\$682.00) be and the same is hereby appropriated to the persons named on the annexed certified lists, being the bills and claims of the Department of Public Works, as follows:

Director's Office .....\$682.00

Jno. F. Murray, Jr.

The following communication was received and read:

Board of Adjustment  
City of Newark  
Newark, N. J.  
April 18, 1929.

The Board of Commissioners of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted granting the following applications for variations from the requirements of the Zoning Ordinance: 846-852 Broadway, Vincent R. DeGuercio, owner; public garage.

9-11 Chestnut Street, Frish Realty Co., owner; sale of gasoline from portable tanks; no underground storage.

294 Chancellor Avenue, John J Ludwig, owner; gasoline station.

150 Fourteenth Avenue, Bruno Loan Association, owner; sale of gasoline from portable tanks; permit limited to one year.

In accordance with Section 9, Chapter 274, P. L. 1928, the Board of Adjustment respectfully recommends to your Honorable Body that the above structures be allowed.

Respectfully submitted,

The Board of Adjustment,  
Russell B. Rankin,  
Secretary.

Received and copy referred to each Commissioner.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The City of Newark is the owner in fee of two strips of land in the Town of Belleville, more particularly described as follows:

FIRST TRACT: Beginning at a point in the southwesterly side of Belleville Avenue (formerly John Street) distant 250.38 feet southeasterly from the intersection of the said side of Belleville Avenue with the southeasterly side of Smith Street; thence (1) south  $33^{\circ} 52'$  west 142.10 feet; thence (2) south  $53^{\circ} 35'$  east 30 feet; thence (3) north  $33^{\circ} 53'$  east 145.46 feet to the aforesaid southwesterly side of Belleville Avenue; thence (4) along said side of Belleville Avenue north  $59^{\circ} 58'$  west 30.08 feet to the point or place of beginning.

SECOND TRACT: Beginning at the intersection of the westerly line of Main Street with the southerly line of Greylock Avenue; thence (1) along said side of Main Street 10 feet, more or less, to the northerly line of Belle Avenue; thence (2) along said northerly line of Belle Avenue 975 feet, more or less, to the easterly line of Stephen Street; thence (3) along said line of Stephen Street 10 feet, more or less, to the aforementioned southerly line of Greylock Avenue; thence (4) along said line of Greylock Avenue 975 feet, more or less, to the point of Beginning.

The above described plot is more specifically known as lot 78, block 61, sheet 12, on the Tax Maps of the Town of Belleville; and

WHEREAS, The City of Newark has installed under said land a 24-inch cast iron water pipe line for the purpose of carrying water from the Belleville Reservoir to the water system of the City of Newark; and

WHEREAS, The Town of Belleville desires to use said land for street purposes and has requested the City of Newark to consent thereto;

Now, Therefore, Be it

RESOLVED, By the Board of Commissioners of the City of Newark, that

such Board hereby consents that the Town of Belleville use said land for street purposes aforesaid, subject to the right of the City of Newark from time to time to enter into and upon said premises for the purpose of repairing, maintaining, altering or relaying its pipe line now existing in said premises or for the purpose of laying additional pipe lines or for any other purpose for which said City of Newark may desire to use said property, any expense occasioned in lowering water pipe by reason of change of grade to be borne by the Town of Belleville.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That John T. O'Donnell, whose name has been certified by the Civil Service Commission as eligible, be and he is hereby permanently appointed as Assistant Garage Foreman, Department of Public Affairs, Bureau of Street Cleaning, at a compensation of \$45.00 per week, effective as of April 25, 1929.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, By resolution heretofore adopted by this Board the sum of Ninety-six hundred dollars (\$9,600.00) was appropriated to Christian Feigenspan, a corporation, as the purchase price of certain meadow lands owned by said corporation, containing 3 acres and 12 rods; and

WHEREAS, It now appears that the purchase price should have been ninety-eight hundred thirty dollars; therefore be it

RESOLVED, By the Board of Commissioners of the City of Newark that the sum of two hundred thirty dollars (\$230.00) be and the same is hereby appropriated to said Christian Feigenspan, a corporation, in addition to the said Ninety-six hundred dollars (\$9,600.00), said payment to be made upon the filing by said corporation with the Acting Auditor of Accounts of a Deed from said corporation to The City of Newark, conveying the lands aforesaid, described in said resolution, approved as to form by the Corporation Counsel.

Jerome T. Congleton  
John Howe,  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the following bonds be and the same are hereby approved as to sufficiency, and the City Clerk hereby is directed to file the same with the Department of Public Affairs, which will in turn file the same with the proper City officer:

Mahlon Averill, furnish and lay 6 to 16-inch low pressure cement lined water mains in various City streets. (Contract and indemnity bonds).

J. B. Gilligan-Casey Co., pave Ludlow Street from Dayton Street to City Line. (Contract, maintenance and indemnity bonds).

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

The following reports of City Officers were received and ordered filed:

Overseer of the Poor for January, February and March, 1929.

Auditor's Ledger for March, 1929.

Mayor Congleton: Is there any other matter to come before the Commission? I would suggest, inasmuch as the term of this Commission expires on Tuesday, May 21, that we arrange to hold a meeting on May 20th to finish up any pending business and any ordinances that are to be published which would come up on May 21st be published to come up on May 20th so that we can finish up things that are pending.

Commissioner Murray: I move that be done.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Mayor Congleton: Does any other citizen have any other matter to bring to the attention of the Commission with respect to City business? If not, a motion to adjourn is in order.

Commissioner Murray moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

#### APPROVED:

JEROME T. CONGLETON

W. J. BRENNAN

JOHN HOWE

CHARLES P. GILLEN

JNO. F. MURRAY, JR.

The Board of Commissioners of  
The City of Newark, N.J.

W. J. EGAN,

City Clerk.

Newark, N J , April 30, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Absent: Commissioner Howe.

The minutes of meeting of April 23rd, 1929, were read and approved.

Mayor Congleton: Now, I would suggest, gentlemen, that before we go any further that we have the roll call of the Junior Commissioners here so that their names may be recorded in the minutes. I would suggest that we start here and have each boy get up and give his name and office he holds and the school he is from.

Present: Walter Scott, Mayor, St. Benedict's Prep.; David Mann, Director of Parks and Public Property, Central High School; Richard Baumann, Director of Revenue and Finance, South Side High School; Joseph Cresca, Director of Public Works, Barringer High School; Frank Guidera, Director of Public Safety, East Side High School; Daniel Halpern, City Clerk, West Side High School.

Mayor Congleton. I would like to state that Commissioner Howe has been in, but he was subpoenaed as a witness in the Federal Court this morning and had to go over there, but he will get back just as quickly as he can.

The City Clerk presented An ordinance to provide for the opening of Goldsmith Avenue from its present westerly terminus, about 424 feet westerly to Hobson Street, and for the opening of Summit Avenue from Chancellor Avenue northerly to Goldsmith Avenue, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. Benjamin Braelow, 1060 Broad Street: In behalf of my clients, the Home for the Aged, I wish to offer a dedication by my clients in consideration of my clients being relieved from any paving, cutting and assessments.

Mayor Congleton Your clients have been told that we could not do that. We have agreed to take the dedication for the taking and widening, but we have never relieved any property owner of the improvement of the street later. The Prudential Insurance Company gave us such valuable property as theirs along Washington Street. The Washington Terminal Garage did the same, and several of the others, for the widening of Washington Street; and your clients have been told definitely that so far as my department is concerned, that has this in charge, that we would not recommend any such proposition.

Mr. Braelow: Mr. Mayor, did you say you would not or could not legally recommend it?

Mayor Congleton: We will not—I will not.

Mr. Braelow: I understood from our conference before that the Commission thought that they hadn't the legal right to do that.

Mayor Congleton: No, I didn't make that point at all. I said it was against the policy of the City to do so. We would take the land and relieve them of any assesment for street widening, but when it comes to the improvement of it and the paving of it, that is a different proposition and it would have to stand upon its own feet.

Mr. Braelow: Then we submit, Mr. Mayor, that we do not believe the opening of Goldsmith Avenue necessary, and we would offer to dedicate Summit Avenue under the terms that Goldsmith Avenue should not be touched.

Mayor Congleton: You may make your proposition and the Commission will take it under consideration.

Mr. Braelow: The proposition is made, sir.

Mayor Congleton: I suggest that the further hearing on this ordinance go over for two weeks so our engineers may go into it.

Commissioner Murray moved that the ordinance be laid over until May 14th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The City Clerk presented An ordinance providing for the vacation of Magnolia Street from South Twelfth Street westerly about 95 feet to a property line, and stated that today was the time fixed for hearing on the same.

Commissioner Brennan moved that the ordinance be laid over until May 20th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the removing and narrowing of the parkways and the paving and repaving of Custer Avenue from Elizabeth Avenue to Peshine Avenue with asphalt penetrated macadam pavement on the old foundation prepared, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any person desire to be heard on this ordinance? (No response.)

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to provide for the removing and narrowing of the parkways and the paving and repaving of Custer Avenue from Elizabeth Avenue to Peshine Avenue with asphalt penetrated macadam on the old foundation prepared.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance to provide for the removing and narrowing of the parkways and the paving and repaving of Custer Avenue from Elizabeth Avenue to Peshine Avenue with asphalt penetrated macadam pavement on the old foundation prepared," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the removing and narrowing of the parkways and the paving and repaving of Custer Avenue from Elizabeth Avenue to Peshine Avenue with asphalt penetrated macadam on the old foundation prepared.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the grading and paving of Van Vechten Street from Frelinghuysen Avenue to the east side of Sedgewick Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance? Gentlemen, I am going to ask that the ordaining clause be stricken out. We intend to pave this street, but the new pipe line will go through there, so we will postpone the paving until the pipe line is put in.

Commissioner Gillen moved that the ordaining clause of the ordinance be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the construction of a system of sewers to be known and designated as the "Tremont Avenue and Martens Avenue Storm and Sanitary Sewers," and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. Adolph Sieder, 105 North Munn Avenue: Gentlemen, I represent the property owners on North Munn Avenue and vicinity, and we object to the assessment to that storm water sewer there going through there because we have already paid for a storm sewer there.

Mayor Congleton: Well, when it

comes before the Board of Assessment

Mr. Sieder: We have a petition here signed by—

Mayor Congleton: If you receive no benefits you will receive no assessment.

Mr. Sieder: I don't see where we receive any benefits from that sewer here and we have a petition here I would like to present to the Commissioners.

Mr. W. F. Youman also appeared.

Commissioner Brennan moved that the ordinance be laid over until May 20th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The following petition was received and read:

We, the undersigned, property owners in the vicinity of the proposed opening of Maybaum and Tremont Avenue, hereby petition the Honorable Commissioners of the City of Newark, New Jersey, that we object and oppose any levying of assessment against our respective properties, in re of the above mentioned proposal, and also any assessments.

(Signed by sixty-nine.)

Commissioner Brennan moved that the petition be laid over until May 20th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The City Clerk presented An ordinance authorizing the making and execution of an agreement between The City of Newark and the Mayor and City Council of the City of Elizabeth, and the Board of Public Works of the City of Elizabeth, for the supplying of not exceeding 25,000,000 gallons of water per day to the City of Elizabeth, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: I am going to ask to have this ordinance laid over. The Elizabeth Board of Works and Elizabeth City Council have introduced their ordinance and it has passed on first reading. I prefer to see them pass theirs on the third reading before we pass ours on third reading and be tied up for an indefinite time before they pass theirs. Theirs will come up around the middle of May, so I would suggest that further hearing be postponed until May 20th.

Commissioner Murray moved that the ordinance be laid over until May 20th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the alterations to the Bay Avenue Pumping Station, from a steam to an electric plant, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard?

(No response.)

No one appearing. Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to provide for the alterations to the Bay Avenue Pumping Station, from a steam to an electric plant.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts:

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance to provide for the alterations to the Bay Avenue Pumping Station, from a steam to an electric plant," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the alterations to the Bay Avenue Pumping Station, from a steam to an electric plant.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The City Clerk presented An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919 (extending Industrial District to Wharton, Ludlow and Van Vechten Street), and stated that today was the time fixed for hearing on the same.

Commissioner Brennan moved that the ordinance be laid over until May 14th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Commissioner Brennan offered the following resolution:

RESOLVED, That the sum of One hundred eighty-one dollars and ninety-seven cents (\$181.97) be and the same is hereby appropriated to persons named on the annexed certified list, being the bills and claims of the Department of Public Safety, as follows:

Public Safety .....\$181.97

Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Commissioner Howe offered the following resolution:

RESOLVED, That the sum of Five thousand four hundred eighty-eight dollars and seventy-nine cents (\$5,488.79) be and the same is hereby ap-

propriated to persons named on the annexed certified lists, being the bills and claims of the Department of Revenue and Finance, as follows:

City Sundries .....\$3,007.35  
Street Improvement charges. 12.14  
Tax Board ..... 62.81  
Comptroller's ..... 51.00  
Elections ..... 2,355.49  
\$5,488.79

John Howe  
Charles P. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Mayor Congleton offered the following resolutions:

RESOLVED, That the sum of Fifty-two thousand four hundred thirty-six dollars and twenty-six cents (\$52,436.26) be and the same hereby is appropriated to the persons named, as per certified list attached, being the gross amount of bills contracted and chargeable to the Department of Public Affairs, as follows:

City Treasurer, semi-monthly payroll, period from April 16th to April 30th, 1929, both inclusive .....\$52,436.26

John Howe  
W. J. Brennan  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

RESOLVED, That the sum of Six hundred nine dollars and ninety-five cents (\$609.95) be and the same hereby is appropriated to the persons named, as per certified list attached, being the gross amount of bills contracted and chargeable to the Department of Public Affairs, as follows:

W. J. Brennan  
Charles P. Gillen  
Jerome T. Congleton  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas Commissioners Brennan, Gillen, Murray, Mayor Congleton.

WHEREAS, The City of Newark on November 27th, 1928, issued its short time obligations known as Temporary Loan Bonds in the aggregate amount of One Million Dollars (\$1,000,000.00) for money borrowed in anticipation of the receipt of money expended for Pavings, said Temporary Loan Bonds being numbered 1548, 1549, 1550, 1551, 1552, 1553, 1554, 1555, 1556, 1557, 1558, 1559, 1560, 1561, 1562, 1563, 1564, 1565, 1566, 1567, and dated November 27th, 1928, and payable May 27th, 1929.

AND WHEREAS, The improvement for which said One million dollars was issued was for Pavings now in the course of construction or have been completed within six years and is an improvement for which the City is authorized to issue bonds, and the City is without funds to pay the said One million dollars (\$1,000,000.00) of Temporary Loan Bonds issued;

THEREFORE BE IT RESOLVED, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of bonds or other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, Chapter 252 of the Laws of 1916, and the amendments thereto, there shall be issued Temporary Loan Bonds in the amount of One million dollars (\$1,000,000.00) for the purpose of temporarily financing the improvement aforesaid and renewing said One million dollars (\$1,000,000.00) of Temporary Loan Bonds issued therefor;

FURTHER RESOLVED, That each of the Temporary Loan Bonds authorized by this resolution amounting in the aggregate to One million dollars (\$1,000,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum, and be issued in such denominations and be executed

in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk, be and they are hereby authorized and directed to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252, of the Laws of 1916;

FURTHER RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized and directed to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

John Howe  
Charles P. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

WHEREAS, The City of Newark on November 27th, 1928, issued its short time obligations known as Temporary Loan Bonds in the aggregate amount of Two hundred thousand dollars (\$200,000.00) for money expended for the City Railway, said Temporary Loan Bonds being numbered 1568, 1569, 1570 and 1571 and dated November 27th, 1928, and payable May 27th, 1929;

AND WHEREAS, The improvement for which said Two hundred thousand dollars (\$200,000.00) was issued was for the City Railway and is an improvement for which the City is authorized to issue bonds, and the City is without funds to pay the said Two hundred thousand dollars (\$200,000.00) of Temporary Loan Bonds issued;

THEREFORE BE IT RESOLVED, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, and the amendments thereto, there shall be issued Tempor-

ary Loan Bonds in the amount of Two hundred thousand dollars (\$200,000.00) for the purpose of temporarily financing the improvement aforesaid and renewing said Two hundred thousand dollars (\$200,000.00) of Temporary Loan Bonds issued therefor;

FURTHER RESOLVED, That each of the Temporary Loan Bonds authorized by this resolution amounting to Two hundred thousand dollars (\$200,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum, and be issued in such denominations and be executed in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk, be and they are hereby authorized and directed to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252, of the Laws of 1916;

FURTHER RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized and directed to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

John Howe  
Charles F. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

WHEREAS, The City of Newark on November 27, 1928, issued its short time obligations known as Temporary Loan Bonds in the aggregate amount of Six hundred thousand dollars (\$600,000.00) for money expended on the City Hall Annex, said Temporary Loan Bonds being numbered 1572, 1573, 1574, 1575, 1576, 1577, 1578, 1579, 1580, 1581, 1582 and 1583 and dated November 27th, 1928, and payable May 27th, 1929;

AND WHEREAS, The improvement for which said Six hundred thousand

dollars (\$600,000.00) was issued was for the City Hall Annex, for which the City is authorized to issue bonds, and the City is without funds to pay the said Six hundred thousand dollars (\$600,000.00) of Temporary Loan Bonds issued;

THEREFORE BE IT RESOLVED, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, Chapter 252 of the Laws of 1916, and the amendments thereto, there shall be issued Temporary Loan Bonds in the amount of Six hundred thousand dollars (\$600,000.00) for the purpose of temporarily financing the improvement aforesaid and renewing said Six hundred thousand dollars (\$600,000.00) of Temporary Loan Bonds issued therefor;

FURTHER RESOLVED, That each of the Temporary Loan Bonds authorized by this resolution amounting in the aggregate to Six hundred thousand dollars (\$600,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum, shall be issued in such denominations and be executed in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk be and they are hereby authorized and directed to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252, of the Laws of 1916;

FURTHER RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized and directed to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

John Howe,  
Charles F. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

WHEREAS, The City of Newark on November 27th, 1928, issued its short time obligations known as Temporary Loan Bonds in the aggregate amount of One hundred and sixty thousand dollars (\$160,000.00) for money expended for City Hall Alterations, said Temporary Loan Bonds being numbered 1584, 1585 and 1586 and dated November 27, 1928, and payable May 27th, 1929;

AND WHEREAS, The improvement for which said One hundred and sixty thousand dollars (\$160,000.00) was issued was for City Hall Alterations and is an improvement for which the City is authorized to issue bonds, and the City is without funds to pay the said One hundred and sixty thousand dollars (\$160,000.00) of Temporary Loan Bonds issued;

THEREFORE BE IT RESOLVED, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, and the amendments thereto, there shall be issued Temporary Loan Bonds in the amount of One hundred and sixty thousand dollars (\$160,000.00) for the purpose of temporarily financing the improvement aforesaid and renewing said One hundred and sixty thousand dollars (\$160,000.00) of Temporary Loan Bonds issued therefor;

FURTHER RESOLVED, That each of the Temporary Loan Bonds authorized by this resolution amounting in the aggregate to One hundred and sixty thousand dollars shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum, and be issued in such denomination and be executed in such manner as the Director of Rev-

enue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk, be and they are hereby authorized and directed to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252, of the Laws of 1916;

FURTHER RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized and directed to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

John Howe  
Charles P. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolutions:

WHEREAS, David S. Feldman has agreed to sell to the City of Newark, for the price of Eighteen thousand dollars (\$18,000.00), certain lands and premises situate in the City of Newark, Essex County, New Jersey:

Beginning at a point in the southerly line of Eighteenth Avenue distant twenty-five feet westerly from the westerly line of Boyd Street; thence north sixty-seven degrees sixteen minutes west twenty-five feet; thence south twenty-two degrees forty-four minutes west seventy-nine feet; thence south sixty-seven degrees sixteen minutes east twenty-five feet and thence north twenty-two degrees forty-four minutes east seventy-nine feet to the place of Beginning.

and,

WHEREAS, In the judgment of this Board, it is advisable that the City purchase said lands, at the price stated which, in the opinion of this Board, is a fair price,

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the City hereby accepts the offer of the said David S. Feldman to sell to the City the prop-

erty aforesaid, for the price of Eighteen thousand dollars (\$18,000.00), and

BE IT FURTHER RESOLVED, That the Director of the Department of Parks and Public Property enter into agreement with said David S. Feldman for the conveyance of the lands aforesaid to the City, at the price aforesaid, and the said Director and City Clerk be and they are hereby authorized and directed to execute an agreement of sale, on behalf of the City for the acquisition by it of the lands aforesaid, which are to be conveyed by said David S. Feldman to the City of Newark, by Warranty Deed, free and clear of all encumbrances, except taxes for the year 1929, which are to be apportioned as of the date of closing title, as more fully appears by said agreement.

Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas Commissioners Brennan, Gillen, Murray, Mayor Congleton.

RESOLVED, That the Director of the Department of Public Affairs be and he is hereby authorized and directed to advertise for sealed proposals for the following:

Grading and paving of Van Vechten Street from Frelinghuysen Avenue to the east side of Sedgewick Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

Removal, partial removing of parkways, paving and repaving of Custer Avenue from Elizabeth Avenue to Peshine Avenue with asphalt penetrated macadam pavement on a new broken stone foundation and on the old macadam prepared as a foundation.

Bids to be received at such time on such date at the office of the said Director as he shall in said advertisement designate.

Jerome T. Congleton  
Charles P. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

RESOLVED, That in order to accommodate public purposes in the City of Newark, Public Service Coordinated Transport be and it is hereby requested and directed to relocate its poles on South Street between Mulberry Street and Hermon Street, as indicated on map or plan numbered 2285-K and entitled "Public Service Coordinated Transport, Distribution Department, Proposed relocation of poles on South Street between Mulberry Street and Hermon Street, Newark, N. J.," hereto attached and made a part hereof, and that said poles be and are hereby relocated as shown on said map or plan.

Charles P. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

BE IT RESOLVED, By the Board of Commissioners of The City of Newark that the sum of seventy-nine thousand nine hundred ninety-nine dollars and forty cents (\$79,990.40) be and the same is hereby appropriated to Consolidated Corporation, being the purchase price of certain lands owned by said Company, in the City of Newark, Essex County, New Jersey:

FIRST TRACT: Being lot of salt meadow in what is known as Holland in the formerly Elizabethtown Great Meadows now Clinton Meadows, in the City of Newark. Containing, by estimate, 8 acres.

Bounded east by meadow of Ebenezer Johnson and William Brown, deceased; south by meadow of Jonathan Winans, Jr.; west by Daniel Jagers and north unknown.

Said premises are shown upon the assessment map of the City of Newark as being Section 18, block 2, plot 40; Section 18, block 2, plot 31.

SECOND TRACT: Being a piece of salt meadow formerly a part of Clinton Township, bounded as follows:

Westerly by Holland Ditch, southerly by land of Security Land and Improvement Company; easterly by land of Nancy F. Nye, northerly by land of Henry H. Cook and others.

Known as page 18, block 2, lot 12, Clinton Meadow tax map of the City of Newark, formerly a part of the Van Houten tract of meadow.

Said premises are shown upon the assessment map of the City of Newark as being Section 18-2, No. 12, Clinton Meadows.

THIRD TRACT: Beginning at the mouth of a ditch which empties into Bound Creek at the corner of Elihu Bond's meadow; thence (1) with said ditch north 78° 40' west 14.87 chains to meadow of Ebenezer Johnson; thence (2) with his line south 28° east 88 links; thence (3) south 4° 20' east 96 links; thence (4) south 65° 45' west 51 links; thence (5) north 30° 15' west 1 chain; thence (6) south 18° west 1.60 chains to meadow of Josiah Meeker now said Security Land and Improvement Co.; thence (7) with his line south 77° 30' east 16.77 chains to Bound Creek; thence (8) up said creek north 11° 30' west 3.11 chains to Beginning Corner. Containing 4¼ acres, more or less.

Said premises are shown upon the assessment map of the City of Newark as being Section 18-2, No. 22, Clinton Meadows.

FOURTH TRACT: Being piece of salt meadow in Clinton Salt Meadows.

Beginning at a point in the westerly

line of Bound Creek at a place called the "Reach" at the southerly line of Jonathan Winans; thence (1) in north-westerly direction along line of Jonathan Winans and other 16.35 chains to a ditch; thence (2) in a southwesterly direction and along the several courses of said ditch to a point in the northerly line of lands of Ebenezer Johnson, said second course being in length 7.60 chains to a line drawn straight from point to point; thence (3) in a southeasterly direction along the line of said Ebenezer Johnson and Isaac Thompson 19 chains to the west side of Bound Creek; thence (4) north-easterly following the several courses of Bound Creek to the place of Beginning.

Being distant in a straight line 5.89 chains from point to point. Containing 10.13 acres, more or less.

Said premises are shown upon the assessment map of the City of Newark as being Section 18-2, 23 and 32 Clinton Meadows.

and,

BE IT FURTHER RESOLVED, That said sum of Seventy-nine thousand nine hundred ninety dollars and forty cents (\$79,990.40) be paid to said Consolidated Corporation upon the filing by it with the Acting Auditor of Accounts of a Deed from said Company conveying the lands above described, approved as to form by the Law Department.

Charles P. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

WHEREAS, The Board of Adjustment has recommended to this Board in writing upon the appeal hereinafter set forth to it from the decision of the Superintendent of Buildings refusing such permit on the ground that the application does not meet with the requirements of the Zoning Ordinance that the structure for which application has been made be allowed;

Application of Vincent R. Del Guercio for construction of public garage at 846-852 Broadway.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue permits for the application above set forth.

Jerome T. Congleton  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Mr. Harold A. Miller, 763 Broad Street.

Mr. Mayor and Commissioners, I appear before you today on this resolution which was just read. Two weeks ago on Thursday the Adjustment Commission had before them the application of Mr. Del Guercio for the construction of a garage at 846 Broadway in Newark. That is up near the North Newark Station—it is between Irving Street and Verona Avenue. That sec-

tion up there has lain dormant for 25 years and just within the past three to five years has it commenced to improve. I represent 17 property owners who are within the 200 feet radius who have signed a petition objecting to this permit being granted. Within the last few years that property up there has begun to improve in value. They have constructed apartment houses on both sides of the street—mainly on the west side of the street. This garage application is for one on the west side of the street. The garages are creeping up north towards this property. This is the last block now unimproved and we contend, if you gentlemen please, that the construction of a public garage there will depreciate property values. It will also take away the ratables and this depreciation will hold property values down there and set that one section back for at least ten years to come. The Erie Railroad, I believe, is going to construct a new station there and probably electrify its road within a short time.

Mayor Congleton: You are an optimist.

Mr. Miller: Well, we hope that is so; they are talking about it and we hope that will come true. There is a possibility the State Highway may go through there, not open yet, but all those improvements will necessitate more traffic. This would be a detriment to the people going by. It is a hazard all the time, not only fire but a pedestrian's hazard. It will increase insurance rates there and nobody will improve by spending money for apartment houses and better classes of buildings next to this garage if it is once placed there. I would like to have you Commissioners give it the consideration that it deserves and ask that you deny it.

Mayor Congleton: You say it is on the west side and the last block up?

Mr. Miller: West side, last block up. It is about 200 feet in from Verona Avenue.

Mayor Congleton: What?

Mr. Miller: About 200 feet—150 or 200 feet south of Verona Avenue.

Mayor Congleton. I feel if these garages—if it is in the middle of the block, I would rather see it there than on the corner.

Mr. Miller: There is a bank on the corner—a nice building.

Mr. Anthony R. Finelli, 24 Commerce Street.

It took us two or three weeks to find out just who Mr. Miller represented. He says he represents seventeen property owners. We have the bank people and we have the people who are really improving that neighborhood for commercial purposes. Right opposite this particular site there are factories, and that is all industrial, and there are a lot of new imported citizens that come up there. Now, this matter was hashed and rehashed before the Zoning Commission. They viewed the place and took into consideration the rights of the citizens on the one hand and the development of the place on the other hand and the right of the City to get some return as well as the owner of the particular property. Now, the attitude before the Zoning Board—we could never find out who Mr. Miller represented. His clients were somewhere in the State of New York. A plain case where this Commission and the citizens of Newark ought to know that really the interests of Newark ought to be guided by the people who represent and who are interested right here, not merely people who are investing, people who want a place where they live. Now, I think that this Commission ought to support that particular body who knows the particular details and circumstances of this particular case. They went through it exhaustively on two occasions and I think that it would be an idle ceremony if we delegate power, authority and discretion to that Board and we come here and simply on a speech of futures—

Mayor Congleton: Is this where the high bank is?

Mr. Finelli: Yes, that is where the high bank is.

Mr. Miller: May I say one word to answer Mr. Finelli? The applicant himself doesn't live in Newark. He speaks about people living outside of Newark whom I represent. Practically all the people but probably three or four live on the properties up there, and they can find out very readily whom I represent by looking at the petition that has been signed. I don't get the point of his representation of his inability

to discover whom I represent. I just want to set that right with you gentlemen.

Mr. Finelli: His point was technical all the way through. He didn't want to give the Commission jurisdiction because he said we hadn't made service on his clients who were non-residents.

Mr. Miller: On one person.

Mayor Congleton: Does anyone else desire to be heard on this matter?

Mr. Herman W. Brams, 951 Broad Street.

I appear at this time with regards to this matter. I did appear before the Zoning Commission on one occasion with a petition of people who are not within a radius of 200 feet, so their word did not count for a whole lot at the hearing, but I think I represented around eighteen people who were opposed to the application, but in view of being away from this section more than 200 feet we could not be heard.

Mayor Congleton: What is the ground of your objection?

Mr. Brams: The objection was that it was a hazard and that it would have a tendency to lower values there. There are garages there sufficient now to house all of the cars that might be needed for the purposes, and I consulted with other garage keepers and they say their properties are half full.

Mayor Congleton: Does anyone else wish to be heard?

Commissioner Gillen: Suppose we lay it over and inspect the place.

Mayor Congleton: Just as you please. I have signed the resolution and I know the place.

Commissioner Gillen: In view of the protest, I move we lay the matter over for a week to allow the Commissioners to inspect the premises.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolutions:

WHEREAS, Otto Hornlein has agreed to sell to The City of Newark, for the price of Thirty-three thousand dollars (\$33,000.00), certain lands and

premises situate in The City of Newark, Essex County, New Jersey:

Beginning in the westerly line of Boyd Street (formerly Humes) two hundred and fifty-two feet distant southerly from the southerly line of lands of Jedediah J. Nichols; thence running north sixty-eight degrees west one hundred and ninety-nine feet four inches; thence south thirty-seven degrees forty minutes west thirty feet, more or less; thence south fifty-six degrees west thirty feet, more or less, to the line of lot No. 137 on map of property formerly belonging to A. W. Corey, Esq.; thence south sixty-eight degrees east two hundred twenty-eight feet to Boyd Street; thence north twenty-two degrees east sixty feet to the place of Beginning.

Being lots Nos. 138 and 139 on aforesaid map.

and,

WHEREAS, In the judgment of this Board, it is advisable that the City purchase said lands, at the price stated, which, in the opinion of this Board, is a fair price;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the City hereby accepts the offer of the said Otto Hornlein to sell to the City the property aforesaid for the price of Thirty-three thousand dollars (\$33,000.00): and

BE IT FURTHER RESOLVED, That the Director of the Department of Parks and Public Property enter into an agreement with the said Otto Hornlein for the conveyance of the lands aforesaid to the City, at the price aforesaid, which are to be conveyed by said Otto Hornlein to the City of Newark, by Warranty Deed, free and clear of all encumbrances, except taxes for the year 1929, which are to be apportioned as of date of closing title, as more fully appears by said agreement.

Charles P. Gillen  
W. J. Brennan  
Jerome T. Congleton  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

WHEREAS, The brick cornice on the building, Nos. 221-223 225 Mulberry Street, owned by the City of Newark, is in a dangerous condition and the tenants in the stores cannot do business until a part of said cornice is taken down, a sidewalk bridge built and the main front wall rebuilt; and

WHEREAS, An exigency exists which creates an emergency which would not permit of advertising for bids for the doing of the work aforesaid, and the Director of the Department of Parks and Public Property has therefore ordered the work done by the Frank Briscoe Company, Inc.;

BE IT RESOLVED, That the action of the Director of the Department of Parks and Public Property in ordering this work done on the basis of net cost plus 10% and 10% builders' profit, be and the same is hereby ratified and confirmed.

Charles P. Gillen  
W. J. Brennan  
Jerome T. Congleton  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

The following communications were received and read:

State of New Jersey.  
State Highway Commission.  
Trenton, N. J.

April 26, 1929.

Re: Taking Over Route No. 25.

Mr. William J. Egan,  
City Clerk,  
Newark, N. J.

Dear Sir:

I am directed by the State Highway Commission to forward to you the enclosed certified copy of resolution, containing a detailed description of the taking over of Route No. 25 from Weston Avenue, Newark, to Julia Street, Elizabeth, and from Julia Street, Elizabeth, to the City Line on Edgar Road.

Very truly yours,

A. Lee Grover,  
Secretary.

Referred to the Mayor.

April 25, 1929.

Mr. William J. Egan,  
City Clerk,  
Newark, N. J.

Please take notice:

That an application has been made by Leo J. McKinney on behalf of Quinto Gesuelli for a variation from the requirements of the Building Zone Ordinance so as to permit a Service Station on the premises 512-514 Roseville Avenue and this notice is sent to you as an owner of property in the immediate vicinity. This application is now No. 50-29-Gs on the Clerk's Calendar, and a public hearing has been ordered for Thursday, May 2nd, 1929, at 2 P. M., in the Commissioners' Chamber, 2nd floor, City Hall; and when the Calendar is called you may appear either in person, or by an agent, an attorney, and present any objection which you may have to the granting of this application.

This notice is sent to you by the applicant, by order of the Board of Adjustment.

Respectfully,

Leo J. McKinney,  
Applicant.

Referred to the Law Department.

Second River—Joint Meeting.  
Office of the Secretary,  
City Hall,  
Newark, N. J.

April 22, 1929.

Gentlemen:

At a meeting of the Second River Joint Meeting, held April 22, 1929, the following resolution was passed:

RESOLVED, That the several municipalities do raise and pay to the Treasurer of the Joint Meeting the sum of \$30,000.00, which shall be assessed upon the Joint Municipalities in the proportion fixed by the contract between the several Municipalities in accordance with their respective capacities in Section 3 of said sewer; and be it further

RESOLVED, That the Secretary be directed to notify the various Municipalities of such assessment and the proportion to be paid by each; and be it further.

RESOLVED, That the said monies be paid to the Treasurer of the Joint Meeting within thirty days of the 22nd day of April, 1929.

The portion of the assessment due from the City of Newark is the sum of \$1,116.00, being 3.72% of the said \$30,000.00.

Respectfully,

Secretary.

Referred to the Mayor.

Mayor Congleton: Gentlemen, from time to time we have had requests from property owners along the line of Breintnall Place, Bank Street, Wallace Place and Warren Street to change the names of these streets to West Market Street. There were several different improvement associations. They have now all joined together and called themselves by the name of the West Market Improvement Association. They have requested that the name of the street be changed. I am introducing an ordinance today on first reading, to come up for final reading on May 20, so we may find out definitely the sentiment.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

A Further Supplement to an Ordinance entitled "An ordinance to Establish the Names of Certain Streets in the City of Newark."

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That the names of the following streets or highways situate in the City of Newark, be and the same are hereby changed and shall hereafter be known and designated as follows:

Breintnall Place, to be changed to West Market Street;

Bank Street, from Summit Street to Rutgers Street and Wallace Place, to be changed to West Market Street.

Wallace Place, to be changed to West Market Street.

Warren Street, from Bruce Street and the angle on the northerly side opposite thereto, to Orange Street, to be changed to West Market Street;

Bank Street, from Rutgers Street and Wallace Place to South Twelfth Street, to be changed to Twelfth Avenue.

Section 2. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Murray, Mayor Congleton.

Commissioner Brennan moved that May 20, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Murray, Mayor Congleton.

Mayor Congleton: Does any citizen have any matter to bring to the attention of the Commission this morning?

The following petition was received and read:

To the Honorable Commissioners of the City of Newark, Essex County, New Jersey.

Sirs:

WHEREAS, It is now, and has been for a long time past, a practice in the City of Newark for the retail ice dealers of said City to be engaged in the retail sale and distribution of ice on

the Sabbath, commonly called Sunday; and

WHEREAS, The said retail sale and distribution of ice on Sundays is not and cannot be considered work of necessity or charity, for either or both of which reasons the said sale and distribution might be permitted; and

WHEREAS, The undersigned, for the better and more fittingly observing the Lcnd's Day, desire that the said sale and distribution of ice on that day be forbidden.

We, the undersigned, now, therefore, respectfully petition your Honor that you receive this petition; that you consider the same in the light of the above stated facts; that you deliberate upon the same; and, that you may grant the prayer of the undersigned petitioners, that an ordinance be passed forbidding the retail sale and distribution of ice in the City of Newark on Sunday.

Respectfully submitted,

Signed by about 350 citizens.

Referred to conference.

Mr. Ernest Scuorzo, 164 Market Street.

Mr. Mayor, gentlemen of the Commission, young men of the Junior Commission: I appear in behalf of the American Retail Ice Dealers' Association. They have a membership of some four or five hundred throughout the county, but the greater part of the membership comes from the City of Newark. For some time they have been contemplating applying to the Commission of the City of Newark for an ordinance closing down the retail ice business on Sundays. These men, like the barbers and like all other trades, are entitled to enjoy their Sabbath according to the usual custom. They have been compelled, for business reasons, because of competition, to continue selling ice on Sundays. This they desire to avoid in the future if the gentlemen of the Commission can see fit to pass an ordinance assisting them in this matter. I have prepared for them a petition which was delivered to me this morning in five sections, signed by some three or four hundred retail ice dealers. I desire to present this petition, not this morning, but later on in the

day, after I have had an opportunity to get all the signatures in one copy and in one folder, in order that the commission may not be caused any great inconvenience in handling. If the City Commission will take this matter under advisement and at an early date decide to pass an ordinance and grant public hearings in the matter, if they deem it advisable, I shall greatly appreciate it.

Mayor Congleton: The petition will be received when you file it and the Commission will take it up in conference.

(At this time Commissioner Howe took his place at the table.)

Mr. Anthony F. Minisi, 738 Broad Street.

Mr. Mayor and City Commissioners: This is the matter relative to the premises 49-51 Stone Street. The matter came up two weeks ago and again a week ago, and I thought that it would be called as a matter of course as it was last week. Now, I don't know whether the Board wishes me to go over this matter once again. I stated fully the reasons for my application two weeks ago, and at the suggestion of the Mayor—

Mayor Congleton: Commissioner Brennan was not here that day, so I think you had better state your reasons to him.

Mr. Minisi: This involves an application to operate a public garage on premises 49-51 Stone Street in this City. The premises are now owned by one Frank Luciano, who bought the property and invested practically every penny that he earns on the basis of a permit that was issued by the Bureau of Combustibles indicating that this property could be used as a public garage. It was so used for the entire year 1928. The permit was then revoked and an application which was made before the Zoning Board to have this permit re-issued after approval by the Zoning Board was turned down, and I am now appearing before this City Commission, not with the purpose of having the City Commission overrule or compel the Zoning Board to issue this permit, but I have been informed that in situations of a like character it has been the procedure to appear before this Board and lay the equities of the situation before the City

Commission and then have the matter re-referred to the Zoning Board with a recommendation that the Zoning Board reconsider the entire matter. Now, a petition which was signed by practically all the property owners and the residents of the community in which this property is located has been filed with this Commission on April 16.

Mayor Congleton: For or against?

Mr. Minisi: For. There are only two or three individuals—or at most six, I think, who represent three or four properties, who are opposing this application. And strange as it may seem, two of the parties who are most strenuously objecting are conducting garages themselves. One is a private garage and one is a commercial garage. Now, the commercial garage has a capacity equal to the capacity of the garage in question. Now, I maintain that there is a crying need for garage space in that locality. The garage in question is entirely filled and is filled by people who live in the immediate vicinity, and their names appear on this petition which has been filed with the Commission. There is an absolute necessity for this garage and I say that inasmuch as this Frank Luciano, the present owner, comes before this Board absolutely with clean hands, the arguments that are about to be presented by my worthy opponent, Mr. Caruso, representing these property owners who are conducting garages themselves, should be entirely disregarded.

Mayor Congleton: Now, you have two permits.

Mr. Minisi: No, I have one permit that was issued to the original owner as a group garage. The other permit was issued out of the Bureau of Combustibles for a public garage with permission to keep 500 gallons of gasoline.

Mayor Congleton: Was that issued to the present owner?

Mr. Minisi: It was issued to the present owner, yes, sir.

Mayor Congleton: When was that one issued?

Commissioner Brennan: That was issued under false representation.

Mr. Minisi: Not made by the present owner, though—that is the point that I want to raise.

Mayor Congleton: When was that permit issued?

Mr. Minisi: This was issued May 1, 1928.

Mayor Congleton: When did your client purchase the property?

Mr. Minisi: Well, he bought this just about that time, Mr. Mayor.

Mr. C. William Caruso, Prudential Building.

Honorable Mayor, Honorable Commissioners, Junior Commissioners: Apparently Judge Minisi anticipated the reasons for the objections that would be interposed, and the reason for that probably is because this thing has been very thoroughly and completely aired before the Board of Adjustment. Now, an application to this Commission for the privilege or a permit to operate a public garage is one thing. Then Judge Minisi modifies and moderates that application and says now, "We would be content to have this Commission recommend to the Board of Adjustment the reopening of this case."

I could not understand the exact nature of this application made before this body, and I assumed, first of all, that the application was to operate a public garage. Now, let me respectfully submit this: I brought out two phases of this situation, first with respect to the application to operate a garage. There is this to be said, and it is very brief. The Board of Adjustment has denied this application to operate this garage on these premises on April 4, 1929. And I contend that if this application to this body is in the form of an appeal made by the applicant represented by Judge Minisi, then I say they have absolutely no standing in this body because their remedy is in a court of law, and that is well specified in Section 9 in the Pamphlet Laws of 1928, Chapter 274, which specifically says that. Now, with respect to the application for a recommendation to the Board of Adjustment let me say this in opposition, if you please. I think that if the Board knows the true history of the facts with respect to this application you would refrain from making such a recommendation to the Board of Adjustment. I don't know whether you would even have the right to recommend to the Board of Adjustment, because I have in my mind that the Board of Adjust-

ment is a body created under a legislative act by this body with broad judicial powers, and if it sits there as a court then its decision can be appealed only to the court, and if this body would take the trouble of recommending to that body something to be done which they did not see fit to do, you would be doing exactly the same thing as if you took it upon your hands and in your minds to make a recommendation to the State Board of Pardons to exercise clemency to some person spending his life in the State Prison.

The reason why you should refrain from making this recommendation—I am getting down to the point advanced by Judge Minisi last—in 1927 an application was made to the Board of Adjustment for a permit to conduct this public garage at 49-51 Stone Street. It was rejected by the Board of Adjustment after very careful consideration. That application was made by Luciano Brothers, as evidenced by the records in the office of the Board of Adjustment, Mr. Russell Rankin, where he says that the application was signed by the Luciano Brothers in September, 1927. Now, the Luciano Brothers appeared once more on the scene in the spring of 1928. They go before the Building Department and submit to the Building Department an application to construct a warehouse to be used solely for the purpose of storing plumbing supplies. Now, what did they do? Incidentally, I might call to your attention that the plans for the construction of the warehouse were identical with those for the construction of the public warehouse, except for the erasure of the one word—with the exception that instead of a public garage it was to be a public warehouse. They built the warehouse. But instead of using it as a warehouse it was turned into a storage for motor cars, which everybody in the neighborhood knows.

When that was brought to the attention of Commissioner Brennan by Mr. George R. Jackson, who then represented these objectors, I know that Commissioner Brennan immediately took it upon himself to try to rescind that permit because of the breach of faith and the misrepresentation that had been made.

Now, then, subsequently in this year, April, 1929, they renewed their appli-

cation to the Board of Adjustment for a permit to operate a public garage. In the meantime they procured a permit from the Bureau of Combustibles, but that permit, I contend right now, was procured by misrepresentation and was in contradiction and in violation of a city ordinance which I will bring to your attention in a moment. And the Board of Adjustment, taking all these matters into consideration, only this month—April 4th—was unanimously rejected by the Board of Adjustment. Now, so far as the merits are concerned, I bring this to your Honors' attention, Honorable Commissioners. If this is in the form of an appeal from the action taken by the Board of Adjustment, then they have absolutely no standing here today, because their remedy is in a court of law. If this in the nature of an application for a recommendation, then, honorable gentlemen, let me call to your attention that I think that you would refrain from making such a recommendation in view of these gross and wilful misrepresentations made by this man. And then, why not let the Board of Adjustment take its own initiative? It has wide discretionary powers. We have a City ordinance and these premises are within 200 feet of a church, if your Honors please, and it is a provision of the city ordinance—the church is in the immediate vicinity. This is 49 and 51 Stone Street and the church is located at 46, if I am not mistaken—I have it right here—here we are: Newark Mount Calvary Reformed Church of America, 41 Stone Street, less than 100 feet away.

Now, we contend, and we have a great number of objectors, and not persons who conduct any garages, because if they do they have complied with the laws in every respect. As a matter of fact, it is an argument against it. They have not complied with the ordinances. They have been given two very thorough hearings by the Board of Adjustment. Now, I don't think that under these circumstances these Board of Commissioners is going to allow these people a remedy or a relief where they are trying to use this as a subterfuge for obtaining something which they should not obtain.

Mr. Minisi: Now, Mr. Mayor and gentlemen of the Commission, I thought I made myself very clear at

the very, very outset, that my application here was not in the nature of an appeal but rather an application which would result in a recommendation of this Board not to grant the permit but to reopen the matter and permit another hearing. Now, in so far as the situation as it was developed by Mr. Caruso, comparing this Zoning Board to the Court of Pardons and attempting to tie it up with the City Commission, I feel that there is absolutely no analogy whatsoever between the two examples. The Zoning Board is a subordinate creature created by this Commission, and I feel it has certain supervisory powers which it may exercise when the situation presents itself demanding such action. Now, in reference to the church, I wish to state very definitely that the minister in charge of that church has been approached on this matter and he has stated to more than one person—and some of them are present in the room now—that he has absolutely no objection to the granting of this permit. Now, I wish to say a word or two on the phase of misrepresentation as it was developed by Mr. Caruso. Whatever misrepresentation was made in obtaining these original permits was not made by the present applicant. The warehouse, as I understand, was erected by a certain Micala Stefanelli. He made application for the original construction. He put the building up and after putting the building up he obtained a permit which permitted the use of this garage as a group garage. When my people were purchasing this property they wished to assure themselves whether this property could be used as a public garage, and they made application for a permit and the permit was granted. Now, I say that these gentlemen do not come here in the category as described by Mr. Caruso. They come here absolutely with clean hands, and I say they are not to be penalized for any misrepresentation made by the previous owners. Rather, they acted under a document which was issued by a subdivision of this City government, and I feel if any negligence was set in operation which resulted in the issuance of this permit to conduct a public garage, then I say my applicant should not be made to suffer.

Mayor Congleton: Does anyone else desire to be heard?

Mr. Caruso: The records of the Board of Adjustment will prove to the City Commission who made the original application. I am following the records of Mr. Rankin.

Mayor Congleton: Does anyone else want to be heard?

Commissioner Gillen: I move the public hearing be closed.

Commissioner Brennan: I move that it be referred to conference.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

(Referred to conference.)

Mayor Congleton: Does any other citizen have any other matter to bring to the attention of the Commission?

Commissioner Gillen offered the following resolutions:

WHEREAS, The Board of Adjustment has recommended to this Board in writing upon the appeal hereinafter set forth to it from the decision of the Superintendent of Buildings refusing such permit on the ground that the application does not meet with the requirements of the Zoning Ordinance that the structure for which application has been made be allowed:

Application of Bruno Loan Association for sale of gasoline from tanks (permit limited to 1 year) at 150 14th Avenue.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue permit for the application above set forth.

Charles P. Gillen  
John Howe  
W. J. Brennan  
Jerome T. Congleton  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

RESOLVED, That the sum of Two thousand seven hundred thirty-five dollars and fifty-five cents (\$2,735.55) be and the same is hereby appropriated to the City Treasurer, as per annexed certified list, being the weekly payroll of the Department of Parks and Public Property for week ending April 24, 1929, as follows:

Shade Tree .....\$2,735.55

Charles P. Gillen  
John Howe,  
Jno. F. Murray, Jr.  
Jerome T. Congleton  
W. J. Brennan

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

RESOLVED, That the sum of Eight hundred and thirty-four dollars (\$834.00) be and the same is hereby appropriated to the City Treasurer, as per annexed certified list, being the weekly payroll of the Department of Parks and Public Property for week ending April 24, 1929, as follows:

Alice W. Hayes Estate .....\$834.00

Charles P. Gillen  
John Howe,  
Jno. F. Murray, Jr.  
Jerome T. Congleton  
W. J. Brennan

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

Commissioner Howe: Before we adjourn, Mr. Mayor, I wish to state that my being tardy here today was as a result of receiving a summons to appear in court in a suit there where I had to testify as a witness.

Mayor Congleton: That was so stated for you, Commissioner Howe, publicly in open meeting.

Commissioner Howe: Thank you.

Mayor Congleton: We would be very glad to hear from you boys. For myself, I want to say I am very glad to have you young men here today. I think it is a very good sign of the times that you are taking an interest in public affairs. Of course, it won't be very long before you will have to carry on where either we or our successors leave off, and I am always glad to be of any assistance that I can in creating an interest in the minds of young men in civic matters. Mr. Scott, we would be very glad to hear from you if you care to say a few words to us.

(At this time the various junior City Commissioners spoke.)

Mayor Congleton: Well, we are very glad to have you here and we would like you to carry back to your associates in the various schools the thoughts that you have expressed here, and tell them that we are trying to do the public's business in a public way in open meetings for the benefit of all of the people.

Does any other person have any matter to bring to the attention of the Commission? If not, a motion to adjourn is in order.

Commissioner Brennan: I move that we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Murray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
W. J. BRENNAN  
JNO. F. MURRAY, JR.  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N J, May 7, 1929.

A regular meting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, N. J., at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The minutes of the meeting of April 30, 1929, were read and approved.

The City Clerk presented An ordinance regulating the construction, installation and inspection of plumbing and drainage; defining the power of plumbing inspectors; authorizing the examination, licensing and registering of persons intending to engage in business as Master or Employing Plumbers; fixing the fees for examination and inspection and providing penalties for the violation of any of the provisions of this ordinance, and stated that today was the time fixed for hearing on the same

The Board then entered upon said hearing.

Commissioner Murray: I move that the ordinance be laid over to May 14, 1929.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the construction of sewers to be known and designated as the "Cleveland Avenue and Bayard Place Storm and Sanitary Sewers," and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anybody desire to be heard on this ordinance?

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to provide for the construction of a system of sewers to be known and designated as the "Cleveland Avenue and Bayard Place Storm and Sanitary Sewers".

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The Roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance to provide for the construction of a system of sewers to be known and designated as the "Cleveland Avenue and Bayard Place Storm and Sanitary Sewers," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the construction of a system of sewers to be known and designated as the "Cleveland Avenue and Bayard Place Storm and Sanitary Sewers".

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to repeal an ordinance "An ordinance to amend an ordinance entitled: 'An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions, adopted December 31, 1919, which amendatory ordinance was adopted July 17, 1928 (Hansbury Avenue), and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Commissioner Brennan: I move that the ordinance be laid over to May 20, 1929.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to authorize the improvement of City Railway, and providing for the financing thereof, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

No one appearing, Commissioner Howe moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the following ordinance be taken up on second reading:

An ordinance to authorize the improvement of City Railway, and providing for the financing thereof.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

Section 5 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Howe moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the

ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the title of "An ordinance to authorize the improvement of City Railway, and providing for the financing thereof," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to authorize the improvement of City Railway, and providing for the financing thereof.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe offered the following resolutions:

RESOLVED, That the sum of Seven thousand three hundred sixty-one dollars and ninety-six cents (\$7,361.96) be and the same is hereby appropriated to persons named on the annexed certified list, being the bills and claims of the Department of Revenue and Finance, as follows:

Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

WHEREAS, The City of Newark in 1927 was desirous of purchasing a tract of land in the Township of Rock-away, Morris County, New Jersey, containing approximately ten acres, the owner of which refused to deal with the City of Newark; and

WHEREAS, Henry G. Hershfield, a real estate agent, notified the City of Newark that he could acquire the property for the sum of \$10,500; and

WHEREAS, On October 28, 1927, the sum of ten thousand five hundred dollars by a check on the Fidelity Union Trust Company, for the purpose of purchasing said property, was advanced to Jerome T. Congleton, Corporation Counsel, which was endorsed by him and delivered to the said Henry G. Hershfield; and

WHEREAS, Thereafter a warranty deed was delivered by John Shawger and wife to the City of Newark for the land so as aforesaid designed to be

purchased by the City, and the said check was endorsed by the said Henry C. Hershfield, and has been paid, the voucher thereof now being in the possession of the City Treasurer;

NOW, THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark, that the sum of \$10,500.00 be and the same is hereby appropriated to the City Treasurer, to reimburse him for the monies advanced by him for the purchase of the property above referred to.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolution:

BE IT RESOLVED, By the Board of Commissioners of The City of Newark that the sum of Ninety thousand dollars (\$90,000.00) be and the same is hereby appropriated to R. Thomas Bowers, representing the purchase price of certain lands in the City of Newark, Essex County, New Jersey, agreed to be conveyed by said Bowers and wife to The City of Newark:

Beginning on the easterly line of Jelliff Avenue at a point therein distant southerly 181.95 feet from the corner formed by the intersection of said line of Jelliff Avenue with the southerly line of 18th Avenue; from thence running south 57° 42' east 70 feet; thence south 38° 11' west 24.15 feet; thence south 57° 56' east 105.94 feet to the westerly line of Boyd Street at a point therein 227.58 feet southerly from intersection of said line of Boyd Street with the southerly line of 18th Avenue; thence along Boyd Street south 24° 32' west 41.14 feet; thence north 63° 55' west 87.36 feet; thence south 35° 12' west 63.56 feet; thence north 63° 55' west 4.89 feet; thence south 38° 11' west 97.81 feet to a point 127.63 feet westerly from the westerly line of Boyd Street measured on a course from Boyd Street north 65° 28'

west from a point in said westerly line of Boyd Street 237 feet, 3 inches, northerly from Waverly Avenue; thence north 65° 28' west 89.17 feet; thence south 42° 10' west 32 feet; thence south 58° 8' west 24.26 feet to the easterly line of Jelliff Avenue; thence along Jelliff Avenue north 38° 11' east 301.95 feet to the place of Beginning.  
and,

BE IT FURTHER RESOLVED, That the said sum of Ninety thousand dollars (\$90,000.00) be paid to said R. Thomas Bowers upon the delivery by him to the Acting Auditor of Accounts of a Warranty Deed from said Bowers and wife to the City, conveying the lands aforesaid, approved as to form by the Law Department.

Charles P. Gillen  
W. J. Brennan  
Jerome T. Congleton

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton offered the following resolutions:

To the Board of Commissioners  
of The City of Newark, N. J.

Dear Sirs:

I respectfully submit the statements annexed (by items) of the amount in gross as shown by the records in this office of the several sewers, Chapter 152, Laws 1917, now completed, which statements are now ready to be referred to the Board of Commissioners of Assessments for Local Improvements in order that the assessments for benefits may be levied in accordance with law.

A. K. Brady,  
Acting Auditor of Accounts.

Van Buren Street Sewer —  
Chestnut Street to East  
Kinney Street .....\$2,497.60  
Sixteenth Avenue Sewer —  
South 16th Street to South  
20th Street ..... 3,293.65

RESOLVED, By the Board of Commissioners of the City of Newark, New Jersey, that the foregoing report and declaration of costs be and the same

are hereby referred to the Board of Commissioners of Assessments for Local Improvements to assess benefits pursuant to the direction and provisions of the statutes in such case made and provided.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

**RESOLVED**, That in pursuance of the provisions of Chapter 192 of the Laws of 1917 and amendments thereto and supplements thereof, the Director of Revenue and Finance be and he is hereby authorized to issue Tax Anticipation Bonds in a sum not to exceed One million dollars (\$1,000,000.00) in anticipation of collection of taxes 1929;

**FURTHER RESOLVED**, That each of the Tax Anticipation Bonds authorized by this resolution amounting in the aggregate to One million dollars (\$1,000,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum and be issued in such denominations and be executed in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk be and they are hereby authorized to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 192 of the Laws of 1917;

**FURTHER RESOLVED**, That the Director of Revenue and Finance be and he is hereby authorized to sell said Tax Anticipation Bonds at not less than par, either all at one time or from time to time.

Jerome T. Congleton

Charles P. Gillen  
W. J. Brennan  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolution:

WHEREAS, Martin Lubkiewicz and Antonia Lubkiewicz, his wife, have agreed to sell to The City of Newark, for the sum of eighteen thousand dollars (\$18,000.00), certain lands in the City of Newark, Essex County, New Jersey:

FIRST TRACT: Beginning at a point in the westerly line of Boyd Street 100 feet ½ inch southerly from the corner formed by the intersection of the southerly line of Spruce Street (now 18th Avenue) with said line of Boyd Street; thence north 67° 16' west along rear line of lots 27, 26, 25, 24 on map hereinafter mentioned 85 feet; thence south 24° 32' west parallel with said line of Boyd Street 22.37 feet to the southerly line of lot 29; thence south 65° 28' east along said last mentioned line 84.96 feet to the westerly line of Boyd Street; and thence north 24° 32' east 25 feet along the same to the place of Beginning.

Being part of lot 28, on a map entitled "Map of property belonging to James Perry, Esquire, situated in the City of Newark, N. J., dated July 24, 1873, made by W. L. Thompson & Company, Surveyors."

SECOND TRACT: Beginning in the westerly line of Boyd Street at a point therein distant 202 feet 7¾ inches, more or less, southerly from the southerly line of Spruce Street and at a corner of lot heretofore conveyed by Jerome A. Clark to Edward Tunison; thence westerly along said Tunison's southerly line 100 feet, more or less, to the rear line of lots fronting on Jelliff Avenue (formerly Charles Street), heretofore conveyed by Catherine Margy to Louis L. Ward by Deed H 17-

56 of Deeds for Essex County, thence along the rear line of same south 33° 15' west 24 feet 6½ inches to another corner of said last mentioned lot; thence south 57° 54' east 106 feet 3 inches, more or less, to said westerly line of Boyd Street; thence along same north 24° 32' east 24 feet 9 inches, more or less, to said Tunison's corner and place of Beginning.  
and,

WHEREAS, In the judgment of this Board, it is advisable that the City purchase said lands at the price stated, which, in the judgment of this Board, is a fair price;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the City hereby accepts the offer of said Martin Lubkiewicz and Antonia Lubkiewicz, his wife, to sell to the City the lands aforesaid, for the price of \$18,000.00; and

BE IT FURTHER RESOLVED, That the Director of the Department of Parks and Public Property enter into agreement with said Martin Lubkiewicz and Antonia Lubkiewicz, his wife, for the conveyance of the lands aforesaid to the City, at the price of \$18,000.00, and the said Director and City Clerk be and they are hereby authorized and directed to execute an agreement of sale, on behalf of the City, for the acquisition by it of the lands aforesaid, which are to be conveyed by said Martin Lubkiewicz and Antonia Lubkiewicz, his wife, to The City of Newark, by Warranty Deed, free and clear of all encumbrances, except taxes for 1929, which are to be apportioned as of date of closing title, such Deed to be approved as to form by the Law Department, as appears by said agreement.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, A contract was awarded on December 11th, 1928, to the J. B. Gilligan-Casey Company for the paving and repaving of Green Street between Broad Street and Mulberry Street; and,

WHEREAS, The Department of Parks and Public Property has requested that a 12" sewer connection be laid from the main sewer in Green Street to the City Hall, a distance of approximately 113'; and

WHEREAS, Such connection is required to be laid at an excessive depth, namely an average of 14', for which

no item is contained in the aforementioned paving contract, and

WHEREAS, The Bureau of Sewers has estimated that a fair charge for the furnishing and placing of said 12" tile pipe, including the necessary sheathing, excavating, and backfilling, is \$11.35 per lineal foot;

THEREFORE, BE IT RESOLVED, That the J. B. Gilligan-Casey Company, a corporation, be and it is hereby authorized to construct the said 12" tile pipe sewer connection at a cost of \$11.35 per lineal foot, the total cost of which is to be included in the final estimate to be paid the J. B. Gilligan-Casey Company for the paving and repaving of Green Street between Broad Street and Mulberry Street.

John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the sum of Forty-one thousand seven hundred forty-four dollars (\$41,744.00) be and the same is hereby appropriated to Consolidated Corporation, being the purchase price of certain lands owned by said company, in the City of Newark, Essex County, New Jersey:

FIRST TRACT: Beginning at Bound Creek at the southeast corner Joseph Camp's meadow; thence (1) north 78° west 20.25 chains; thence (2) south 4° 30' west 2.96 chains; thence (3) south 78° east 24.53 chains to Bound Creek; thence (4) north 54° west 1.10 chains; thence (5) north 81° 30' west 2.42 chains; thence (6) north 14° 30' west 2.74 chains to Beginning.

Containing 6½ acres and 20 square rods, strict measure.

Bounded north and west by Joseph Camp; south by Elihu Bond; east by Bound Creek.

Said premises are shown upon the assessment maps as being Section 18-2, plot No. 19, Clinton Meadows.

SECOND TRACT: Being a certain piece of salt meadows containing 6 acres, more or less, formerly owned by Elizabeth Hoyt, deceased, afterwards by Jonathan E. Hoyt, and of which he died seized.

Bounded north by land belonging to J. Winans, Jr., east by Big Ditch which separates it from land belonging to William Brown; south by land belonging to James Carpenter and Moses Thompson; west by lands be-

longing to L. Earl, A. Johnson and Aaron Fautoute.

By recent survey the said meadow contains 6.67 acres.

Said premises are shown upon the assessment map of the City of Newark as being Section 18-2, No. 47 Clinton Meadows.

and,

BE IT FURTHER RESOLVED, That the sum of \$41,744.00 be paid to said Consolidated Corporation upon the filing by it with the Acting Auditor of Accounts of a Deed from said Company conveying the lands above described, approved as to form by the Law Department.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The City of Newark in 1927 was desirous of purchasing a tract of land in the Township of Rockaway Morris County, New Jersey, containing approximately ten acres, the owner of which refused to deal with the City of Newark; and

WHEREAS, Henry G. Hershfield, a real estate agent, notified the City of Newark that he could acquire the property for the sum of \$10,500.00; and

WHEREAS, On October 28, 1927, the sum of ten thousand five hundred dollars (\$10,500.00) by a check on the Fidelity Union Trust Company, for the purpose of purchasing said property, was advanced to Jerome T. Congleton, Corporation Counsel, which was endorsed by him and delivered to the said Henry G. Hershfield; and

WHEREAS, Thereafter a Warranty Deed was delivered by John Shawger and wife to the City of Newark for the land so as aforesaid desired to be pur-

chased by the said City, and the said check was endorsed by the said Henry G. Hershfield, and has been paid, the voucher thereof now being in the possession of the City Treasurer;

NOW, THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the sum of \$10,500.00 be and the same is hereby appropriated to the City Treasurer, to reimburse him for the monies advanced by him for the purchase of the property above referred to.

Charles P. Gillen  
Jerome T. Congleton  
W. J. Brennan  
John Howe  
Jno F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton offered the following resolutions:

WHEREAS, The Board of Adjustment has recommended to this Board in writing from the appeal hereinafter set forth to it from the decision of the Superintendent of Buildings refusing such permit on the ground that the application does not meet with the requirements of the Zoning Ordinance that the structure for which application has been made be allowed:

Application of Vincent R. Del Guercio for construction of public garage at 846-852 Broadway.

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark, that the recommendation of the Board of Adjustment be and the same are hereby approved and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue permits for the application above set forth.

Jerome T. Congleton  
Charles P. Gillen  
W. J. Brennan  
John Howe  
Jno F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Mayor Congleton: Mr. Miller, did you want to be heard on this?

Mr. Harold A. Miller, 763 Broad Street: Why, Mr. Mayor and Commissioners, I don't want to take much of your time today. I spoke on it before. Commissioner Howe was not here at the time. This application I urge again should be denied. The application is made by Mr. Del Guercio of Belleville. I represent seventeen people, practically all of whom—all but three or

four—reside on the property within the 200 foot area. Mr. Brams will speak for those whom he represents. Considering the development that is coming up into that neighborhood, the number of people around there who are objecting to it and who will be annoyed by a garage there, having to pass and repass to the station, and there will be more traffic and more pedestrians to and from the station all the time. For that reason and for the reason that the property should be maintained there so as to get better developments on that side of the street—the other side of the street is the proper one, if any, for a garage—on the east side of the railroad. I respectfully submit and ask you gentlemen to refuse to permit it to go up.

Mr. Brams: I represent about 15 people who signed a petition opposing the granting of this permit. They are not within the 200 feet so that we could not be heard before the Board of Adjustment, but before this Board I feel that they should be considered. Their objection is that the granting of this permit will bring additional hazard in that neighborhood by the passing in and out of automobiles. There has been brought to my attention the fact that there are now garages there that are partly filled and that there is no need for additional garages. The people there believe that that spot can be utilized for other purposes, such as apartment houses that are now being built up all along that section, and I respectfully urge in behalf of the people that I represent that the application be denied.

Commissioner Brennan: Do you believe that would be a place where an apartment house would be a paying proposition because of its proximity to the railroad?

Mr. Brams: Yes. I think the convenience to the railroad, if the Director has taken the trouble to look over that section—

Commissioner Brennan: I have.

Mr. Brams: And I know that you have—there are a great many apartment houses now in course of construction and that have been constructed along Broadway—

Commissioner Brennan: Very true.

Mr. Brams: They are being popu-

ated and a great many people from out of town are locating in that section because of its proximity to the railroad and where they can get on and off to their work very easily.

Commissioner Brennan: It would not be a site, though, that I would like to locate a residence in. I do not believe I would get very much rest.

Mr. Brams: I believe it is about two blocks—

Mr. Finelli: In order to put up an apartment house there two floors of the apartment would be under the terrace or on a level—under the terrace west of the plot.

Mr. Brams: No, it can be excavated just the same as—

Mr. Finelli: You have got to take a mountain down—in other words, take the mountain down—

Mr. Brams: They have done that on Elizabeth Avenue.

Mr. Miller: You have got to remove the mountain before you build there unless you build on top of the mountain. That applies to anything.

Mr. Finelli: No, that applies to your land.

Mayor Congleton: Does anyone else desire to be heard on the matter of this garage on Broadway?

(No response.)

No one else appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The roll was then called on the resolution, which was adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton: I have a resolution, gentlemen, which I have spoken to you about. In making a survey of some of the properties that are in my department I found this tract of land between South 10th Street and South 11th Street that was purchased by the old Board of Works years and years ago. At the time of the purchase it was thought it would be used for the purpose of a loading station for gar-

bage, to collect and bring to this point and then transfer on cars for garbage and send it away. That, I think, is close to 20 years or more ago. It was not used for that purpose and never will be, in my opinion. It would not be a proper place to have it. I prepared a resolution turning this plot over to the Board of Education for playground purposes. It is in a heavily populated place. It has 50 feet front on 10th Street and on 11th Street 246 feet, running on an "L", by 350 feet, which makes a very good plot. I would like to move the adoption of the resolution.

Mayor Congleton offered the following resolution:

**BE IT RESOLVED**, By the Board of Commissioners of the City of Newark that the portion of land located between South 10th Street and South 11th Street, in the City of Newark, about 225 feet north of the northerly line of Woodland Avenue, and being 50 feet in width by 246 feet in depth, with the portion of land north thereof extending to rear of property owned by Public Service Railway Company, be and the same is hereby transferred to the Board of Education of Newark in the County of Essex for playground purposes.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton: Does any citizen have any other matter to bring to the attention of the Commission?

Mr. Ernest Scuorzo, 142 Market Street: Mr. Mayor and gentlemen of the Commission, in connection with the matter that I submitted last week regarding closing down on Sunday for the retail ice dealers, I don't want to create the appearance of pressing it unduly, but I would like to call the Commission's attention to the fact that summer is very closely approaching, and unless immediate action is taken on the matter it may go into the sum-

mer, when nothing can be done effectively to relieve the retail ice dealers.

Mayor Congleton: Well, some little time ought to elapse so as to give the poor people, if it is thought advisable to pass this, an opportunity to get ice boxes that would hold some ice for them over Sunday.

Mr. Scuorzo: I think the poor people are quite well supplied with those ice boxes at this time.

Mayor Congleton: You do think so. Well, I live near one of the ice stations and I see them go Sunday after Sunday for their little five-cent piece and ten-cent piece to keep the milk in proper condition for the kiddies over Sunday.

Mr. Scuorzo: That is just the reason why I would like to have this matter to be formally before the Commission so it may be given formal consideration.

Mayor Congleton: There isn't time for an ordinance to be introduced and passed by this Board of Commissioners and if it were pending when this term of office terminated the ordinance would die with it; so the only thing we can do is to lay it over and let it come up with our new Board of Commissioners.

Mr. Scuorzo: Then I will forget it until that time arrives.

Mayor Congleton: You will have to because under the law a certain time must elapse even if an ordinance shall pass on first and second reading, and with the new Commission it would have to start all over again under the law.

Mr. Scuorzo: I will forget it until that time.

Mayor Congleton: Does any other citizen have any other matter to bring to the attention of the Commission?

(No response.)

The following petition was received and read:

We, the undersigned, residing in the Third Ward in the City of Newark, do hereby petition the City Commission to purchase the block in said Third Ward bounding Broome, Spruce, Barclay and Montgomery Streets, and develop same into a City park.

If the Commissioners think that the block is too long we would suggest starting the park at Montgomery Street and work south as these properties are shacks and can be bought reasonable.

We have more than 300 signatures in this petition.

Ordered referred to Commissioner Gillen.

The following communication was received and read:

State of New Jersey.  
State Highway Commission.  
Trenton.

May 6, 1929.

Mr. Wm. J. Egan,  
City Clerk,  
Newark, N. J.

Dear Sir:

I am directed by the State Highway Commission to inform you that the Commission has fixed the date of Tuesday, May 21st, for the public hearing on the matter of taking over State Highway Route No. 10.

The hearing is scheduled to be held at the offices of the Commission, State House Annex, Trenton, New Jersey, at 2:00 P. M. (Daylight Saving Time), on May 21st.

Very truly yours,

(Signed) A. Lee Grover,  
Secretary.

Ordered referred to Mayor Congleton.

The following communications were received and read:

Board of Adjustment,  
City of Newark,  
City Hall.

May 2, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted granting the following applications for variations from the requirements of the Zoning Ordinance:

90 Stuyvesant Avenue, Casper Maier, owner; factory addition.

444-448 Central Avenue, Firestone Tire & Rubber Company, owner; gasoline station, tire service station and warehouse, on condition that no entrance or exit be maintained from Fairmount Avenue.

In accordance with Section 9, Chapter 274, P. L. 1928, the Board of Adjustment respectfully recommends to your Honorable Board that the above structures be allowed.

Respectfully submitted,

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Copy ordered furnished to each Commissioner.

John Howe,  
Director of Revenue  
and Finance.

Mayor Congleton: Does any other

citizen have any matter to bring to the attention of the Commission?

(No response.)

Commissioner Brennan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
JOHN HOWE  
W. J. BRENNAN  
CHARLES P. GILLEN  
JNO. F. MURRAY, JR.

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N. J., May 14, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The minutes of meetnig of May 7th were read and approved:

The City Clerk presented An ordinance providing for the opening and widening of Mulberry Street from a point about 27 feet south of the southerly line of Market Street northerly to Aronson Square (formerly Center Street), by the addition thereto of the eleven (11) following described parts; and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any person desire to be heard on this ordinance?

Mr. William S. Righter, 196 Market Street: Gentlemen, I understand that this ordinance is going through, that you have compromised with the other objectors; and the only thing I want to impress upon you, especially Mr. Congleton, as the prime mover who will have charge of it, is to have the expense as low as possible. Now, there is a great deal of material there that can be used profitably to the paying property owners and profitable to the City, and I think you will find a good curb there that could be reset, and such things as that. Now, you have contradicted me on those things before, but where I have had streets paved—

Mayor Congleton: Colonel, not to interrupt you, let me correct your impression. The ordinance that is pending now does not involve the paving or any of those improvements. It is merely the widening on paper. The matters you are talking about will come up when an ordinance to make the physical improvement is before the Board of Commissioners.

Mr. Righter: Can you listen to me a moment?

Mayor Congleton: Yes, but you are

speaking about a matter that is not involved in this ordinance.

Mr. Righter: I may not be here at that time.

Mayor Congleton: We may not be here. That is going to come up in an ordinance a long time from now.

Mr. Righter: I hope I am talking to somebody that will comprehend me then.

Mayor Congleton: If you want to speak you may. But I think perhaps you may miscomprehend the ordinance that is pending. This does not involve repaving or resetting of curbs or anything of that kind. This is merely the taking of the property for the widening. The physical improvement has to be provided for in another and separate ordinance where there will be the same kind of notice given as has been given for this ordinance.

Mr. Righter: Well, all right. But I want to save all I can, naturally, as you would for your own pocket when you go out to buy a suit of clothes.

Mayor Congleton: I find no fault with anyone for doing that. Does anyone else desire to be heard?

(No response.)

No one else appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance providing for the opening and widening of Mulberry Street, from a point about 27 feet south of the southerly line of Market Street northerly to Aronson Square (formerly Center Street), by the addition thereto of the eleven (11) following described parts:

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment  
Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance providing for the opening and widening of Mulberry Street, from a point about 27 feet south of the southerly line of Market Street northerly to Aronson Square (formerly Center Street), by the addition thereto of the eleven (11) following described parts;" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance providing for the opening and widening of Mulberry Street, from a point about 27 feet south of the southerly line of Market

Street northerly to Aronson Square (formerly Center Street), by the addition thereto of the eleven (11) following described parts:.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance regulating the construction, installation and inspection of plumbing and drainage; defining the power of plumbing inspectors; authorizing the examination, licensing and registering of persons intending to engage in business as Master or Employing Plumbers; fixing the fees for examination and inspection and providing penalties for the violation of any of the provisions of this ordinance, and stated that today was the time fixed for hearing on the same.

Commissioner Murray moved that the ordinance be laid over until May 20th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the construction of an eight (8) inch pipe sewer, for house sewage only, in Maybaum Avenue from a point approximately 100 feet north of Tremont Avenue to the City Line, and stated that today was the time fixed for hearing on the same.

Mayor Congleton: There is a protest here on this which I would like to have investigated, and I would like to have a motion made that it be laid over to next Monday.

Commissioner Gillen moved that the ordinance be laid over until May 20th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordi-

nance to provide for the grading, curbing, flagging and paving of Virginia Street from Frelinghuysen Avenue westerly to the City Line with asphaltic concrete pavement (1" binder-2" top) on a six (6) inch concrete foundation, and authorizing the making and execution of a contract with the City of Elizabeth for the payment by the City of Newark of a portion of the cost, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any one desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to provide for the grading, curbing, flagging and paving of Virginia Street from Frelinghuysen Avenue westerly to the City Line with asphaltic concrete pavement (1" binder-2" top) on a six (6) inch concrete foundation, and authorizing the making and execution of a contract with the City of Elizabeth for the payment by the City of Newark of a portion of the cost.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The Clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

Section 5 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance to provide for the grading, curbing, flagging and paving of Virginia Street from Frelinghuysen Avenue westerly to the City Line with asphaltic concrete pavement (1" binder-2" top) on a six (6) inch concrete foundation, and authorizing the making and execution of a contract with the City of Elizabeth for the payment by the City of Newark of a portion of the cost," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Virginia Street from Frelinghuysen Avenue westerly to the City Line with asphaltic concrete pavement (1" binder-2" top) on a six (6) inch concrete foundation, and authorizing the making and execution of a contract

with the City of Elizabeth for the payment by the City of Newark of a portion of the cost.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any one desire to be heard on this ordinance? (No response.)

No one appearing, Commissioner Howe moved that the hearing be closed.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the following ordinance be taken up on second reading:

An ordinance to amend an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation

of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919, is hereby amended by extending the Industrial District as shown on the Use District Map so as to include the area bounded on the north by Whar-ton Street, on the east by Ludlow Street, on the south by Van Vechten Street, and on the west by a line one hundred feet west of and parallel to Ludlow Street; and that the Use District Map which accompanies said ordinance to which this ordinance is an amendment, be and the same is hereby changed so as to include within the Industrial District the area above described.

Section 2. This ordinance shall take effect immediately upon final passage and publication in accordance with law.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Howe moved that the ordinance be adopted on second reading.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that said ordinance be ordered to a third reading.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the ordinance be taken up on third reading and final passage.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the title of "An ordinance to amend an ordinance entitled: 'An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions,' adopted December 31, 1919," be taken for its third reading.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the areas of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the opening of Goldsmith Avenue from its present westerly terminus, about 424 feet westerly to Hobson Street, and for the opening of Summit Avenue from Chancellor Avenue northerly to Goldsmith Avenue, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any one desire to be heard on this ordinance?

Mr. Benjamin Braelow, 1060 Broad Street: You gentlemen were supposed to give me an answer to the proposition I made at the last meeting, if you will recall.

Mayor Congleton: I thought we gave it to you then.

Mr. Braelow: If you will recall you said you will have your engineers look over the proposition and give you a report.

Mayor Congleton: I suggest the matter go over to next Monday and we will take it up in conference.

Commissioner Brennan moved that the ordinance be laid over until Monday, May 20th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray offered the following resolution:

RESOLVED: That the sum of Nine Thousand, Seven Hundred Thirty-Four Dollars and Sixty-Three Cents (\$9,734.63) be and the same is hereby appropriated to the persons named on annexed certified lists, being the bills and claims of the Department of Public Works, as follows:

W. J. Brennan

Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolutions:

WHEREAS, There is a building known as a sash and door factory located at Jelliff Avenue and Eighteenth Avenue, Newark, N. J., and the same is on the new Hayes Park Site No. 2 and must be demolished at once so as work may be started on this new park; and

WHEREAS, This exigency has created an emergency which will not admit of the usual delay in advertising for bids on the work; and

WHEREAS, The Director of the Department of Parks and Public Property has had several bids on this work from different contractors for demolishing and carting away material and debris; and

WHEREAS, The Newark House Wrecking Company bid the sum of Five hundred dollars (\$500.00), which was the lowest responsible bid received;

THEREFORE BE IT RESOLVED, That the action of the said Director of the Department of Parks and Public Property in having said building demolished by the Newark House Wrecking Company in Hayes Park No. 2 for the sum of Five hundred dollars (\$500.00) be ratified and concurred in and the proper officers of the City of Newark are hereby directed to pay this cost of the same on proper certification of the said Department of Parks and Public Property that payment is due.

Charles P. Gillen

John Howe

W. J. Brennan

Jerome T. Congleton

Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, In accordance with the law and by authority of the Board of Commissioners of the City of Newark, N. J., the Director of the Department of Parks and Public Property publicly solicited, received and opened bids for the electrical work in connection with the general construction and alterations on building located at Hayes Park North No. 1, Arlington Avenue and Broadway, Newark, N. J., as per plans and specifications prepared by Vincent J. Rizzolo, architect and engineer; and

WHEREAS, Buhl & Caffrey bid the sum of Four thousand nine hundred and forty-two dollars (\$4,942.00),

which bid was the lowest responsible one received;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark, N. J., that the proposal of Buhl & Caffrey be and the same is hereby accepted and the contract awarded to the said Buhl & Caffrey at the price aforesaid, and the Law Department is directed to prepare the contract for the same on the adoption of this resolution.

The following communications were  
received and read:

State of New Jersey.  
Department of Health.  
The Director of Health.  
Trenton.

May 11, 1929.

Mayor and Board of  
City Commissioners,  
care Mr. Wm. J. Egan, City Clerk,  
Newark, New Jersey.

Gentlemen:

Reports received indicate that rep-  
resentatives of the Joint Meeting and  
the City of Elizabeth will reach an  
agreement in the course of another  
week relative to the location of a sew-  
age disposal plant.

The meeting of the State Depart-  
ment of Health fixed for 2 P. M. May  
14th, will therefore be postponed until  
a later date.

Very truly yours,

D. C. Bowen,  
Director of Health.

Referred to the Mayor.

State of New Jersey.  
State Highway Commission.  
Trenton

May 7, 1929.

Mr. Wm. J. Egan,  
City Clerk,  
Newark, N. J.

Dear Sir:

Since sending you the notice of the  
postponed date for hearing concerning  
the taking over of State Highway  
Route No. 10, there have been re-

ceived many urgent requests that the hearing be held in the City of Newark.

In order to comply with these requests, it becomes necessary to again postpone the hearing. The date of Tuesday, May 28th, at 2:00 P. M. (Daylight Saving Time), at the Assembly Room of the Chamber of Commerce, 24 Branford Place, Newark, New Jersey, has been fixed for holding the said hearing. At that time officials and others interested in the matter of taking over of the said Route No. 10 will be given an opportunity to be heard.

Please note the time and place as now fixed, Tuesday, May 28th, 2:00 P. M. (Daylight Saving Time), at the Assembly Room, Chamber of Commerce, located in the Chamber of Commerce Building, 24 Branford Place, Newark, New Jersey.

Very truly yours,

A. Lee Grover,  
Secretary.

Referred to the Mayor.

**Second River  
Joint Meeting**

May 6th, 1929.

Gentlemen:

At a meeting of the Second River Joint Meeting, held May 6th, 1929, the following resolution was passed:

RESOLVED, That the several Municipalities do raise and pay to the Treasurer of the Joint Meeting the sum of \$70,000.00, which shall be assessed upon the Joint Municipalities in the proportion fixed by the contract between the several Municipalities in accordance with their respective capacities in Section 4 & 5 of said sewer; and be it further

RESOLVED, That the Secretary be directed to notify the various Municipalities of such assessment and the proportion to be paid by each; and be it further

RESOLVED, That the said monies be paid to the Treasurer of the Joint Meeting within thirty days of the 6th day of May, 1929.

The portion of the assessment due from the City of Newark is the sum

of \$2,807.00, being 4.01% of said \$70,000.00.

Respectfully,

Edward S. Rankin,  
Secretary.

Referred to the Mayor.

**988 Broad Street,  
Newark, N. J.**

May 8, 1929.

A Special Meeting of the Board of Directors of the Essex & Hudson Land Improvement Company was held at the office of the company at 11 A. M. today, called by the President, John F. Shanley, Jr.

Present: Messrs. John F. Shanley, Jr., Cyril Crimmins, Edward J. Schickhaus and Thos. F. Bryce.

This meeting was called for the purpose of accepting the provisions of an ordinance passed by the Commissioners of the City of Newark on April 15, 1929, granting permission to the Essex & Hudson Land Improvement Company to construct, operate and maintain a single track siding at grade in Albert Avenue and Euclid Avenue, Newark, New Jersey.

On motion of Mr. Shanley the Secretary read a certified copy of the above mentioned ordinance.

On motion of Mr. Crimmins the Secretary was instructed to notify the Board of Commissioners of the City of Newark of the Company's acceptance of the provisions of the ordinance.

There being no further business Mr. Crimmins moved the meeting adjourn.

The Essex & Hudson Land  
Improvement Company,

John F. Shanley, Jr.,

Attest: President.

Thos. F. Bryce,  
Secretary.

I hereby certify this to be a true copy of the minutes of a meeting of The Essex & Hudson Land Improvement Company, held on May 8th, 1929, at No. 988 Broad Street, Newark, New Jersey.

Thos. F. Bryce,  
Secretary.

Ordered filed.

Mayor Congleton: Does any citizen

have any matter to bring to the attention of the Commission this morning?

Mr. Herman W. Erams, 951 Broad Street.

Gentlemen: I wish to ask you if you can possibly arrange to attend a meeting that the Broadway Association has called for the 16th at the Masonic Club on Third Avenue and Broad Street, at which meeting the matter of Route 10 will be discussed by the Broadway Association, Forest Hill Association and residents of Forest Hill. I do not have to go into this matter very extensively; you all know about the route, the uncertainty where it is to be located, and that matter is to be discussed at this meeting and we hope to arrive at a possible crystallized sentiment as to just where those people up there want the route. Mayor Congleton was at one of our last meetings and he made the suggestion that the route should possibly run down Verona Avenue, paralleling the Erie Railroad. That seems to be the sentiment now and we would like very much—of course, we understand that you as a body can not pass any resolution in that respect, but we would like to have the individual members of this Board appear at this meeting and lend us their aid.

Mayor Congleton: All right, sir. We have heard your request Mr. Brams.

Commissioner Gillen: What date is that?

Mr. Brams: The 16th.

Commissioner Brennan: Thank you for the compliment.

Mayor Congleton: I was going to say "as many of us who can."

Mr. Brams: Regardless of what may take place, I want to say that, representing the Broadway Association and the Third Ward Improvement Association on the numerous occasions that I have appeared, it has been a pleasure to have appeared before you and to have received the cordial reception and kind attention to all matters I have brought before you, and it has really been an inspiration to a young man like myself to receive and to have been accorded the attention you have given me. It is my wish that I may have the opportunity of appearing before you five gentlemen as such.

Commissioner Howe: Thank you for your good wishes.

Commissioner Murray: Thank you very much.

Commissioner Gillen offered the following resolutions:

WHEREAS, In accordance with the law and by authority of the Board of Commissioners of the City of Newark, N. J., the Director of the Department of Parks and Public Property publicly solicited, received and opened bids for the plumbing work in connection with the alterations and general construction on building located at Hayes Park No. 1, Arlington Avenue and Broadway, Newark, N. J., as per plans and specifications prepared by Vincent J. Rizzolo, architect and engineer; and

WHEREAS, W. P. Dunn, Inc., bid the sum of Four thousand four hundred dollars (\$4,400.00), which bid was the lowest responsible one received:

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark, N. J., that the proposal of W. P. Dunn, Inc., be and the same is hereby accepted and the contract awarded to the said W. P. Dunn, Inc., at the price aforesaid, and the Law Department is directed to prepare the contract for the same on the adoption of this resolution.

Charles P. Gillen  
John Howe  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, In accordance with the law and by authority of the Board of Commissioners of the City of Newark, N. J., the Director of the Department of Parks and Public Property publicly solicited, received and opened bids for the heating work in connection with the building located at Hayes Park North No. 1, Arlington Avenue and Broadway, Newark, N. J., as per plans and specifications prepared by Vincent J. Rizzolo, architect and engineer; and

WHEREAS, James S. Smith bid the sum of One thousand five hundred and eighty dollars (\$1,580.00), which bid

was the lowest responsible one received;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark, N. J., that the proposal of James S. Smith be and the same is hereby accepted and the contract awarded to the said James S. Smith at the price aforesaid, and the Law Department is directed to prepare the contract for the same on the adoption of this resolution.

Charles P. Gillen  
John Howe,  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

**RESOLVED,** That Julius Shapiro, residing at 48 Rose Terrace in the 16th Ward, be and he is hereby appointed as a Constable in the City of Newark from the said 16th Ward for a term of one year commencing January 1, 1929.

Charles P. Gillen  
John Howe  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

**RESOLVED,** That the salaries of Nicholas Tierney and Terrace Butler, employed as Special Laborers in the

Division of Public Buildings, Department of Parks and Public Property, be and they are hereby increased from Four dollars and fifty cents (\$4.50) per day to Five dollars (\$5.00) per day, said increase to become effective May 16th, 1929.

Charles P. Gillen  
John Howe  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton: Does any other citizen have any matter to bring to the attention of the Commission?

Commissioner Brennan: I move we adjourn to Monday, May 20, 1929, at 11 o'clock A.M., Daylight Saving Time.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

**APPROVED:**

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE  
JNO. F. MURRAY, JR.  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N J , May 20, 1929

An adjourned meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Absent: Commissioner Gillen.

The minutes of meeting of May 14th were read and approved.

The City Clerk presented An ordinance providing for the vacation of Magnolia Street from South Twelfth Street westerly about 95 feet to a property line, and stated that today was the time fixed for hearing on the same.

Commissioner Brennan moved that the ordinance be laid over.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance regulating the construction, installation and inspection of plumbing and drainage; defining the power of plumbing inspectors; authorizing the examination, licensing and registering of persons intending to engage in business as Master or Employing Plumbers; fixing the fees for examination and inspection and providing penalties for the violation of any of the provisions of this ordinance, and stated that today was the time fixed for hearing on the same.

Commissioner Murray moved that the ordinance be laid over.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to repeal an ordinance entitled "An ordinance to amend an ordinance entitled 'An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk

of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions,' adopted December 31, 1919," which amendatory ordinance was adopted July 17, 1928, and stated that today was the time fixed for hearing on the same.

Commissioner Brennan moved that the ordinance be laid over.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance authorizing the making and execution of an agreement between The City of Newark and the Mayor and City Council of the City of Elizabeth, and the Board of Public Works of the City of Elizabeth, for the supplying of not exceeding 25,000,000 gallons of water per day to the City of Elizabeth, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Before we take a vote on this ordinance I would like to say that I have received this morning certified copies of the ordinances passed by Elizabeth authorizing the making of this contract, which has been approved by the Mayor and are valid on the part of Elizabeth. I therefore ask you to pass this ordinance.

Mayor Congleton: Is there any person desiring to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance authorizing the making and execution of an agreement between The City of Newark and the Mayor and City Council of the City of Elizabeth, and the Board of Public Works of the City of Elizabeth for the supplying of not exceeding 25,000,000 gallons of water per day to the City of Elizabeth.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance authorizing the making and execution of an agreement between The City of Newark and the Mayor and City Council of the City of Elizabeth, and the Board of Public Works of the City of Elizabeth, for the supplying of not exceeding 25,000,000 gallons of water per day to the City of

Elizabeth," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance authorizing the making and execution of an agreement between The City of Newark and the Mayor and City Council of the City of Elizabeth, and the Board of Public Works of the City of Elizabeth for the supplying of not exceeding 25,000,000 gallons of water per day to the City of Elizabeth.

The ordinance having been read three times was declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the construction of an eight (8) inch pipe sewer, for house sewage only, in Maybaum Avenue from a point approximately 100 feet north of Tremont Avenue to the City Line, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Howe moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the following ordinance be taken up on second reading:

An ordinance to provide for the construction of an eight (8) inch pipe sewer, for house sewage only, in Maybaum Avenue from a point approxi-

July 100 feet north of Tremont Avenue to the City Line.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Howe moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the title of "An ordinance to provide for the construction of an eight (8) inch pipe sewer, for house sewage only, in Maybaum Avenue from a point approximately 100 feet north of Tremont Avenue to the City Line," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the construction of an eight (8) inch pipe sewer, for house sewage only, in Maybaum Avenue from a point approximately 100 feet north of Tremont Avenue to the City Line.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the construction of a system of sewers to be known and designated as the "Tremont Avenue and Martens Avenue Storm and Sanitary Sewers," and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any person desire to be heard on this ordinance? (No response.)

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to provide for the construction of a system of sewers to be known and designated as the "Tremont Avenue and Martens Avenue Storm and Sanitary Sewers."

An ordinance to provide for the construction of a system of sewers to be known and designated as the "Tremont Avenue and Martens Avenue Storm and Sanitary Sewers."

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The City Clerk presented A Further Supplement to an ordinance entitled "An ordinance to Establish the Names of Certain Streets in the City of Newark," and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any person desire to be heard on this ordinance?

Mr. Allen L. Tumerkin, 60 Park Place: Mr. Mayor and Messrs. Commissioners: I do not believe there is very much to say. I do not think we have any opposition. I represent the West Market Street Association, which is composed of the majority of the business men, merchants, residents and the property owners of the four sections involved in this ordinance. The streets, as you know, up to and including Warren Street, up to Central Avenue, have recently been paved and lighting has been installed. There has been opposite lighting installed on Bank Street and additional lighting installed on the other streets. The streets that we intend to create by this ordinance is a continuation and a logical continuation of Market Street right through to City Line. It is a street running parallel with the car tracks now on that line. The benefits, briefly, of course, are that it will provide for simplification. It means additional values to property; it means additional business to the merchants, and, of course, more business means more rentals and more rentals mean higher valuations, and, of course, increased assessments and benefits to the city at large. Breintnall Place is the first link in that chain. I merely want to say that there are residents in the vicinity of Breintnall Place within a few blocks, living there for 25 or 30 years, and have never heard and don't know where the street is. I don't believe there is any opposition to that link because as a matter of fact it is now known as Market Street.

Mayor Congleton: Let us see if there is anybody here in opposition. Is there anyone here who desires to speak in opposition to this ordinance?

(No response )

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas : Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

A Further Supplement to an ordinance entitled "An ordinance to establish the names of certain streets in the City of Newark.

The roll being called, the motion was declared adopted by the following votes:

Yeas : Commissioners Brennan, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas : Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas : Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas : Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that

the title of "A Further Supplement to an ordinance entitled "An ordinance to establish the names of certain streets in the City of Newark," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas : Commissioners Brennan, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

A Further Supplement to an ordinance entitled "An ordinance to establish the names of certain streets in the City of Newark.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas : Commissioners Brennan, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the opening of Goldsmith Avenue from its present westerly terminus, about 424 feet westerly to Hobson Street, and for the opening of Summit Avenue from Chancellor Avenue northerly to Goldsmith Avenue, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any person desire to be heard on this ordinance?

Mr. Benjamin Braelow, 1060 Broad Street: You gentlemen were supposed to give me an answer to the proposition I made last week.

Mayor Congleton: We can not agree to take a dedication of your land and relieve you from paving assessments.

Mr. Braelow: Well, if the Mayor will recall the proposition that I gave to some clerk here, we agreed to dedicate and pay for the paving just to be relieved from the cutting and that you gentlemen wouldn't touch Goldsmith Avenue.

Mayor Congleton: I think Goldsmith Avenue ought to go through. It is time to stop these dead end streets, and my only query is why Goldsmith Avenue doesn't go through further than where

it shows on this opening. These long blocks, property ought to be opened up. If you will look at the map the property to the north of the street is a great big tract and it ought to be opened up. We are going to have one of our great big schools there and the children will need streets to get to school from that territory.

Mr. Braelow: We believe if Summit Avenue was cut through to Goldsmith Avenue—

Mayor Congleton: We are taking very little of your property; we are not interfering with the development that you want one bit. You will have a great big tract of land.

Mr. Braelow: And another great big tract of land will be cut off from us.

Mayor Congleton: You are still left with a very large tract. Does anyone else desire to be heard on this ordinance?

(No response.)

No one else appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to provide for the opening of Goldsmith Avenue from its present westerly terminus, about 424 feet westerly to Hobson Street, and for the opening of Summit Avenue from Chancellor Avenue northerly to Goldsmith Avenue.

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton:

The following communications were received and read:

**Broadway Association,  
608 Broadway,  
Newark, N. J.**

May 17, 1929.

Commissioners of the  
City of Newark,  
City Hall,  
Newark, N. J.

Honorable Sirs:

At a meeting of the Broadway Association held last night, I was instructed to inform you of the action of the Association, which met jointly with the Forest Hill Association, and residents of the Forest Hill section. A resolution was unanimously passed to the effect that it is the desire of the body that Route No. 10 be placed at a point at or near Verona Avenue, Newark, New Jersey, for the following reasons:

1. It will not destroy the values of the beautiful homes that are in the Forest Hill section because the properties at Verona Avenue are of an inferior type.

2. That there now exists at this point the Erie Railroad and an additional bridge will not injure materially the present surroundings.

3. That it will not be necessary to tunnel the Forest Hill section because of the natural lay of the land at this point, which tunneling will be a very

expensive undertaking and will have to be borne unnecessarily by citizens of this State.

4. That the owners of property along this suggested Route are in favor of the location of the said route.

5. That it will save the viaducting of Broadway, one of the finest thoroughfares in the city, towards the improvement of which the Broadway Association has devoted a great deal of its time and energy, and it will save the deterioration of properties in and about Broadway, by reason of this viaduct being placed at a point where there already is a bridge.

6. The placing of this route at Verona Avenue will do the least harm to Branch Brook Park, one of the finest parks in the State of New Jersey.

The Association and those assembled at the meeting request that you take the above in consideration, and sincerely hope you will favor the location as made.

Very truly yours,

Herman W. Brams,  
Counsel.

Referred to the Mayor.

**State of New Jersey.  
State Highway Commission.  
Trenton.**

May 14, 1929.

Mr. William J. Egan,  
City Clerk,  
Newark, New Jersey.

My dear Sir:

Pursuant to the provisions of Chapter 88 of the New Jersey Laws of 1929, the State Highway Commission has formulated the enclosed 1929 program for the improvement, relocation and reconstruction of crossings of railroads and State Highways not at grade; covering the work to be started immediately, the aggregate estimated cost of such work being not in excess of \$2,000,000.00.

I am directed by the State Highway Commission to furnish you with this program in compliance with the provisions of the above mentioned act.

Very truly yours,

A. Lee Grover,  
Secretary.

Referred to the Mayor

State of New Jersey.  
Board of  
Public Utility Commissioners.

In the matter of the application of the Public Service Coordinated Transport for Approval of Municipal Consent for the extension of the Port Newark-Doremus Avenue Bus Route to the Newark - Elizabeth City Line.

C. S. Straw and Mortimer H. Dean  
for the Public Service Coordinated Transport.

James F. X. O'Brien for the Iron-bound Transportation Company.

John Murphy for the Three Independent Operators on the Newark-West Orange Route.

B. D. Branch for the Central Railroad Company of New Jersey.

Referred to the Mayor.

The following reports of City Officers were received and ordered filed.

Auditors Trial Balance as of April 30, 1929.

Mayor Congleton: Does any person have any matter to bring to the attention of the Commission:

Mr. Henry Carless, 9 Franklin Street.

Mr. Mayor and members of this Commission: Some time in February the Adjustment Board granted a permit upon the application of Mr. Jones for an automobile repair shop at 137 Hudson Street, and it was approved by this Commission. Mr. Jones did not take out the permit immediately, and the thing went along for possibly two months, I guess—six weeks. Then when he went up to the Building Department he was told that the resolution had been rescinded, and I saw Mr. Gillen after that—he moved the rescinding of the resolution—and learned that this man who had sold the property—or rather, his wife had sold the property to my client—had been down and represented to him that they did not know anything at all about the purposes for which this property was to be used, and I said to Commissioner

Gillen, "Why, that cannot be because here is the agreement. The agreement of sale provides that my client should pay \$1,000 as a deposit and the balance of \$4,250 should not be paid unless a permit could be obtained for this automobile repair shop."

Commissioner Howe: Is that in the contract?

Mr. Carless: That is in the contract.

Mayor Congleton: Both husband and wife signed it?

Mr. Carless: Both husband and wife signed it and acknowledged it, and after, may it please your Honor, and after I went personally to see the man and I said, "You own the property yet and you will have to sign the application for the permit, and it was understood and explained to her and she knew all about it, and after the thing was granted we paid \$4,250 and took title. The next thing my client knew, about three weeks later this man came to him and he asked whether he wanted to sell the property back again. He said, "No, I don't want to sell it. You came and asked me to buy it. I told you I wanted to buy it for my business." Now, Commissioner Gillen assured me that if I would submit a resolution that he would move that the resolution passed on April 16 be rescinded. Now, I have tried my best to find Commissioner Gillen and he isn't here. Mr. Myers is familiar with some of this situation. He has prepared a resolution rescinding, and it seems to me—

Mayor Congleton: Let me get the facts. When the Zoning Board granted the permit—when was that?

Mr. Carless: February 26.

Mayor Congleton: The Board of Commissioners passed a resolution confirming the recommendation of the Board of Adjustment when?

Mr. Carless: They approved it on February 26.

Mayor Congleton: Then the Board of Adjustment acted before?

Mr. Carless: The Board of Adjustment acted before. Our title was to pass on February 15.

Mayor Congleton: This thing has been permitted—

Mr. Carless: Well, the architect did not have the plans ready and when he

went to go for the permit he was shown this resolution.

Commissioner Murray: The agreement for sale says the deposit is to be refunded unless this permit for this particular purpose is procured.

Commissioner Howe: That is plain enough.

Mr. Carless: Yes, they took his money and they have kept his money.

Commissioner Brennan: Was it in separate units prior to your purchase of it?

Mr. Jones: It was one big piece.

Commissioner Brennan: Where is that?

Mr. Carless: On Hudson Street south of—

Commissioner Brennan: I know that location very well, I lived between Hudson and Morris Avenue at one time and they used to have a chicken slaughter house back of it.

Mayor Congleton offered the following resolution:

**RESOLVED**, By the Board of Commissioners of The City of Newark that the resolution adopted by this Board on April 16, 1929, rescinding resolution of this Board adopted February 26, 1929, which said last mentioned resolution approved the recommendations of the Board of Adjustment allowing construction of a public garage at 137 Hudson Street, be and the same is hereby rescinded; and

**BE IT FURTHER RESOLVED**, That the recommendations of the Board of Adjustment on appeal to it from the Superintendent of Buildings,

be and the same hereby is approved, and the Superintendent of Buildings be and he is hereby directed to issue a permit for a public garage at 137 Hudson Street.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

**Yeas**: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Mayor Congleton: Does anyone else have any matter to bring to the attention of the Commission?

The minutes of this meeting were then duly read and approved.

Commissioner Brennan: I move we adjourn sine die.

The roll being called, the motion was declared adopted by the following votes:

**Yeas**: Commissioners Brennan, Howe, Murray, Mayor Congleton.

#### APPROVED:

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE  
JNO. F. MURRAY, JR.

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

May 21 and 29, 1929

Newark, N. J., May 21, 1929.

The organization meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark.

The Board was called to order at Twelve o'clock, noon, Eastern Standard Time (One o'clock P. M. Day-light Saving Time), by William J. Egan, City Clerk.

The following Commissioners were present:

Commissioners Brennan, Congleton, Gillen, Howe and Murray.

City Clerk Egan: The time fixed by having arrived, I call them to order and present their certificates.

The following certificates were then read and presented by each of the Commissioners:

Office of the City Clerk,  
Newark, N. J.

May 21, 1929.

THIS IS TO CERTIFY That William J. Brennan was elected at a Municipal Election, held in Newark, N. J., May 14th, 1929, to the office of Commissioner of Newark and has qualified for said office in the manner required by law.

14th, 1929, to the office of Commissioner of Newark, and has qualified for said office in the manner required by law.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of the City of Newark, this 21st day of May, A. D. 1929.

W. J. Egan,  
City Clerk of Newark, N. J.

THIS IS TO CERTIFY That Jerome T. Congleton was elected at a Municipal Election held in Newark, N. J., May 14th, 1929, to the office of Commissioner of Newark, and has qualified for said office in the manner required by law.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of the City of Newark, this 21st day of May, A. D. 1929.

W. J. Egan,  
City Clerk of Newark, N. J.

THIS IS TO CERTIFY That John Howe was elected at a Municipal Election held in Newark, N. J., May 14th, 1929, to the office of Commissioner of Newark and has qualified for said office in the manner required by law.

IN TESTIMONY WHEREOF, I have

thereunto set my hand and affixed the seal of the City of Newark, this 21st day of May, A. D. 1929.

W. J. Egan,  
City Clerk of Newark, N. J.

THIS IS TO CERTIFY That John F. Murray, Jr., was elected at a Municipal Election held in Newark, N. J., May 14th, 1929, to the office of Commissioner of Newark, and has qualified for said office in the manner required by law.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of the City of Newark, this 21st day of May, A. D. 1929.

W. J. Egan,  
City Clerk of Newark, N. J.

THIS IS TO CERTIFY That Charles P. Gillen was elected at a Municipal Election held in Newark, N. J., May 14th, 1929, to the office of Commissioner of Newark, and has qualified for said office in the manner required by law.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of the City of Newark, this 21st day of May, A. D. 1929.

W. J. Egan,  
City Clerk of Newark, N. J.

Thereupon each of the Commissioners took his oath of office, which was administered by William J. Egan, City Clerk.

City Clerk Egan: The next order of business is the selection of a temporary chairman.

Commissioner Gillen: I move you, Mr. City Clerk, that Commissioner Brennan act as temporary chairman.

Commissioner Murray: I second the motion.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Not Voting: Commissioner Brennan.

Commissioner Brennan: The meeting will kindly come to order. We shall have a prayer by Right Reverend Monsignor Edward Quirk.

Prayer was then offered by Right

Reverend Monsignor Edward Quirk of St. Patrick's Cathedral.

Commissioner Brennan: The chair is now open for nominations for the election of a presiding officer.

Commissioner Murray: I nominate Jerome T. Congleton.

Commissioner Howe: I second the motion.

Commissioner Brennan: It is regularly moved and seconded that Jerome T. Congleton be nominated as presiding officer of the City Commission.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Not Voting: Mayor Congleton.

Mayor Congleton then assumed the Chair.

Commissioner Howe offered the following resolution:

RESOLVED, By the Board of Commissioners of the City of Newark that Commissioner Jerome T. Congleton be and he is hereby chosen to preside at all meetings of the Board of Commissioners of the City of Newark, and he is hereby designated Mayor of the City of Newark.

John Howe  
Charles P. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Not Voting: Mayor Congleton.

Mayor Congleton: Fellow Commissioners and friends, I want to thank you very much for this honor. I realize that this is not the time nor the place for any extended remarks. All that I can say to you is that I will, to the best of my ability, try to carry on in the future as I have during the short time that I have been associated with you. (Applause.)

Mayor Congleton: The next order of business will be the assigning of duties of the departments.

Commissioner Murray offered the following resolution:

RESOLVED, By the Board of Commissioners of the City of Newark that all of the executive, administrative, judicial and legislative authority and duties relating to the Bureau of Streets, Bureau of Street Cleaning and Refuse Collection, Bureau of Sewers, Bureau of Docks, Port Newark Terminal Development, Bureau of Street Lighting and Gas Meter Inspection, Bureau of Street Regulation, Bureau of Transportation, including jitney licenses and regulation, Division of Water, Division of Surveys, comprising Bureau of Plans and Estimates, Bureau of Purchases, Bureau of Motors, and the accounting Division for the various bureaus above specified, Free Public Library of Newark and the Museum Association of Newark, as the same exist in the Department of Public Affairs on May 21, 1929, be and the same are hereby distributed into the Department of Public Affairs; and the Director of the Department of Public Affairs is hereby vested with all of the powers, authority and rights now or heretofore vested in or given by any charter, statute or ordinance relating to the said Bureau of Streets, Bureau of Street Cleaning and Refuse Collection, Bureau of Sewers, Bureau of Docks, Port Newark Terminal Development, Bureau of Street Lighting and Gas Meter Inspection, Bureau of Street Regulation, Bureau of Transportation, including jitney license and regulation, Division of Water, Division of Surveys, comprising Bureau of Plans and Estimates, Bureau of Purchases, Bureau of Motors, and the Accounting Division for the various Bureaus above specified, Free Public Library of Newark and Museum Association of Newark, and shall perform all of the duties now or heretofore or hereafter imposed by law with respect thereto.

The following communication was received and read:

May 21, 1929.

To the Board of Commissioners  
of the City of Newark.  
Addressed.

Gentlemen:

By virtue of the authority of an act

the Legislature of the State of New Jersey, entitled:

"An Act to establish a Law Department in cities of the first class in this State", approved April 5, 1920,

and an ordinance entitled:

"An ordinance to establish a Law Department in the City of Newark,"

I, Frank A. Boettner, Corporation Counsel of the City of Newark, do, with the consent and concurrence of your Board, appoint:

J. Harry Henegan, Assistant Corporation Counsel of the City of Newark, and

Frederick H. Groel, Assistant Corporation Counsel of the City of Newark,

at the annual salary of \$8,000.00, said appointments to take effect at once, and

Louis A. Fast, Legal Assistant,  
Thomas M. Kane, Legal Assistant,

at the annual salary of \$6,000.00, said appointments to take effect at once.

Yours respectfully,

Frank A. Boettner,  
Corporation Counsel.

Ordered filed.

Commissioner Howe offered the following resolution:

BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the action of Frank A. Boettner, Corporation Counsel of the City of Newark, in appointing

J. Harry Henegan, Assistant Corporation Counsel and  
Frederick H. Groel, Assistant Corporation Counsel,

at the annual salary of \$8,000.00 each, and

Louis A. Fast, Legal Assistant, and  
Thomas M. Kane, Legal Assistant,

at the annual salary of \$6,000.00 each, be and the same is hereby ratified and confirmed.

City of Newark, New Jersey,  
Department of Public Affairs,  
Jerome T. Congleton,  
Mayor.

May 21, 1929.

To The Board of Commissioners of the City of Newark, and  
William J. Egan, City Clerk of the City of Newark.

Gentlemen:

By virtue of the authority of the statutes of the State of New Jersey,

I, Jerome T. Congleton, Director of the Department of Public Affairs of the City of Newark, do hereby make the following appointment:

Reginald Parnell, Secretary to the Director of the Department of Public Affairs of the City of Newark, at an annual salary of \$4,500.

And the City Clerk is hereby directed to place the name of the above appointee upon the City payroll.

Respectfully,

Jerome T. Congleton,  
Director, Department of  
Public Affairs.

Ordered filed.

Mayor Congleton offered the following resolution:

RESOLVED, By the Board of Commissioners of the City of Newark that Reginald Parnell be and he is hereby appointed Secretary to the Director of the Department of Public Affairs at an annual salary of Forty-five hundred dollars (\$4,500.00), to be paid as other salaries are paid, and the City Clerk is hereby authorized to place his name on the payroll.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

BE IT RESOLVED, By the Board of Commissioners of the City of Newark that Donald McGregor be and he is hereby appointed a member of the Board of Public Safety, of the Department of Public Safety, at an annual salary of Forty-five hundred dollars (\$4,500.00), payable semi-monthly as other salaries are paid; and the City Clerk is hereby directed to place his name on the payroll.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen: Mr. Mayor, as a matter of record, I would like to offer at this time the name of a gentleman for whom I have a great deal of admiration, for one of the appointments of judge, Michael A. Castellano.

Mayor Congleton: All of the offices have been filled. Commissioner Gillen offers that to be noted on the minutes.

Commissioner Murray: You ought to note the names of the others who were considered. There are about fifteen others.

Mayor Congleton: There are only three, and they have been filled.

Commissioner Murray: There are about fifteen other names.

Commissioner Gillen: Suppose we make a record of their names.

Commissioner Murray: There were fifteen or sixteen. You can not disregard all the others.

Mayor Congleton: If you do that on police court judges it is just as logical to do it on all others, and it would make a mess of things, I think. There were several names for every position.

The following communication was received and read:

City of Newark, New Jersey.  
Department of Public Affairs.

May 21, 1929.

To the Board of Commissioners of  
The City of Newark.  
Addressed.

Gentlemen:

By virtue of the authority of

Section 4, Article XIX, of an act  
entitled "An Act Concerning Mun-  
icipalities", approved March 27,  
1917, and the acts amendatory  
thereof and supplementary there-  
to,

I, Jerome T. Congleton, Mayor of  
The City of Newark, do hereby appoint  
with the consent of your Honorable  
body,

Charles P. Gillen, Commissioner of  
The City of Newark,

William J. Brennan, Commissioner  
of The City of Newark,

John F. Murray, Junior, Commis-  
sioner of The City of Newark.

being three officials of The City of  
Newark, as Insurance Fund Commis-  
sioners of The City of Newark, to hold  
office, without compensation, during  
the terms for which they have been  
severally elected and until their suc-  
cessors in their respective offices shall  
have duly qualified.

Respectfully submitted,

Jerome T. Congleton,  
Mayor.

Ordered filed.

Commissioner Howe offered the fol-  
lowing resolution:

BE IT RESOLVED, By the Board  
of Commissioners of the City of New-  
ark that the action of Jerome T. Con-  
gleton, Mayor of The City of Newark,  
in appointing Charles P. Gillen, Wil-  
liam J. Brennan and John F. Murray,  
Junior, as Insurance Fund Commis-  
sioners, be and the same is hereby  
ratified and confirmed.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution  
was declared adopted by the following  
votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Gillen offered the fol-  
lowing resolutions:

RESOLVED, By the Board of Com-  
missioners of the City of Newark that  
in addition to the compensation paid  
to the Director of Revenue and Fin-  
ance, he receive the further compen-  
sation of the sum of one thousand dol-  
lars (\$1,000.00) as Custodian of  
School Moneys, in accordance with the  
terms of an act of the Legislature of  
the State of New Jersey, entitled, "An  
Act to establish a thorough and effi-  
cient system of free public schools,  
and to provide for the maintenance,  
support and management thereof,"  
approved October 19, 1903, and the  
acts supplemental thereto and amen-  
datory thereof, and said additional  
compensation, to date from May 21,  
1929, shall be paid in the same man-  
ner as other salaries are paid.

Office of the City Clerk,  
City Hall,  
Newark, N. J.

May 21, 1929.

To the Board of Commissioners of  
The City of Newark.  
Addressed.

Gentlemen:

By virtue of the authority of the laws of the State of New Jersey:

I, William J. Egan, City Clerk of The City of Newark, do hereby designate and appoint Martin G. Bross, a clerk in my office, as Acting City Clerk during my absence or disability, said appointment to remain in full force and effect until revoked.

Respectfully,

W. J. Egan,  
City Clerk.

Ordered filed.

Mayor Congleton offered the following resolution:

RESOLVED, By the Board of Commissioners of The City of Newark that the action of William J. Egan, City Clerk of the City of Newark, in ap-

pointing Martin G. Bross, a clerk in his office, as Acting City Clerk, to act during his absence or disability, be and the same is hereby ratified and confirmed.

**Western Union,  
Newark, N. J.**

May 21, 1929.

City Commissioners,  
Council Chamber,  
Newark, N. J.

Honorable Sirs:

Heartiest and sincere congratulations.

Carl C. Lehmann.

Ordered spread on the minutes.

City Clerk Egan: Mr. Mayor, that is all on the Clerk's desk.

Mayor Congleton: Has any Commissioner any matter to bring to the attention of the Board this morning?

Father Gomph will pronounce benediction.

Rev. C. L. Gomph of Grace Episcopal Church then pronounced benediction.

Commissioner Brennan: I move that we adjourn to meet on Wednesday, May 29, 1929, at 11 A. M. Daylight Saving Time.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE  
JNO. F. MURRAY, JR.  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N J, May 29, 1929

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners, Brennan, Gillen, Howe, Murray, Mayor Congleton.

The minutes of meeting of May 21st were read and approved.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of an eighteen (18) inch reinforced pipe sewer for storm water only in Paris Street from Magazine Street to St. Charles Street.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That an eighteen (18) inch reinforced concrete pipe sewer for storm water only shall be constructed in Paris Street from Magazine Street to St. Charles Street, together with all the appurtenances necessary to complete the same, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated May 9th, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$7,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$7,000.00, under and by virtue of the provisions of an

act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916 (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that June 19th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Foundry Street from Passaic Avenue to Ferry Street with asphalt pavement (1 ½" top-1 ½" binder) on a new six (6) inch concrete foundation.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Foundry Street from Passaic Avenue to Ferry Street shall be graded, curbed, flagged and paved with asphalt pavement (1½" top-1½" binder on a new six (6) inch concrete base, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities", approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated May 28, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$16,-100.00 is hereby appropriated to pay

the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$16,-100.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P.L. 1916-525) and the supplements thereto, and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that June 19th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the repaving of Wickliffe Street from South Orange Avenue to West Market Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Wickliffe Street from South Orange Avenue to West Market Street shall be repaved with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the repaving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities", approved March 27, 1917, (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated May 28th, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating or tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2 That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$30,900.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$30,900.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, (P.L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that June 19th, 1929, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Margaretta Street from Avenue "L" easterly about 433 feet with asphalt pavement (1½" top-1½" binder) on a new six (6) inch base.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Margaretta Street from Avenue "L" easterly about 433 feet shall be graded, curbed, flagged and paved with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base, with the necessary new curbing or resetting of curb, together with all other appurtenance incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated May 28th, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connection with the sewer, gas and water mains to the curb lines of said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of

any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$16,900.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$16,900.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, (P.L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that June 19th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting

room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the following ordinance be taken up on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the rebuilding of a portion of the Central Relief Sewer, and making an additional appropriation therefor.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That that portion of the Central Relief Sewer in Military Park shall be rebuilt, together with all other appurtenances necessary to put the sewer in serviceable condition, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P. L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated November 14, 1928, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a general improvement and the cost thereof shall be paid by the City of Newark.

Section 3. That in addition to the sum of \$30,000.00 heretofore appropriated for said work there is hereby appropriated an additional sum of \$25,000.00, said amount being necessary to complete said work. For the purpose of meeting said additional appropriation, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$25,000.00 in addition to said \$30,000.00, under and by virtue of the provisions of an act entitled "An act to authorize and regulate the issuance of bonds and other obligations and the incurring of in-

debtedness by county, city, borough, village, town, township, or an municipality governed by an improvement commission", approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that June 12th, 1929, at 10 A. M. Standard Time 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to amend an ordinance entitled "An ordinance to establish a Law Department in the City of Newark," adopted January 27, 1921.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Section 13 of an ordinance entitled "An ordinance to

establish a Law Department in the City of Newark," adopted January 27, 1921, be and the same is hereby amended to read as follows:

Section 13. The salaries of the various members of the Law Department shall be as follows:

Corporation Counsel, \$15,000.00 per annum.

Assistant Corporation Counsels, a sum not to exceed \$8,000.00 per annum.

The salaries of the Assistant Corporation Counsels, Legal Assistants, Clerks, Secretary to the Corporation Counsel, and other employees of said Department, shall be fixed by resolution of the Board of Commissioners and be payable as other salaries are paid.

Section 2. All ordinances and parts of ordinances inconsistent herewith be and the same are hereby repealed.

Section 3. This ordinance shall take effect immediately.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that June 12th, 1929, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to amend an ordinance entitled "An ordinance to estab-

lish a Law Department in the City of Newark," adopted January 27, 1921.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Section 1 of an ordinance entitled "An ordinance to establish a Law Department in the City of Newark," adopted January 27, 1921, be and the same is hereby amended to read as follows:

Section 1. There is hereby established in the City of Newark a Law Department which shall consist of the Corporation Counsel, a private secretary to the Corporation Counsel, and four Assistant Corporation Counsels, and as many legal assistants, clerks and other employees as may be necessary for the proper and efficient conduct of the affairs of said Department.

Section 2. All ordinances and parts of ordinances inconsistent herewith be and the same are hereby repealed.

Section 3. This ordinance shall take effect immediately.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that June 12th, 1929, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to amend an ordinance entitled "An ordinance to regulate the construction, repair, altera-

tion and removal of buildings within the City of Newark, New Jersey," adopted June 15th, 1924.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Section 352, Paragraph VII, of an ordinance entitled "An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of Newark, New Jersey," adopted July 15th, 1924, be and the same is hereby amended as follows:

#### Section 352—Shafts.

VII. Fire Tower Walls shall be of brick or reinforced concrete not less than 8" thick.

Elevator shaft holes below grade and also the height of the ground story shall be of brick or reinforced concrete not less than 8" thick.

In non-fireproof buildings and buildings of large floor areas and hazardous occupancy and buildings designated for manufacturing, the elevator shaft walls above the ground story shall be of brick or reinforced concrete not less than 8" thick.

In fireproof buildings of non-hazardous occupancy, such as office buildings and tenement houses, the elevator shaft walls above the ground story may be enclosed with 6" hollow terra-cotta tile, if such walls are supported at each story on structural steel or reinforced concrete, properly fire-proofed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The Board of Commissioners of Assessments for Local Improvements of The City of Newark, made two awards, one for two thousand and sixty-five dollars, and the other for three thousand six hundred and forty dollars to John Dreyer and Augusta Dreyer, his wife, for land and real estate and rights and interests therein to be taken by The City of Newark for the opening of Cleveland Avenue and Bayard Place, in the City of Newark, under and by virtue of the provisions of an ordinance of The Board of Commissioners of The City of Newark, adopted July 10, 1928, by their report duly made in accordance with law, such awards being designated therein as award No. 1 for the Cleveland Avenue opening and award No. 3 for the Bayard Place opening; and

WHEREAS, Said awards were duly confirmed by the Circuit Court of the County of Essex on March 16, 1929, and this Board is now advised by the Corporation Counsel of the City of Newark that by reason of the refusal of said John Dreyer and Augusta Dreyer to accept or receive said awards, such awards should be paid into the Court of Chancery of the State of New Jersey to be there distributed to the person or persons entitled thereto according to law; therefore be it

RESOLVED, That said sums of two

thousand and sixty-five dollars and three thousand six hundred and forty dollars, totalling five thousand seven hundred and five dollars (\$5,705.00), be paid to the order of "Chancellor of New Jersey," and delivered to the Clerk in Chancery, and said sums are hereby appropriated to the Chancellor of New Jersey accordingly;

BE IT FURTHER RESOLVED, That the Corporation Counsel of The City of Newark be and he is hereby directed and authorized to sign the acting auditor's receipt book, and to endorse the warrant for said award and thereafter to cause the same to be paid to the Clerk in Chancery of New Jersey in accordance with this resolution.

W. J. Brennan  
Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

To the People of Newark:

Commemorating the Tenth Anniversary of the home-coming of our boys of the 312th Infantry Regiment, of the 78th Division, and being mindful of their heroic sacrifices on the battlefields of France, we, the Commissioners of the City of Newark, County of Essex, take pleasure in endorsing the efforts of the 312th Infantry Association in their forthcoming appeal to the citizenry at large, for support in their \$25,000 campaign.

It is our understanding that this amount is required to establish a perpetual Memorial Room as a shrine to the 409 boys who made the supreme sacrifice, and to help defray the expenses incurred in maintaining their relief and welfare work among needy ex-service men.

In sponsoring this Perpetual Memorial Room, the 312th Infantry Association is making an invaluable contribution to the archives of our City, that will be a lasting testimonial to the bravery and sacrifices of our Own, and one that we may be proud and happy to have had a share in promoting.

The citizens of this great City of Newark now have an opportunity to show our grateful and deep appreciation to the boys who fought and suffered, even unto death, that the sacred traditions of our great Country might still be carried on, by co-operation in this effort of the 312th Infantry Association.

The high purpose of the campaign is its own endorsement; and in recommending it to the thoughtful consideration of the people, it is our earnest hope that it will meet with unqualified success.

Jerome T. Congleton  
John Howe  
Charles P. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following communications were received and read:

We, the undersigned, residing in the Third Ward in the City of Newark, do hereby petition the City Commission of the City of Newark to purchase the block in said Third Ward bounding Broome, Spruce, Barclay and Montgomery Streets, and to develop the same into a City Park. Should the Commissioners decide that the above block would involve too much of a proposition, may we suggest that the Park start from Montgomery and Broome Street to Barclay Street going south taking in as much of the block

s would be necessary, as this territory consists largely of very small shacks and houses which can be obtained at a reasonable figure.

(Signed by three hundred twenty-five.)

Ordered referred to Commissioner Gillen.

**Board of Adjustment,  
City of Newark.**

May 23, 1929.

The Board of Commissioners  
of the City of Newark.

Gentlemen:

At a meeting of the Board of Adjustment held this day resolutions were adopted granting the following applications for variations from the requirements of the Zoning Ordinance:

Gasoline Station at 51 Boston Street,  
Daniel Berse, owner.

Gasoline Station at 418-420 Lyons  
Avenue, Isaac Katzman, owner.

In accordance with Section 9, Chapter 274, P. L. 1928, the Board of Adjustment respectfully recommends to your Honorable Body that the above structures be allowed.

Respectfully submitted,

R. B. Rankin,  
Secretary.

Ordered filed.

**Board of Adjustment,  
City of Newark.**

May 16, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day, resolutions were adopted granting the following applications for variations from the requirements of the Zoning Ordinance:

Open air parking station at 36-38  
Rankin Street; Harry Tischkowitz, owner, on condition that no gasoline is sold and no automobile repairs made on the premises.

A group of 44 individual garages at

7-11 Halleck Street, G. Laccitello and J. Cavanno, owners, on condition that no gasoline is sold and no automobile repairs made on the premises.

Public garage, at 25-29 Coes Place,  
Albert Berg, owner.

Gasoline Station at 315-321 Orange  
Street, Samuel Suss, owner.

In accordance with Section 9, Chapter 274, P. L. 1928, the Board of Adjustment respectfully recommends to your Honorable Body that the above structures and uses be allowed.

Respectfully submitted,

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Ordered filed.

**Eugene Geiser Company,  
790 Broad Street,  
Newark, N. J.**

May 25th, 1929.

To the Commissioners  
of the City of Newark,  
City Hall,  
Newark, New Jersey.

Gentlemen:

I hereby request you to change the Zoning Ordinance now affecting the block on the west of Sanford Avenue between Finlay Place and Lanark Avenue, Newark, N. J.

Half of this block is already occupied by stores, and we desire the balance of the block to be zoned for stores, and that the Zoning Ordinance be changed accordingly.

Respectfully,

A. Eugene Geiser,  
For Joseph W. Shikowitz.

Referred to the Board of Adjustment for recommendation and report.

**Newark Safety Council,  
141 Halsey Street,  
Newark, N. J.**

May 20, 1929.

Hon. William J. Egan,  
City Clerk,  
Newark, New Jersey.

My dear Sir:

I am authorized to transmit through you to the Honorable City Commission of Newark, New Jersey, the following resolution passed at the meeting of the Advisory Traffic Committee held today:

"In the study of traffic conditions in Newark your committee has seen the desirability of additional means of entrance and exit to, and from the city. The proposed location of State Highway Route No. 10 might create one of these means and we therefore wish to call the attention of the City Commission to the advantages of having this route enter the city in the vicinity of Clay Street.

"And in view of the fact that the original proposed location of Route No. 10 from the vicinity of Clay Street Bridge by viaduct over Broad Street, with ramps, paralleling the Lackawanna Railroad and thence along the southerly end of Branch Brook Park, northwesterly to the City Line, will have the advantage of giving the center of the city an additional means of access and egress for traffic, and will not, because of its elevation, further congest traffic near the center; therefore

"BE IT RESOLVED, That the Advisory Traffic Committee of Newark recommend that the City Commission consider advocating the location of Route No. 10 in the vicinity of Clay Street and thence, as above, rather than other locations; and be it further

"RESOLVED, That this resolution be immediately presented to the City Commission."

Cordially yours,

Fred M. Rosseland,  
Secretary,  
Mayor's Advisory Traffic  
Committee.

Ordered filed.

United States Fire Insurance Co.  
110 William Street,  
New York.

Please take notice:

That an application has been made by Elmer T. Bley, on behalf of the R. & B. Realty & Investment Company for a variation from the requirements of the Building Zone Ordinance so as

to permit the erection of a gasoline service station on the premises at the numbers 95-97 James Street, Newark, N. J., and this notice is sent to you as an owner of property in the immediate vicinity. This application is now No. 77-29-GS on the Clerk's calendar, and a public hearing has been ordered for Thursday, June 6th, 1929, at 2 P. M. in the Commissioners' Chamber, 2nd floor, City Hall, and when the calendar is called you may appear either in person, or by agent, or attorney, and present any objections which you may have to the granting of this application.

This notice is sent to you by the applicant, by order of the Board of Adjustment.

Respectfully,

Elmer S. Bley,  
Applicant.

Referred to Commissioner Brennan.

Western Union,  
Trenton, N. J.

May 23, 1929.

Wm. J. Egan,  
City Clerk,  
Newark, N. J.

State Highway Commission directs that you be advised that Route Ten hearing which was scheduled to be held May twenty-eighth has been again postponed to permit of further studies. Will advise of later date.

A. Lee Grover,  
Secretary.

Ordered filed.

Town of Belleville,  
New Jersey.  
Legal Department.

Board of Commissioners of  
The City of Newark,  
City Hall,  
Newark, N. J.

Gentlemen:

I have been instructed to advise your Honorable Board as follows:

On April 19, 1929, a building permit was issued to one H. B. Hardman for the construction of a building on premises known and designated as 55 Riverdale Avenue, Belleville, N. J. Since the issuance of such permit, it

has been brought to our attention that the said building is being constructed on the thirty-foot right of way owned by the City of Newark running east and west from Main Street to Washington Avenue in the Town of Belleville. The premises covered by said permit are forty feet south of Greylock Avenue, and the property in question adjoins the Erie Railroad on the east.

The purpose of this communication is informative in order that you may take such steps as you may deem advisable to protect your interest in said right of way.

Very truly yours,

John B. Brown.

Referred to Mayor Congleton.

Joseph L. Feibleman Co.  
19 William Street,  
Newark, N. J.

May 23, 1929.

Hon. Board of City Commissioners,  
City Hall,  
Newark, N. J.

Att. Mr. Wm. J. Egan, City Clerk.

My dear Mr. Egan:

Will you communicate with the Commissioners, stating that I wish to congratulate them on the selection of high type men they recently appointed.

They should be congratulated by the entire community on their selection of men of such high standard as Judge Nicholas Albano, Frank A. Boettner, J. Harry Henegan, Louis Fast, John C. Howe, Nathaniel Elin, Wm. F. Haas, Philip B. Lawrence, and last but not least, my associate Donald McGregor.

Good luck and more power to them individually and collectively.

Cordially yours,

Jos. L. Feibleman.

Ordered filed.

#### Reports of City Officers.

The following reports of City Officers were received and ordered filed:  
Overseer of the Poor for April, 1929.

Mayor Congleton: Gentlemen, Mr. Charles Bradley wrote me a letter which I will ask the clerk to read, and

which is self-explanatory, and here is the picture referred to in the letter.

Charles Bradley,  
P. O. Box 284,  
Newark, N. J.

May 15th, 1929.

Hon. Jerome T. Congleton,  
Mayor of the City of  
Newark, New Jersey.

Dear Sir:

It recently came to my attention that there was in the British Museum, in London, a print taken from an original oil painting by Sir Peter Lely, of Sir David Leslie, first Lord Newark. Investigation verified the fact, and that the original painting was in the collection of the Duke of Hamilton. Fortunately, my representative was able to procure a very fine engraving of this portrait. Believing that it would be an appropriate adornment for the office of the Mayor, I was pleased to receive your approval of my suggestion, and I therefore take pleasure in presenting it to the City of Newark, together with a brief historical sketch of Lord Newark's distinguished career.

I am, Sir,

Respectfully,

Charles Bradley.

Communication received and the picture accepted and referred to the Mayor; City Clerk to express appreciation of the Board of Commissioners to Mr. Bradley for his thoughtfulness.

Mayor Congleton: Does any citizen have any matter to bring to the attention of the Commission this morning?

Mrs. Florence H. Carter, 47 North 12th Street: Yesterday I presented to Commissioner Brennan—

Commissioner Brennan: I might say for your information, Mrs. Carter, I turned the matter over to the Law Department to proceed.

Mrs. Carter: Well, we don't know what action the Law Department has taken and we are not satisfied that things are being prosecuted as they should be or as quickly as they could be.

Commissioner Brennan: We cannot

go any quicker than the courts act on it.

Mrs. Carter: I feel that this being a fire hazard—not only a fire hazard but detrimental to health and inconvenience to the neighbors down there, that this matter should be taken up and acted upon immediately.

Commissioner Brennan: I am satisfied the Law Department will act as fast as it's possible.

Judge Boettner: I have already written to them and asked them to call Friday. I have written to you to tell you I have written to the company to send in a representative on Friday at 2 o'clock to see if we cannot abate the nuisance that exists.

Mrs. Carter: In the first place, I understand they are out of their zone. This is an industrial proposition, and the neighborhood is residential property. It is also a greater fire hazard because of the creosote and paint they have there. They paint in the open and the men smoke continuously. Also, it is detrimental to peoples' health because of the noise we have to put up with. The unloading of lumber is extremely—

Judge Boettner: Everything will be done that is possible.

Mayor Congleton: The matter has been referred to the Law Department to do whatever can be done and it will be followed out promptly. Does any other person have any matter to bring to the attention of the Commission?

The following communication was received and read:

Harrison R. Van Duyne, Inc.,  
790 Broad Street,  
Newark, N. J.

May 28, 1929.

The Honorable Mayor and  
Commissioners of the  
City of Newark,  
City Hall, Newark, N. J.

Gentlemen:

The Zoning Commission herewith presents to you the results of their work in preparing a new zoning map and zoning ordinance to meet the advancing needs of the City of Newark.

Before compiling the ordinance we had prepared Use, Height, Street

Width, Garage and Gas Station location maps of the entire City and have made many studies and inspections of all sections thereof. We have also had prepared a base map on tracing cloth on four sheets on which the final zoning map of the City of Newark may be imposed. We have conferred with the Building Department, the Adjustment Board and the various departments in the City administration which might in any way aid or assist us.

We would specially call your attention to the deserving and efficient work of our Secretary, Mr. Russell Rankin, and our drafting expert, Mr. Alfred Bates.

Yours truly,

Newark Zoning Commission,  
Harrison R. Van Duyne,  
Chairman.

Referred to conference of June 4, 1929.

Map of proposed zone submitted by Mr. Van Duyne.

Referred to conference of June 4, 1929.

Mr. Harrison R. Van Duyne: The Zoning Commission wishes to present to you a tentative zoning ordinance which they have prepared and the tentative zoning map, and I herewith present them.

Mayor Congleton: The matter will be received by the Board. If I recall the statute, we now have to examine it, return it to you for the purpose of holding public hearings before we can take any action.

Mr. Van Duyne: That is our understanding.

Mayor Congleton: All right, we will receive it, Mr. Van Duyne, and we thank you for your services up to date.

Mr. Van Duyne: It has been an interesting piece of work.

Mayor Congleton: Does any other citizen have any matter to bring to the attention of the Commission? If not, a motion to adjourn is in order.

Commissioner Brennan: I move that we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton

APPROVED:

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE  
JNO. F. MURRAY, JR.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

To the Board of Commissioners of the City of Newark.

Dear Sirs:

I respectfully submit the statements annexed (by items) of the amount in gross as shown by the records in this office of the several Pavings, Chapter 152, Laws 1917, now completed, which statements are now ready to be referred to the Board of Commissioners of Assessments for Local Improvements in order that assessments for benefits may be levied in accordance with law.

A. K. Brady,

Acting Auditor of Accounts.

Oak Street and Hudson Avenue Paving, Arsdale Place to City Line, Oak Street to City Line .....	\$8,655.37
Arsdale Place Paving, Cedar Avenue to City Line .....	7,570.26

RESOLVED, By the Board of Commissioners of the City of Newark, New Jersey, that the foregoing report and declaration of costs be and the same are hereby referred to the Board of Commissioners of Assessments for Local Improvements to assess benefits pursuant to the direction and provisions of the statutes in such case made and provided.

Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the Zoning Ordinance of the City of Newark and map submitted to this Board by the Zoning Commission of the City of Newark be and the same is hereby returned to the Zoning Board for public hearing, in accordance with the statute in such case made and provided.

Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the Comptroller be and he is hereby authorized to cancel from the records in his office Taxes for the year 1927 on Block 238, Lots 35 and 37, known as 42 to 46 Jones Street, amounting to Sixty-six dollars and thirty-two cents (\$63.32). A part of this property was taken for the opening and widening of Jones Street and this amount should have been cancelled at that time.

Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, Judge Cecil H. MacMahon of the First District Court of the City of Newark has requested that the salary of Louis Hecht, Clerk in said Court, be increased; therefore

BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the salary of Louis Hecht, Clerk of the First District Court of the City of Newark, be and the same is hereby increased from Four thousand dollars (\$4,000.00) to Four thousand five hundred dollars (\$4,500.00) per annum, effective April 22nd, 1929.

Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the sum of One hundred and ten dollars (\$110.00) be and the same is hereby appropriated to Harry Berlowe in payment to him of the excess fine imposed upon him in the Second Criminal Court of the City of Newark; this payment being made in accordance with the annexed order; the order being incorrect in that the sum of One hundred and ten dollars (\$110.00) should have been ordered returned to said Harry Berlowe instead of One hundred and thirty-five dollars (\$135.)

Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The Board of Commis-

sioners of the City of Newark on Wednesday, May 29, 1929, passed a resolution approving the action of the Board of Adjustment on the application of Daniel Berse, owner, for gasoline station at 51 Boston Street; and

WHEREAS, It has come to the attention of this Board that said action of the Board of Adjustment was contrary to law and that this Board was without power in the premises;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of The City of Newark that the said resolution be and the same is hereby rescinded and any permit issued as a result thereof is hereby revoked and voided.

Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton: I think Mr. Sandmeyer wants to be heard on this resolution.

Mr. William E. Sandmeyer, Kinney Building:

I would like to be heard on this resolution, first, to ask the Board of Commissioners to give the holder of this application an opportunity to be heard and present his evidence to show that not only did this Board have authority to pass this resolution, but that the resolution having been passed and the permit issued, that the permit is irrevocable.

This controversy grows out of an application for a gasoline station which was heard by the Adjustment Board on the 18th of April. At that time thirteen property owners from the neighborhood appeared personally, or were represented before the Board, and asked the Adjustment Board to grant the application because they felt a gasoline station would be at that corner an improvement to the neighborhood. The only objector was persons representing a colored church on the corner of 13th Avenue and Boston

Street, diagonally across from this gasoline station.

A complete and full hearing was had, evidence for and against the application was taken, the objectors were given a full and complete hearing—all the time they wanted and needed, and at the conclusion of the hearing the Board of Adjustment reserved its decision and decided to inspect the premises. The Newark Evening News, under date of April 19, commented on the fact that the entire neighborhood was down asking for the gasoline station, and that News statement was followed up by an editorial in the Newark Evening News, which favored in some neighborhoods the erection of gasoline stations of a proper character, saying that people were beginning to realize that gasoline stations as they are built sometimes materially improve the neighborhood.

All of the evidence having been heard, the Adjustment Board having heard all of the evidence, it was quite natural for them, when they made their inspection, to take any vote they deemed necessary while they were at the site of this gasoline station where the facts disclosed by an inspection would be fresh in their minds. There was nothing irregular, nothing improper about their taking a vote at the site of this gasoline station instead of coming back and taking a vote in their office. The decision of the Adjustment Board was reserved—it had not been adjourned, as I believe the minutes will show. The vote having been taken criticism was made that the thing was done secretly. There was absolutely no secrecy about the proposition; it was open and above board and honest in every respect.

The resolution of the Adjustment Board was referred to this Board of Commissioners, and it was passed by them at a meeting early in June or late in May. There was nothing irregular about it and I feel that the permit holder should be given an opportunity to produce his evidence before this Board, to show this Board that it not only had the authority, but that a gasoline station would be a benefit to that neighborhood and that the permit should be allowed to stand.

I want to say that I feel that this action, if taken by this Board at this

time, is not proper because no notice of this action was given and no opportunity has been given to the permit holder to formulate properly his objections to this action or to submit any evidence or objections he may have to the Commission.

Commissioner Murray: Mr. Sandmeyer, if this Board should pass this resolution today and your client can produce the evidence which you refer to, showing that there was authority in the Board to pass the resolution as originally passed a week ago, what would prevent the Board, upon such a showing, at that time rescinding this decision.

Mr. Sandmeyer: I presume there would be no reason why this Board could not rescind this rescision. I see no reason why it should not do that, of course. But I feel that the permit holder may lose some of his rights or may be subjected to a loss of some of his rights if this resolution is to pass without giving him an opportunity to be heard or formulate his objections or without giving notice of this proposed action.

Commissioner Murray: I think if this resolution is not passed today you may take advantage of it and begin constructing something else there to give him a colorable claim that he is losing by it.

Mr. Sandmeyer: I am willing to make an agreement that nothing will be done until the matter is fully heard and determined by the Commission.

Commissioner Brennan: What can be done by the Commission, Mr. Sandmeyer?

Mr. Sandmeyer: The Commission can allow the permit to stand.

Commissioner Brennan: In the face of the ordinance prohibiting the erection of a gasoline station or garages within the specified distance of a church or school?

Mr. Sandmeyer: I feel the Board of Commissioners has a right to amend that ordinance. As a matter of fact, over some objection of this same church, a permit for a gasoline station was granted on 13th Avenue and Wecliffe Street—over the same objection.

Mayor Congleton: The Supreme Court, in the Hartman case, did not think so, Mr. Sandmeyer.

Mr. Sandmeyer: When was that case decided?

Mayor Congleton: A couple of years ago.

Mr. Sandmeyer: I think the statutes have changed the situation somewhat.

Mayor Congleton: No, the new act has been passed, but you must remember that that new act held in force all ordinances then in effect, and that has recently been sustained by another recent decision where an attack was made upon an ordinance that had been passed prior to the new act, and they said the saving clause in the new act provides that all ordinances then in force—

Mr. Sandmeyer: I have read that decision.

Mayor Congleton: And the Hartman case decided this question.

Mr. Sandmeyer: I would rather be given an opportunity to go into that matter. I do not think this is the time to indulge in a legal debate on the question, and I don't intend to do it. I think those questions can be cleared up if the Commission will give us an opportunity to formulate our objections properly rather than submitting us to the delay and expenses of court proceeding or other proceedings the petitioner may desire to take.

Mayor Congleton: The position we are in in this matter is this: The matter has come to our attention, and the Board of Commissioners has taken it up in conference with their legal advisor, and this resolution was drawn after a careful study of the law, and a crowd could come in and differ with the evidence and we would still follow the advice of our Legal Department; and having had the benefit of that and this matter having been gone into, I don't see that there is anything that this Board can do, even though you might come in and make a very strong argument against his legal conclusions. I know what the Board of Commissioners did when I was head of the Law Department. I might have been wrong, but they followed my advice.

Mr. Sandmeyer: It might even be possible that I might convince the Legal Department that my contention is right.

Mayor Congleton: Well, if you do, as

Commissioner Murray said, it can easily be righted again.

Mr. Sandmeyer: Without notice of this proceeding, I feel that the permit holder should have an opportunity to present whatever facts—whatever interpretation of the law he might believe in, and also I feel he should be given an opportunity to formulate any objection he has to this proposed action. The only notice I had of this meeting was an account in the Newark Evening News. I wasn't certain that that account was correct because the Star-Herald didn't have the same account. It wasn't until I spoke to you this morning that I was sure this action was to be taken.

Commissioner Murray: If the passage of this resolution served as a bar to his proceeding, I would be willing to lay it over, but it seems to me it can not do him any harm and it puts us on record as correcting a mistake.

Commissioner Howe: Mr. Mayor and Commissioners, I inspected that property, owing to the notoriety our actions had received, and I find the church and a Standard Oil station on the same block with the church within two hundred feet of it.

Mr. Sandmeyer: And that was granted over the same objection of that church.

Commissioner Howe: Why was that allowed if this isn't allowed? Why not rescind that? I was surprised when on my way down this morning I found that station on the same block and within 150 feet of the church on the same block with the church, while this is on the other block.

Commissioner Brennan: Was that station there before—

Mayor Congleton: No, it was granted afterwards.

Commissioner Howe: I didn't know it until just now. I was going to ask. I just heard the Mayor say that.

Commissioner Murray: On the north west corner?

Commissioner Howe: Yes, it is on the same block on 13th Avenue. There is one across the street from St. Antoninus'.

Mayor Congleton: I would like to say that the gas station that Commissioner Howe is referring to was

granted by the Board of Adjustment before the time that these matters had to come for confirmation to the Board of Commissioners.

Commissioner Howe: I am not interested one way or the other, Mr. Mayor. When I saw that this morning—I didn't know the other was there until I saw it on my way down.

Commissioner Murray: An ornamental gas station would probably be an improvement, but according to the Law Department there is no authority in the Commission to do what it did.

Commissioner Howe: In other words we did something illegal.

Commissioner Murray: We did something we had no legal authority for. It wasn't supported by legal authority, according to the Law Department's opinion.

Commissioner Howe: There is none of us want to admit that we did.

Commissioner Murray: We don't want to boast about it, but I think Mr. Sandmeyer is in a position where he can proceed just the same.

Mr. Sandmeyer: My course of procedure may be an appeal to the courts, and that would delay the matter and cause the permit holder a great deal of expense.

Commissioner Howe: If you get a week of delay are you willing that nothing be done and no money expended and nothing pulled over on us?

Mr. Sandmeyer: Absolutely.

Commissioner Gillen: I think, Mr. Mayor, in view of what has been said by Commissioner Murray, that there can not be any harm done by passing this rescinding resolution. I think we had better go ahead with the rescinding on this resolution.

Mayor Congleton: The resolution is before you, gentlemen. All in favor of its adoption will say aye; those opposed, no. The Clerk will call the roll.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe: I would like to go on record as here and now seeing that we are not put in this embarrassing position again; that no permit be granted in the future to any

property within the distance prescribed, on the corner or anywhere else.

Mayor Congleton: Right in that connection, gentlemen, you will recall in our conference yesterday we wanted the minutes to show something about the procedure to be followed hereafter with respect to these recommendations that come from the Board of Adjustment. I would say that now would be a proper time for that motion to be made.

Commissioner Brennan: I move you, Mr. Mayor, that hereafter all acts of the Board of Adjustment needing our approval, be laid over for a period of at least two weeks for the purpose of inspection, if we so desire, before final action is taken.

Mayor Congleton: And that accompanying the recommendation they give us a docket entry as to when the application was received, when the hearing was held, and what, if any, objections were offered to the application.

Commissioner Murray: And a transcript of their procedure which led up to their conclusion.

Commissioner Howe: How about disapproval?

Mayor Congleton: We could not grant it over their disapproval. It is only, when they, by a certain vote, approve of it that it has to come here for us to concur in. If they deny it, it doesn't come here.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe: Do I understand that their acts, if they disapprove of anything, that is final; but if they approve of anything we can rescind it?

Mayor Congleton: Certain things that come within the act have to be concurred in by our Board.

Commissioner Murray: But any citizen who feels aggrieved by their disapproval has a perfect right to appeal to the Commission, so that he is not barred.

Commissioner Gillen offered the following resolutions:

WHEREAS, In accordance with the

law and by authority of the Board of Commissioners of the City of Newark, N. J., the Director of the Department of Parks and Public Property publicly solicited, received and opened bids for the fence to go around the Hayes Park North No. 1, Arlington Avenue and Broadway, Newark, N. J., as per plans and specifications prepared by Vincent J. Rizzolo, architect and engineer; and

WHEREAS, The Guardian Fence Company bid the sum of Four thousand three hundred dollars (\$4,300.00) which bid was the lowest responsible one received;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark, N. J., that the proposal of the Guardian Fence Company be and the same is hereby accepted and the contract awarded to the said Guardian Fence Company at the price aforesaid, and the Law Department is directed to prepare the contract for the same on the adoption of this resolution.

South Orange, N. J.  
June 1, 1929.

Board of Commissioners of  
The City of Newark,  
Newark, N. J.

Gentlemen:

Mrs. Fuld acknowledges with sincere thanks the receipt of the eloquently touching and handsomely framed testimonial to the memory of Mr. Fuld.

She deeply appreciates the thoughtfulness and kindness of the Board of Commissioners of the City of Newark, as evidenced by this action.

Very truly yours,

Alma W. Koehler,  
Secretary to Mrs. Fuld.

Ordered filed.

Board of Education,  
City Hall,  
Newark, N. J.

May 29, 1929.

Board of Commissioners  
of the City of Newark.

Gentlemen:

The resolution from the Board of Commissioners of the City of Newark transferring the portion of land located between South Tenth and South Eleventh Streets in the City of Newark, about 225 feet north of the northerly line of Woodland Avenue and being 50 feet in width by 246 feet in depth with the portion of land north thereof extending to rear of property owned by the Public Service Railway Company, was presented to the Board of Education at the meeting held on Monday evening, May 27, 1929; and, on motion, the tender of this property was accepted with the thanks of the Board and the matter referred to the Counsel of the Board to have the proper transfer made.

Yours truly,

R. D. Argue,  
Secretary.

Ordered filed.

Second River  
Joint Meeting  
City Hall,  
Newark, N. J.

May 29, 1929.

Gentlemen:

At a meeting of the Second River Joint Meeting, held May 20, 1929, the following resolution was passed:

WHEREAS, The City of Orange, one of the contracting parties in the Second River Joint Sewer, was, under the terms of said contract to be paid by the other jointly contracting municipalities for space in the existing Union Outlet Sewer in Section 1, 2 and 4, as provided by the Second River Joint contract; and

WHEREAS, The City of Orange was to pay certain stipulated proportions of the cost of the sewer, varying according to the sections thereof, as appears more fully by the contract; and

WHEREAS, The City of Orange, pursuant to the terms of said contract, paid to the Second River Joint Meeting a sum amounting to \$6,426.00 in excess of the total amount to be paid by said City under said contract, after receiving credits for the amounts due said City from the other contracting municipalities; now, therefore,

RESOLVED, That the sum of Nineteen thousand and twenty dollars (\$19,020.00) which under the contract is due the City of Orange by the other contracting municipalities for space in Section 1 of the Second River Sewer, be and the same hereby is levied against such contracting municipalities in the proportion set up in said contract; and

FURTHER RESOLVED, That the Secretary be and he is hereby authorized to send notice to said various contracting municipalities of said amendment, requiring payment thereof within thirty (30) days after said notice; and

FURTHER RESOLVED, That said payments when and as received shall be placed in the account of the Second River Joint Meeting to the credit of the City of Orange to be applied by the Treasurer of the Second River Joint Meeting, first, against the overpayment already made in cash by the City of Orange, and second, to such further allotments of the cost as shall be levied against the City of Newark for the uncompleted sections of said sewer.

The portion of the assesment due from the City of Newark is the sum of \$798.84, being 4.20 % of said \$19,020.00.

Respectfully,

E. S. Rankin,

Referred to Director of Revenue and Finance to be paid.

The City of Newark,  
Law Department,  
Newark, N. J.

June 3, 1929.

Subject: Re preferment of charges  
against Mary Philbrook, Legal  
Assistant:

To the Board of Commissioners  
of the City of Newark.  
Addressed.

Gentlemen:

Please take notice that I have suspended Mary Philbrook as Legal Assistant in the Law Department of the City of Newark, for the reasons set forth in the copy of Notice enclosed herein, which Notice has been served upon her. The said suspension is dated May 22nd.

Yours very truly,

Frank A. Boettner,  
Corporation Counsel.

Ordered filed.

The Governor of New Jersey and the Commissioners of High Point Park have the honor of inviting Mayor and City Commissioners, Newark, to be the guest of the State of New Jersey at the laying of the cornerstone of the monument erected by Colonel and Mrs. Anthony R. Kuser to the glory and honor and eternal memory of New Jersey's heroes by land and sea and air in all past and future wars of our Country at High Point Park near Sussex, Sussex County, New Jersey, Saturday, the eighth day of June, Nineteen hundred and twenty-nine, at three o'clock.

Respectfully submitted,

John J. Sugrue,  
Acting Treasurer.

Mayor Congleton: Does any citizen have any matter to bring to the attention of the Commissioners this morning?

Commissioner Howe: I move that we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

**APPROVED:**

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE  
JNO. F. MURRAY, JR.  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N. J., June 12, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Howe, Mayor Congleton.

Absent: Commissioners Gillen, Murray.

The minutes of the meeting of June 5th, 1929, were read and approved.

The City Clerk presented An ordinance to amend an ordinance entitled "An ordinance to establish a Law Department in the City of Newark," adopted January 27, 1921, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

No one appearing, Commissioner Howe moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Howe moved that the following ordinance be taken up on second reading:

An ordinance to amend an ordinance entitled "An ordinance to establish a Law Department in the City of Newark," adopted February 27, 1921.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.  
Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Howe moved that the

ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Howe moved that the ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Howe moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Howe moved that the title of "An ordinance to amend an ordinance entitled 'An ordinance to establish a Law Department in the City of Newark,' adopted January 27, 1927, be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to amend an ordinance entitled "An ordinance to establish a Law Department in the City of Newark," adopted January 27, 1921.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

The City Clerk presented An ordinance to amend an ordinance entitled "An ordinance to establish a Law Department in the City of Newark," adopted January 27, 1921, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any one desire to be heard on this ordinance?

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to amend an ordinance entitled "An ordinance to establish a Law Department in the City of Newark," adopted January 27, 1921.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan moved that title of "An ordinance to amend an ordinance entitled 'An ordinance to es-

tablish a Law Department in the City of Newark,' adopted January 27, 1921," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to amend an ordinance entitled "An ordinance to establish a Law Department in the City of Newark," adopted January 27, 1921.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

The City Clerk presented An ordinance to amend an ordinance entitled "An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of Newark, New Jersey," adopted June 15, 1924, and stated that today was the time fixed for hearing on the same.

Commissioner Brennan: I move that the ordinance be laid over to June 26, 1929.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading:

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of a fifteen (15) inch reinforced concrete pipe sewer for storm water only in Foundry Street from Ferry Street to Passaic Avenue.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That a fifteen (15) inch reinforced concrete pipe sewer for storm water only shall be constructed in Foundry Street from Ferry Street to Passaic Avenue, together with all the appurtenances necessary to complete the same, under and by virtue of

the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated June 6th, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$2,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$2,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. This ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan moved that July 3, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting

room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of an eighteen (18) inch reinforced concrete pipe sewer, for storm water only, in Carnegie Avenue from the State Highway to Mt. Olivet Avenue.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That an eighteen (18) inch reinforced concrete pipe sewer, for storm water only, shall be constructed in Carnegie Avenue from the State Highway to Mt. Olivet Avenue together with all the appurtenances necessary to complete the same, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated June 3rd, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$11,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or

notes shall be issued from time to time in an amount not to exceed \$11,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations, and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Howe moved that July 3, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving

of West End Avenue from Valley Street to Unity Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That West End Avenue from Valley Street to Unity Avenue shall be graded, curbed, flagged and paved with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities", approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated June 4, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed upon the property benefited by said improvement, in proportion to the

benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$7,600.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$7,600.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan moved that July 3, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of a twelve (12) inch reinforced concrete pipe sewer, for storm water only, in Margarett Street from Avenue "L" easterly approximately three hundred and thirty (330) feet.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That a twelve (12) inch reinforced concrete pipe sewer, for storm water only, shall be constructed in Margarett Street from Avenue "L" easterly approximately three hundred and thirty (330) feet, together with all other appurtenances necessary to complete the same, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P.L. 1917-319), and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated June 10, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$2,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$2,000.00, under and virtue of the provisions of an act entitled "An act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P.L. 1916-525), and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of note to exceed six per centum per annum. All other matters

in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Howe moved that July 3, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the repaving and resurfacing of Elm Street from the east side of New Jersey Railroad Avenue to Lang Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base or on the old concrete base as required outside the street railway track area, and with napped, reclipped granite block on the old base or on a new concrete base as required inside the street railway track area.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Elm Street from the east side of New Jersey Railroad Avenue to Lang Street shall be repaved

and resurfaced with asphalt pavement (1½" top-1½" binder) on a new concrete base or on the old concrete base as directed outside the street railway track area and with napped, reclipped granite block, on the old concrete base or on a new concrete base as required inside the street railway track area, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated June 6, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$153,700.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$153,700.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Commissioner Brennan moved that July 3, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

WHEREAS, In order to accommodate public convenience it is desirable that the street railway tracks and overhead construction in Green Street, between Broad Street and Mulberry Street, be relocated, and that connections of street railway tracks at Broad and Green Streets, Broad and Lafayette Streets, and Lafayette and Mulberry Streets, be constructed, operated and maintained by Public Service Coordinated Transport, all as more particularly shown on maps or plans marked as follows:

Public Service Coordinated Transport, Engineering Department, Proposed Relocation of Tracks and Connection—Green Street—Broad Street to Mulberry Street, Newark; dated May 24, 1929. Drawing No. 21982-K;

Public Service Railway Co., Department of Maintenance of Way, Proposed connection at Broad Street and Lafayette Street, Newark; dated July 12, 1927. Drawing 21322-C; and

Public Service Railway Co., Department of Maintenance of Way, Proposed connection at Lafayette Street and Mulberry Street, Newark, dated July 12, 1927. Drawing 21323-C;

copies of which drawings are on file with the City Clerk; now, therefore, be it

RESOLVED, That Public Service

Coordinated Transport be and hereby is requested to relocate its street railway tracks and overhead construction in Green Street, between Broad Street and Mulberry Street, as shown and indicated on the aforesaid map or plan; and be it further

RESOLVED, That Public Service Coordinated Transport is hereby granted consent and permission to relocate, construct, operate and maintain a connection, including poles and wires, between its tracks at Broad and Green Streets and at Broad and Lafayette Streets, and at Lafayette and Mulberry Streets, at the places shown and indicated on the aforesaid maps or plans thereof, subject to the same terms, conditions, provisions, restrictions and limitations now existing with respect to the said tracks of said Company in Broad Street, Green Street, Mulberry Street and Lafayette Street.

Jerome T. Congleton  
W. J. Brennan  
John Howe

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

To the People of Newark:

On Saturday, June 22nd, the Metropolitan Track and Field Championship Meet will be held at Weequahic Park in this City, sponsored by the Newark Athletic Club.

In bringing to Newark this event, the Newark Athletic Club has rendered a great service to the City, bringing it to the forefront in the athletic world. No admission fees will be charged and it is the hope of the sponsors that a large number of Newark citizens will attend and enjoy the function.

BE IT RESOLVED, We therefore endorse the project, congratulating the Newark Athletic Club on its achievement and recommend to our citizens that they express their approval by their attendance.

Jerome T. Congleton  
W. J. Brennan  
John Howe

The roll being called, the resolution

was declared adopted by the following votes.

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

The following communications were received and read:

**Board of Adjustment,  
City of Newark.**

June 6, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day the petition of Eugene Geiser Company to amend the Zoning Ordinance on Sanford Avenue between Finlay Place and Lanark Avenue was considered. The block is now in the residence district, and the petition asks that it be changed to a business district.

At the meeting of the Board of Adjustment on May 2, 1929, an application was before it to vary the ordinance so that stores might be erected on this same block at Nos. 341-345 Sanford Avenue. At that time the application was withdrawn, due to the fact that neighboring property owners appeared in opposition to the application.

The Board of Adjustment, at its meeting of June 6th unanimously voted to recommend to your Honorable Body that the petition be denied.

Respectfully submitted,

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

On motion the communication was received and consideration thereof postponed to June 26th, 1929, and copy of recommendation to be sent to each Commissioner.

**The Board of Adjustment,  
City of Newark.**

June 6, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held May 16, 1929, resolutions

were adopted varying the Zoning Ordinance and granting the application of Samuel Suss for a gasoline station at 315-321 Orange Street (opposite Hudson Street).

This application was rejected by the Building Department on May 17, 1929, and an appeal filed with the Board of Adjustment the same day.

A public hearing on the application was ordered for May 16, 1929, at which time the applicant was present with his attorney, Mr. George R. Sommer. It was shown that the premises in question has a frontage on Orange Street of 125 feet and a depth of 103 feet running back to Lackawanna Avenue. It is in the industrial district. Across Orange Street at the corner of Hudson Street are the City Stables.

No objectors appeared at the hearing.

The application was approved by unanimous vote.

There is no church, school, theatre or similar building within 200 feet.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure and uses be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

**The Board of Adjustment,  
City of Newark.**

June 6, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held June 6, 1929, resolutions were adopted varying the Zoning Ordinance and granting the application of A. Carpenter for the construction of eight individual garages at 65 Lincoln Avenue.

This application was rejected by the Building Department on April 26, 1929, and an appeal filed with the Board of Adjustment on May 13, 1929.

A public hearing was ordered on the application for June 6, 1929, at which time Mr. Michael J. Tansey appeared on behalf of the applicant.

No objectors appeared at the hearing.

The plot in question has a depth of 270 feet and is occupied at the present by a frame dwelling and nine individual garages.

The Summer Place Public School is within 200 feet of the property.

The application was approved by unanimous vote.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, and consideration thereof postponed to June 26th, 1929, and copy of recommendation to be sent to each Commissioner.

The Board of Adjustment,  
City of Newark.

June 6, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held May 16, 1929, resolutions were adopted varying the Zoning Ordinance and granting the application of Albert Berg for a public garage at 25-29 Coes Place.

This application was rejected by the Building Department on May 1, 1929, and an appeal filed with the Board of Adjustment on May 2, 1929.

A public hearing on the application was ordered for May 16, 1929, at which time Mr. Charles Handler represented the applicant, and stated that the proposed garage was to be an addition to the existing garage at 21-25 Coes Place, which was approved by the Board October 2, 1924.

A Baldwin Street property owner was told that there would be no garage entrance from Baldwin Street. No other objectors were present.

The application was approved by unanimous vote.

The Coes Place Binet School is within 200 feet of the present garage and the proposed addition.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully

recommended that the above structure be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, and consideration thereof postponed to June 26, 1929, and copy of recommendation to be sent to each Commissioner.

The Board of Adjustment,  
City of Newark.

June 6, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held May 16, 1929, resolutions were adopted varying the Zoning Ordinance and granting the application of Gennaro Laccitiello and John Cavanno for the construction of forty-four individual garages on an interior plot of ground in the rear of 7-11 Halleck Street.

This application was rejected by the Building Department on April 22, 1929, and an appeal filed with the Board of Adjustment the same day.

A public hearing was ordered on the application for April 22, 1929, at which time the applicants were present with their attorney, Mr. C. C. Giffoniello. It was explained that the proposed garages would be located on an interior plot of ground 123 feet by 150 feet in size, and located 130 feet back from the line of Halleck Street, to which street access would be had by a twenty-foot driveway. The plot adjoins a row of apartment houses on Broadway and is in the rear of another apartment house on Halleck Street. The garages would be arranged in an open square around the interior plot.

Mr. Abraham Ginsburg, owner of the Broadway apartment houses, was present on behalf of the applicants, and stated that it would be a benefit to remove the present two-story barn now used as a public garage.

Mr. Leo Weinberg appeared on behalf of the Commonwealth Construction Co., owners of 746-756 Broadway, and Max Slaff, owner of 15 Halleck Street. Nine other objectors were pres-

ent, including a representative of the Grand Lodge, I. O. O. F., owners of the Ridgely Orphans Home at 20-26 Halleck Street.

Most of the objectors were under the impression that the application was for one large building to be used as a public garage, with gasoline and other service.

The matter was laid over for two weeks to enable the objectors to investigate the matter more thoroughly.

Chairman Fitzsimmons expressed the opinion that the property was ideally situated for such a development, and that he could see no menace to any of the surrounding property. Fire Chief Towey said it could not be considered a fire hazard.

The application was approved by unanimous vote.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, and consideration thereof postponed to June 26, 1929, and copy of recommendation to be sent to each Commissioner.

The Board of Adjustment,  
City of Newark.

June 6, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held May 16, 1929, resolutions were adopted varying the Zoning Ordinance and granting the application of Harry Tischkowitz for an open air automobile parking station at 26-38 Rankin Street.

This application was rejected by the Bureau of Combustibles on March 14, 1929, and an appeal filed with the Board of Adjustment on April 23, 1929.

A public hearing was ordered on the application for May 2, 1929, at which time neither the applicant nor any objectors appeared, and the matter was laid over for two weeks.

On May 16, 1929, the applicant was

present with his attorney, Mr. Henry Gottfried, who expressed the opinion that the parking space would tend to relieve congestion on Springfield Avenue and Rankin Street; and that it was not intended to sell gasoline on the premises.

Mr. Daniel E. Feldman, representing the owners of a taxicab garage at 41-45 Rankin Street, objected to the application. Other objections were withdrawn when it was learned that gasoline was not to be sold.

The application was approved by unanimous vote on condition that no automobile repairs were to be made, and no gasoline sold on the premises.

There is no church, school, theatre or similar building within two hundred feet.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above use be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, and consideration thereof postponed to June 26, 1929, and copy of recommendation to be sent to each Commissioner.

The Board of Adjustment,  
City of Newark.

June 6, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held June 6, 1929, resolutions were adopted varying the Zoning Ordinance and granting the application of Benjamin Hammer for a gasoline station at 422 Chestnut Street, corner of Hennessy Street.

This application was rejected by the Building Department on May 7, 1929, and an appeal filed with the Board of Adjustment on May 25, 1929.

A public hearing on the application was ordered for June 6, 1929, at which time the applicant was present.

No objectors appeared at the hearing.

The premises are within the Industrial District near the easterly end of Chestnut Street.

The East Side Ungraded School is a little over 200 feet away on the opposite side of the street.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, and consideration thereof postponed to June 26, 1929, and copy of recommendation to be sent to each Commissioner.

The Board of Adjustment,  
City of Newark.

June 6, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held April 18, 1929, resolutions were adopted varying the Zoning Ordinance and granting the application of John J. Ludwig for a gasoline station at 294 Chancellor Avenue.

This application was rejected by the Building Department and an appeal filed with the Board of Adjustment on April 2, 1929.

A public hearing on the application was ordered for April 18, 1929, at which time the applicant was represented by Mr. William E. Sandmeyer. The premises in question is situated on the southwest corner of Chancellor Avenue and Crescent Avenue. The application had been denied twice before, once on January 5, 1928, and again on July 26, 1928. On February 7, 1929, the Board of Adjustment approved the application for a gasoline station on the southeast corner of the same intersection, which approval was concurred in by the Board of Commissioners on February 19, 1929.

No objectors appeared at the hearing.

The application was approved by unanimous vote.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure and use be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, and consideration thereof postponed to June 26, 1929, and copy of recommendation to be sent to each Commissioner.

A resolution from the South Orange Avenue Progressive Merchants' Association of Newark, N. J., congratulating the Commissioners on their re-election to office, was received, read and ordered filed.

A communication was received and read from Walter R. Darby, Commissioner of Municipal Accounts relating to marketing municipal obligations, which was ordered referred to Commissioner Howe.

An abstract of Ratables and Exemptions in the County of Essex, was received from the County Board of Taxation and ordered referred to Commissioner Howe.

Mayor Congleton offered the following resolutions:

BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the sum of \$17,500.00 be and the same is hereby appropriated to Samuel Sibulsky, representing the purchase price of certain lands agreed to be sold by him to The City of Newark, situate in said City of Newark,

Beginning at a point in the southerly line of 18th Avenue distant westerly 75 feet from the southwest corner of the same and Boyd Street; thence south 22° 44' west 79 feet; thence north 67° 16' west 25 feet; thence north 22° 44' east 79 feet to the aforesaid line of 18th Avenue; and thence along the same south 67° 16' east 25 feet to the place of Beginning.

and,

BE IT FURTHER RESOLVED, That said sum of \$17,500.00 be paid to said Samuel Sibulsky upon delivery by him of a Warranty Deed, approved as to form by the Law Department, to the Acting Auditor of Accounts.

Jerome T. Congleton  
W. J. Brennan  
John Howe

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the sum of Eleven thousand five hundred dollars (\$11,500.00) be and the same is hereby appropriated to Israel Nesson, as and for the purchase price of certain lands agreed to be conveyed by said Israel Nesson to The City of Newark, situate in the City of Newark, Essex County, New Jersey:

Beginning in the westerly line of Boyd Street at a point therein distant seventy-nine feet one-half inch southerly from the southerly line of Eighteenth Avenue, thence north sixty-seven degrees sixteen minutes west, parallel with Eighteenth Avenue ninety-seven feet four inches; thence south twenty-two degrees forty-four minutes west twenty feet four inches; thence south sixty-seven degrees sixteen minutes east ninety-six feet ten and three-fourths inches to the westerly line of Boyd Street, and thence north twenty-four degrees thirty-two minutes east twenty feet four inches to the place of Beginning.

and,

BE IT FURTHER RESOLVED, That the sum of Eleven thousand five hundred dollars (\$11,500.00) be paid to the said Israel Nesson upon the filing by him with the Acting Auditor of Accounts of a Warranty Deed, conveying the lands aforesaid to The City of Newark, approved as to form by the Law Department.

John Howe

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

Mayor Congleton: Does any citizen have any matter to bring to the attention of the Commission?

If not, a motion to adjourn is in order.

Commissioner Howe: I move we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N. J., June 19, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Gillen, Mayor Congleton.

Absent: Commissioners Howe and Murray.

The minutes of meeting held June 12th were read and approved.

The City Clerk presented An ordinance to provide for the construction of an eighteen (18) inch reinforced concrete pipe sewer, for storm water only, in Paris Street from Magazine Street to St. Charles Street, and stated that today was the time fixed for hearing on the same.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Varsity Court from Varsity Road southerly about 228 feet with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Varsity Court from

Varsity Road southerly about 228 feet shall be graded, curbed, flagged and paved with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities", approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles, dated June 13, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$4,600.00 is hereby appropriated to pay the cost of said improvement, and for the pur-

pose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$4,600.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Mayor Congleton.

Commissioner Brennan moved that July 10th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Mayor Congleton.

Commissioner Gillen introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance providing for the opening and widening of Lock Street on the westerly side thereof from Warren Street to Sussex Avenue, and for the opening and widening of Nesbitt Street on the westerly side thereof from the northerly line of Sussex Avenue northerly about 125 feet, measured along the existing westerly line of Nesbitt Street to the division line between lots 57 and 62 of block 2853 of the Newark City Tax Map.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That the following described streets shall be opened and widened as public streets or highways, as follows:

**Lock Street** on the westerly side thereof from Warren Street to Sussex Avenue, by the addition thereto of the three (3) following described parts:

**Part No. 1. From Warren Street to New Street:**

Beginning at the northwesterly corner of Warren Street and Lock Street; thence westerly along the northerly line of Warren Street 54.82 feet to the southeasterly corner of Lot 5 of Block 401 of the Newark City Tax Map; thence northerly along the easterly line of Lot 5 aforesaid 43 feet, more or less, to the northeasterly corner of said lot; thence westerly along the northerly line of said lot 2.50 feet, more or less, to the easterly line of Lot No. 6 of Block 401 of the Newark City Tax Map; thence northerly along the easterly line of Lots Nos. 6 and 7 of Block 401 of the Newark City Tax Map 73.05 feet, more or less, to an angle point in Lot No. 7 aforesaid; thence westerly along the division line between Lot No. 7 aforesaid and lands of the Morris Canal and Banking Company 13.80 feet to an angle point in said division line; thence northerly along said division line 35.40 feet to another angle point in said division line; thence northeasterly in a straight line through land now or formerly of Morris Canal and Banking Company 85 feet, more or less, to another angle in the division line between Lot 7 of Block 401 of the Newark City Tax Map, and lands of the Morris Canal and Banking Company; thence northeasterly along said division line

262.42 feet to the southerly line of New Street; thence easterly along the same 74.33 feet to the southwesterly corner of New Street and Lock Street; thence southerly along the westerly line of Lock Street 499 feet, more or less, to the place of Beginning.

**Part No. 2. From New Street to Central Avenue:**

Being a strip 40 feet in width, on the westerly side thereof, and extending from the northerly line of New Street northerly to the southerly line of Central Avenue.

**Part No. 3. From Central Avenue to Sussex Avenue:**

Being a strip 40 feet inwidth, on the westerly side thereof, and extending from the northerly line of Central Avenue northerly to the southerly line of Sussex Avenue.

**Nesbitt Street** on the westerly side thereof from the northerly line of Sussex Avenue northerly about 125 feet measured along the existing westerly line of Nesbitt Street to the division line between Lots 57 and 62 of Block 2853 of the Newark City Tax Map, as follows:

Beginning at the northwesterly corner of Sussex Avenue and Nesbitt Street; thence northerly along the westerly line of Nesbitt Street 63 feet, more or less, to an angle in the same; thence still northerly along the same 62 feet, more or less, to the division line between Lots 57 and 62 aforesaid; thence southwesterly 110.73 feet, more or less, to the northerly line of Sussex Avenue, measured along a straight line, which if extended southwesterly across Sussex Avenue will intersect the northerly line of the same at a point distant 40.09 feet westerly from the southwesterly corner of Lock Street and Sussex Avenue; thence easterly along the northerly line of Sussex Avenue 38.78 feet to the place of Beginning.

All as shown on a map prepared under the direction of this Board, which map is hereto attached and made a part hereof and a copy of which map is on file in the office of the Chief Engineer, Department of Public Affairs, known and designated as No. 1300-O, dated June 15, 1929.

Under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P. L. 1917-319) and the supplements thereto and amendments thereof.

Section 2. That said improvements shall be undertaken as local improvements and the cost thereof shall be assessed against the property peculiarly benefited by said improvements in proportion to the benefits received, and in no case shall any assessment for said improvements exceed in amount such peculiar benefit, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$675,000.00 is hereby appropriated to pay the cost of said improvements and for the purpose of meeting said appropriation and temporarily financing said improvements temporary bonds or notes shall be issued from time to time in an amount not to exceed \$675,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Mayor Congleton.

Commissioner Gillen moved that July 10th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting

room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

Yeas: Commissioners Brennan, Gillen, Mayor Congleton.

The following communication was received and read:

**The City of Newark,  
Law Department,  
City Hall.**

To the Board of Commissioners  
of The City of Newark.  
Addressed.

Gentlemen:

By virtue of the authority of an act of the Legislature of the State of New Jersey, entitled:

"An Act to establish a Law Department in cities of the first class in this State," approved April 5, 1920, and an ordinance entitled:

"An ordinance to establish a Law Department in The City of Newark,"

I, Frank A. Boettner, Corporation Counsel of The City of Newark, do, with the consent and concurrence of your board, appoint:

J. Harry Henegan, Assistant Corporation Counsel of The City of Newark, and

Frederick H. Groel, Assistant Corporation Counsel of The City of Newark,

at the annual salary of \$8,000, said appointments to take effect at once, and

Louis A. Fast, Assistant Corporation

Counsel of The City of Newark,  
and  
Thomas M. Kane, Assistant Corpora-  
tion Counsel of The City of New-  
ark,

at the annual salary of \$6,000, said ap-  
pointments to take effect at once.

Yours respectfully,

Frank A. Boettner,  
Corporation Counsel.

Ordered filed.

Commissioner Brennan offered the  
following resolution:

BE IT RESOLVED, By the Board  
of Commissioners of the City of New-  
ark that the action of Frank A. Boett-  
ner, Corporation Counsel of the City  
of Newark, appointing J. Harry Hene-  
gan Assistant Corporation Counsel and  
Frederick H. Groel, Assistant Corpora-  
tion Counsel at the annual salary of  
\$8,000 each, and Louis A. Fast, Assis-  
tant Corporation Counsel, and Thomas  
M. Kane, Assistant Corporation Coun-  
sel at the annual salary of \$6,000 each,  
be and the same is hereby ratified and  
confirmed.

W. J. Brennan  
Charles P. Gillen  
Jerome T. Congleton

The roll being called, the resolution  
was declared adopted by the following  
votes:

Yeas: Commissioners Brennan, Gil-  
len, Mayor Congleton.

The following communication was  
received and read:

Department of Public Works,  
City Hall.  
Newark, N. J.

June 13, 1929.

The Board of Commissioners  
of the City of Newark.  
Addressed.

Gentlemen:

I expect to leave the City today to  
be absent for a short time, and in  
order that there may be some one to  
sign payrolls and attend to other mat-  
ters relating to my Department, I  
would request you to designate Mr.  
Joseph K. Ebert to act in my place

and stead during such temporary ab-  
sence.

Yours respectfully

John F. Murray, Jr.,  
Director.

Ordered filed.

Commissioner Brennan offered the  
following resolutions:

WHEREAS, John F. Murray, Jr.,  
Director of the Department of Public  
Works, intends to temporarily leave  
the City; and

WHEREAS, No person is now by  
law authorized to perform the duties  
of said office, during his temporary  
absence; and

WHEREAS, Said John F. Murray  
Jr., has requested this Board to desig-  
nate Joseph K. Ebert to act in his  
place and stead during his temporary  
absence;

THEREFORE BE IT RESOLVED,  
By the Board of Commissioners of the  
City of Newark that under and by vir-  
tue of the provisions of

Section 19, of Article XXXVII, of  
Chapter 152 of the Laws of 1917,  
as amended by Section 3, of Chap-  
ter 319, of the Laws of 1920,

Joseph K. Ebert be and he is hereby  
designated to act in the place and  
stead of John F. Murray, Jr., Director  
of the Department of Public Works,  
during his temporary absence; and  
that the acts of the said Joseph K.  
Ebert shall in all respects be legal and  
binding as if done and performed by  
said John F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen. Mayor Congleton.

The following communications were received and read:

**The Board of Adjustment,  
City of Newark.**

June 6, 1929.

The Board of Commissioners of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held May 23, 1929, resolutions were adopted varying the Zoning Ordinance and granting the application of Isaac Katzman for a gasoline station at 418-420 Lyons Avenue (southeast corner of Schley Street.)

This application was rejected by the Building Department on April 7, 1929, and an appeal filed with the Board of Adjustment on April 19, 1929.

A public hearing on the application was ordered for May 2, 1929, at which time a request to adjourn the matter because of the day being a Jewish holiday was granted.

At the meeting of May 16th the applicant was present with his counsel, Mr. Morris Isserman, who stated that the applicant owned the adjoining hundred feet on both Lyons Avenue and Schley Street. A few objectors were present, some of whom owned property more than 200 feet away.

There is at present a gasoline station across the street on the northeast

corner of Lyons Avenue and Schley Street.

A similar application was denied by the Board April 5, 1928.

The decision of the Board was reserved pending further inspection of the premises.

On May 23, 1929, following a further inspection of the premises, a meeting was held at which the application was unanimously approved.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure and use be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received and copies referred to each Commissioner and to be taken up July 3, 1929.

**The City of Newark.  
Law Department,  
City Hall.**

June 14th, 1929.

Re: Discharge of Miss Philbrook,  
Legal Assistant, Law Department,  
Newark, New Jersey.

The Board of Commissioners of The City of Newark,  
Newark, New Jersey.

Gentlemen:

Please be advised that I have this day discharged Miss Mary Philbrook as Legal Assistant of the Law Department of The City of Newark.

I am enclosing herewith copy of Notice of Discharge this day served upon her.

Yours very truly,

Frank A. Boettner,  
Corporation Counsel.

Ordered filed.

**Pitney, Hardin & Skinner,  
Newark, N. J.**

June 13, 1929.

Board of Commissioners of The City of Newark,  
c/o City Clerk, City Hall,  
Newark, New Jersey.

Gentlemen:

We herewith present and respectfully request your attention to the enclosed objections, in writing, of owners of property on Margaretta Street, east of Avenue L. against the passage of the proposed ordinance for the improvement, by paving, etc., of Margaretta Street. The enclosed petition is signed by owners of over two-thirds of the property fronting on both sides of Margaretta Street.

Very truly yours,

Pitney, Hardin & Skinner.

Ordered filed.

Mayor Congleton: Does any citizen have any matter to bring before the Commission this morning? If not, a motion to adjourn is in order.

Commissioner Brennan: I move we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON

W. J. BRENNAN

CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,

City Clerk.

Newark, N. J., June 26, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Gillen, Howe, Mayor Congleton;  
Absent: Commissioner Murray.

The minutes of meeting of June 19th were read and approved:

The City Clerk presented An ordinance to amend an ordinance entitled "An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of Newark, New Jersey," adopted June 15, 1924, and stated that today was the time fixed for hearing on the same.

Commissioner Brennan moved that the ordinance be laid over until July 10th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Gillen introduced the following ordinance and moved its adoption on first reading:

The clerk then read the ordinance as follows:

An ordinance authorizing the appropriation of an additional sum of Ten thousand dollars (\$10,000.00) for the erection of a new brick Engine House upon lands owned by the City of Newark on High Street, in the City of Newark.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That in addition to the amounts heretofore appropriated there shall be issued temporary loan bonds of the City of Newark for an aggregate principal amount not exceeding ten thousand dollars (\$10,000.00), bearing interest at a rate not exceeding six per centum per annum, payable semi-annually, for the purpose of temporarily financing the cost of the erection and construction of a fire and engine house on High Street, in the City of Newark, now occupied by Engine Company No.

4; all matters in respect to said temporary bonds shall be determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and Chapter 352 of the Laws of 1916 as amended, and the Director of the Department of Revenue and Finance is hereby authorized to issue said temporary bonds at such time and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Auditor and City Clerk are hereby authorized and directed to execute said bonds or so many thereof as the Director of the Department of Revenue and Finance shall deem it advisable to issue.

2. The sum of Ten thousand dollars (\$10,000.00) to be raised by the issuance of said temporary bonds is hereby appropriated for the purposes for which said bonds are hereby authorized to be issued.

3. This ordinance shall take effect immediately.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan moved that July 10th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading:

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving

of Albert Avenue from Chapel Street to Lockwood Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Albert Avenue from Chapel Street to Lockwood Street shall be graded, curbed, flagged and paved with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated June 24, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement, and the cost thereof shall be assessed against the property bene-

fited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$61,300.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$61,300.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. This ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes

Yeas: Commissioners Brennan, Gilen, Howe, Mayor Congleton.

Commissioner Brennan moved that July 17th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading, as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Howe, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Esther Street from Lister Avenue to Euclid Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Esther Street from Lister Avenue to Euclid Avenue shall be graded, curbed, flagged and paved with asphalt pavement (1½" top-½" binder) on a new six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specification and profiles dated June 24, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands in the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon

the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$32,900.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$32,900.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Howe moved that July 17th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage,

and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading,

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of a thirty-six (36) inch reinforced concrete storm water sewer through Weequahic Park and from Weequahic Park Lake to the intersection of Elizabeth Avenue and Lyons Avenue and in Lyons Avenue from Elizabeth Avenue to Hunterdon Street.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That a thirty-six (36) inch concrete pipe sewer, to be used for storm water only, shall be constructed through Weequahic Park from Weequahic Lake to the intersection of Elizabeth Avenue and Lyons Avenue and in Lyons Avenue from Elizabeth Avenue to Hunterdon Street, together with all the appurtenances necessary to complete the same, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P. L. 1917-319), and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated March 7th, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$40,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or

notes shall be issued from time to time in an amount not to exceed \$40,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P. L. 1916-525), and the supplement thereto and amendments thereof, which notes or bonds shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan moved that July 17th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan: Mr. Mayor, I am presenting an ordinance for information only, relating to the regulation of taxicabs in the City, which I am going to ask be laid over for three weeks for a public hearing on July 17th, and request that copies be

printed for distribution to anyone interested.

The clerk then read the title of the ordinance as follows:

An ordinance regulating and licensing taxicabs and other automobiles and the licensing of drivers thereof and designating taxicab stands and prescribing penalties for violations.

Commissioner Brennan moved that the ordinance be laid over until July 17th for formal introduction and public hearing, and that copies be printed for distribution to anyone interested.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan offered the following resolution:

RESOLVED, That the sum of Two hundred thirty-five dollars and twenty nine cents (\$235.29) be and the same is hereby appropriated to persons named on the annexed certified lists, being the bills and claims of the Department of Public Safety, as follows:

Public Safety .....	\$ 51.79
License Division .....	183.50

\$235.29

W. J. Brennan  
Jerome T. Congleton  
John Howe  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Howe offered the following resolutions:

RESOLVED, That the sum of Thirty-nine thousand five hundred forty-six dollars and sixty-seven cents (\$39,546.67) be and the same is hereby appropriated to persons named on the annexed certified lists, being the bills and claims of the Department of Revenue and Finance, as follows:

Elections .....	\$36,906.73
City Sundries .....	78.05

John Howe  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

RESOLVED, That the sum of Forty-nine thousand two hundred eighty-three dollars and seventy-two cents (\$49,283.72) be and the same hereby is appropriated to the persons named, as per certified list attached, being the gross amount of bills contracted and chargeable to the Department of Public Affairs, as follows:

City Treasurer, weekly payroll, period ending June 19th, 1929 .....\$49,283.72

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of Benjamin Hammer, owner, for a gasoline station at 422 Chestnut Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue permits for the application above set forth.

W. J. Brennan  
John Howe  
Charles P. Gillen  
Jerome T. Congleton

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the Inspector of the Bureau of Combustibles and Fire Risks, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of Harry Tischkowitz, owner, for an automobile parking station at 36-38 Rankin Street (on condition that no gasoline is sold and no automobile repairs made on the premises);

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark, that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Inspector of the Bureau of Combustibles and Fire Risks, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Mayor Congleton: In this case I made an inspection of the premises and I am going to vote against it. It isn't an open air garage as we usually consider them. It is the back yard of some little houses facing on Rankin Street with a little driveway in, using the back yard of these houses for an open air parking station, which to my way of thinking would be a great nuisance to the people of that neighborhood. It isn't an open parking space; it is the back yards of those little houses.

The roll being called, the resolution was declared lost by the following votes:

Nays: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of G. Laccitiello and J. Cavanno, owners, for 44 individual garages at 7-11 Halleck Street (on condition that no gasoline is sold and no automobile repairs made on the premises);

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

W. J. Brennan  
John Howe  
Charles P. Gillen  
Jerome T. Congleton

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Mayor Congleton: I personally made an inspection of that. It looks like a proper place for a group of individual garages. It is entirely surrounded by large apartment houses, which makes for some garage space. It is an interior lot and looks like an ideal place.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

The following resolution was offered:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Albert Berg, owner, for a public garage at 25-29 Coes Place.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

Commissioner Brennan: Mr. Mayor, I do not know much about the conditions there, but a protest has come to my office relative to this. I request that it be laid over for a week.

Commissioner Brennan moved that the resolution be laid over until July 3rd.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

The following resolution was offered:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of A. Carpenter for eight additional individual garages at 65 Lincoln Avenue.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

Mayor Congleton: I have inspected this location, gentlemen. I do not know whether the rest of you have. I just want to give you the benefit of my inspection. It states that the lot is 270 feet deep, which is true, but it is only 45 feet wide. They have already got the rear of the lot built with individual garages. They have already built one group of individual garages at the side. Now they want to build a further group of individual garages further out on that same side, which brings it up toward Lincoln Avenue such a distance that if any nice improvement is built on the land adjoining they are going to have these individual garages built up against their windows. Based on that I am going to vote against it.

Commissioner Gillen: Those apartment houses have to have garages.

Mayor Congleton: I understand that, but they are building up a 45-foot lot on the north side right toward Lincoln Avenue.

Commissioner Howe: How many are there now?

Mayor Congleton: Nine, I think.

Mr. Herman W. Brams: It seems to me that some time ago there was a

permit granted for a garage on Broadway near Halleck Street or Lincoln Avenue in that vicinity, and I think possibly some of the people in that section are not acquainted with the fact that this thing is coming up. I would like to have an opportunity of asking some of the people on Broadway in that vicinity.

Mayor Congleton: This isn't on Broadway; this is on Lincoln Avenue.

Mr. Brams: What number?

Mayor Congleton: It is away down south of Elwood Avenue—pretty well down toward Washington Avenue.

Commissioner Gillen: It is on the west side of Lincoln Avenue. There are some individual garages on there now.

Mr. Brams: I was under the impression it is near Broadway.

Mayor Congleton: No. It is in the rear of a brick building there.

Mr. Brams: My suggestion was that it be laid over for a week.

Commissioner Howe: I will offer such a motion.

Mayor Congleton: But this isn't Broadway.

Mr. Brams: We have people who are members of the association—

Mr. Michael Tansey, 164 Market Street: I am representing the applicant on this Lincoln Avenue proposition, and I would be glad to make any explanation the Board would want on that. I don't know whether discussion is invited or not.

Mayor Congleton: You may be heard, Mr. Tansey, of course.

Mr. Tansey: This is a very deep lot, and it is in the apartment house neighborhood, and apparently garages are needed in that particular locality. I think the lot is 230 or 240 feet deep.

Mayor Congleton: 270 feet deep.

Mr. Tansey: There are already eight garages on there and there is plenty of room.

Commissioner Brennan: That includes the eight garages already built there?

Mr. Tansey: I assume so. I don't understand there is any objection to it at all from any of the property owners; and it was up before the Board of Adjustment, I think, on two differ-

ent occasions. No objectors appeared to it.

Mayor Congleton: The mere fact that the property owners do not object does not guide me in my vote. I have been to the premises and made an inspection. It is true, it is a lot 270 feet deep. Your client has already built garages across the rear of the lot and has come easterly along the north side with another group of garages. This application is for the north side, and in my judgment it is so close to Lincoln Avenue that if a substantial building is built on the lot adjoining on the north with a setback, it will have these garages right under their windows; and it is for that reason I vote against it.

Mr. Tansey: I think the building line there is about 30 feet.

Mayor Congleton: That is what I say; a building built there would come right alongside of your garages.

Mr. Tansey: Of course, if the Mayor has some personal objection, I don't suppose I could relieve it because he knows the situation as good as I do; but still, it seems to me if there were any time when individual garages might be permitted, this would be one of them. I have no further statement to make except that it seems there is plenty of depth of lot there to build garages, and it ought not to take up any more than about 80 feet—probably not as much as that. Now, as to the building on the adjoining lot, why, of course, we are not taking that into consideration inasmuch as the adjoining lot owner has not objected.

Mayor Congleton: The lot as now improved won't be interfered with.

Mr. Tansey: I suppose from a lawyer's standpoint what happened after would be more or less out.

Mayor Congleton: Well, upon this property that you represent there is a brick dwelling.

Mr. Tansey: Yes, 65 Lincoln Avenue.

Mayor Congleton: And they have a group of individual garages on the rear of it and part way up the side. As far as I personally am concerned, I think that is bad planning; and it isn't because of any personal matter at all—as a matter of principle I shall vote against it.

Commissioner Howe: Mr. Tansey, couldn't they put them on the other side of the lot?

Mr. Tansey: I am not sure they can't put them to suit the exigencies of the case. They have plenty of width to put garages where they need.

Commissioner Brennan: They haven't got width enough.

Mr. Tansey: I say they could work it on the depth. They are not necessarily foreclosed on the question of width. The objection is that it would be detrimental to the lot adjoining.

Commissioner Gillen: Suppose we lay it over for one week to see if a plan could be provided to meet the objection of the Mayor.

Mr. Tansey: We are willing to confer with any person the Mayor suggests.

Commissioner Gillen: An architect, or somebody, ought to draw a plan. His objection is that by stringing those garages on the same side as the present garages, that they would come out too near Lincoln Avenue; and if an apartment, for instance, were built on the adjoining plot, these garages would be right under the windows of that apartment. Now, if you could relocate them, for instance, if it were possible with the width of that lot to locate those garages on the other side of the plot—I don't know whether it is or not—then you could get your architect to submit some plan to meet the objection.

Mr. Tansey: Some might be located on one side and some on the other.

Commissioner Howe: That is what I thought.

Mayor Congleton: You have already got one group on the north side.

Mr. Tansey: What is your idea, Mr. Mayor, as to the depth those should be back from the street?

Mayor Congleton: I haven't any fixed figure in mind, but I am opposed to taking these private lots and building them up solidly with individual garages. This is doing it pretty well on the north side of this lot.

Commissioner Gillen: Why don't you have a plan drawn?

Commissioner Gillen moved that the resolution be laid over until July 3rd.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Samuel Suss, owner, for a gasoline station at 315-321 Orange Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

W. J. Brennan  
John Howe  
Charles P. Gillen  
Jerome T. Congleton

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

The following resolution was offered:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of John J. Ludwig for construction of gasoline station at 294 Chancellor Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the

City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

Mayor Congleton: I have examined that neighborhood for myself. I shall vote against this as this is for the southwest corner and there is already one on the southeast corner. I see no occasion for another one.

Mr. William E. Sandmeyer, Kinney Building: I represent Mr. Ludwig, and have for some time. A year and a half ago he applied to the Board of Adjustment for a permit to build a gasoline station on this corner, and while there was no objection from property owners, his application was refused because at that time the Board of Adjustment was not ready to allow any permits at all throughout the entire length of Chancellor Avenue. After six months elapsed he applied again with the same result. There were no objections by property owners, but his application was refused because the Board of Adjustment did not want gasoline stations on that street. Shortly after his second application, a company applied to the Board of Adjustment for a gasoline station on the southeast corner, or the opposite corner of Crescent and Chancellor, and Mr. Ludwig, through me, appeared before the Board of Adjustment and objected, not on the ground that he didn't feel that gasoline stations should be kept from the Avenue, but he felt if any ought to be allowed he ought to have some consideration, and he made that plea to the Board of Adjustment. They granted the application for the gasoline station that is situated there now. As soon as time permitted him, he made a third application on this property. No property owners objected. He told the Board the circumstances, and, considering the equities of the case, the Board of Adjustment recommended that a permit be granted to him, providing he would remove the building on the corner to a lot adjacent. And feeling that his permit was granted by that action, he went ahead and moved that building, which is now moved off the corner onto the

adjacent lot; and he entered into an agreement with parties to build his gasoline station and has got himself into quite a difficult situation. While he had no right, of course, to presume his permit was granted, he heard the Board of Adjustment grant his permit and he thought that was the end of the proceeding. On that state of facts I feel the Board of Commissioners ought to grant this permit.

Mayor Congleton: The equities between your two parties that you refer to may be all that you say, Mr. Sandmeyer, but when it comes before this Board, as I view it, we have got to consider the equities of the entire City; and I see no occasion for two gas stations on two opposite corners across a narrow street.

Mr. Sandmeyer: Under the circumstances of this case I feel it would not harm the neighborhood.

Mayor Congleton: I am sorry for your client, but I shall vote against it myself.

The roll being called, the resolution was declared lost by the following votes:

Nays: Commissioners, Brennan, Gillen, Mayor Congleton.

Commissioner Howe: I am not going to vote on this; but this is another of those cases where certain influences seem to be able to turn down a place and get one on the opposite corner.

Mayor Congleton: Well, why don't you make your statement clear, Commissioner Howe? Don't impugn stuff like that to somebody without disclosing what you mean.

Commissioner Howe: It seems strange that after this was turned down on this corner that one should be granted across the street on the same side of the street within a couple of feet of it. We either ought to turn them all down or not grant any under the circumstances. My idea is none should have been granted along that street.

Commissioner Brennan: Was the former one granted prior to this Board or its predecessor?

Mayor Congleton: Yes, February 19th, this year. It is not entirely completed yet.

Commissioner Howe: That is the

unfortunate part of it. I would personally vote to keep them off that street.

Commissioner Gillen: This Board went on record and expressed itself—

Mayor Congleton: We must have concurred in this case or it could not have gone through in February of this year.

Commissioner Howe: That is the unfortunate part, Mr. Mayor.

Mayor Congleton: This is February 19th, 1929.

Commissioner Howe: This man made application on one corner. It was objected to on the ground we agreed not to put any there, and they went across the street. I want to be re-recorded as not voting.

Mayor Congleton: I think you should vote one way or the other. It is the duty of each Commissioner to vote. I vote no.

Commissioner Gillen offered the following resolution:

RESOLVED, That Max Weiss of 290 Belmont Avenue, a resident of the Third Ward of the City of Newark, be and he is hereby appointed a Constable from the said Third Ward for a term expiring January 1, 1930.

Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

The following communications were received and read:

**Mary Philbrook,  
Counsellor at Law,  
375 Mt. Prospect Avenue,  
Newark, N. J.**

June 21, 1929.

To the Commissioners of the City of Newark and Mr. Frank A. Boettner, Corporation Counsel.

Gentlemen:

I hereby tender my resignation as Legal Assistant to the Law Department of the City of Newark, to take effect June 3, 1929.

Yours very truly,  
Mary Philbrook.

**The City of Newark,  
Law Department,  
Newark, N. J.**

June 25th, 1929.

To the Board of Commissioners of the City of Newark.  
Addressed.

Gentlemen:

Enclosed please find a letter from Miss Mary Philbrook, resigning her position as Legal Assistant in my Department, to take effect as of June 3, 1929.

I recommend to your Honorable Body that the said resignation be accepted as of that date.

Very truly yours,

Frank A. Boettner,  
Corporation Counsel.

Ordered filed.

Mayor Congleton offered the following resolution:

WHEREAS, A letter of resignation addressed to the Board of Commissioners of the City of Newark, and Frank A. Boettner, Esquire, Corporation Counsel, from Mary Philbrook, resigning her position as Legal Assistant of the Law Department, to take effect June 3rd, 1929, has been received, together with a letter from Frank A. Boettner, Esquire, Corporation Counsel, recommending to this Board the acceptance of the said resignation;

THEREFORE BE IT RESOLVED, That the resignation of Mary Philbrook as Legal Assistant, to take effect as of June 3rd, 1929, be and the same is hereby received and accepted.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan offered the following resolution:

RESOLVED, That the following bonds be and the same are hereby approved as to sufficiency:

**Constables:**

Morris Levor,  
Harry Meltzer,  
George E. Schaefer.

**Bill Poster:**

Henry J. Hummel and Herbert H. Hummel, partners, doing business as Henry J. Hummel & Son, 4 Nineteenth Avenue.

**Auctioneer:**

Abraham J. Willner, 60 Park Place.

W. J. Brennan  
Jerome T. Congleton  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Howe offered the following resolutions:

WHEREAS, The City of Newark on April 5, 1929, issued its short time obligations known as Temporary Loan Bonds in the aggregate amount of Five hundred thousand dollars (\$500,000.00) for money borrowed in anticipation of the receipt of money expended for Pavings, said Temporary Loan Bonds being numbered 1611, 1613, 1614, 1615 and 1616 and dated April 5th, 1929, and payable July 5th, 1929;

AND WHEREAS, The improvement for which said Five hundred thousand dollars (\$500,000.00) was issued was for Pavings now in the course of construction or have been completed within six years and is an improvement for which the City is authorized to issue bonds, and the City is without funds to pay said Five hundred thousand dollars (\$500,000.00) of Temporary Loan Bonds issued;

THEREFORE BE IT RESOLVED, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, Chapter 252 of the Laws of 1916, and the amendments thereto, there shall be issued Temporary Loan Bonds in the amount of Five hundred thousand dollars (\$500,000.00) for the purpose of temporarily financing the improvement aforesaid and renewing said Five hundred thousand dollars (\$500,000.00) of Temporary Loan Bonds issued therefor;

FURTHER RESOLVED, That each of the Temporary Loan Bonds authorized by this resolution amounting in the aggregate to Five hundred thousand dollars (\$500,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum, and be issued in such denominations and be executed in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor

of Accounts and the City Clerk be and they are hereby authorized and directed to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252 of the Laws of 1916;

FURTHER RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized and directed to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

John Howe  
Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

WHEREAS, The City of Newark on April 2nd, 1929, issued its short time obligations known as Temporary Loan Bonds in the aggregate amount of Fifty thousand dollars (\$50,000.00) for money borrowed in anticipation of the receipt of money expended for Grading, Curbing and Flagging, said Temporary Loan Bond being numbered 1598 and dated April 2nd, 1929, and payable July 2nd, 1929; and

WHEREAS, The improvement for which said Fifty thousand dollars (\$50,000.00) was issued was for Grading, Curbing and Flagging now in the course of construction or have been completed within six years and is an improvement for which the City is authorized to issue bonds, and the City is without funds to pay the said Fifty thousand dollars (\$50,000.00) of Temporary Loan Bonds issued;

THEREFORE BE IT RESOLVED, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, Chapter 252 of the Laws of 1916, and the amendments

thereto, there shall be issued Temporary Loan Bonds in the amount of Fifty thousand dollars (\$50,000.00) for the purpose of temporarily financing the improvement aforesaid and renewing said Fifty thousand dollars (\$50,000.00) of Temporary Loan Bonds issued therefor;

FURTHER RESOLVED, That each of the Temporary Loan Bonds authorized by this resolution amounting in the aggregate to Fifty thousand dollars (\$50,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum, and be issued in such denominations and be executed in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk be and they are hereby authorized and directed to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252 of the Laws of 1916:

FURTHER RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized and directed to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

John Howe  
Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

WHEREAS, The City of Newark on April 2nd, 1929, issued its short time obligations known as Temporary Loan Bonds in the aggregate amount of Two million dollars (\$2,000,000.00) for money borrowed in anticipation of the receipt of money expended for Pavings, said Temporary Loan Bonds being numbered 1597, 1599, 1600, 1601, 1602, 1603, 1604, 1605, 1606, 1607, 1608, 1609 and 1610, and dated April 2, 1929, and payable July 2, 1929;

AND WHEREAS, The improvement for which said Two million dollars (\$2,000,000.00) was issued was for Pavings now in course of construction or have been completed within six years and is an improvement for which the City is authorized to issue bonds, and the City is without funds to pay the said Two million dollars (\$2,000,000.00) of Temporary Loan Bonds issued;

THEREFORE BE IT RESOLVED, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, Chapter 252 of the Laws of 1916, and the amendments thereto, there shall be issued Temporary Loan Bonds in the amount of Two million dollars (\$2,000,000.00) for the purpose of temporarily financing the improvement and renewing said Two million dollars (\$2,000,000.00) of Temporary Loan Bonds issued therefor;

FURTHER RESOLVED, That each of the Temporary Loan Bonds authorized by this resolution amounting in the aggregate to Two million dollars (\$2,000,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum, and be issued in such denominations and be executed in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk be and they are hereby authorized and directed to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252, of the Laws of 1916;

FURTHER RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized and directed to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

John Howe  
Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

RESOLVED, That the Comptroller be and he is hereby authorized to cancel from the records in his office the real estate taxes for the year 1928 amounting to Twenty-six dollars and eighty-one cents (\$26.81) on property known as 99 Ivy Street, Block 4130, Lot 14. The reason for this cancellation is due to the fact that this property is now a part of Ivy Street.

John Howe  
Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

RESOLVED, That the Comptroller be and he is hereby authorized to cancel from the records in his office assessment for Vallsburg Sewer South West amounting to four dollars and fifty cents (\$4.50) on Block 4129, Lot 57, known as 88-90 Eastern Parkway. The reason for this cancellation is due to the fact that same was omitted from official tax search.

John Howe  
Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

RESOLVED, That the Comptroller be and he is hereby authorized to cancel of record in his office taxes of 1929 on Block 763, Lots 10 and 11, amounting to \$178.60, representing one-half year, which property has been acquired by the City, and which was

assessed on the City Tax Records in name of Estate of John H. Francisco.

John Howe  
Charles P. Gillen  
W. J. Brennan  
Jerome T. Congleton

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

RESOLVED, That the Comptroller be and he is hereby authorized to cancel from the records in his office Meadow Brook Sewer Assessment, Section Nos. 1 and 2, on Block 1960, Lot 19, known as 286 North Twelfth Street, amounting to Fifty dollars (\$50.00). The reason for this cancellation is due to the fact that the assessment was made in duplicate.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

The following communications were received and read:

**The Board of Adjustment,  
City of Newark.**

June 20, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held June 20, 1929, resolutions were adopted varying the Zoning Ordinance and granting the application of Samuel W. Rice for a gasoline station at 618-620 Springfield Avenue, at the northeast corner of South Fifteenth Street.

This application was rejected by the Superintendent of Buildings on April 20, 1929, and an appeal filed with the Board of Adjustment on April 26, 1929.

A public hearing on the application was ordered for May 2, 1929, at which time the matter was laid over at the request of Mr. William L. Greenbaum, counsel for the applicant.

A further adjournment was granted at the meeting of May 16, 1929, owing to the illness of Mr. Greenbaum, and again for the same reason on June 6th. On the latter date several objectors were present.

On June 20, 1929, Mr. Rice, the applicant was present. Mr. Myer Zemel spoke in favor of the application. 1/2 is the owner of 628-638 Springfield Avenue, 584-588 Springfield Avenue, and 2-8 Nineteenth Avenue, a total of 354 feet of property in the immediate vicinity. Mr. Carl Heller, owner of 625 Springfield Avenue, presented objections through Mr. Henry Palwick.

The application was granted by the affirmative votes of Mr. Fitzsimmons, Mr. Higgins and Mr. Teichner, Mr. Lawrence is recorded as not voting, and Chief Towey was absent.

In accordance with Section 9, Chap-

ter 274, P. L. 1928, it is respectfully recommended that the above structure and use be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Action postponed for two weeks and copy of communication sent to each Commissioner.

**Board of Adjustment,  
City of Newark, N. J.**

June 20, 1929.

The Board of Commissioners  
of the City of Newark, N. J.

Honorable Sirs:

At a meeting of the Board of Adjustment held June 20, 1929, resolutions were adopted varying the Zoning Ordinance and granting the application of American Steam Laundry Co. for an addition to their plant at 381 South Seventh Street.

This application was rejected by the Superintendent of Buildings on May 28, 1929, on the grounds that the proposed addition would occupy a greater percentage of the lot area than permitted in a Residence "E" district, and an appeal was filed with the Board of Adjustment on June 7, 1929.

A public hearing on the application was ordered for June 20, 1929, at which time Mr. Milton Unger appeared as counsel for the applicant. He stated that the laundry had been at its present location for fifteen years, and that it was proposed to build a one-story addition. Opposed to the application were the owners of 408, 410, 412, 414 and 418 South Eighth Street in the rear of the laundry. They were under the impression that the addition was to have an entrance on South Eighth Street.

The application was approved by unanimous vote.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Action postponed for two weeks and

copy of communication sent to each Commissioner.

A communication from Orazio Mercuri, 510 North Fourth Street, Newark, N. J., requesting additional lighting facilities on North Fourth Street, was received, read and on motion ordered referred to Mayor Congleton.

The following reports of City Officers were received and ordered filed:

Overseer of the Poor for May, 1929.  
Auditor's Trial Balance as of May 31, 1929.

Mayor Congleton: Does any citizen have any matter to bring to the attention of the Commission this morning? If not, a motion to adjourn is in order.

Commissioner Brennan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

---

July, 1929

---

Newark, N. J., July 3, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Absent: Commissioner Murray.

The minutes of meeting of June 26th were read and approved.

The City Clerk presented An ordinance to provide for the construction of a fifteen (15) inch reinforced concrete pipe sewer for storm water only in Foundry Street from Ferry Street to Passaic Avenue, and stated that to-day was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any person desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to provide for the construction of a fifteen (15) inch reinforced concrete pipe sewer for storm water only in Foundry Street from Ferry Street to Passaic Avenue.

Commissioner Gillen moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Gillen moved that the title of "An ordinance to provide for the grading, curbing, flagging and paving of West End Avenue from Valley Street to Unity Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of West End Avenue from Valley Street to Unity Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

The City Clerk presented An ordinance to provide for the construction of a twelve (12) inch reinforced concrete pipe sewer, for storm water only, in Margaretta Street from Avenue "L" easterly approximately three hundred and thirty feet (330) feet, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: This ordinance was for the construction of a storm water sewer in anticipation of paving. The paving ordinance was killed last week, so I would ask someone to strike out the ordaining clause.

Commissioner Brennan moved that the ordaining clause of the ordinance be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

A petition signed by one hundred and ninety-three property owners on

Elm Street protesting against the ordinance providing for the repaving and resurfacing of Elm Street was received, read and on motion ordered filed.

The City Clerk presented An ordinance to provide for the repaving and resurfacing of Elm Street from the east side of New Jersey Railroad Avenue to Lang Street with asphalt pavement (1½" top-1½" binder) on a new concrete base, or on the old concrete base as required outside of the street railway track area, and with napped reclassified granite block on the old base or on a new concrete base as required inside the street railway track area, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. Joseph Zemel, Prudential Building: Mr. Mayor and gentlemen of the Commission, the property owners on Elm Street very strongly object to any repaving or resurfacing of Elm Street. And the reason for so strongly objecting is because they feel it is unnecessary. I have here petitions and objections signed by over two hundred property owners on Elm Street, which represents something like, I am informed, ninety per cent. of the property owners down there. I shall file these iwth you, sirs, and I believe if you will consider this matter that you will come to the same conclusion I have, that Elm Street should not be repaved.

Mayor Congleton: Are all of you people opposed to the pavement? Is there anyone here in favor of it?

(No response.)

Commissioner Gillen moved that the ordaining clause of the ordinance be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance providing for the vacation of that portion of Queen Street

beginning at a line parallel to and distant 462.50 feet measured at right angles from the easterly line of Frelinghuysen Avenue, and extending easterly from said parallel line 375 feet, more or less, to the easterly terminus of said Queen Street.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That that portion of Queen Street beginning at a line parallel to and distant 462.60 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, and extending easterly from said parallel line 375 feet, more or less, to the easterly terminus of said Queen Street, as laid out on map on file in the office of the Chief Engineer, Department of Public Affairs, known and designated as No. 1390-V, dated February 8, 1929, shall be vacated as a public street or highway; reserving, however, to the City of Newark the right to maintain and operate the existing sewer now laid between the lines of the street to be vacated and the right to enter upon the lands to be vacated for the purpose of inspecting, repairing, rebuilding, reconstructing or maintaining the sewer, its manholes and appurtenances now laid between the lines of the street; under and by virtue of the provisions of Section 1, sub-division (b) of Article XXII, of an Act of the Legislature of the State of New Jersey entitled "An Act Concerning Municipalities," approved March 27, 1917, and the acts amendatory thereof and supplementary thereto.

Section 2. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan moved that July 24th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage,

and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Gillen offered the following resolutions:

RESOLVED, That the sum of Four thousand six hundred eighty-eight dollars and thirty cents (\$4,688.30) be and the same is hereby appropriated to the City Treasurer as per annexed certified list, being the weekly payroll of the Department of Parks and Public Property for week ending June 26, 1929, as follows:

The roll being called, the resolution

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Isaac Katzmman, owner, for a gasoline station at 418-420 Lyons Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to July 10, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Albert Berg, owner, for a public garage at 25-29 Coes Place;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to July 10, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a vari-

ion from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of A. Carpenter for eight individual garages at 65 Lincoln Avenue;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same hereby is approved and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Mayor Congleton: Mr. Tansey, do you want to say something?

Mr. Michael Tansey, 164 Market Street: If the Honorable Board please, there was some objection to the permit as granted by the Board of Adjustment at the last meeting, and it was laid over to now. Since that time we have talked with the City Engineer, Mr. Rankin, and he suggested that the garages might be shifted around so as to make a pair of fours, and in that way save the distance it would be from the street—about 14 to 20 feet farther in. Then another suggestion which was made, if that wouldn't meet the approval of the Board as being too far out, we would be satisfied with six individual garages in line, which would make a difference of about 28 feet.

Commissioner Brennan: Why don't you split them into fours?

Mr. Tansey: We would be satisfied with two fours. If the Board were opposed to the eight, why, we would take six. Of course, we would prefer the eight as the matter now stands. It isn't four on each side; it is four facing each other on one side; instead of being four in line or eight in line, four and four, making a cross, which Mr. Rankin said could be done and in that way meet the objection.

Commissioner Howe: How much of a setback will that give?

Mr. Tansey: That will run back about 30 feet. It will run back considerably. It brings it way back beyond the Mayor's objection.

Commissioner Gillen: I move, Mr. Mayor, that Mr. Tansey have a map prepared and submit it at the next meeting.

Mayor Congleton: We have got to get the Board of Adjustment at their meeting to consent to this change.

Mr. Tansey: Four and four.

Commissioner Gillen: Whichever way you decide.

Commissioner Brennan: Refer it back to the Board of Adjustment and let them submit a map.

Mr. Tansey: That lays it over one week, does it?

Mayor Congleton: I don't know whether one week will be enough. The Board of Adjustment meets usually on Thursday and that is a holiday this week. Perhaps you can take it up with Mr. Rankin and get it adjusted. We will refer it back to the Board of Adjustment.

(Referred back to the Board of Adjustment and laid over to July 10, 1929.)

**RESOLVED,** That the following bonds be and the same are hereby approved as to sufficiency:

**Constables' Bonds:**

Robert Weiss,  
Max Weiss,  
Frank Yacavone,  
Frank E. Williams.

**Auctioneer:**

Edward J. Maier, 44 Commerce Street, Newark, N. J.

**Indemnity Bond:**

William J. Egan, City Clerk.

John Howe,  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

An invitation from the Atlantic Deeper Waterways Association relative to official call for the Twenty-second Annual Convention, to be held at New-York-up-Hudson, September 23rd to 27th, 1929, was received and filed and as many as can to attend.

A circular letter from Walter R. Darby, Commissioner of Municipal Accounts, relative to paid bonds or notes, paid coupons, proper indebtedness records, filing coupons, notes, tax sales and reports of audits, was received, read and on motion ordered referred to Commissioner Howe.

Mayor Congleton: Does any citizen

have any matter to bring to the attention of the Commission this morning?

The following petition was received and read:

We, the undersigned property owners, are against the erection of a gas station, to be located at Lyons Avenue and Schley Street, Newark, N. J., as we have one on the opposite corner now.

Signed by twenty-nine property owners.

Mayor Congleton offered the following resolution:

RESOLVED, That Joseph F. Murray, whose name has been certified by the Civil Service Commission as eligible, be and he hereby is appointed as Engineer of Special Assignments, Department of Public Affairs, Division of Water, at a salary of \$3,600.00 per annum, effective July 1st, 1929.

Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen  
John Howe,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Mr. Meyer Zemel: Mr. Mayor and Commissioners, about two weeks ago the Adjustment Board passed favorably on an application on the northeast corner of Fifteenth Avenue and Springfield Avenue for a gasoline station.

Mayor Congleton: That comes up before us next week, Mr. Zemel. When we receive recommendations from the Board of Adjustment they are automatically laid over for two weeks.

Mr. Zemel: Well, I am in favor of it.

Mayor Congleton: Does any other citizen have any matter to bring to the attention of the Commission?

Mr. John H. Broemel, 149 Polk Street: I appear before you gentlemen here not knowing whether you Commissioners know to what use the playground is being put to around the East Side Bath. Now, that ground was bought fifteen years ago for a bath house and playground purposes. It

seems of late here it is being used for carnivals and the property owners around that section are opposed to it and objecting to it being used for that purpose. It brings an undesirable element in that location. And at the present time there is a carnival starting there, I think on July 4th, for the benefit of St. Michael's Church. Now, St. Michael's Church is up on Broadway and Fourth Avenue]

Commissioner Brennan: It is down at the corner of Oliver—it is not the St. Michael's Church you refer to.

Mr. Broemel: What is it, one of those Polish churches?

Commissioner Brennan: Yes.

Mr. Broemel: We object to that ground being used for any other purpose than that for which it was bought by the City, and that is for playground purposes; and we would like to have some ruling made that would prohibit anything being used there but to keep children there and to keep them off the street. Now, we are limited in the Ironbound Section for playground purposes. This is one that is so used very much by the children and it makes one feel kind of mean to see the children out of there for that commercial purpose, and I certainly ask your Honorable Body to let our executive secretary of the Ironbound Community House, who is more conversant with conditions down there, to say a few words.

Commissioner Brennan: I might say for your information that Director Murray was in my office relative to this permit for this church affair down there. I have refused permits for all carnivals other than those conducted by churches on their home grounds. The Commissioner said at that time to those gentlemen in my presence that if this was permitted that it was the last one that he was going to sanction: they were becoming a nuisance to him. I can say that in justification of the Commissioner's granting a permit.

Mr. Broemel: I know two or three weeks ago there was a carnival running there and I understand it was run for some political club in the Tenth Ward.

Commissioner Brennan: I got a

complaint several weeks ago about gambling.

Mr. Broemel: I think there are wheels going to be put up on this place.

Commissioner Brennan: They couldn't talk very much English; the priests are of some other nationality; they cannot talk very good English, but they assured Commissioner Murray and myself in my office that there would not be anything else other than candies or other things than that which church members are interested in.

Mr. Edward B. Jacobsen, 136 Van Buren Street: Mr. Mayor, I would just like to supplement just what Mr. Broemel has said. I am no moral crusader, as you know, but I am tremendously interested in boys and girls and citizens in that section to try to see that they get a square deal. This ground that Mr. Broemel spoke of some seven or eight years ago, through some of the Commissioners we were permitted to use that for educational motion pictures and entertainment and organized recreation for the little children. The program went along very nicely until the last two or three years, when the program has been interrupted by these carnivals. I would like to ask—you say this church is on Oliver Street?

Commissioner Brennan: Somewhere around Oliver Street.

Mr. Jacobsen: The only one I know is Saint Cassimar.

Commissioner Brennan: No, it isn't Saint Cassimar's. They are another group. I know the individual who came for the application lived on Oliver Street.

Mr. Jacobsen: I would just like to say this: Four weeks ago there was a carnival there for over a week—nearly two weeks—sponsored by the Seritella Republican Club. That has been going on right along. The churches are the exception. There are other organizations that are not organized for any such purposes that have been conducting these carnivals; and, furthermore, I have been informed on good authority that the percentage that the church or organization sponsoring these affairs is very small percentage and that the professional carnival company gets the major part of it. I was told the other

night a foreigner came in the morning after one of those carnivals left and asked Miss Smith for his \$17. Mr. Smith said: "What happened to your \$17?" He said, "They took it away from me last night, and I thought if I came to you you could get it back for me." Those people are exploited. These people think they can go down in the Ironbound District and exploit those people. If they want to have carnivals why don't they have them in their own organization and not put children out of their playgrounds for five or six weeks every summer to run these carnivals that do no good there. And as these people testified, practically every property owner down there will sign a petition and ask that you men see that they be removed, because I don't believe that you men know just what was going on there or you would not tolerate them keeping these gambling devices.

Commissioner Gillen: I move, Mr. Mayor, that it be the sense of this Board that no more carnivals be allowed on this ground; and that the whole matter be referred to Commissioner Murray.

Commissioner Howe: Did you see the condition of that ground last Sunday?

Miss Smith: Another thing, all the dealers down there complain of these men coming in the street and robbing them.

Mr. Jacobsen: We now have a permit to use those grounds on Tuesday and Friday nights, from the Deputy of the Public Works Department—every Tuesday and Friday night until the middle of September. Now, we can not do anything when the carnival is operating. I wonder whether our permit, being granted previous to this, whether we can continue and—

Commissioner Gillen: I think this permit ought to be allowed now and after this that we shut down on them.

Mayor Congleton: How long will this carnival run?

Mr. Jacobsen: To the fourteenth. Thank you, gentlemen. I appreciate that you would help our cause. I think it is for the welfare of everyone down there.

Mayor Congleton: Does any other

citizen have any other matter to bring to the attention of the Commission?

Mr. Henry Gottfried, 17 Academy Street: I appear for an applicant for a parking station on Rankin Street. The Zoning Board, about five or six weeks ago, by unanimous vote granted a permit for an open parking space, the sale of gasoline or any other products to be barred. Now, there are some seventy-five notices that we sent out to all the adjoining property owners, and at the meeting before the Board I believe two attorneys appeared for property owners, and when they were informed that it was to be used merely for parking and not for a garage or for the sale of gasoline or a gasoline station, they were in favor of it. The situation is this: This particular property—

Mayor Congleton: You know that this Board acted on this last week?

Mr. Gottfried: I do, your Honor. This is an application for reconsideration by this Board. This property is some 75 or 100 feet away from Springfield Avenue. Now, you gentlemen are acquainted with the parking conditions on Springfield Avenue, Prince Street and Rankin Street. Rankin Street is a narrow street and it is cluttered up with cars parked along the curb from business men along the avenue. Before my client ever made this application to the Board he inquired of the property owners along Rankin Street, along Springfield Avenue, along Prince Street. And of the 75 or 100 people he inquired of there wasn't one objected to it. He appeared before this Board, and, as I stated before, there were two attorneys who appeared there who advised their opinion as being in favor of it. The only objection at that time that the Board saw fit that it would create a fire hazard. Now, I submit to you gentlemen cars parked along Springfield Avenue, a busy thoroughfare, creates a greater fire hazard than this open parking station would.

Mayor Congleton: Not in my opinion it wouldn't. You have no escape from that so-called parking station except through a little narrow driveway built over. I went up and viewed the premises. It is utilizing the back yards of a lot of small houses along Rankin Street for parking purposes, and I think it is a very improper place

for an open air parking station, myself I went up there and looked it over.

Mr. Gottfried: Mr. Mayor, may I suggest this, that cars parked along the curb on Rankin Street where children play, constantly going and playing around cars, creates a greater hazard

Mayor Congleton: You were speaking of the fire hazard a moment ago. If a car back of those buildings got afire there is no way to fight it unless you get the firemen in through that inclosed driveway, and there is no opportunity to get that car out without running the risk of setting fire to those little frame buildings.

Mr. Gottfried: The parking station is back of a brick building.

Mayor Congleton: You take numbers 28 to 38. I went in and looked it over. It is the back yards of several frame buildings. There may be one of them a brick building, but the majority of them, if not practically all of them, are little old frame buildings. And to clutter up their back yards as a parking station I say is not proper according to my view.

Mr. Gottfried: The width of the street there from Rankin Street to Prince Street is over 100 feet. This particular property, the rear of which is to be used for a parking station, has a depth of 30 feet.

Mayor Congleton: How large is the space devoted to parking?

Mr. Gottfried: Seventy-five feet by sixty-seven, leaving an open space for the enjoyment of the property of over twenty-five feet. There is a total open space there of over 150 feet.

Mayor Congleton: Are you going to fence off that part you are going to devote to parking?

Mr. Gottfried: Yes, sir. The point is this—that there is Grant's Five and Ten Cent Store along Springfield Avenue there. If we could use it for only say fifteen or twenty cars, just to take these cars off Springfield Avenue, just for one particular purpose, my man has gone to an expense of over \$3,500.

Mayor Congleton: For what?

Mr. Gottfried: For creating this driveway there and breaking through the wall.

Mayor Congleton: He took that risk. He had no right to make any expenditure except at his own risk until he got his permit.

Mr. Gottfried: I appreciate that fact, but every garage or every parking station is of necessity a fire hazard.

Mayor Congleton: I am only expressing my own views. I only have one vote. I think it is a very improper place for the parking of cars. You are using as a driveway an enclosed passage, and I think that building is a frame building.

Mr. Gottfried: No, it is a brick building.

Mayor Congleton: Well, admitting that it is brick, it is just a passageway built over on the second floor for the depth of your driveway.

Mr. Gottfried: And the buildings on either side are brick. This Commission could limit that for the storage of ten cars. I do not believe ten cars would create a hazard there. There is a space of 75 feet depth by 67½ feet width. Certainly ten cars in that space would not create a fire hazard.

Commissioner Brennan: Did you ever see a garage afire in which there were eight or ten cars?

Mr. Gottfried: I haven't seen that.

Commissioner Brennan: If you had you would say it was some hazard.

Mr. Gottfried: But for a lot like that, ten cars with a person to supervise—is willing to put in every modern appliance there, sand pails, extinguishers, or whatever else the Board would require.

Mayor Congleton: We ought not by our vote create a condition where firemen might have to go in and fight a fire and take that risk. It isn't a safe place for them to go in at any time. The street line is solidly built up and I don't think the firemen should be asked to go through this passageway that you have made to go in and fight a fire with a lot of frame houses around it. I think it is a very bad condition, myself.

Mr. Gottfried: I submit every garage has a narrow passageway to enter.

Commissioner Brennan: But they are all fireproof.

Mayor Congleton: And they are on the street line where you can get at

them. You don't have to go through a narrow passageway.

Mr. Gottfried: Would this Board limit it to a number of cars, a minimum of five cars? The man is willing to meet any requirement of this Board to safeguard a fire hazard.

Commissioner Howe: What good would it do him to have five cars or ten cars? He couldn't afford to put a man in there to take care of them and he wouldn't receive return enough to pay interest on his outlay.

Commissioner Brennan: An opportunity, if he got that, they will try to build an inside garage.

Mr. Gottfried: That situation is—there is one firm that has about eight or ten executives that come to work in their cars. And they need sufficient space to store these half dozen or eight cars. They will derive some income from it and the executives would be glad to support that because they are confronted with cars damaged every day parking along Springfield Avenue, and I have in mind the Grant Five and Ten Cent Store there. This Board could limit that permit to half a dozen cars there. We have no other motive in mind to increase it to more cars or build anything else there. The place is laid out with gravel there. We are willing to construct an iron fence; we are willing to put in any contrivance or appliance to lessen the fire hazard. I am willing, on behalf of my client, to have it specified that only half a dozen cars can be stored there. And the place is 75 feet by 67½ feet.

Mayor Congleton: Has any Commissioner any motion to make?

Commissioner Howe: Is there a motion before the Commission?

Mayor Congleton: No. Has anyone else any other matter?

Mayor Congleton offered the following resolution:

RESOLVED, That David Robertson be and he is hereby appointed as Assistant Engineer, in the Department of Public Affairs (City Railway), at a compensation of \$3,600.00 per annum, effective July 1st, 1929.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

Commissioner Brennan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N J, July 10, 1929

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present:—Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The minutes of the meeting of July 3rd, 1929, were read and approved.

The City Clerk presented An ordinance to provide for the grading, curbing and paving of Varsity Court from Varsity Road southerly about 228 feet with asphalt pavement (1½" top, 1½" binder) on a new six (6) inch concrete base, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to provide for the grading, curbing and paving of Varsity Court from Varsity Road southerly about 228 feet with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance to provide for the grading, curbing and paving of Varsity Court from Varsity Road southerly about 228 feet with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the grading, curbing and paving of Varsity Court from Varsity Road southerly about 228 feet with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance providing for the opening and widening of Lock Street on the westerly side thereof from Warren Street to Sussex Avenue, and for the opening and widening of Nesbitt street on the westerly side thereof from the northerly line of Sussex Avenue northerly about 125 feet, measured along the existing westerly line of Nesbitt Street to the division line between lots 57 and 62 of block 2853 of the Newark City Tax Map, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. C. Wallace Vail, 810 Broad Street.

I own a piece of property at the corner of Central Avenue and Lock Street, and I represent a man by the name of Leonardo down the street also. So far as the improvement itself is concerned we have no objection to it, except we think it manifestly unfair to burden the properties along there with the entire local improvement.

Mayor Congleton: It never is. It is done as a local improvement, the property to be assessed according to benefits received; but I venture to say you cannot point to a single local improvement in the nature of a street widening where the property owner has borne anywhere near all the cost.

Mr. Vail: I understand that perfectly well; but we only want to be here and voice our objections to having the burden entirely borne there and to limit it in the ordinance to a certain percentage to be borne as a local improvement.

Mayor Congleton: We have in mind this is done to create the new outlet, and that will all be taken into consideration in the matter of levying assessments, but we are not prepared now to say what proportion it should be. It would be a very difficult thing, and we think it is better to take that up at the proper time.

Mr. Vail: I know this Commission wouldn't want to arbitrarily fix a figure that should be borne, but a certain amount could be limited.

Mayor Congleton: We have the same proposition on Mulberry Street where we are creating new frontage; and we went into the matter very thoroughly then and decided we wouldn't do it.

Mr. Vail: Well, as far as the improvement is concerned, we are very much in favor of it and don't intend to be disturbing factors; except we want to come down and tell you what we are thinking about; and, in addition to that, assist in any way possible; except we would like, if possible, to have the ordinance limited to a certain extent.

Mayor Congleton: Well, we don't feel we should do that in this kind of an improvement. Does any one else desire to be heard?

Mr. F. A. Geiger, 26 Nesbitt Street: This improvement stops right at our seven-story building. We are not objecting to the building itself but we think that the traffic coming up James Street and going into Sussex Avenue is getting heavier all the time; and taking only the fronts of those buildings at the corner there, while it relieves it a little bit, we think at the same time it would be taken away entirely and that plaza made that much wider. And if it were necessary, and our seven-story building stood in the way, we certainly would be very reasonable to help that improvement along.

Mayor Congleton: To take that entire corner out would require the taking of a great deal of property. It would be nice to do it, perhaps—

Mr. Geiger: Well, you are taking the most valuable part of it now.

Mayor Congleton: We are taking up the frontage, but we are creating new frontage which would be just as valuable.

Commissioner Brennan: More valuable.

Mr. Geiger: Of course, it would be wide, I will have to admit that, but some arrangement could be made whereby that wouldn't be so costly.

Mayor Congleton: Well, we will look into it, but I am afraid the cost would be prohibitive.

Geiger Well, we would like to help if there is anything we could do to help with our property.

Mayor Congleton: Does anyone else desire to be heard?

There being no one else to be heard, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to provide for the opening and widening of Lock Street on the westerly side thereof from Warren Street to Sussex Avenue, and for the opening and widening of Nesbitt Street on the westerly side thereof from the northerly line of Sussex Avenue northerly about 125 feet, measured along the existing westerly line of Nesbitt Street to the division line between lots 57 and 62 of block 2853 of the Newark City Tax Map.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance providing for the opening and widening of Lock Street on the westerly side thereof from Warren Street to Sussex Avenue, and for the opening and widening of Nesbitt Street on the westerly side thereof from the northerly line of Sussex Avenue northerly about 125 feet, measured along the existing westerly line of Nesbitt Street to the division line between lots 57 and 62 of block 2853 of the Newark City Tax Map," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the opening and widening of Lock Street on the westerly side thereof from Warren Street to Sussex Avenue, and for the opening and widening of Nesbitt Street on the westerly side thereof from the northerly line of Sussex Avenue northerly about 125 feet, measured along the existing westerly line of Nesbitt Street to the division line between lots 57 and 62 of block 2853 of the Newark City Tax Map.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to amend an ordinance entitled "An ordinance to regulate the con-

struction, repair, alteration, and removal of buildings within the City of Newark, New Jersey," adopted June 15, 1924, and stated that today was the time fixed for hearing on the same.

Commissioner Brennan: I move the ordaining clause be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance authorizing the appropriation of an additional sum of Ten thousand dollars (\$10,000.00) for the erection of a new brick engine house upon lands owned by The City of Newark on High Street, in the City of Newark, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance authorizing the appropriation of an additional sum of Ten thousand dollars (\$10,000.00) for the erection of a new brick engine house upon lands owned by The City of Newark on High Street, in the City of Newark.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.  
Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance authorizing the appropriation of an additional sum of Ten thousand dollars (\$10,000.00) for the erection of a new brick engine house upon lands owned by The City of Newark on High Street, in the City of Newark," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance authorizing the appropriation of an additional sum of Ten thousand dollars (\$10,000.00) for the erection of a new brick engine house upon lands owned by The City of Newark on High Street, in the City of Newark.

The ordinance having been read three times was declared to be upon its third and final passage.

The roll being called, the ordinance

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of a system of sewers to be known and designated as the "Avenue P Sewers and Branches, Section 1."

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That a system of sewers to be known and designated as the "Avenue P Sewers and Branches, Section 1," shall be constructed as follows: In Avenue P from Roanoke Avenue southerly about 1,200 feet; in Allegheny Avenue from Avenue P to Foundry Street; and in Foundry Street from Roanoke Avenue to Allegheny Avenue. The sewer in Avenue P from Roanoke Avenue to Allegheny Avenue to be twenty-four (24) inch reinforced concrete pipe and the balance fifteen (15) inch reinforced concrete pipe; in Allegheny Avenue from Avenue P to Plum Point Lane to be eighteen (18) inch reinforced concrete pipe and the balance fifteen (15) inch reinforced concrete pipe; in Foundry Street from Roanoke Avenue to Allegheny Avenue to be fifteen (15) inch reinforced concrete pipe. These sewers to be constructed with eight (8) inch house connections to the curb lines, together with all the appurtenances necessary to complete the same, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P. L. 1917-319), and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated May 17, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3 That the sum of \$45,000 00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$45,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that July 31, 1929, 10 A. M. Standard Time, 11 A. M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe introduced the following ordinance, and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance providing for the vacation of Marion Street, from Grafton Avenue northerly to the northerly line of Montclair Avenue; for the vacation of Montclair Avenue from the easterly line of the right of way of the Newark and Paterson branch of the Erie Railroad easterly about 667 feet to the westerly line of Riverside Avenue (formerly River Road to Belleville); for the vacation of Riverside Avenue as it is laid out 80 feet in width on the Commissioners' Map of Woodside Annexation, from Grafton Avenue northerly to the northerly line of Montclair Avenue, excepting that part of the above described Riverside Avenue lying within the lines of Riverside Avenue (former River Road to Belleville).

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That the following described streets shall be vacated as public streets or highways:

Marion Street from Grafton Avenue northerly to the northerly line of Montclair Avenue;

Montclair Avenue from the easterly line of the right of way of the Newark and Paterson branch of the Erie Railroad, easterly about 667 feet to the westerly side of Riverside Avenue (formerly River Road to Belleville);

Riverside Avenue as it is laid out 80 feet in width on the Commissioners' Map of Woodside Annexation, from Grafton Avenue northerly to the northerly line of Montclair Avenue, excepting that part of the above described Riverside Avenue lying within the lines of Riverside Avenue (formerly River Road to Belleville).

All as shown on a map prepared under the direction of this Board, which map is hereto attached, and made a part hereof, and a copy of which map also is on file in the office of the Chief Engineer, Department of Public Affairs, known and designated as No. 1391-V, dated July 2, 1929. Under and by virtue of the provisions of Section 1, sub-division (b) of Article XXII, of an Act of the Legislature of the State of New Jersey, entitled "An Act Concerning Municipalities" approved March 27, 1917, and the acts

amendatory thereof and supplementary thereto.

Section 2. That this ordinance shall take effect immediately and all ordinance or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that July 31, 1929, 10 A. M. Standard Time, 11 A. M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolutions:

RESOLVED, That the sum of Four thousand eight hundred thirty-five dollars and thirty cents (\$4,835.30) be and the same is hereby appropriated to the City Treasurer as per annexed certified list, being the weekly payroll of the Department of Parks and Public Property for week ending July 3, 1929, as follows:

Shade Tree .....	\$2,616.30
Alice W. Hayes Estate.....	2,219.00
	<hr/>
	\$4,835.30

Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.  
Jerome T. Congleton  
W. J. Brennan

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the sum of Thirty-seven thousand eight hundred fifty dollars and thirty cents (\$37,850.30) be and the same is hereby appropriated to the persons named on the annexed certified list, being the bills and claims of the Department of Parks and Public Property as follows:

Alice W. Hayes Estate.....	\$11,571.00
City Hall alterations.....	24,612.64
Maintenance of dog pound.	1,666.66
	<hr/>
	\$37,850.30

Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.  
Jerome T. Congleton

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan offered the following resolutions:

RESOLVED, That the sum of Five hundred dollars (\$500.00) be and the same is hereby appropriated to persons named on the annexed certified list, being the bills and claims of the Department of Public Safety as follows:

Petty cash .....	\$500.00

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commisioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following petition was received and read:

We, the undersigned property owners, are against the erection of a gas station, to be located at Lyons Avenue and Schley Street, Newark, N. J., as we have one on opposite corner now.

Signed by twenty-eight property owners.

Ordered filed.

WHEREAS, The Board of Adjustment has certified in writing to this Board, that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Isaac Katzman, owner, for a gasoline station at 418-420 Lyons Avenue.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Mayor Congleton: Gentlemen, this matter has been before us for two weeks. Lyons Avenue and Schley Street. The resolution is that the Board of Adjustment be concurred in, which grants the permit.

The roll being called, the resolution was declared lost by the following votes:

Nays: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends

That the following structure for which application was made be allowed:

Application of Albert Berg, owner, for a public garage at 25-29 Coes Place;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to July 17, 1929.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, In accordance with the provisions of Chapter 115 of the State Laws of 1919, an estimate has been submitted to the Board of Commissioners of the City of Newark by the Engineer in charge of the Bureau of Sewers showing the probable cost of constructing a sewer in Albert Avenue from Cornelia Street 180 feet westerly for the use of the abutting property only, together with lateral connections to the curb lines of said street, to be \$500.00, said probable cost being based on the best information obtainable as to the probable cost of such sewer; and

WHEREAS, The entire cost of doing the work will be less than one thousand dollars; therefore, be it

RESOLVED, That in accordance with the provisions of said Chapter 115 of the State Laws of 1919, the estimate submitted and presented be and the same is hereby adopted and ordered filed; and be it further

RESOLVED, That the Board hereby signifies its intention to construct a sewer in Albert Avenue from Cornelia Street 180 feet westerly, for the use of the abutting property only, together with lateral connections to the curb lines, and that the Director of the Department of Public Affairs of the City

of Newark will hear objections to the making of said improvements on Monday, July 22nd, 1929, at 10 o'clock A. M. at the office of the said Director on the second floor, City Hall, Newark, N. J.

And be it further

RESOLVED, That the Engineer in Charge of the Bureau of Sewers be and he is hereby authorized and directed to mail a copy of this resolution to the last known owner of record as shown by the tax records of the City of Newark, N. J., of property abutting on the portion of the street or highway through which such sewer is proposed to be constructed; and that the Engineer be and he is further instructed to post or cause to be posted a copy of this resolution in the City Hall, Newark, N. J., at least five days prior to the introduction of a second resolution setting forth the final decision of said Board to construct such sewer.

Jerome T. Congleton  
Charles P. Gillen  
W. J. Brennan  
John Howe,  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, In accordance with the provisions of Chapter 115 of the State Laws of 1919, an estimate has been submitted to the Board of Commissioners of the City of Newark by the Engineer in Charge of the Bureau of Sewers showing the probable cost of construction of a sewer in Albert Avenue from Chapel Street 550 feet easterly for the use of the abutting property only, to be \$975.00, said probable cost being based on the best information available as to the probable cost of such sewer; and

WHEREAS, The entire cost of doing the work will be less than One thousand dollars; therefore be it

RESOLVED, That in accordance with the provisions of said Chapter 115 of the State Laws of 1919, the estimate so submitted and presented be and the same is hereby adopted and ordered filed; and be it further

**RESOLVED**, That the Board hereby signifies its intention to construct a sewer in Albert Avenue from Chapel Street 550 feet easterly for the use of the abutting property only, and that the Director of the Department of Public Affairs of the City of Newark will hear objections to the making of said improvements on Monday, July 22nd, 1929, at 10 o'clock A. M., at the office of the said Director on the second floor, City Hall, Newark, N. J.

And be it further

**RESOLVED**, That the Engineer in Charge of the Bureau of Sewers be and he is hereby authorized and directed to mail a copy of this resolution to the last known owner of record as shown by the tax records of the City of Newark, N. J., of property abutting on the portion of the street or highway through which such sewer is proposed to be constructed; and that the Engineer be and he is further instructed to post or cause to be posted a copy of this resolution in the City Hall, Newark, N. J., at least five days prior to the introduction of a second resolution setting forth the final decision of said Board to construct such sewer.

Jerome T. Congleton  
Charles P. Gillen  
W. J. Brennan  
John Howe,  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton

**RESOLVED**, That the compensation of Joseph O'Donnell, Garage Foreman, Department of Public Affairs, Bureau of Street Cleaning, be and the same is hereby increased from \$2,700 to \$3,000 per annum, effective as of July 16th, 1929.

W. J. Brennan  
Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The City of Newark is the owner of certain lands in the City of Newark, Essex County, New Jersey, described as follows:

Measuring from a point at the intersection of the westerly side line of Haynes Avenue (the same being the side line of a street 120' wide) and the northerly side line of Haynes Avenue Extension (which is the side line of a 75' street) along said northerly side line of Haynes Avenue Extension in a southwesterly direction 1142.68' to a point and place of beginning.

Thence (1) along a course N-30° 48' 07" E 1344.34'.

Thence (2) along a course S-59° 11' 53" E 940.00'.

Thence (3) along a course S-30° 48' 07" W 694.64'.

Thence (4) along a course S-86° 09' 03" W 1142.68' to the point and place of beginning.

The above tract being located in Port Newark Terminal and containing 22 acres, be the same more or less.

Note: The intersection of the center line of Haynes Avenue and the center line of Haynes Avenue Extension is 2739.20' south of the intersection of the center line of Haynes Avenue and the center line of Peddie Street.

and,

WHEREAS, Said lands are not convenient or needed for public use by the City;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark that by virtue of

Article 18, Chapter 152 of the Laws of 1917, of the State of New Jersey,

said lands above described be sold, at public sale, to the highest bidder, for cash, after public advertisement given in a newspaper circulating in the municipality, at least once a week, for two weeks, prior to such sale, and,

BE IT FURTHER RESOLVED, That the Director of the Department of Public Affairs be and he is hereby authorized and directed to offer said lands for sale to the highest bidder, for cash, and to report said sale and the terms thereof to this Board for confirmation.

Jerome T. Congleton  
W. J. Brennan  
Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the following bonds be and they hereby are approved as to sufficiency, and the City Clerk hereby is directed to file the same with the Department of Public Affairs, which will in turn file the same with the proper City officer:

American Oil & Supply Co., furnish and deliver motor oils. (Contract bond.)

Traffic & Street Sign Co., furnish and deliver street signs complete. (Contract bond.)

Rising & Thorne, furnish and deliver one or more "Ideal" Power Lawn Mowers. (Contract bond.)

Municipal Street Sign Co., furnish and deliver plates for signs and wing signs. (Contract bond.)

Newark Independent Contracting Co., construction of sanitary sewer in Tremont Avenue and in Martens Avenue. (Contract and indemnity bonds.)

Newark Independent Contracting Co., construction of sanitary sewer in Tremont Avenue. (Contract and indemnity bonds.)

Mahlon Averill, furnish and lay 24-inch low-pressure cement lined water main in Pennsylvania Avenue and a 36-inch low-pressure water main in Van Vechten Street. (Contract and indemnity bonds.)

Jerome T. Congleton  
Charles P. Gillen  
W. J. Brennan  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Samuel W. Rice, owner, for a gasoline station at 618-620 Springfield Avenue.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the ap-

plication above set forth.

Commissioner Brennan moved that the application be laid over until July 17th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of Section 13 of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of American Steam Laundry Co., owner, for an addition to its plant at 381 South 7th Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

W. J. Brennan  
John Howe  
Charles P. Gillen  
Jerome T. Congleton  
Jno. F. Murray, Jr.

Commissioner Murray: Mr. Mayor and gentlemen, Mr. Addonizio, an attorney, representing the property owner immediately next to the American Steam Laundry, is here. He does not object to the fact that they want to put an addition to their premises, but he wants them to arrange the distribution of it in such a way that the smoke stack and boiler room do not come up against his property. He has no objection to them increasing their plant.

Mayor Congleton: Mr. Unger.

Mr. Milton Unger, Prudential Building: I understand the objector is not next door, but it is the lot in between.

Mr. Addonizio: The objector, Mr.

Mayor, is the property owner immediately adjacent to the steam laundry. There is 25 feet of property there, after which comes his house. Before the boiler room had been to the right and rear of the factory. Now, with the addition proposed to be made, the boiler room will come to the front to the right, which would be immediately facing the house of Mr. Ritsucci. The smokestack will be between 30 and 40 feet in from the property line, and that will be almost on a line with the bedroom.

Mayor Congleton: How high is that smokestack?

Mr. Addonizio: 100 feet, Mr. Harris said.

Mr. Unger: We will put it 40 feet away in toward the rear.

Mayor Congleton: How far removed would it be from the house?

Mr. Unger: 30 feet on the north, and the smokestack will be in the rear of his house—10 feet from the rear of his house.

Mayor Congleton: How many feet high?

Mr. Unger: 100 feet high.

Mr. Addonizio: We took measurements there and the smokestack will not be in the rear of the house but facing the rooms. We had a conference with Mr. Harris and he said the smokestack would be arranged to come on a line with the garages, which would be 80 feet from the property line. Now, my client has had absolutely no objection to his getting a permit to build on the extra ground, but he does object to having that stack staring him in the face every time he gets up in the morning.

Mayor Congleton: Is this an extension to an already existing plant?

Mr. Unger: Yes.

Mayor Congleton: How long has the plant been there?

Mr. Unger: Fifteen years.

Mayor Congleton: It is one of those cases where they have a right to extend a non-conforming use.

Commissioner Murray: The neighbor doesn't object to the extension, but he would just like the distribution of the boiler plant to be a little further from this place. He has, I presume, a fifty foot lot.

Mr. Unger: A 75-foot lot.

Commissioner Murray: And he has 25 feet south of his house and if he wants to build on that place he might find it objectionable to have that power plant and boiler room and stack right at that point.

Commissioner Howe: Possibly the factory would buy that lot.

Mr. Unger: I think we would, if they didn't think it was worth two or three prices.

Mr. Addonizio: It is rather preposterous to have to sell 25 feet.

Mr. Unger: Of course, we were there ahead of the houses. We are taking out garages now which are objectionable to a certain extent, and building an addition to the factory; and there will be no garages there any more. We kept our trucks in there, and Mr. Harris is building—

Mr. Harris: It will be in the rear of the house. The house—

Mr. Unger: Personally, I don't see how a smokestack 100 feet high is going to hurt anything.

Commissioner Murray: Have you your plan here?

Mr. Unger: They were before the Zoning Board; they were there at that time.

Mr. Harris: We have since made alterations to meet that objection.

Mr. Unger: We are 25 feet beyond what we were shown on the plans in the beginning.

Mr. Addonizio: It doesn't go beyond the rear of the house.

Mr. Harris: This will go 40 feet from the curb.

Mr. Unger: That is 40 feet on ours.

Commissioner Murray: There is over a ten-foot difference in space between the curb and the building?

Mr. Unger: Probably. But still, we are 100 feet high—the stack is 100 feet high; it isn't a one-story stack pouring smoke over everything.

Commissioner Brennan: The objection is, as I understand it, to having the stack in front of the man's living and bedrooms.

Mayor Congleton: That would be on the side of the house.

Mr. Unger: We are as far away as we can get.

Commissioner Brennan: You can not get any further back?

Mr. Unger: Not unless we go out near Seventh Street; we would have to move it out there.

Commissioner Brennan: How is it between Seventh and Eighth Streets?

Mr. Harris: Just about half way between Seventh and Eighth.

Commissioner Murray: That is a 200 foot block?

Mr. Harris: Yes. The boiler is going to take up 16 or 18 feet.

Mr. Addonizio: You see, the boiler room heretofore has been on the left nearer to Sixteenth Avenue. Now they are taking it away from there and bringing it down on Seventh Street facing this man's property; and I spoke with Mr. Harris, and the only reason he gave for building it there was that he could utilize more space.

Mr. Unger: His house, of course, is not up against this lot. He has got some distance to go there and there is 30 feet from the stack to the house.

Mr. Addonizio: That will have to preclude my client from ever building there for fear of ever getting that tremendous heat.

Commissioner Brennan: You don't get any heat from a brick stack.

Mr. Addonizio: I mean from the boiler room itself.

Commissioner Brennan: Well, with an up-to-date boiler room today there is very little heat.

Mr. Harris: There is a brick wall and a two-inch asbestos cover, and we are not losing any heat if we can help it.

Mr. Unger: Of course, we are not newcomers or trespassers in a residential neighborhood.

Commissioner Howe: You were there before the houses were there?

Mr. Unger: Yes.

Commissioner Murray: I don't suppose there are a half-dozen houses on the block.

Mayor Congleton: This is an extension of a non-conformig use. I don't think we can stop it.

Mr. Addonizio: It isn't a question of objection. I think out of regard to this man who is not opposing their build-

ing on the extra percentage of ground, that they could at least try to put that stack where it won't be offensive to his property.

Commissioner Brennan: Where could they put the stack?

Mr. Addonizio: Well, I spoke with Mr. Harris—they could put the stack where the stack now is, and there is a stack there now to the rear; but he says he can utilize more space by bringing that stack down toward the front.

Commissioner Brennan: Of course, I can appreciate, and you can too, that he can not build a stack where the present stack is unless he shuts his plant down entirely. You would have to stop work in his plant.

Mr. Unger: The new building is a distinct improvement over those garages that are there.

Commissioner Brennan: What I am trying to bring out is this laundry, of course, is an every day running institution, and if there was objection to his building a stack in another location, he would have to shut his plant down during the time he was building the new stack where the present one is.

Commissioner Murray: Do you know whether that stack is at the front end of the boiler room?

Mr. Harris: It is going to be at the rear end of the boiler room. It will be 20 feet from the rear of the building.

Commissioner Brennan: You run a flume from the boiler?

Mr. Harris: That is right.

Commissioner Brennan: Where are you running that, underground?

Mr. Harris: No, over the top of the boiler; in order to help this man and get the stack back as far as possible we are doing that.

Mr. Unger: Essentially it is no different than if a new building were being put up at that point, a building 100 feet high. There is no nuisance about it.

Mr. Harris: We are burning hard coal and putting the stack 100 feet high—

Mr. Addonizio: They haven't any control over the currents of air.

Commissioner Murray: Modern boilers consume most of its smoke and all of its gas.

1 Unger If, after it becomes constructed, it becomes a nuisance the courts would give relief.

Commissioner Brennan: There isn't any danger of smoke, in my opinion. The whole objection is he is fearful of having a smokestack right in front of his living room window.

Mr. Addonizio: I think it is a valid objection.

Commissioner Brennan: I agree with you, but that is the only objection, is it not?

Mr. Addonizio: Yes. He hasn't objection to anything else except that stack. Of course, we have no assurance that there won't be a tremendous amount of heat emanating from the boiler room.

Commissioner Brennan: I don't think there is any chance of that.

Mr. Addonizio: We were perfectly agreed with Mr. Harris to let him go ahead, but he told us that the stack would come adjacent to the garages, which are 80 feet back, and we find the most he can bring it back is 40 feet, which will bring it on a line with the dining and living room.

Commissioner Murray: Can't you put that stack in further?

Mr. Harris: We moved it 25 feet from the original plan.

Commissioner Murray: From the north wall?

Mr. Harris: There is a stack there now that is more of a nuisance than this stack would ever be. It is a 30-foot exhaust stack.

Mr. Addonizio: We have no question it will be a tremendous improvement over conditions, but 25 feet from his home, putting a tremendous stack, as soon as the man gets up in the morning he is going to face that stack.

Mayor Congleton: Here is an old established business. It looks to me as if the owner had tried to do everything he could.

Mr. Addonizio: I don't for a moment question Mr. Harris's good faith in the matter.

Commissioner Murray: Why couldn't you shift it over to this corner and get away from him?

Mr. Unger: That is something I will have to ask the architect.

Mr. Harris: There wouldn't be room here.

Commissioner Brennan: Who is your architect?

Mr. Harris: Consulting Engineer S. B. Ransom.

Commissioner Brennan: In other words, it is more of an engineering job?

Mr. Harris: Yes, it is more of an engineering job.

Commissioner Murray: As a cold matter of law, we haven't anything to say about it.

Mayor Congleton: I think he is entitled to it, as a matter of law, myself.

Mr. Addonizio: We don't dispute the fact he may legally do whatever he wishes to do with his property.

Mayor Congleton: Assuming he has the legal right to do it, from what has developed here this morning it would appear to me that he has tried to do everything he could in addition to that to meet your client's objections; and if he can not do any more and if he has a legal right to do it, what are we going to do about it?

Mr. Addonizio: Simply, if Mr. Harris had gone through with what he told Mr. Ritsucci and myself that the stack would have come next to the garages— isn't that so, Mr. Harris? You said as your plans were the stack would not come so far back, you would arrange to have it come back so it would almost be in line with the garages.

Mr. Harris: I said the stack would not come further than the rear of his house. If he objects to the stack fronting his windows—

Mr. Unger: I think in the final analysis there is one fear: The stack as constructed is going to be a nuisance. But that is not sufficient to deter the Board from granting approval of the action taken by the Zoning Board.

Mayor Congleton: Any further remarks?

(No response.)

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton: Does any citizen have any matter to bring to the attention of the Commission this morning?

The following petition was received and read:

This petition is being signed to prohibit the building of an automobile repair or welding shop at 137 Hudson Street, Newark, N. J.

(Signed by thirty-one property owners.)

Mr. Joseph Seibel, 9 Clinton Street: Gentlemen, about May 20th a permit was granted to the owner of 139 Hudson Street to put up a garage and welding station. That permit had been before the Commission a number of times, I believe, and withdrawn once or twice, and it was finally passed. I inspected the affidavit made by the architect, Mr. Jones, to get the names and addresses of those people who were supposed to have been notified; and in submitting it to an owner of property in the immediate vicinity I find that most of the names were represented by tenants and not landlords. I have here thirty-one neighbors who have signed a petition protesting against the erection of that garage and the granting of that permit.

Mayor Congleton: When do you say it was granted?

Mr. Seibel: About May 20th.

Mayor Congleton: Is it constructed?

Mr. Seibel: It is being built, but it isn't finished.

Mayor Congleton: How long ago did they decide it?

Mr. Seibel: About that time.

Mayor Congleton: May 20th?

Mr. Seibel: Yes.

Mayor Congleton: And you sat by for almost two months and you want us to take——

Mr. Seibel: I understand the neighbors thought it was an ordinary house until they found out it was a garage.

Mayor Congleton: All right.

Mr. Seibel: These thirty-one neighbors tell me that not a one of them ever received a notice of any kind by mail notifying them of any meeting; and I looked through the names of those who were included in the affidavit, and from what I see there is practically none there that represent landlords; they are mostly tenants or storekeepers who are not vitally interested in the property at all.

Commissioner Brennan: Where is the property?

Mr. Seibel: The property is on Hudson Street between Hartford Street and New Street. Saint Joseph's Catholic Club—I think we all protest—John J. McCann of St. Joseph's Club protests against that garage. Then I have the neighbors in the immediate vicinity, on the corner, across the street—several neighbors. I have those on New Street, two, three, four and five doors away. I have those below Hudson Street on New Street, all of whom claim they never received any notice, and that the ones who did receive notice must have been tenants and not landlords, and naturally, tenants are not as vitally interested in what is going on in the neighborhood as the landowners. I know it is unusual not to have heard of it from May 20th. This morning was the first I heard of it. They told me they went to Mr. Rankin a few weeks ago and he told them to come down a few weeks later.

Commissioner Brennan: When was the permit granted, May 20th?

Mr. Seibel: The permit was granted on Hudson Street.

Commissioner Brennan: On May 20th?

Mr. Seibel: Between Hartford and New on Hudson Street.

Commissioner Brennan: On May 20th?

Commissioner Gillen: The building is now under construction. Who is supposed to notify the owners?

Mayor Congleton: The applicant has to file proof of service.

Mr. Seibel: I looked at the proof of service and that is what I find, mostly tenants and storekeepers, and not landowners. Anybody can take a list of names and make an affidavit; that is easy enough.

Mayor Congleton: How far up is the building?

Mr. Seibel: Just the foundation.

Mayor Congleton: I don't understand what jurisdiction we have.

Mr. Seibel: It was withdrawn at one time before the Commission, this same permit, and then it was passed again after that without these people knowing about it.

Commissioner Brennan: How did it

come that it came before the Commission and there was nobody appeared here?

Mr. Seibel: All those people say they never got a notice. They say they would all be here in a body if they had notice.

Mayor Congleton: Did any tenants protest?

Mr. Seibel: The tenants don't care.

Mayor Congleton: I wouldn't say that. The people who live there are usually the ones who care most; that is our experience.

Mr. Seibel: They can all be moved if they don't like it.

Mayor Congleton: It costs money to move and we find tenants here all the time.

Mr. Seibel: On the list I have there are actual property owners living in the vicinity. I would like to have that looked into.

Mayor Congleton: All that I can think to do is to accept this complaint and refer it back to the Board of Adjustment for report to be given to us at our next meeting.

The following communication was received and read:

**Board of Education,  
City Hall,  
Newark, New Jersey.**

July 2, 1929.

Board of Commissioners  
of the City of Newark.

Gentlemen:

At the organization meeting of the Board of Education of 1929-1930 held on Monday, July 1, 1929, the following resolution was adopted:

"RESOLVED, That Henry Young, President, and Louis C. Schwartz, Vice President, be and they are hereby appointed as members of the Board of School Estimate, and that the Secretary be directed to notify the Board of Commissioners of the City of Newark of this action of the Board."

Yours truly,

R. D. Argue,  
Secretary.

Ordered filed.

Mayor Congleton Does any other citizen have any matter to bring to the attention of the Commission?

Mr. James Fisher, Hackettstown, N. J.: We are not citizens—

Mayor Congleton: All right, sir.

Mr. Fisher: It is the matter of a permit for the erection of eight garages in the rear of 65 Lincoln Avenue. The property is now owned by Mary Bergen. It is now to be sold—or an agreement for sale—to Mr. Ashman Carpenter of Hackettstown. Mr. Carpenter wishes the garages. They are to be erected of cement blocks from the garage that is already on the lot up towards the house—eight garages in length. The Zoning Board, I understand, or the Adjustment Board, or whatever it was—passed on the permit favorably and then it came up before the Commissioners and was objected to.

Mayor Congleton: We don't object to the garages going in necessarily; we object to them going in in the fashion in which they were planned, and coming on up close to the street front. Last week when the parties were here they suggested a rearrangement which we rather suggested we would go along with them on, and we thought they probably would be here with it today.

Mr. Fisher: I thought they would be here, too.

Mayor Congleton: The members of our Commission unofficially intimated last week that they would be agreeable to granting the permit in accordance with the rearrangement that they themselves suggested.

Mr. Fisher: But Mr. Carpenter had arranged with the sellers of the property for the erection of the garages along this line, and that is the way he would like to have them permitted. He thinks that the other suggestion would not accord with his arrangements at all. If snow comes there is no place to put the snow and they are much more inconvenient of entrance.

Mayor Congleton: Well, we have to look at it in a broad way, too. We have to think of the property next door.

Mr. Fisher: The property next door, I believe, is a vacant lot.

Mayor Congleton: It is a lot with an old frame building on. That street is

very rapidly developing into a very nice apartment house district with a very substantial setback line, and if that lot is put to that use and your client builds his garages as he now proposes it would bring them right under the windows of some of the apartments. What we are trying to do is to help the people who want the permit and also to protect the surrounding property and see that they keep further back.

Mr. Fisher: My understanding is that it will be fifteen feet from the end of the garage next to the house to the brick house.

Commissioner Brennan: To the existing brick house?

Mr. Fisher: That would be after they were erected it would be fifteen feet from the brick house to the nearest point of the garage.

Mayor Congleton: Personally, I think a plot 45 feet wide, even though it is deep, should not be built up close to the building line so as to be a source of annoyance to the adjoining properties when they get ready to develop, if they want to. That is a private residence there now and you have got a group of garages across the rear of the lot; you have got another group running along the north side, and you want a group of eight or nine along that same north side. I don't think that is the proper way to develop that class of property, speaking only for myself.

Mr. Fisher: As I understand it, there are five brick garages on the rear of the lot. Then there is a frame garage containing three apartments—

Mayor Congleton: And now you want eight or nine more.

Mr. Fisher: We would like to have eight more.

Mayor Congleton: There was no objection to your having them if you would distribute them along the rear of your property more instead of coming up the side toward the street frontage.

Mr. Fisher: Would fifteen feet be too close to the brick house?

Mayor Congleton: That isn't taking it any further away from Lincoln Avenue. Lincoln Avenue is one of our nice streets which is developing into high

class apartment houses, and I do not think it is good development to have a forty-five foot lot so substantially built up with individual garages. Your application, I suppose, would be to take the old house down.

Mr. Fisher: You see, four garages in length would bring it only five feet from the opposite side and would not be sufficient to drive in. It would require more than five feet to drive into the garages if they were arranged in that way.

Mayor Congleton: The matter was referred last week back to the Board of Adjustment and it is not now before us. Your people took it back to get it rearranged, if they could. There really is nothing here for us to do. I personally do not care to vote for the confirmation of the grant as originally made. I am only speaking for myself.

Commissioner Brennan: If it was referred back to us we would understand it would be that they had arrived at some adjustment that would meet the objection.

Mayor Congleton: Does anyone else have any matter to bring before the Commission?

(No response.)

#### Reports of City Officers.

The following reports of City Officers were received and ordered filed:

Department of Weights and Measures for June, 1929.

Department of Buildings for June, 1929.

Clerk of First District Court for June, 1929.

Clerk of Second District Court for June, 1929.

Clerk of Alms House for June, 1929.

Clerk of Centre Market for June, 1929.

City Clerk (2) for June, 1929.

Richard P. Rooney, Clerk, 1st Criminal Court, for June, 1929.

Ellsworth R. Noble, Deputy Clerk, 1st Criminal Court, June, 1929.

Part Traffic.

Robert J. Beckley, Deputy Clerk, 2nd Criminal Court, Part 1, for June, 1929.

Thomas P. Guthrie, Clerk, 2nd Criminal Court, Part 2, for June, 1929.

Arthur J. Connelly, Clerk, 3rd Criminal Court, Part 1, for June, 1929.

Arthur J. Connelly, Clerk, 3rd Criminal Court, Part 2, for June, 1929.  
Elizabeth S. Lewis, Clerk Family Court, for June, 1929.  
City Treasurer for June, 1929.  
Comptroller for June, 1929.

The following report of the City Treasurer for the month of June, 1929, was received and read:

**Department of Revenue and Finance,  
Office of the City Treasurer,  
Newark, N. J.**

July 2nd, 1929

To the Honorable  
The Commissioners of the  
City of Newark, N. J.

Gentlemen.

In compliance with the Act of the Legislature entitled "A further supplement of the Act entitled 'An Act to amend or revise the Charter of the City of Newark, N. J.' approved Feb. 22nd, 1866," I herewith present a statement of the receipts and disbursements for the month of June, 1929, condensed as to source:

John Howe,  
Director of Revenue  
and Finance.

Ordered filed,

Mayor Congleton: Gentlemen, when

should we have the conference on purchasing agent and other matters pending which have been postponed from time to time?

Commissioner Murray: I move that the conference be held on Tuesday, July 16th, 1929, at eleven o'clock in the morning.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE  
CHARLES P. GILLEN  
JNO. F. MURRAY, JR.

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N J, July 17, 1929

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The minutes of meeting of July 10th were read and approved.

The City Clerk presented An ordinance to provide for the grading, curbing, flagging and paving of Albert Avenue from Chapel Street to Lockwood Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. Chester W. Fairlie, Griffith Building: The Stanley Rule and Level Company has about a thousand feet frontage on that street. It is quite in accord with the Commission's desire to improve that section of the City. But in July, 1928, it paid \$7,446.00 for the paving of Lister Avenue; in April of this year \$2,500.00, approximately, for the paving of Chapel Street, and there is an assessment about to be made for the storm sewer on Chapel Street; and this improvement will cost them, with sewer connections, and so forth, approximately \$17,000 to \$20,000. It is their desire that these improvements come along at a rate which will enable them to pay for the improvements and without too heavy a burden upon them. And we urge that this improvement, which is of no present benefit to the Stanley Rule and Level Company—

Mayor Congleton: Not to your particular client.

Mr. Fairlie: No, to them there is no particular benefit.

Mayor Congleton: How about the people that live beyond?

Mr. Fairlie: And as to the rest of the street, there seems to be no urgent demand or need of paving the street.

Now, eventually the street should be paved, but to put these things too rapidly on such a concern as this, I submit, is not quite good business or fair practice; but that some attempt should be made to bring the improvements along in such a way as will enable them to pay for them without too great a burden being put upon them.

Mayor Congleton: Of course, we did not initiate this of our own volition; it was instigated by other property owners and manufacturers.

Mr. Fairlie: Perhaps part of this street could be paved at a later time and the rest left to a later date. I submit it is merely a matter of practicing good business.

Mayor Congleton: Does anyone else desire to be heard?

Mr. E. L. Keirn, 143 Liberty Street, New York: Our protest is on about the same basis as the Stanley people. I would just like to read our written protest and file it with you.

Mr. Keirn then read the protest as follows:

July 15, 1929.

Board of Commissioners,  
City Hall,  
Newark, New Jersey.

Atten: Mr. W. J. Egan.

Gentlemen:

This is to advise that The Central Railroad Company of New Jersey, and the Commuripaw Central Land Company, owning a total frontage of approximately 476' on Albert Avenue in the City of Newark, protest against the proposed improvement of Albert Avenue from Chapel Street to Lockwood Street by the grading, curbing, flagging and paving of same, as set forth in an Ordinance dated June 27, 1929, upon which there is to be a further hearing at 11 A. M. (Daylight Saving Time) on Wednesday, July 17, 1929.

We are filing this protest for the reason that we feel that the improvement is not required at this time and that other recent improvements have resulted in our property being assessed in this vicinity.

Yours truly,

L. M. Hannaford,  
Real Estate and Tax Agent.

Ordered filed.

Mayor Congleton: Does the railroad company use this property itself, or do they rent it out to tenants?

Mr. Keirn: We use it ourselves.

Mayor Congleton: For what purpose—a freight yard?

Mr. Keirn: I am not certain whether it is a freight yard, I think it is.

Mayor Congleton: Does anyone else desire to be heard on this ordinance?

Mr. Joseph H. Gunn, Ironbound Manufacturers Association: The Ironbound Manufacturers Association, as I think the Commissioners are well aware, advocate improvements in the Ironbound Section, and this is one of the principal territories down there. We are in favor of the pavement of part of Albert Avenue. We coincide with what Stanley Rule and Level Company says, who are one of our members, and in view of the fact that they have been assessed heavily on Lister Avenue and Chapel Street in the past year and would have another assessment, we suggest that this ordinance be withdrawn and a substitute ordinance provided for the pavement of Albert Avenue from Lockwood Street to Cornelia Street. That takes in where the residences are now and plans under way to build new factories.

Mayor Congleton: If we do that, what would there be for the people beyond the factory who are protesting?

Mr. Gunn: About four blocks.

Mayor Congleton: What about those people, aren't they entitled to a paved street as well as those at the other end?

Mr. Gunn: There is no factory at the end.

Mayor Congleton: That is one of the complaints that comes to us constantly—people who own that land trying to sell it or rent it, say every time they take a prospective tenant down there and they see the condition the streets are in, people will not rent; and it is because of requests of owners and manufacturers who have to do trucking that we have undertaken to improve that section.

Mr. Gunn: Well, the Stanley Rule and Level people are satisfied to agree

to the pavement of that end in two years.

Mayor Congleton: How about beyond that?

Mr. Fairlie: West of Cornelia Street, the point to which it is, the Stanley Rule and Level Company and the Central Railroad own all the land on both sides of the street.

Mayor Congleton: The Central Railroad doesn't own all the land there?

Mr. Fairlie: No.

Mayor Congleton: I suggest we lay this ordinance over for one week and see whether this street should be paved or not paved.

Mr. Gunn: The people from Lockwood to Cornelia are agreed to it. The Stanley Rule and Level Company, who are big owners on the other side are willing to go along in two years because of the heavy assessment on Lister and Chapel Street.

Mayor Congleton: I would suggest it be laid over for one week for further investigation. Does anyone else desire to be heard?

Mr. Dennis J. Dacey, 65 Joseph Street: That street in particular we are speaking of, the Stanley Rule and Level Company own part of it. Some year and a half ago they sold all the topsoil to the American Hairfelt Company and Benjamin Moore Company to make a lawn. Those trucks continually went over those sidewalks, cracked the sidewalks where nobody can walk. The people down there are very desirous of having that done; and if I understand rightly, the land has changed hands within the last month or so. Mr. Andres of the Engineering Department was down there at the time they were paving Joseph Street. The Lockjoint Pipe Company, just east of the railroad crossing, dumped a load of those pieces of pipe with the wire in between. The consequences was trucks, in the paving of Joseph Street, had to ride on the sidewalk. Mr. Andres seen that himself. Now, I think it would be a good thing not only for the people down there, but for everybody. The corner of Catherine Street and Albert Avenue, it is a deplorable condition, especially after rain. Water goes on either side of the street for at least a hundred feet. Saturday there was one child taken to the hospital; Monday

another one, Tuesday another one with diphtheria; and I think that street has got something to do with it, because the only thing that will dry that street up when it rains is the sun. There is no sewer connections there whatsoever. So I think for the people's sake, with a little investigation that you will find I am telling the truth in this matter.

Mayor Congleton: All right, sir; we will consider that.

Commissioner Brennan moved that the ordinance be laid over until July 24th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the grading, curbing, flagging and paving of Esther Street from Lister Avenue to Euclid Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any one desire to be heard on this ordinance?

Mr. D. A. Butler, 76 Esther Street: I represent the Fisk Brothers Refining Company. My firm wishes me to represent them in having this street paved for the betterment of the property, as well as the vicinity and all that goes with it. They also are harmonious with having Albert Avenue paved, that being a main street and an outlet for their trucks. I took a survey of both Albert Avenue and Esther Street; all the property owners I interviewed on Albert Avenue, they want it all the way through, but due to the Stanley Rule and Central they had to compromise up to Cornelia Street. But that street is a disgrace. There is no difference between the sidewalks and the streets. Trucks have used the sidewalks so they wouldn't break their springs going through there. I dare say if a fire apparatus went through there it wouldn't last very long. Children have to go through there summer and winter going to school and they get

drenched So I am in favor of the paving of both Esther Street and Albert Avenue.

Mayor Congleton: Does anyone else desire to be heard?

(No response.)

No one else appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to provide for the grading, curbing, flagging and paving of Esther Street from Lister Avenue to Euclid Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance to provide for the grading, curbing, flagging and paving of Esther Street from Lister Avenue to Euclid Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation", be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Esther Street from Lister Avenue to Euclid Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the construction of a thirty-six (36) inch reinforced concrete storm water sewer through Weequahic Park from Weequahic Lake to the intersection of Elizabeth Avenue and Lyons Avenue and in Lyons Avenue from Elizabeth Avenue to Hunterdon Street, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner

Gillen moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the following ordinance be taken up on second reading:

An ordinance to provide for the construction of a thirty-six (36) inch reinforced concrete storm water sewer through Weequahic Park from Weequahic Lake to the intersection of Elizabeth Avenue and Lyons Avenue and in Lyons Avenue from Elizabeth Avenue to Hunterdon Street.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.  
Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Gillen moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the title of "An ordinance to provide for the construction of a thirty-six (36) inch reinforced concrete storm water sewer through Weequahic Park from Weequahic Lake to the intersection of Elizabeth Avenue and Lyons Avenue and in Lyons Avenue from Elizabeth Avenue to Hunterdon Street," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the construction of a thirty-six (36) inch reinforced concrete storm water sewer through Weequahic Park from Weequahic Lake to the intersection of Elizabeth Avenue and Lyons Avenue and in Lyons Avenue from Elizabeth Avenue to Hunterdon Street.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading:

The clerk then read the ordinance as follows:

An ordinance to provide for the paving and repaving of Walnut Street from the east side of New Jersey Railroad Avenue to Lang Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation outside of the street railway track area and with napped reclippped granite block pavement on the old foundation inside of the street railway track area.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Walnut Street from

the east side of New Jersey Railroad Avenue to Lange Street shall be paved and repaved with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation outside of the street railway track area and with napped reclippped granite block pavement on the old foundation inside of the street railway track area, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the repaving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities", approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated July 12, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating or tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$167,-

000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$167,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, (P.L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that August 7th, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading, as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe offered the following resolution:

RESOLVED, That the sum of Fif-

teen thousand three hundred fifteen dollars (\$15,315.00) be and the same is hereby appropriated to the persons named on annexed certified list, being the bills and claims of the Department of Revenue and Finance, as follows:

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That Robert F. Shafer be and he is hereby appointed as Junior Draftsman, in the Department of Public Affairs (City Railway), at a compensation of \$1,800.00 per annum, effective July 16, 1929.

Jerome T. Congleton  
John Howe

W. J. Brennan  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the contract for the heating of an Airplane Hangar (Colonial) at Newark Metropolitan Airport, Port Newark Terminal Development Project, be and the same is hereby awarded to A. Taaffe and Company, they being the lowest formal bidder in response to public advertisement for sealed proposals, the total amount of the lump sum bid being \$14,985.00.

W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the following bonds be and they are hereby approved as to sufficiency, and the City Clerk hereby is directed to file the same with the Department of Public Affairs, which will in turn file the same with the proper City officer:

Peirce-Tredenick Co., Inc., furnish and deliver street sign posts. (Contract bond.)

National Lead Co., furnish and deliver lead pipe. (Contract bond.)

A. Cyphers Company, furnish and deliver forage. (Contract bond.)

C. F. Albert Lumber Co., furnish and deliver lumber. (Contract bond.)

Hugh F. Gilligan's Sons, narrow parkways and pave and repave Custer Avenue from Elizabeth Avenue to Peshine Avenue. (Contract, maintenance and indemnity bonds.)

John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Albert Berg, owner, for a public garage at 25-29 Coes Place;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

Jerome T. Congleton  
Charles P. Gillen  
W. J. Brennan  
John Howe  
Jno. F. Murray, Jr.

Mayor Congleton: This matter has been pending before us now for three weeks. Are you prepared to vote on it, gentlemen? Does anyone desire to be heard?

Mr. Albert Berg, 735 High Street: I own and operate a public garage situated at 21-23 Coes Place. I respectfully request permission to extend my business on the south side of the present building.

Mayor Congleton: Does anyone else desire to be heard? The resolution, gentlemen, is to concur in the recommendation of the Board of Adjustment, which is the granting of the permit.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following communication was received and read:

**The Board of Adjustment,  
City of Newark.**

July 11, 1929,

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day, your letter of July 3rd was read, in which the application of Mr. A. Carpenter for eight additional garages at 65 Lincoln Avenue was referred back to this Board for further consideration.

At the same meeting Mr. Michael Tansey appeared and presented to the Board a revised plan of the proposed garages. The revised plan provides for two groups of four garages each, instead of one row of eight garages running along the side of the lot. Under this plan the distance from the street line to the nearest garage is thirteen feet more than in the original plan.

These revised plans meet with the approval of the Board, and are hereby submitted to your Honorable Body as requested in your communication of the 3rd instant.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the Inspector of the Bureau of Combustibles and Fire Risks, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of A. Carpenter for eight additional garages at 65 Lincoln Avenue.

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark, that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Inspector of the Bureau of Combustibles and Fire Risks, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Jno. F. Murray, Jr.  
Charles P. Gillen

Mayor Congleton: This is the Lincoln Avenue one where the plans have been remodeled. The Board of Adjustment has recommended it.

Commissioner Murray: Have they gone back from the street?

Mayor Congleton: Yes, they have done so.

Commissioner Murray: That meets the objection you had?

Mayor Congleton: Yes. The resolution before us is to concur in the recommendation of the Board of Adjustment, which is the granting of the permit under revised plans.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following communication was received and read:

July 5th, 1929.

The Honorable Commissioners  
of the City of Newark.

Gentlemen:

We, the undersigned property owners in the vicinity of Springfield Avenue and South 15th Street, hereby petition the Commissioners of the City of Newark to refuse the owners of the property located on the northeast corner of the above intersection a permit for the erection of a gasoline station for the following reasons:

1. Within a radius of five blocks, taking in from 12th Street to 17th Street on Springfield Avenue, there are now six gasoline stations serving motorists, and that number should suffice to take care of the motorized public.
2. There is an up-to-date Standard Oil Station on the opposite corner or the northwest corner of the above intersection.
3. That pedestrians walking on Springfield Avenue are greatly inconvenienced by the automobiles crossing the sidewalks entering and leaving the stations.

4. The property owners in the above mentioned section of the City feel that the erection of this gasoline station would reduce to a great extent the property values.

In view of these objections the following signers are against the granting of this permit and petition the members of the Commission of the City of Newark to refuse this permit.

(Signed by ten  
property owners.)

Ordered filed.

The following resolution was presented:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of Samuel W. Rice, owner, for a gasoline station at 618-620 Springfield Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue permits for the application above set forth.

Mayor Congleton: Does anyone desire to be heard on this application?

Mr. William L. Greenbaum, 164 Market Street: Gentlemen, this application for the gasoline station at this address was passed upon by the Board of Adjustment some time ago, and I assume that they have investigated very carefully and in pursuance of the discretionary power they have they have passed that resolution authorizing the granting of the permit. And, of course, it must come up before this body to concur in this resolution. Now, I am somewhat interested in this matter and it may be I have been a little bit over-zealous, but I hope I will be pardoned for it. But this property is

d one at the corner, and is somewhat of a triangular shape, so that insofar as any objection is concerned as interfering with traffic, it is reduced to almost a minimum because of the shape of the property. And I understand that there are some property owners in the immediate vicinity who are in favor of this application being granted. One of the gentlemen is here today. I ask you gentlemen to concur in this resolution of the Board of Adjustment, because I think that it is a corner where a proposition of this kind would be a good one and one which would not interfere with the rights of anybody; and, as a matter of fact, would greatly improve the section because of the type of station which we intend to erect at this address.

Mr. Meyer Zemel: Gentlemen, I want to say a word in favor of this station. We are large property owners up in this neighborhood. We own 200 feet on the corner of 14th Street and Springfield Avenue and 140 feet on the corner of 16th Street and Springfield Avenue. I also represent the Flag Realty Company, which owns a piece of property at 16th Street and Springfield Avenue. We are slowly developing up in that neighborhood an automobile section. We have got on the corner of 14th Street and Springfield Avenue an Oldsmobile Agency, and between 10th and 11th Streets have a Ford agency, who cater to the automobile trade, and I, at 16th Street, have four tenants. Above 10th Street it seems to be a sort of a dividing line on Springfield Avenue for business and it seems above the 10th Street line they are practically paralyzed as there is no business up there that can induce Mr. Lefcourt or the Pennsylvania Railroad project to give us any lift; and we are glad to get anybody up there to improve the neighborhood. I know this thing will be an improvement and will help the neighborhood. It seems that the City officials must know about it, because when you put in the new lights on Springfield Avenue you only went as far as 10th Street. Above that it seems to be a dismal darkness. We want some improvements up in that neighborhood; we are entitled to it; and I ask you gentlemen to please grant this man a permit to have a gas station at the corner of 15th Street and Springfield Avenue.

Mayor Congleton Does anyone else desire to be heard?

Mr. Fritz Herse, 604 Springfield Avenue: Gentlemen, I am against that proposition. I protest against it with my neighbors. We got a resolution down there with all names on it and more property holders in that block against it. It is only two property holders that want it.

Mayor Congleton: There is a protest here, gentlemen; you saw it yesterday. Does anyone else desire to be heard? If not, the resolution is to concur in the recommendation of the Board of Adjustment, granting the permit. All in favor will say aye; those opposed, no.

The roll being called, the resolution was declared lost by the following votes:

Yeas: Commissioners Howe and Murray.

Nays: Commissioners Brennan, Gillen, Mayor Congleton.

The following protest against the proposed ordinance regulating taxicabs was received and read:

To the Mayor and Commissioners of the City of Newark.

I respectfully request you to so change the Taxicab Ordinance pending before you, so as to permit the people of your city to ride for the lowest rate of fare that can be furnished by the owners of taxicabs.

I strongly oppose any ordinance that would give a monopoly of taxicab operation to any one company.

I urge you to safeguard the interests of the individual owner and make it possible for him to remain in business.

(Signed by 3,000 objectors.)

Ordered filed.

A communication dated July 12th, 1929, from the Newark Kiwanis Club, protesting against certain provisions of the proposed ordinance regulating taxicabs in the City of Newark, was received, read, and on motion ordered referred to Director Brennan.

The City Clerk presented An ordinance regulating and licensing taxicabs and other automobiles and the licensing of drivers thereof and designating

taxicab stands and prescribing penalties for violations, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. George F. Seymour, 18 E. Park Street: Gentlemen, I represent the independent taxi men of the city. I want it understood that we do not come here this morning in any spirit of antagonism, but rather, with a feeling of cooperation. The taxi men of Newark have known for a long time that the present ordinance is more or less obsolete and is not workable; and we are very much in favor of having an ordinance that will be more modern and will more particularly fit the business. We are anxious to have an ordinance that will benefit the riding public of the City of Newark. In this present ordinance there are some features of it that we think are not good for the riding public, nor are they good for the men who are in the taxicab business.

In Section 1 (e) you provide for stands. And in that section it says that the Department of Public Safety, under which this ordinance puts the taxicab business, designates what is a public stand. Now, one of the bad features of the present bad operation in the city is the scarcity of stands. I am told that there are 1,200 taxicabs in the City of Newark; and the taxicab stands at the present time are absolutely inadequate. Every taxicab stand is marked with a sign as to the number of cabs that may occupy that particular place; and the stands that have been designated up to this time are absolutely inadequate to provide anything in the way of stands. There wouldn't be any great harm in that, possibly, but in the same section, in paragraph (g), you prohibit cruising, or in other words, you make it illegal or unlawful for a cab to cruise up and down streets soliciting passengers. That raises a very practical question.

If there are going to be taxicabs and the cab stands are insufficient, and they are not permitted to cruise, why, there are going to be a lot of men who

are going to be practically put out of business by the fact there won't be any place to do business. We are not opposed to cruising, as cruising is popularly known, but we are of the opinion that on all the principal streets—and I think particularly for Broad Street and Market Street that the side streets should be given over—some of them should be given over for the purpose of taxicab stands, and that those stands should be open to every taxicab that has a license in the City of Newark.

At the present time there are some stands that are designated for one particular company and other stands designated for what are popularly known as independent cabs. We have a taxicab business where there are only two persons interested. One is a company and the other is all the others who are not in that company. Now, if the stands could be made near the principal streets, and there should be taxicab stands made, there wouldn't be any difficulty in keeping the cabs on those stands and they could be in a place where they would be available to give service. Under the present ordinance it is going to be rather difficult for a cab to find a place to stand, and it is going to be illegal for it to cruise. Now, we suggest to you, for your consideration, on the theory if there is to be no cruising, that something be fixed in the ordinance for the purpose of designating stands and that those stands be adequate to give service to those in the business.

Now, Section 3 raises the license fee from \$10.50 to \$25.00. We oppose that for this reason: I don't think it is any great secret that the operation of taxicabs in Newark is not very profitable. In other words, Newark has never been educated to what is called a taxicab city. It is rapidly getting there, but it isn't there yet; and there are a great many men who find the cost of operating a cab is very hard. Under the present conditions they must carry insurance, and it has a high premium, and they think that the \$10.50 is a good rate. But, at the same time they are of this opinion: If the difference between \$10.50 and \$25.00 means that it is going to benefit the riding public, they are not going to seriously oppose the raise, so they do suggest to you gentle-

men that you give consideration to whether or not the raise from \$10.50 to \$25.00 is indicated and is necessary.

Now, Section 5 is possibly the most dangerous section in the whole ordinance. It gives to the Department of Public Safety the right to establish the necessity and convenience as to the number of cabs that are needed by the riding public. Now, I might say, and I think most of you gentlemen will agree with me, that the right to establish necessity and convenience under the law of the State of New Jersey is the especial prerogative of the Public Utility Commission.

Mayor Congleton: Insofar as it relates to matters over which they have been given jurisdiction.

Mr. Seymour: Well, I won't dispute that. But there has never been, to my knowledge, an ordinance where any municipal body ever took it to themselves the right that they had the legal right to establish necessity and convenience. I might say that I have had a great deal of—

Commissioner Brennan: They have done so in other cities.

Mr. Seymour: But only one place in New Jersey. That is Atlantic City. I might say that this ordinance you have here is practically a copy of an ordinance which was passed a month ago by the City of Atlantic City. And I might say to you, I know that ordinance is going to be certiorated whether the Commission has the legal right to do it. But the point I am making—

Commissioner Brennan: Pardon the interruption. Let me ask you this: Do you feel there is room in Newark for 500 additional taxicabs?

Mr. Seymour: No, I do not.

Commissioner Brennan: That is what is attempted to be regulated. There are applications for such.

Mr. Seymour: Well, the danger of that section, Commissioner Brennan, is not in the fact that the Department of Public Safety is going to establish as law necessity and convenience. The danger is that the Department of Public Safety can say in July that the necessity and convenience is so much, and in August they can say it is so much more. I stand before you to say the taxicab man is convinced that there should be a maximum number

of taxicab licenses in the City of Newark.

Mayor Congleton: What number do you think?

Commissioner Brennan: Then what is the opposition to this?

Mr. Seymour: The opposition to that is that it is not definite. In other words the Department could say, as I see it, in the month of July that necessity and convenience requires 1,000 taxicabs, and in the month of August the same department can say it requires 2,000 taxicabs or 500 taxicabs. Now, it would certainly be easy under the ordinance to have the Commission establish a maximum number of licenses in the City of Newark. In other words, the Department could say, as you have now—you have 1,200 taxicabs in the City and 1,200 licenses issued. Now, it follows that of the 1,200 no one wants to turn down—this Department of Public Safety does not want to take a property right away from anyone. If you give a license or permit to any man in the business, then that number will come out right for these reasons: That in among the 1,200 that get licenses, if there are bad men, and I suppose out of 1,200 taxicab men there are bad men—I venture to say if you take 1,200 doctors or lawyers or anything else you would get bad men—

Commissioner Brennan: Oh, not among lawyers, no.

Mr. Seymour: Even policemen.

Commissioner Murray: You might get a few that weren't bad.

Mr. Seymour: Yes, you will get some that are not bad. The point is that we only want good operators; we want men who are going to conform to the law and carry it out to its fullest extent. Now, if this Commission should decide by ordinance that a certain definite number of cabs should be licensed in the City, then that would prevent the overriding of the streets with too many cabs; and I think we are all satisfied with the fact if you put too many cabs on the street that does not make for good service. It makes bad service because it makes bad competition. Now, in that section there it says that the Department of Public Safety shall decide the necessity and convenience. If that section could be changed so as to arrive at a figure, as I suggested before, I think the figure for

this particular ordinance at this time should be the number of licenses that have been issued. If it is the intention of the Commission to cut down that number, there is no serious difficulty with that except that number should be cut down by reason of men going out of the business rather than putting men out of the business now. In other words, they shouldn't be compelled to make a mad rush for the license department and the first fellow that gets there gets a license and the last fellow doesn't get any license. I suggest to you gentlemen that you consider that.

Section 11 is loaded with dynamite. Section 11, without any detail, gives to the Department of Public Safety the right to revoke permits. Now, that section, I find no fault with the result of it. I find no fault with the fact that the Department of Public Safety shall revoke licenses, and I don't mind saying I have cooperated in the past with the Department and hope to in the future, and if we come across bad men we are glad to get them out of the business the same as the Department is. The difficulty is that ordinance goes on without considering the fact that every man who has a license has a property right. And the intention here is that that property right should not be taken away from him until he gets a chance to make some kind of a defense and some kind of a chance to protect himself. If those details could be put in there, or a system or custom could be established whereby those revocations would result from a trial, there wouldn't be any harm in it. In other words, there is no inherent harm in trusting the Department of Public Safety to revoke licenses or issue licenses, but there is harm in the fact the ordinance does not state in particular how that is going to be done. We think that ought to be changed. Now, Section 19 fixes the rate of fare, and it fixes that taxicabs shall operate with a meter and that these meters shall regulate the price that is going to be charged for the ride.

Commissioner Brennan: The maximum price—not over a certain price. It does not regulate the minimum.

Mr. Seymour: Well, now, Commissioner Brennan, I am referring particularly to paragraph (e) on page 12.

To read that it says anyone owning, operating or driving a taxicab shall use a taximeter in determining the fare to be charged. At the bottom of the section it says, "No other rate or methods of measuring the distance or time charges shall be allowed."

Commissioner Brennan: That doesn't say how low an operator may have his range. It does prohibit the charging over a specified price per mile or fraction thereof.

Commissioner Murray: Can you set a taximeter back?

Mr. Seymour: No.

Commissioner Brennan: No. But you can charge ten cents a mile instead of forty cents, if you want to.

Mr. Seymour: If it is the intention of the ordinance, and if it can be expressed in the ordinance that you are going to fix a maximum rate of fare and an operator can charge less than that rate of fare, we have no argument at all.

Commissioner Brennan: That is the law now, that you can not charge over a maximum rate.

Mr. Seymour: No harm with it at all, Commissioner.

Commissioner Brennan: But there is nothing in either this or the old ordinance that prohibits a man from charging this maximum rate instead.

Mr. Seymour: The point I am trying to make with you is this: My reading of this ordinance provides that a taximeter shall be fixed and that the rate shall be charged according to the meter.

Commissioner Brennan: Yes, absolutely.

Mr. Seymour: Now, we have built up in Newark a large business of fifty-cent riders. That operation has saved the people if Newark thousands of dollars, as in many instances they ride three or four miles for fifty cents. And, as a matter of business, we find it pays.

Commissioner Brennan: There are not many riding three or four miles, according to complaints coming into our office.

Mr. Seymour: I don't know what complaints you receive, but I am told very many people do. The point is, if the Commission wants to make an or-

cunance which says there shall be a maximum rate of fare and that a man shall operate at any less rate of fare than that, we find no fault with that at all. Then we won't argue that at all, Commissioner. Section 36 provides for color. And by color I understand it to be if somebody has a color that nobody else is going to be imitating that color. I might say to you that I have had in the Court of Chancery maybe a hundred cases in which it was attempted by the company who owns the yellow cab here, to get the Court of Chancery to give them the exclusive right.

Commissioner Murray: Section 30 is the color section.

Mr. Seymour: Yes, 30. The Court of Chancery has invariably held that there is no inherent property right in color. And we tried out a case in Atlantic City, and that case is now pending in the Court of Errors and Appeals, trying to get a final decision on it. In New York, and in practically all States of the United States, all the courts have held that no company owns a color. Or, in other words, that they cannot take a color and claim they own it. If the discoverer of a color is the one who owns it, then the Yellow Cab as it is painted in the City of Newark does not belong to the Yellow Cab or the Yellow Cab Manufacturing Company. The Yellow Cab design as it is in Newark and as it is manufactured now by the Yellow Cab Company was originated in the City of Newark. There was a man here who long before they brought out their yellow hood, he brought out a yellow hood at the time when the Yellow Cab Company was making a black hood. Now, we have developed that in every case we have had in the Court of Chancery. The result is that the Court of Chancery has refused to protect the yellow color as far as fraud, or you might say, unfair competition is concerned. I don't know as it is unfair competition. As far as color is concerned, why, yes, we think we have as much right to the color as they have. If it is going to add anything to the City of Newark or if it is going to take from the work of the Public Safety Department that they shall refuse to allow colors to be copied, there is no great harm in that. In other words, we are not going to

find fault with things that are not vital and things that are not fatal to the business. Now, the point is this, gentlemen: We have in the City of Newark a large taxicab business. We are trying to give service to the public. We are, as a class, opposed to the monopoly of the streets. We don't believe that any one company has the right to the streets. I don't think that I am telling you anything when I tell you that it has been bruited around the City of Newark for the last year and a half that the Public Service Railway Company either owns now or is about to own the Yellow Cab Company.

The Mitten management of Philadelphia owns the cabs in Atlantic City and they run them under Mitten management. The Public Service of Newark owns cabs in Camden. It seems to us there is an effort being made by the Public Service Railway not only to run trolleys and buses, but they are now seeking to imitate the Mitten management of the U. G. I. of Philadelphia and have all the streets of the City of Newark for the purpose of public conveyance. We say to you that the people of Newark are entitled to have on their streets some competitive means of public transportation. If you read the newspapers you find that on the first of August the Public Service is going to receive a demand from their men, and it is said in the newspapers if the company does not increase their wages \$4,000,000 a year we are going to have a strike. In 1923 we had a strike and in 1923 we had a competitive system of transportation. The result was, while the City was hurt because the system was not big enough, the city was not paralyzed. If you have a strike in 1929 you are going to find you have no buses and you have no trolleys. And, gentlemen, if the Public Service at that time owned all the cabs, why, gentlemen, you wouldn't have any cabs to ride in. It is a serious situation that confronts the City; it is a serious difficulty that you have to contend with. I appreciate that seriously. We want to assist you. We want to cooperate with you. We are perfectly willing to make any investigation or check you may want. We want to be helpful; we want to have a new ordinance come out; we want that ordinance to be based on the fact that

any man can sell taxicab service for any price he can get. As has been told to me by Commissioner Brennan there are men who charge fifty cents and there are men who charge fifty cents and sometimes when they get a passenger they change a rate of fare. That is wrong. Any man who does that should be put out of the business. If you want to prevent that you require under this ordinance they can ride for anything less than the maximum rate and require that every man who is riding at less than the meter rate shall file with the Commissioner a statement of how he is riding, and every cab shall have painted on it the price at which he is riding. Then he cannot change it in rainy weather; then he cannot fool the passengers.

In that way you will make it possible for the people of Newark to have good service and ride at a lesser rate and have cheaper service. As to any method you want to adopt for putting a man out of business who does not belong in it, we are for it. I respectfully recommend to you gentlemen that you seriously consider this matter I have spoken of and that you lay this matter over until such time as it can be amended and it can be changed. We will walk right along with you as quickly as you want, and we are very anxious and very willing to have a new ordinance and have that ordinance reflect the best conditions for the riding public of the City of Newark. I thank you.

Mayor Congleton: Mr. Seymour, I would like to say that this ordinance is not formally before us. It was introduced merely for information for the very purpose of having a hearing just like we are having today. It is not even on first reading.

Mr. Seymour: Oh, I didn't know that.

Mayor Congleton: And for the purpose of having just what we are having today.

Mr. Seymour: I wanted to add this, and I forgot it. As soon as the ordinance was printed in the newspapers riders began to question drivers about it. The riders said they wanted to have some means of communicating with your Board and telling them what they thought of the ordinance. Now, we prepared a card—or, I suppose, you

would call it a paper—and here is what it says: (Mr. Seymour then read copy of petition.) Now, we have received back, I think, some 3,000 of them, and I have them here. I appreciate the City Clerk's office is pretty well crowded, but I would be glad to file them there if you want them.

Commissioner Gillen: I move they be received and filed.

Commissioner Brennan: I would like to ask you a question, Mr. Seymour.

Mr. Seymour: Surely.

Commissioner Brennan: You have stated in your remarks that you—I presume you and your clients whom you are representing—would be glad to cooperate with us in the framing of an ordinance that would meet the particular requirements of the city at the present time.

Mr. Seymour: That is right.

Commissioner Brennan: Why can't you, in behalf of your clients, arrange for a conference at some time in the very near future so that we might discuss quietly the propositions which you may have to present on behalf of the independent driver?

Mr. Seymour: I would be very glad to, Commissioner. We will leave it this way: Any time that you can arrange it we will do it.

Commissioner Brennan: Why can't you, taking this as a skeleton, submit your proposed amendments to the various sections which, in your opinion, would meet with the desires of your clients.

Mr. Seymour: I would be glad to do that.

Commissioner Brennan: All right. I will be pleased at any time to receive it. There are a number of things and there isn't any use going into them here. There are a number of reasons why a number of things which you may seem to think on the face of it is aimed at your particular clients, has been incorporated in this ordinance for no other reason than to safeguard the traveling public as measured from the complaints coming into our office relative to the treatment that has occurred to them at the hands of some particular operator.

Mr. Seymour: I will do that, Commissioner. I will take this ordinance as a skeleton, as you say, and I will

draft some changes as we think will benefit the ordinance.

Commissioner Brennan: I will be glad to go into the subject matter with you at any time.

Mr. Seymour: All right, Director; thank you.

Commissioner Brennan: I might call your attention to an application which is now pending for a fleet of 250 cabs coming in here at a rate—well, half even of your fifty cent rate. The rate to be charged and the number of licenses to be issued is something that I feel that you and your clients should give serious consideration to. As it is now, I or no other official that I know of in the city has got the right to refuse any application providing the man's character is okeh and he complies with the state law in regard to the liability bond. Personally, I do not feel that there is room for 250 additional taxicabs, to start with, on our streets in the city of Newark, which is confined to practically a limited area in the downtown section.

Mr. Seymour: Of course, we don't think there is room for 250 more either, but we don't object to someone coming in who can run at a lower rate of fare than we can. In other words, if someone can come here and give good service—a safe, dependable service—at a lower rate than we do, that only means that they know more about the business than we do.

Commissioner Brennan: I am not objecting to the lower rate of fare as proposed. I am objecting to the additional number of cabs.

Mr. Seymour: I think we have as many cabs—

Commissioner Brennan: Coming down to hardpan, they would run for a nickel a ride.

Mr. Seymour: So far as we are concerned, we are going to run for a nickel, if you have a strike. We are ready for that.

Commissioner Brennan: You won't run very long on that.

Mr. Seymour: The point is this, Commissioner: You don't think there should be 250 more cabs.

Commissioner Brennan: That is only a start.

Mr. Seymour: That is only a start, but we believe this is, too.

Commissioner Brennan: They want to run for fifteen cents a mile, I might say.

Mr. Seymour: Fifteen cents a mile is fifteen cents a mile for the first drop and five for the two halves—twenty-five cents a mile.

Commissioner Brennan: No, fifteen cents a mile.

Mr. Seymour: I might say to you, we run less than fifteen cents a mile. That is more than fifty cents a trip.

Commissioner Brennan: Depending on the trips. There aren't so many running over three miles.

Mr. Seymour: You would be surprised at the number of trips that are under fifty cents on the meter, because under fifty cents we have to charge by the meter, but over fifty cents we charge fifty cents.

Commissioner Brennan: You are supposed to charge fifty cents.

Mr. Seymour: I think that is so, and as I said to you before, and let me reiterate, that any man who changes his sign, any man who is a gyp artist in the taxicab business, we want him out of there faster than you do.

Commissioner Brennan: You have a job I don't envy you.

Mr. Seymour: Well, I will take the job and get rid of them.

Mr. David E. Feldman, 786 Broad Street: Mr. Commissioners, I am here today to represent the Newark 20th Century Taxicab Association, an organization which some five years ago started with a membership of 43 men and today has a membership close to 400—that isn't the actual figure—an organization which has purchased a piece of property fronting about 100 feet on Rankin Street about 100 feet from Springfield Avenue in the City of Newark. Now, we are opposing certain sections of the proposed ordinance, and I want to state to you that there are close to 800 men employed on these 400 taxicabs that are being operated, and who might be affected if this ordinance were to go through.

I want to call attention to Section 3. That is with regard to the fee of \$25. The men now are paying \$10.50 for the privilege of operating and to obtain a license in the City of Newark.

The organization has no objections to the fee of \$25 if the fee is to be used in a way that would better the conditions of the taxicab business. In other words, would give inspection, would test meters. We have no objections at all to paying the excess on the license fee for that purpose.

Commissioner Brennan: For your information I might say that this is our thought in establishing the rates.

Mr. Feldman: Well, if that is the thought, we have no objection to it at all.

Now, we are opposed to Section 4, wherein the ordinance states that the man applying for the license must state the value of his taxicab at the time that he makes application for the license. I might say that you gentlemen have automobiles, and I wonder if any of you gentlemen know the value of your car at the time that you go down to get your license at the end of the year. You are compelling these men to swear to an affidavit that they would be unable to do so if they were to give you a value on their taxicabs.

Section 5 we are opposing on the ground that it is going to take the property away from these fellows who are now on the streets. I call your attention to that part where it says "Who shall have power to issue or refuse such permit as the public welfare, convenience and necessity may require." I might say to you gentlemen that we are not opposed to any set figure as to the number of taxicabs that may operate in the city of Newark; but to take away the right and privilege that is being used now by the men who are operating taxicabs would be an unfair ordinance.

I want to call your attention to Section 11. "Licenses granted under the preceding sections of this ordinance shall be revoked or suspended at any time by the Director of the Department of Public Safety if the vehicle shall not be in a safe condition for the transportation of passengers." We have no objections to that, if that is the idea, as Director Brennan has said here, the fee will be used in the inspection of cars. Outside of that, if it is going to take away a right which is now given to the men, we very strongly oppose it.

Commissioner Brennan: You don't feel that a vehicle that is unsafe to ride in should be permitted.

Mr. Feldman: Absolutely no, Commissioner.

Commissioner Brennan: I don't see that that section ought to affect your organization to any extent.

Mr. Feldman: Well, if it isn't to affect our organization I have no objection.

Commissioner Brennan: I mean the bona fide operator of a cab who for his own safety will keep it in first class condition. I think that as a man representing an organization such as yours and observant in the city as to conditions, will admit there are cabs operating today that you would not want to ride in.

Mr. Feldman: I want to go on record as saying this, that I don't think you will find any 20th Century taxicab—

Commissioner Brennan: I am not talking of the 20th Century.

Mr. Feldman: If you are applying to that organization—

Commissioner Brennan: I am not talking of any particular organization, but I am talking of some cabs.

Mr. Feldman: There may be some cabs, and I think the department will be able to control that situation.

Now, I now go to Section 19 (e), and I think Mr. Seymour meant to convey this thought, but he didn't observe it in that section. "Unless such taximeter is used in determining the fare to be charged and no other or different fare shall be charged to passenger than is recorded on the reading face of said taximeter." And I believe, gentlemen, that if that section is put into effect it will do away with the 50-cent ride that the public has demanded. And I feel this, that if the ordinance doesn't have that in mind that that particular section can be changed so as to fix a maximum rate but not to fix a minimum rate.

Commissioner Brennan: That is what this already provides for. It doesn't say anything about a minimum rate.

Commissioner Murray: But it says "No other or different fare."

Mavor Congleton: Than the rate they fix on their meter.

Commissioner Murray: The argument is if a fifty-cent cab is taking a passenger beyond the limit of the fifty cents in the city, he can not collect less than the fifty cents as that would be another or different fare, because as the meter shows the fare might be sixty-five cents.

Commissioner Brennan: If the meter shows a fare based upon the rates incorporated here of sixty cents or seventy cents, there is nothing to prohibit any owner of a taxicab or a corporation owning taxicabs from establishing a rate of we will say five cents a mile less than that now charged, or provided for in the ordinance, which would bring it below the fifty-cent rate or to the fifty-cent rate.

Commissioner Howe: It doesn't say what rate.

Commissioner Brennan: It doesn't say what rate other than they cannot charge above a maximum.

Commissioner Murray: But if the fare registers more than fifty cents, then he is collecting another or different fare.

Commissioner Brennan: Yes, if he is doing it.

Mr. Feldman: That is our contention, Mr. Commissioner.

Commissioner Brennan: He can very easily so regulate his fare.

Mr. Feldman: Assuming I were to take a taxicab at Broad and Market Streets and were to run up to the City line on Chancellor Avenue. That taxicab, ordinarily under the rates that they run, would run about \$1.50. Under your provision here that man would have to collect \$1.50. We want to give a rebate to the public; we only want to charge them fifty cents. That is my contention as regards this section.

Commissioner Brennan: There is nothing here that would prohibit you from it.

Mr. Feldman: Well, let us repeat this more carefully. "Unless such taximeter is used in determining the fare to be charged and no other or different fare shall be charged to passengers than is recorded on the reading face of said taximeter." Now, that meter will show \$1.50 on it. According to this

section we are obliged to charge them that.

Commissioner Brennan: If you have your rates as they are incorporated here. But you know very well that the rates incorporated in this ordinance are the maximum rates and they have not been charged in this city for years, even on those that are charging a maximum rate.

Mr. Feldman: Mr. Commissioner, I think that you and I misunderstand each other. Assume that this particular taxicab were to take the man from Broad and Market Streets and ride at two cents a mile. By the time he gets up to the furthest part of the city, regardless of what the fare of it is, it will read more than fifty cents. According to this section you are charged what the meter reads.

Commissioner Brennan: At two cents a mile?

Mr. Feldman: I am just taking that as an idea if the city were large enough.

Commissioner Brennan: I think you would run about fifteen cents a mile to get to the farther section of the city from Broad and Market Streets before you could get over fifty cents.

Commissioner Murray: You are trying to indicate the language should be "Unless such taximeter is used in determining the rate of fare to be charged and no greater rate shall be charged."

Mr. Feldman: Absolutely. We are in accord with that. We are willing to undertake a certain rate and we are willing to live up to the rate and we are willing to comply with the demands of the Department of Public Safety at all times in regard to that rate, but we don't want to be restricted to charging a man \$1.50 when we only want to charge fifty cents; and this section gives the Department of Public Safety the right to tell you that you must charge \$1.50.

Commissioner Brennan: It does not.

Mr. Feldman: The language seems to be very clear.

Commissioner Brennan: It does not. It says that they shall not go over a certain maximum.

Commissioner Howe: Director Brennan, in the event that the meter should

be arranged so that they should charge fifteen cents a mile, and you went three miles and one-third—that is your fifty cents. That is about the average. Is that what you mean?

Commissioner Brennan: Yes.

Commissioner Howe: You don't get it. I quite agreed with you at first, but I see now that you can adjust your meter at a certain rate per mile so that you can keep within that fifty cents.

Commissioner Brennan: If he wants to keep it in operation there is nothing to prevent him; but the intention is to have the passenger know what he is about to pay, instead of being requested for an additional fare for services over fifty cents, as complaints are coming in now on the plea that he is going outside of the City limits; and some of them have in very small print on their cabs "3 mile limit." A number of taxis, for illustration, go through East Orange as a short cut in going to another point in the city, and the plea is that there is an additional fifty cents due for having to leave the city.

Mr. Feldman: Well, Mr. Commissioner, may I correct you on that? After the city limits there is not an additional fifty cents. The flag is then thrown again—

Commissioner Brennan: Yes, but you have a number of your fifty-cent cabs, for instance, going to the Vailsburg section who take the Central Avenue route and cut across into Vailsburg. That is shorter by far than going around South Orange Avenue, or especially, if taken in the vicinity of the Tubes. Complaints are coming in that they are being charged double fifty cents for having to go outside of the city limits.

Mr. Feldman: That isn't so, Commissioner.

Commissioner Brennan: When it is really a short cut for them in getting to their destination.

Mr. Feldman: Following the thought of Commissioner Howe, he says if you were to ride three and one-half miles it would total up to fifty cents. Now, assuming I were to get in a taxicab on Verona Avenue, North Newark, and I said to the gentleman, "Drive me up to Chancellor Avenue and City Line." That is eight and a half miles. Could

you adjust your taximeter so that should be fifty cents?

Commissioner Brennan: No.

Mr. Feldman: Suppose that the operator says to Mr. Jones, "Mr. Jones, the meter reads \$2.50; you are a fine gentleman. I only want fifty cents." And that is what this ordinance is trying to control. You are trying to make these men run on meter rates, unless that is so changed.

Commissioner Brennan: I cannot by any stretch of the imagination see where this prohibits you from riding a passenger for five cents or fifty cents, if you so desire; but you can adjust your meter so that passenger will know what he is about to pay no matter what section of the city he is going.

Commissioner Murray: You establish in this section rates.

Commissioner Brennan: We establish a maximum; we do not establish a minimum.

Commissioner Murray: When he drives half a mile it is forty cents. Four quarters of a mile is forty cents more.

Commissioner Brennan: He can charge that under this.

Commissioner Murray: If he drives a second mile it is forty cents more. That is \$1.20. How can he charge fifty cents under this law?

Commissioner Brennan: None of them are charging that.

Mayor Congleton: He should have his meter register slower.

Commissioner Brennan: He is fixing his rate instead of forty cents for each succeeding mile, he is fixing it at twenty cents.

Mayor Congleton: He fixes his rate to harmonize with the fifty-cent ride.

Mr. Feldman: Mr. Commissioner, would you go on record now as saying if we want to control our rates as we are today, run as we are today and charge people fifty cents for everything above fifty cents—

Commissioner Brennan: What do you mean?

Mr. Feldman: In other words, if a passenger were to ride for a dollar and the gentleman says to him, "Mr. Jones, I want fifty cents." He undersells his goods—he is in competition.

Commissioner Brennan: I can't stop him from underselling his goods.

Mr. Feldman: I want that to go on record. That is the misunderstanding.

Commissioner Brennan: No one can prohibit him from selling his goods at any price he feels like; but I feel that he should, through the medium of the taximeter, so arrange it that he is selling his goods at a lower price than he may charge.

Mr. Feldman: Oh, I see. In other words, there is no minimum charge that has been attempted by this particular section.

Commissioner Brennan: No, there is nothing in that way of conceiving it.

Mr. Feldman: Now, I heard the Commissioner comment to Mr. Seymour with regard to certain signs being removed in certain weather conditions, and I had one of the members present me with a glass, with a sign that is being used on our taxicabs, and I would like to have you Commissioners look at this.

Commissioner Brennan: How many taxicabs are they used on?

Mr. Feldman: Four hundred.

Commissioner Brennan: Since when?

Mr. Feldman: All the time, Commissioner.

Commissioner Brennan: Not all the time.

Mr. Feldman: Four hundred. Every one of them with this kalameinen number.

Commissioner Brennan: You cannot remove that.

Mr. Feldman: That is right.

Commissioner Brennan: But there are dozens of cabs in the city that haven't got a sign like that.

Commissioner Murray: How many cabs have you?

Mr. Feldman: Four hundred.

Commissioner Murray: They are on your cabs?

Mr. Feldman: Yes, and I think that the department can control that—say that the other cabs will have some means whereby signs will be on permanent.

Commissioner Murray: Commissioner Brennan: There are cabs in the City of Newark that haven't that on, and I know that is so.

Mr. Feldman: I didn't mean it from that angle.

Commissioner Brennan: I put it from that angle.

Mr. Feldman: I mean from this particular organization. Now, that sign remains on that taxicab from the day that it leaves the shop until it is junked. The only way to remove that is to scrape it off, and no gentleman is going to take pains——

Commissioner Brennan: A sign like that, I will agree with you, can not be removed or changed; but there are scores of cars that haven't got signs similar to that.

Mr. Feldman: That is right, Commissioner; but the ordinance can be made so that the Public Safety Department can control this particular situation.

Commissioner Brennan: That is what we are trying to do.

Mr. Feldman: Now, there is one other thing I want to say before I close—that we are at all times willing to cooperate with the Department of Public Safety, and, if necessary, to draft an ordinance which will be agreeable to the riding public, to the man who has a property right on the streets and to the department itself; and I think——

Commissioner Brennan: You have heard the suggestion I made to Mr. Seymour. The same is open to you and your organization. This ordinance is presented as the Mayor previously informed you, for the purpose of bringing out a discussion on it without being introduced for action by the Commission at this time.

Mr. Feldman: There is one other thing that I want to impress on this body, and that is that the 20th Century Taxicab Organization is affiliated with the Independent Order of Taxicab Associations throughout the State. I did not want to come on record here and say we are trying to do anything or deviate from their ideas. We are working in harmony with them. I wanted to leave that impression on your minds. (Applause.)

Mayor Congleton: Does anyone else desire to be heard?

Mr. Arthur Phillips, 56 Johnson Avenue: Mr. Mayor and Commissioners, I

am here representing the Kiwanis Club of Newark. The Kiwanis Club is purely a civic organization, a member of the Kiwanis International, having possibly 300 members in Newark, each one representing a business or industry, and thereby through that medium representing many thousands of citizens. The Kiwanis Club, while it approves of most of the sections in the proposed ordinance, desires to protest against the following sections:

Section 5. Under this section the club feels that too much power is given to the Director of Public Safety, and that in the hands of an unscrupulous man would lead to serious discrimination. As long as an applicant complies fully with the regulations and the prescribed rules as set forth in the ordinance he should not be denied a permit.

Mayor Congleton: You mean by that, Mr. Phillips, you think just as fast as they come in every one who wants to operate a taxicab should be permitted?

Mr. Phillips: No, we do not.

Mayor Congleton: That is what I took from the reading of that paragraph, "As long as he complies with the rules and regulations he should be given a permit."

Mr. Phillips: No, as long as the applicant complies with the regulations.

Mayor Congleton: You mean after a permit has been granted to a person?

Mr. Phillips: That is it. Section 11. The club feels that the licenses should not be revoked unless the accused party has had an opportunity to present his side of the controversy.

Commissioner Brennan: Surely, you don't imagine a license would be revoked by any public official having the interest of the city, not alone recognizing his own powers or the limitations placed upon him by the courts in revoking any permit granted a man without giving him an opportunity to be heard?

Mr. Phillips: I am sure it wouldn't happen while you are in office, but I am—

Commissioner Brennan: I am talking about any man.

Commissioner Murray: A man must have his day in court.

Commissioner Brennan: In reply to that criticism of Section 5, would you

consider a man who has possibly been convicted of a serious offense against the community should be given a license?

Mr. Phillips: No, and I don't think he would give him one.

Commissioner Brennan: That is the purpose of this section.

Mr. Phillips: We are particularly objecting to paragraph (e) of Section 19. The club feels that this section will prohibit a flat rate in the City of Newark and will cause a monopoly of the business to fall into the hands of one or two companies. We feel that every man is entitled to fix his own fee, as far as the city is concerned, provided the fees do not exceed the rates prescribed in the proposed ordinance; and that if he desired to operate his cab at a flat rate, the privilege should not be denied him. Should this section become effective it will deprive the citizens of Newark of riding in cabs at a rate satisfactory to them, which obviates any disagreements as to the correctness of meter tabulation. The club is in entire accord with the balance of the entire ordinance. (Applause.)

Mayor Congleton: Does anyone else desire to be heard?

Mr. Delancey Nicoll, Jr., 61 Broadway, New York: Mr. Mayor and Commissioners, I represent the Ford Motor Company, which is a neighbor of yours at Kearny. We have read over this ordinance and think you have made a good start. The only objection we have to make is to Section 1, paragraph (a). That says, "A taxicab is a public vehicle so designed and constructed as to comfortably seat not less than five persons inside thereof, exclusive of the driver, and which accepts passengers for conveyance for hire." Now, the reason we object to it, you obviously see, is because Ford Motor Company makes a taxicab which seats four persons and not five. Lately we have had quite a little experience with taxicabs and taxicab questions—not in Newark, but in other cities—and we have had occasion to make surveys of the number of persons carried by taxicabs—not in Newark, but I suppose Newark is no different from any place else—and the average number of persons carried by a cab per trip is one and one-half persons. You know that the tendency in motor car construction has been away

the big car to the smaller or lighter vehicle. The tendency in taxicab construction has been the other way. It is beginning to change now; and the taxicab of the future will be a small, light, swift, safe vehicle instead of a large, cumbersome vehicle which will clutter up the streets of this city and delay traffic and transportation. Now, you are particularly interested in that in Newark because you have a very limited area and you have a very congested area. And we submit that it would be unwise to fix the size of a taxicab as one which will require five persons or one which will require a maximum of five persons. It is unnecessary and it is too big; and if you will change the word "five" to "four" or "three," or change the word "less" to "more" we think you will then have adopted an ordinance which will be lasting and satisfactory. Now, the effect of the adoption of this ordinance, section 1, with section 3 and section 5, would be to make it impossible for Ford Motor Company, or anybody else manufacturing a similar cab, to sell that cab in the City of Newark; and we think that would deprive Ford Motor Company, or anybody else, of its property without due process of law, and we think that such an ordinance could not be sustained as reasonable. We submit that to you gentlemen for your consideration and hope you will find a way to remedy the condition. (Applause.)

Mayor Congleton: Does anyone else desire to be heard?

Mr. Eugene C. Johnson, care of Traffic Club of Newark: I am representing the Traffic Club of Newark. Sometime in February we drew up a set of resolutions and sent them to the Director of Public Safety. The president of the Traffic Club wants me to attend this meeting and register the thought that the Commissioner of Public Safety was the best one to say what should go in this ordinance, and although we are composed of 500 men who know something about rates, we have nothing to do with the rate end of the ordinance, but we do believe that Mr. Brennan, the Director of Public Safety, should say what should go into that ordinance.

Mayor Congleton: Does anyone else desire to be heard?

Mr. Harry I. Jacobs, 75 Central Avenue. Gentlemen, I represent the General Motors Truck Company. I had no intention of talking until the Ford representative asked for an amendment to that section covering the capacity of the cabs. We, as a company, have no grievance and do not wish to make any request other than that you seriously consider, before you make any change in this cab regulation--the principal reason for that would be your factor of safety. A lighter car with increased speed is bound to result in greater accidents, and where accidents happen your damage will be greater. (Applause.)

Mayor Congleton: Does anyone else desire to be heard?

Mr. John H. Broemel, Secretary of the Essex County Livery and Auto Association: Mr. Mayor and Commissioners, I am secretary of the Essex County Livery and Auto Association. Our business is principally funeral work, and a few weddings at times. Now, we wanted to know how this ordinance is affecting our line of work or the way we come under it.

Commissioner Brennan: It has not been intended, as I previously told you Mr. Broemel, to apply to your particular line of work. As I agreed with you previously, it was the thought to exclude from the provisions all vehicles used exclusively for funeral purposes.

Mr. Broemel: How about weddings?

Commissioner Brennan: We have to do something to regulate wedding coaches, as I might say for your information, it is one of the most prolific sources of complaints that at times come to us. I don't say from your association, but they are coaches all the same.

Mr. Broemel: Of course, we would be entirely willing to give up the wedding proposition, but every once in a while a personal friend comes along—

Commissioner Brennan: How would you rent your other end of the business if you gave that up? But you don't have to worry about the ordinance affecting that particular end of it.

Mr. W. Halsey Smith, 160 Clinton Avenue: Mr. Commissioners, when your last ordinance was up a committee appeared before you and we were told the same thing—it wouldn't affect

us; and yet it was only a few months after that some overzealous official went to one of the establishments—not to a man on the street—we are asking no privileges—our cars don't stand on the street—but they went to his garage. He didn't have a chauffeur in and they prevailed on him to take them somewhere, and then after he did it, after he did make the trip, they took him and made charges.

Commissioner Brennan: They did?

Mr. Smith: Yes, sir. That is the one thing we want to avoid.

Commissioner Brennan: What was the disposition of the charges?

Mr. Smith: I don't know. Goener, a taxpayer in this city, was—

Commissioner Brennan: That is something new to me.

Mr. Smith: Well, it was done just the same. You didn't know it, I know, or you wouldn't have stood for it. But the ordinance should be plain. It should state specifically. Our cars are sent out from the garages only, and yet under your ordinance we would be obliged to submit to the prices—the way your ordinance reads we would—

Commissioner Brennan: What section of it?

Mr. Smith: Take your price list, section 20, I think it is.

Mayor Congleton: It comes under "Definitions," Commissioner Brennan.

Mr. Smith: It would simply mean that you wouldn't have a car available in the City of Newark for funeral or wedding work, because there isn't a man who could stay in the business under these circumstances. I would like to call your attention to another thing. We operate an ambulance service—my own organization—that is really an institution, and needed in this city. Do you suppose we could operate our ambulances under such rules as this?

Commissioner Brennan: It was never intended—

Mr. Smith: It isn't the intention; it is what you have got there—that is the point we object to. And we would like a specific exemption.

Commissioner Brennan: As was stated more than once during this hearing, this ordinance has been intro-

duced for the purpose of bringing out — —

Mr. Smith: That is why I want to make that just as strong as I possibly can.

Mayor Congleton: If you use the same words at the end of section (a) as you have in paragraph (b), section 1, I think it would exempt him. You don't pick them up on the city streets.

Mr. Smith: No, not at all.

Mayor Congleton: That lets you out.

Mr. Smith: I think it is more the wording than the intent.

Mayor Congleton: It says in section 1, paragraph (b), it must be one that picks them up on public streets or any public place. You don't do that on public streets or any public place so you don't come within that provision.

Mr. Smith: The same thing will apply to a wedding.

Mayor Congleton: Does anyone else desire to be heard?

Commissioner Gillen: I move the public hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

A communication dated July 6th, 1929, from John A. Bernhard, addressed to Corporation Counsel Boettner, suggesting various changes in the proposed ordinance regulating taxicabs, was received, read and on motion ordered referred to Director Brennan.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to amend an ordinance entitled "An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of Newark, New Jersey," adopted July 15, 1924.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Section 352, Paragraphs VII and VIII of an ordinance entitled "An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of

Newark, New Jersey," adopted July 15th, 1924, be and the same is hereby amended as follows:

Section 352—Shafts.

VII. Fire tower walls shall be of brick or reinforced concrete not less than 8" thick.

Elevator shaft walls below grade and also for the height of the ground story shall be of brick or reinforced concrete not less than 8" thick:

In non-fireproof buildings and buildings of hazardous occupancy, buildings designed for manufacturing, and tenement houses, the elevator shaft walls above the ground story shall be of brick or reinforced concrete not less than 8" thick.

In fireproof buildings of non-hazardous occupancy, such as office buildings, the elevator shaft walls above the ground story may be enclosed with 6" hollow terra cotta tile, if such walls are supported at each story on structural steel or concrete, properly reinforced.

VIII. Not more than four (4) elevators shall be placed hereafter in any one shaft, and where there are only four (4) or less elevators in any building they shall be placed in two separate shafts.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that July 31st, 1929, at 10 A.M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following communications were received and read:

**The City of Newark,  
Law Department,**

July 15th, 1929.

The Board of Commissioners  
of the City of Newark.  
Addressed.

Gentlemen:

On July 9th certain property owners in the vicinity of 137 Hudson Street appeared before your Honorable Board and complained that a permit had been granted for the use of the premises as a garage or automobile repair shop, without proper notice to them. A list of the property owners who claimed that no service had been made on them was also presented.

The Board of Adjustment, to whom the matter was referred, has asked my assistance in their investigation, and desire that I submit to you a report of their efforts.

Proof of service of notice in this matter was made by George E. Jones, an architect, and shows that notices were served for every property owner within the required area. Many of the names contained in his affidavit are also found among the complainants, raising the question of the veracity of the parties.

One of the complainants, Matteo De Maria, who retained counsel to appear before the City Commission, is the husband of Maria De Maria, who sold the property in question to Michael Michnowski, the applicant. This man signed the contract of sale, which contained the provision for rescission in case the permit was not obtained. His wife also signed the application for the permit. He still owns the adjoining premises. After talking with Mr. Seibel, De Maria's attorney, and acquainting him with the foregoing facts, he admitted to me that his clients were in no position to make these protests.

It is quite likely that some of the property owners within the required area did not receive proper notices. The proof filed, however, did not so reveal, and the Board of Adjustment properly took jurisdiction. The complaint now before the Board, coming to them as it does, from De Maria, does not savor of good faith. Certainly it does not warrant that any fraud has been perpetrated by the applicant. The

applicant has gone ahead with the work on the premises; to revoke the permit now would work an irreparable hardship on him. It is my opinion that the Courts would not sustain such an action.

In discussing the matter with the Board of Adjustment, I have concluded that the present method of service of notice as required by the statutes, can be improved by the old system of service by registered letter, rather than by personal service. It may be argued that personal service has been found effective in our Courts,—there service is made by duly qualified officers. The Zoning statute permits service by persons in interest,—the negligence of the party might work as severe a hardship as outright dishonesty.

With your concurrence, I will recommend to the next legislature, an amendment to the present Zoning Law, in accordance with this thought.

Respectfully yours,

Frank A. Boettner,  
Corporation Counsel.

Ordered filed.

**The Board of Adjustment,  
City of Newark, N. J.**

July 11, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Samuel W. Rice for a gasoline station at 649 Frelinghuysen Avenue, northwest corner of Powell Place.

This application was rejected by the Superintendent of Buildings on April 20, 1929, and an appeal filed with the Board of Adjustment on May 24th.

A public hearing was ordered for May 16th, at which time the matter was laid over for two weeks owing to the illness of Mr. William L. Greenbaum, attorney for the applicant. On June 6th the matter was again laid over for the same reason. At the meeting on June 20th, Mr. Rice, owner, stated that notices had not been sent out to neighboring property owners

until June 19th, and the matter was again laid over.

On July 11th, Mr. Greenbaum, counsel for the applicant, was present. Mr. Sol Burman, 58 Dayton Street, was the only objector to appear.

The application was granted by the unanimous vote of the Board members present, Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

There is no church, school, or similar institution within 200 feet.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

A petition favoring the application and signed by twelve property owners, was filed with the Board.

Received and copies sent to each Commissioner and to be taken up on July 31, 1929.

**The Board of Adjustment,  
City of Newark, N. J.**

July 11, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Charles Rein for a public garage at 165 West Kinney Street.

This application was rejected by the Superintendent of Buildings on June 4th, and an appeal filed with the Board of Adjustment on June 7th.

A public hearing on the appeal was ordered for June 20th, at which time Mr. Louis Auerbacher, Jr., appeared as counsel for the applicant, and presented a petition in favor of the application signed by thirty-one property owners in the immediate neighborhood. The proposed building will displace a dilapidated brick structure. Mr. I. J. Liss, part owner of 163 West Kinney Street, was the only objector to appear. He stated that notice of the application had been brought to his attention only that morning. It was

hown by Mr Auerbacher that Mr Liss' partner, Ira Silberman, had been served with a notice of the application on June 14th, and that Mr. Silberman had not entered an objection. The matter was laid over for two weeks in order to give Mr. Liss more time to consider it.

At the meeting of July 11th no further protests were entered, and the application was granted by the affirmative votes of Mr. Fitzsimmons, Mr. Higgins and Mr. Lawrence. Mr. Teichner is recorded as not voting, and Chief Towey was absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

There is no church, school or similar institution within 200 feet.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received and copies sent to each Commissioner and to be taken up on July 31, 1929.

City of Newark, N. J.

July 11, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of the Spruce Realty and Mortgage Company for a gasoline station at 22-24 Jones Street.

This application was rejected by the Superintendent of Buildings on June 26th, and an appeal filed with the Board of Adjustment on June 29th.

A public hearing on the appeal was ordered for July 11th, at which time Mr. A. J. Isserman appeared as counsel for the applicant. Mr. Meyer Zemel who has owned 27-29 Jones Street for about twenty years, and who also represented Mr. J. Genet, owner of 28-30 Jones Street, spoke in favor of the application, and expressed the belief that the proposed station would be of benefit to the street. Mr. Gross, owner of

28-30 Jones Street, was the only objector present.

The application was granted by the unanimous vote of the Board members present, Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

There is no church, school or similar building within 200 feet.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received and copies sent to each Commissioner and to be taken up on July 31, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of the Ritz Holding Company to alter two stores at 315-317 Clinton Avenue for use as an automobile showroom.

This application was rejected by the Superintendent of Buildings June 21, 1929, and an appeal filed with the Board of Adjustment on the 25th of June.

A public hearing on the appeal was ordered for July 11th, at which time Mr. David Litwin appeared as counsel for the applicant. No objectors were present.

The application was granted by the unanimous vote of the Board members present, Chief Towey being absent, on condition that no gasoline be sold and no repairing of cars be done on the premises.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above alteration and use be allowed.

There are two churches within 200 feet of the property in question.

The Board of Adjustment,

**Silberman & Silberman,  
Attorneys and Counsellor at Law  
1060 Broad Street,  
Newark, N. J.**

July 11, 1929.

Hon. Jerome T. Congleton,  
Mayor of The City of Newark,  
City Hall, Newark, N. J.

Dear Mayor:

I represent the Bonded Finance Corporation, the owner of the premises No. 20 Jones Street, and have been just accidentally informed that the Zoning Board has granted an application for a gasoline station to the owner of premises Nos. 22-24 Jones Street.

It was my impression that adjoining property owners are notified whenever an application of such nature is to be acted upon, and I can assure you that if we had been notified we would have appealed this afternoon and registered our objections to the granting of the application.

I have been informed by Mr. Rankin this afternoon that this matter is to come up before you on Wednesday, next, at 11:00 A. M., and I am writing for the purpose of asking you to investigate the matter and vote against the granting of the application.

Our building houses a number of building and loan associations and I am sure that you will agree with me that a gasoline station on the adjoining plot will be detrimental to us and in view of the large amount we have invested in that building and in equipping the same a great injustice will be done to us should that application be granted.

I shall personally appear before you on Wednesday, next.

Very truly yours,

Paul R. Silberman.

Copy to each Commissioner.

Mayor Congleton: Does any person have any matter to bring to the attention of the Commission? If not, a motion to adjourn is in order.

Commissioner Brennan: I move that we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
W. J. BRENNAN  
JOHN HOWE  
JNO. F. MURRAY, JR.  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N. J., July 24, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The minutes of July 17th were read and approved.

The City Clerk presented An ordinance to provide for the grading, curbing, flagging and paving of Albert Avenue from Chapel Street to Lockwood Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: This is the matter we had up last week, gentlemen, and I would like to ask that it be laid over for another week. We haven't got the matter worked out yet.

Mr. Joseph Gunn, Ironbound Manufacturers' Association: I might say the property owners all along the line are perfectly agreeable to the paving of it from Cornelis Avenue to Lockwood Street.

Commissioner Brennan moved that the ordinance be laid over until July 31st.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance providing for the vacation of that portion of Queen Street, beginning at a line parallel to and distant 462.50 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, and extending easterly from said parallel line 375 feet, more or less, to the easterly terminus of said Queen Street, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading.

An ordinance providing for the vacation of that portion of Queen Street, beginning at a line parallel to and distant 462.50 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, and extending easterly from said parallel line 375 feet, more or less, to the easterly terminus of said Queen Street.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance providing for the vacation of that portion of Queen Street, beginning at a line parallel to and distant 462.50 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, and extending easterly from said parallel line 375 feet, more or less, to the easterly terminus of said Queen Street," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance providing for the vacation of that portion of Queen Street, beginning at a line parallel to and distant 462.50 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, and extending easterly from said parallel line 375 feet, more or less, to the easterly terminus of said Queen Street.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton: Does any citizen have any matter that they desire to present to the Commission this morning?

(No response.)

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Fabyan Place from Chancellor Avenue southwesterly about 1380 feet to the Essex-Union County Line with asphalt pavement (1½" top-1½" binder)

on a six (6) inch concrete foundation and authorizing the making and execution of a contract with the Town of Irvington for the payment by said Town of a portion of the cost.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Fabyan Place from Chancellor Avenue southwesterly about 1380 feet to the Essex-Union County Line shall be paved with asphalt pavement, (1½" top-1½" binder) on a six (6) inch concrete foundation with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities", approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be made by the City of Newark,

in accordance with an agreement between the Town of Irvington and the City of Newark, setting forth the work to be undertaken, the plans and specifications therefor, and that the cost of the improvement lying within the Town of Irvington shall be borne by the Town of Irvington together with a pro rata share of all incidental expenses incurred by the City of Newark, including advertising, engineering services and inspection of the work during the progress of said improvement and the completion of said improvement and the certification of the cost of the same by the Chief Engineer of the Department of Public Affairs of the City of Newark to the Town of Irvington, such cost shall be paid by the Town of Irvington to the City of Newark.

Section 3. That in order to temporarily finance said improvement the sum of Forty-five thousand one hundred dollars (\$45,100.00) is hereby appropriated and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions of an act entitled "An act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission," approved March 22, 1916 (P. L. 1916-525), and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That upon the passage of this ordinance the Director of the Department of Public Affairs and the City Clerk be and the are hereby authorized and directed to execute a contract with the Town of Irvington on behalf of the City of Newark containing the provisions of this ordinance.

Section 5. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that August 14, 1929, at 10 A.M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving and repaving of Third Street from the southerly line of Abington Avenue to Berkeley Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Third Street from the southerly side of Abington Avenue to Berkeley Avenue shall be graded, curbed, flagged, paved and repaved with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb,

under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated July 17, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands in the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$19,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$19,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such tem-

porary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that August 14, 1929, at 10 A.M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton offered the following resolutions:

RESOLVED, That the contract between The City of Newark and Charles Bruning Company, Inc., the lowest formal bidder in response to public advertisement for sealed proposals for furnishing and delivering to the Department of Public Affairs of Tracing Cloth, a copy of which contract dated June 12th, 1929, hereto is annexed, be and the same hereby is approved, and the Director of the Department of Public Affairs and the City Clerk hereby are authorized and directed to execute the same on the part of The City of Newark upon the adoption of this resolution.

Jerome T. Congleton

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

**WHEREAS**, The Board of Commissioners of Assessments for Local Improvements of the City of Newark made an award of Six hundred fifty-six dollars and twenty-five cents (\$656.25) to the unknown owner of land and real estate and rights and interests therein to be taken by the City of Newark for the opening of Lidgerwood Place 50 feet in width from Frelinghuysen Avenue easterly about 340 feet, under and by virtue of the provisions of an ordinance of the Board of Commissioners of the City of Newark, adopted November 20, 1928, by their report duly made in accordance with law, such award being designated therein as award No. 2; and

**WHEREAS**, Said award was duly confirmed by the Circuit Court of the County of Essex on December 22, 1923, and this Board is now advised by the

Corporation Counsel of the City of Newark that uncertainty exists as to who is entitled thereto, because of the fact that the name of the owner of said premises cannot be ascertained, such award should be paid into the Court of Chancery of the State of New Jersey, there to be distributed to the person or persons entitled thereto according to law;

THEREFORE BE IT RESOLVED, That the said sum of Six hundred fifty-six dollars and twenty-five cents (\$656.25) be paid to the order of "Chancellor of New Jersey" and delivered to the Clerk in Chancery and said sum is hereby appropriated to the Chancellor of New Jersey accordingly;

BE IT FURTHER RESOLVED, That the corporation Counsel of the City of Newark be and he is hereby authorized and directed to sign the Acting Auditor's receipt book, and to endorse the warrant for said award, and thereafter to cause same to be paid to the Clerk in Chancery of New Jersey in accordance with law and this resolution.

JNO. F. MURRAY, JR.  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk,

Newark, N J , July 31, 1929

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The minutes of meeting of July 24th were read and approved.

The City Clerk presented An ordinance to provide for the construction of a system of sewers to be known and designated as the "Avenue P Sewers and Branches, Section 1," and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance? (No response.)

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to provide for the construction of a system of sewers to be known and designated as the "Avenue P Sewers and Branches, Section 1."

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.  
Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance to provide for the construction of a system of sewers to be known and designated as the "Avenue P Sewers and Branches, Section 1," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the construction of a system of sewers to be known and designated as the "Avenue P Sewers and Branches, Section 1."

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the grading, curbing, flagging and paving of Albert Avenue from Chapel Street to Lockwood Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch

concrete base, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Gentlemen, this is an ordinance that we have had before us now for two or three weeks. As introduced it provided for the paving from Chapel Street to Lockwood. The request now is we only pave between Cornelia Street and Lockwood. Chapel Street is a paved street, and it means that people who use the part to be paved in accordance with the request, would have to travel through a lot of mud and dirt just the same, and I do not see any sense in paving a part of it and not all of it. They suggest we pave from here to her (indicating on map) and leave all that all mud (indicating). I do not see the sense of it, myself. It either all ought to be paved, or postponed entirely, in my judgment.

Mr. Joseph Gunn, Secretary, Ironbound Manufacturers' Association: Usually the Ironbound Manufacturers' Association is for street improvement. Ordinarily they would be for this street improvement, but there are circumstances which prompt them to suggest that half of it be paved now and it probably be completed in two years. The reason for that is that the Stanley Rule and Level Company, which has been for both the improvement of Lister Avenue and Chapel Street, will receive an added assessment of about \$15,000 on this particular street. After conference with the people who live in that section between Lockwood Street and Cornelia Street, it is satisfactory to them, as well as to the manufacturers, to have the street paved from Cornelia Street to Lockwood Street. They have Lister Avenue and Chapel Street to come in on. Joseph Street has been paved and Esther Street will be paved.

Mayor Congleton: Those are streets running at right angles. But it doesn't meet the objection I have; people coming down Chapel Street, to get to the part of Albert Avenue that is paved have got to go through mud and dirt; and it will be very difficult for the Department of Public Safety to get in there if there is a fire. They have got to go a block out of their way. The

part proposed originally, you say, is too long. I say it all ought to be paved or postponed.

Mr. Gunn: With the fire apparatus they can get down very much better than they have for the last twenty-five years.

Mayor Congleton: Not on Albert Avenue.

Mr. Gunn: Within two years Lister Avenue and Chapel Street were paved. Until those were paved there was unpaved streets down there. They have an entrance on Chapel Street and Lister Avenue, and this assessment on Stanley Rule and Level Company for improvements over a period of two years will amount to \$30,000.

Mayor Congleton: They have five years to pay it in.

Mr. Gunn: Well, they ask it not—

Commissioner Murray: That part of the City is slow in development, and probably because of the condition of the streets down there. It has been passed up.

Mayor Congleton: The proposed paving is only seven blocks long. Now they want us to cut three blocks out and pave four blocks. That makes very expensive paving, and I am opposed to it. If the people are opposed to it we won't pave it, but I certainly am against paving only four blocks.

Commissioner Howe moved that the ordaining clause of the ordinance be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance providing for the vacation of Marion Street, from Grafton Avenue northerly to the northerly line of Montclair Avenue; for the vacation of Montclair Avenue from the easterly line of the right of way of the Newark and Paterson Branch of the Erie Railroad easterly about 667 feet to the westerly line of Riverside Avenue (formerly River Road to Belleville); for the vacation of Riverside Avenue as it is laid out 80 feet in width on the Commissioners' Map of Woodside Annexation, from Grafton Avenue northerly to the northerly line of Montclair Avenue,

excepting that part of the above described Riverside Avenue lying within the lines of Riverside Avenue (formerly River Road to Belleville), and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Commissioner Brennan moved that the ordinance be laid over until August 7th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to amend an ordinance entitled "An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of Newark, New Jersey," adopted July 15, 1924, and stated that today was the time fixed for hearing on the same.

Commissioner Brennan: This is an ordinance, gentlemen, as I explained a few weeks ago, to permit the substitution of hollow tile on elevator shafts in office buildings. It was recommended by architects, and as the ordinance on hearing before you now is drawn, it is not opposed by the Fire Engineering Division.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. William L. Morgan, Prudential Building: Mr. Mayor, I represent the National Newark and Essex Building Corporation, and we are particularly interested in having this ordinance passed for the reason that the cost of our construction of the large 32-story building, it makes it on the same basis as the construction of New York office buildings. That will carry several elevator shafts, and the ordinance as drawn and as in force now, I think it might be safely said contemplates only a building of limited stories. This building is to be 32 stories high and will have at least four elevator shafts. The extra weight required to support solid brick upon the steel frames would mean we would have to go to the expense of having the beams much larger and much more expensive, and it would be out of line with the type of construction that is being used in

New York on their office buildings. This ordinance, as now drawn, I understand complies with the requirements in New York.

Mayor Congleton: Does anyone else desire to be heard?

(No response.)

No one else appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to amend an ordinance entitled "An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of Newark, New Jersey," adopted July 15, 1924.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that the title of "An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of Newark, New Jersey, adopted July 15, 1929," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to amend an ordinance entitled "An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of Newark, New Jersey," adopted July 15, 1924.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to authorize the purchase of Fire Apparatus and providing for the financing thereof.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That the purchase of Fire Department Apparatus be and the same is hereby authorized.

2. That the cost of the purchase of said Fire Department Apparatus shall not exceed the sum of One hundred thousand dollars (\$100,000.00).

3. Pursuant to the provision of Section 13, Chapter 252 of the Laws of 1916, as amended, there shall be issued Temporary Loan Bonds of the City of Newark, in an aggregate principal amount not exceeding One hun-

dred thousand dollars (\$100,000.00), bearing interest at a rate not exceeding six per centum (6%) per annum, payable semi-annually, for the purpose of temporarily financing the cost of said purchase. All other matters in respect to said Temporary Loan Bonds shall be determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and Chapter 252 of the Laws of 1916, as amended, and the Director of the Department of Revenue and Finance is hereby authorized to issue said Temporary Bonds at such time or times and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Auditor and City Clerk are hereby authorized and directed to execute said bonds or so many thereof as the Director of Revenue and Finance shall deem it advisable to issue.

4. The sum of One hundred thousand dollars (\$100,000.00) to be raised by the issuance of said Temporary Bonds, is hereby appropriated for the purpose for which said bonds are hereby authorized to be issued.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that August 14, 1929, at 10 A.M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

The following communication was received and read:

City of Newark, New Jersey.  
Department of Public Affairs.

July 31, 1929

Re: Sale of Meadow Lands to Westinghouse Electric & Manufacturing Company.

The Board of Commissioners  
of The City of Newark.  
Addressed.

Gentlemen:

In pursuance of a resolution of this Board, I advertised for sale on July 30, 1929, at my office, property in the City of Newark, Essex County, New Jersey, described as follows:

Measuring from a point at the intersection of the westerly line of Haynes Avenue (the same being the side line of a street 120 feet wide) and the westerly side line of Haynes Avenue Extension (which is the side line of a 75-foot street) along said northerly side line of Haynes Avenue Extension in a southwesterly direction eleven hundred forty-two and sixty-eight hundredths feet (1142.68) to a point and place of beginning; thence (1) along a course N. 30° 48' 07" E. thirteen hundred and forty-four and thirty-four hundredths feet (1344.34); thence (2) along a course S. 59° 11' 57" E. nine hundred and forty feet (940); thence (3) along a course S. 30° 48' 07" W. eleven hundred forty-two and sixty-eight hundredths feet (1142.68) to the point and place of beginning.

The above tract being located in Port Newark Terminal and containing twenty-two acres (22), be the same more or less, as shown on the map hereto attached and made a part hereof and marked "Exhibit A," in connection with which description and for the purpose of definitely determining the starting point, the intersection of the center lines of Haynes Avenue and center line of Haynes Avenue Extension is twenty-seven hundred thirty-nine and twenty hundredths feet (2739.20) south of the intersection of the center line of Haynes Avenue and center line of Peddie Street.

The property was sold to the Westinghouse Electric and Manufacturing Company subject to certain terms and conditions as specified in an agreement between The City of Newark and said

Company, a copy of which is attached, for the sum of \$250,000, said Westinghouse Electric & Manufacturing Company being the highest bidder.

I accordingly struck off said property to said Company, in accordance with its bid, such sum being the highest and best price which I could obtain for said lands.

Yours very truly,

Jerome T. Congleton,  
Mayor-Director of the Department of Public Affairs.

Ordered filed.

Mayor Congleton offered the following resolution:

WHEREAS, By resolution adopted by this Board the Director of the Department of Public Affairs was authorized to sell at public sale, to the highest bidder, lands in the City of Newark, Essex County, New Jersey, described as follows:

Measuring from a point at the intersection of the westerly side line of Haynes Avenue (the same being the side line of a street 120 feet wide) and the westerly side line of Haynes Avenue Extension (which is the side line of a 75-foot street) along said northerly side line of Haynes Avenue Extension in a southwesterly direction eleven hundred forty-two and sixty-eight hundredths feet (1142.68) to a point and place of beginning; thence (1) along a course 30° 48' 07" E. thirteen hundred and forty-four and thirty-four hundredths feet (1344.34); thence (2) along a course S. 69° 11' 57" E. nine hundred and forty feet (940); thence (3) along a course S. 30° 48' 07" W. six hundred ninety-four and sixty-four hundredths feet (694.64); thence (4) along a course S. 86° 09' 03" W. eleven hundred forty-two and sixty-eight hundredths feet (1142.68) to the point and place of beginning.

The above tract being located in Port Newark Terminal and containing twenty-two acres (22), be the same more or less, as shown on the map hereto attached and made a part hereof and marked "Exhibit A," in connection with which description and for the purpose of definitely determining the starting

point, the intersection of the center lines of Haynes Avenue and center line of Haynes Avenue Extension is twenty-seven hundred thirty-nine and twenty hundredths feet (2739.-20) south of the intersection of the center line of Haynes Avenue and center line of Peddie Street. and,

WHEREAS, In accordance with said resolution the Director of the Department of Public Affairs did expose at public sale said lands, and did receive therefor, in the sum of \$250,000.00 subject to terms and conditions set forth in a proposed agreement between The City of Newark and the Westinghouse Electric & Manufacturing Company, a copy of which is attached hereto, such bid being made by the Westinghouse Electric & Manufacturing Company, a corporation, and being the highest bid received therefor, and did accept such bid;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the action of the Director of the Department of Public Affairs in accepting the aforesaid bid, be and the same is hereby ratified and confirmed; and the Mayor and the City Clerk are hereby authorized and directed to execute the contract between The City of Newark and the Westinghouse Electric & Manufacturing Company, a copy of which proposed agreement is attached hereto, and that the Mayor and City Clerk be and they are further authorized and directed to execute a Warranty Deed to the purchaser of said lands, in accordance with said bid and contract.

Jerome T. Congleton  
W. J. Brennan  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this

Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of L. Metts for a gasoline station on Haynes Avenue, 1,000 feet south of Peddie Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

W. J. Brennan  
Jerome T. Congleton  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following resolution was presented:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Louis Adler for a gasoline filling station at 216 Wilson Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Commissioner Murray: I went down

there yesterday, and it is just east of the State Highway.

Mayor Congleton: Then that is close to the ball park.

Commissioner Murray: Well, it is about 1,500 feet this side of it.

Commissioner Howe: I move it be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of Ritz Holding Company to alter two stores at 315-317 Clinton Avenue for use as an automobile showroom;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

W. J. Brennan  
Jerome T. Congleton  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

Commissioner Murray: No gasoline, no repairing to be done on the premises. They specify that: There is no room for a big station anyway.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following resolution was presented:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Michael Pastore for four additional garages in the rear of an apartment house at 90-92 Grafton Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Commissioner Brennan moved that the resolution be laid over until August 7th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Samuel W. Rice for a gasoline station at 649 Frelinghuysen Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

W. J. Brennan  
Jerome T. Congleton  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

Commissioner Murray: That is a corner. I looked all those over yesterday and this would be a benefit rather than a detriment.

Mayor Congleton: Are you going to clean out the grounds where you have your graveyard?

Mr. Rice: Yes, sir.

Mayor Congleton: What are you going to do, move them a little further in back of the gas station?

Mr. Rice: No, sir, we are not going to have anything in that. I have signatures from twelve owners right around that vicinity, and it is a heavy industrial section.

Mayor Congleton: How near is there another gas station to you?

Commissioner Howe: Across the street?

Mr. Rice: No, sir. None around there at all.

Commissioner Howe: How far are you from the park?

Mr. Rice: Quite a ways from the park.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following resolution was presented:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Charles Rein for a public garage at 165 West Kinney Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved,

and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

Commissioner Murray: That is apparently an old building, all boarded up and useless, but it is between the building occupied as a drug store and people living upstairs in a building on the other side of it. I don't think it is a good place.

Commissioner Murray moved that the resolution be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Spruce Realty & Mortgage Co. for a gasoline station at 22-24 Jones Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

Commissioner Brennan moved that the resolution be laid over until August 14th.

The roll being called, the motion was declared adopted by the following votes:

WHEREAS, In the opinion of the Director of the Department of Parks and Public Property it is necessary to acquire the hereinafter described lands in the City of Newark, in connection with the development of the park system of The City of Newark; viz, the establishment of Hayes Park, West:

Beginning in the westerly line of Humes now called Boyd Street at a point therein distant 40 feet northerly from the southerly line of land belonging to said Owen F. Grey; thence northerly along Humes now called Boyd Street 22 feet to the corner of lands heretofore sold by said Owen F. Grey to Isaac R. Collins; thence westerly along the same at right angles to Humes now called Boyd Street 75 feet, more or less, to the line of lands of Louis Stern; thence southerly and parallel with Humes now called Boyd Street 22 feet; thence easterly on a line at right angles to Humes now called

Boyd Street 75 feet, more or less, to the place of Beginning.

Together with all the right, title, and interest of, in and to a strip of land lying between the west line of Humes Street now known as Boyd Street and west line of Boyd Street, and lying between extension of north and south line side of lot, being about 20 feet in depth. Recites part of H 12, 479.

AND WHEREAS, The said Director is unable to agree with Anna Kreiss, the owner thereof, as to the price to be paid to her for said lands;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the Corporation Counsel be and he is hereby directed to institute condemnation proceedings to acquire the said lands for the purposes aforesaid.

Charles P. Gillen  
John Howe,  
W. J. Brennan  
Jerome T. Congleton  
Jno F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, In accordance with the law and by authority of the Board of Commissioners of the City of Newark, N. J., the Director of the Department of Parks and Public Property publicly solicited, received and opened bids for the electrical work in connection with the Comfort Station and Shelter House at Hayes Park East, Passaic Avenue and Waydell Street, as per plans and specifications prepared by Neil J. Convery, architect and engineer; and

WHEREAS, Buhl & Caffrey, Inc., bid the sum of two thousand one hundred and nine dollars (\$2,109.00), which bid was the lowest responsible one received; therefore, be it

RESOLVED, By the Board of Commissioners of the City of Newark, N. J. that the proposal of Buhl & Caffrey, Inc., be and the same is hereby accepted and the contract awarded to the said Buhl & Caffrey, Inc., at the price aforesaid, and the Law Depart-

ment is directed to prepare the contract for the same on the adoption of this resolution.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The following communications were received and read:

Board of Adjustment,  
 City of Newark, N. J.

July 25, 1929

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting a modification of the application of Abe Sternbach for a gasoline filling station at 73 Elizabeth Avenue.

This application was denied by the Building Department on June 8th, and an appeal filed with the Board of Adjustment the same day.

A public hearing on the appeal was ordered for June 20th, at which time it was laid over until July 11th, and again until July 25th.

On July 25th Mr. Joseph Henry appeared as counsel for the applicant, together with the owners, Messrs. Sol Zucker and Harry Steiner. Mr. R. H. Jacobson appeared as counsel for several objectors, including the lessee of the theater on the adjoining property, also owned by Messrs. Zucker and Steiner.

On the premises at the present time is a row of stores, in the rear of which is a public garage leased by the present applicant. It is intended to remove three of the stores, making room for the gasoline station between the street line and the wall of the existing garage in the rear. Two stores will remain between the proposed filling station and the theater on the south.

In view of the fact that the applicant is now conducting a public garage on the premises and is selling gasoline from the curb from wheel tanks, the Board was of the opinion that the use of the premises as a public garage and service station was already established and that the contemplated changes properly safeguarded would benefit the general conditions. The application was granted by the unanimous vote of the members present, Chief Towey being absent, on condition that the maximum amount of gasoline stored on the premises would not exceed 1,000 gallons, that a fireproof wall be erected between the filling station and the stores to the south, and that an automatic sprinkler system be installed in the garage.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure and use be allowed under the conditions outlined.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and laid over to August 14.

Board of Adjustment,  
City of Newark, N. J.

July 25, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting a modification of the application of Joseph and David Forman for a gasoline filling station in connection with an automobile parking station at 342-346 Washington Street.

This application was denied by the Bureau of Combustibles on July 5th, and an appeal filed with the Board of Adjustment July 15, 1929.

A public hearing on the appeal was ordered for July 25th, at which time Mr. Michael S. Brecker appeared as counsel for the applicants. The petition of thirteen property owners favoring the application was filed with the Board. No objectors appeared.

The Board was of the opinion that this was not the proper location for a permanent gasoline station, and approval was given for one year to sell gasoline from portable tanks on condition that no gasoline be stored in underground tanks, and no gasoline be sold from the curb. The application as modified was granted by the unanimous vote of the Board members present, Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above use be allowed.

There is no church, school or similar institution within 200 feet.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner and laid over to August 14.

**The Board of Adjustment,  
City of Newark, N. J.**

July 25, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting a modification of the application of Frank C. Carrington for the installation of gasoline pumps at his automobile parking station at 42 Park Place.

This application was denied by the Bureau of Combustible on June 20th, and an appeal filed with the Board of Adjustment June 27, 1929.

A public hearing on the appeal was ordered for July 11th, at which time no one appeared for or against the application, and the matter was laid over for two weeks.

On July 25th the applicant was present. No objectors appeared.

The Board was of the opinion that this was not the proper location for a permanent gasoline station, and approval was given for one year to sell gasoline from portable tanks on condition that no gasoline be stored in underground tanks, and that no gasoline be sold from the curb. The application as modified was granted by the unanimous vote of the Board members present, Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above use be allowed.

The premises in question adjoin the Robert Treat Hotel on the north.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and laid over to August 14.

**Board of Adjustment,  
City of Newark, N. J.**

July 28, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Angelo D. Agostino for the construction of a two-story building with stores at 508 North Thirteenth Street, corner of Berkeley Avenue.

This application was rejected by the Building Department July 10th, and an appeal filed with the Board of Adjustment on July 21, 1929.

A public hearing was ordered for July 25th, at which time the applicant was present with his architect, Mr. Joseph Centanni. No objectors were present at the hearing, although protests had been filed previously by four property owners, including the Newark General Hospital, of 462-476 North Twelfth Street.

The application was granted by the unanimous vote of the members present, Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and laid over to August 14.

**Board of Adjustment,  
City of Newark, N. J.**

July 25, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of the Riordan Leather Company for a gasoline filling station at 260 South Street.

This application was rejected by the Building Department on June 18th and an appeal filed with the Board of Adjustment on June 29th.

A public hearing on the application was ordered for July 11th, at which

time the matter was laid over for two weeks.

On July 25th the applicant was present. Mr. J. C. Dehls of Dehls & Stein presented objections on behalf of his company and several other factories in the neighborhood, including Venino Bros. & Co., R. G. Smith Tool & Mfg. Co., Fred B. and Bert C. Miller, also F. I. Peckham and Harry Horton.

The premises are located in the heavy industrial district.

The application was granted by the unanimous vote of the Board members, Chief Towey being absent.

There is no church, school or similar institution within 200 feet.

In accordance with Section 9, Chapter 274, P. L. 1923, it is respectfully recommended that the above structure and use be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner and laid over to August 14.

Board of Adjustment,  
City of Newark, N. J.

July 25, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of David Meyers for an automobile parking station at 128-130 Washington Street.

This application was rejected by the Bureau of Combustibles on June 17th, and an appeal filed with the Board of Adjustment June 28, 1929.

A public hearing on the appeal was ordered for July 11th, at which time the matter was laid over for two weeks.

On July 25th Mr. Edmond C. Moriarty appeared as counsel for the applicant. No objectors were present.

The application was granted by the unanimous vote of the Board members present, Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully

recommended that the above use be allowed.

The property in question is next door to the Vocational School at the corner of Linden Street, recently sold to the Steuben Club, and adjoins the rear of the property of the Halsey Street M. E. Church, which is used by Hahne & Co. as a parking space for automobiles.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner and laid over to August 14.

Board of Adjustment,  
City of Newark, N. J.

July 25, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of the Paramount Realty Company for a gasoline filling station at 169-171 Frelinghuysen Avenue, corner of Bigelow Street.

This application was rejected by the Building Department July 10th, and an appeal filed with the Board of Adjustment on July 12, 1929.

A public hearing on the appeal was ordered for July 25th, at which time Mr. Samuel I. Kessler appeared as counsel for the owner. The only objection came from the owner of 167-169 Frelinghuysen Avenue, who was represented by Mr. C. J. Skillan.

The application was granted by the unanimous vote of the Board members present, Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure and use be allowed.

There is no church, school or similar institution within 200 feet.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and laid over to August 14.

**Board of Adjustment,  
City of Newark, N. J.**

July 25, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted granting an amendment to the plans of Burns Brothers so as to permit the storage of 500,000 gallons of fuel oil at 77 Riverside Avenue. On March 21, 1929, the Board of Adjustment approved the storage of 300,000 gallons of fuel oil at this location, and the approval was concurred in by the Board of Commissioners on April 2, 1929.

This application was rejected by the Bureau of Combustibles on July 13th, and an appeal filed with the Board of Adjustment on July 16, 1929.

A public hearing on the appeal was ordered for July 25th, at which time Mr. E. Garfield Gifford appeared as counsel for the owners. No objectors were present. Mr. Gifford stated that Burns Brothers preferred to have the oil delivered to their tanks by boat rather than by rail, and that they had found that the capacity of a boat was greater than the 300,000 gallons for which a permit had been issued. He therefore requested that the company be permitted to increase storage in order to profit by the more economical transportation afforded by the river.

The application was granted by the unanimous vote of the members present, Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above amended application be approved and the use allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and laid over to August 14.

**The Board of Adjustment,  
City of Newark, N. J.**

July 25, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of the Ogden and Rector Parking Company, Inc., for a gasoline filling station at 578-588 Ogden Street.

This application was rejected by the Building Department on July 15th and an appeal filed with the Board of Adjustment the same day.

A public hearing was ordered for July 25th, at which time Mr. John F. Ryan appeared as counsel for the applicant. Mr. E. L. Hanschka entered objections on behalf of Mrs. Elizabeth Reeve, owner of 592-594 Ogden Street.

A similar application was denied by the Board of Adjustment on April 4, 1929, owing to the uncertainty of the new street lines to be established by the State Highway Department in the proposed widening of Ogden Street.

This matter has now been settled, and the Board was assured that the filling station would be back of the new street line.

The application was granted by the affirmative votes of Mr. Lawrence, Mr. Teichner and Mr. Fitzsimmons. Mr. Higgins voted No, and Chief Towey was absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure and use be allowed.

There is no church, school or similar institution within 200 feet except the new Law School on Rector Street, which is attended by adults.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and laid over to August 14.

**Board of Adjustment,  
City of Newark, N. J.**

July 25, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance

and granting the application of Walter F. Barry for a gasoline filling station at 97-99 Plane Street.

This application was rejected by the Superintendent of Buildings on June 13th, and an appeal filed with the Board of Adjustment on July 1, 1929.

A public hearing on the appeal was ordered for July 11th, at which time the matter was laid over for two weeks.

On July 25th the owner was present with his counsel, Mr. J. F. Yauck, Jr. Mr. Harold A. Miller entered objections on behalf of the owners of four properties, 86-90, 82½ and 84 Plane Street and 43 Essex Street. He also objected to the Board's taking jurisdiction in the matter because a part owner of 86-90 Plane Street had not received notice of the hearing. His objection was overruled by the Chairman on the ground that the name of this part owner did not appear on the tax records.

The application was granted by the unanimous vote of the members present, Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure and use be allowed.

There is no church, school or similar institution within 200 feet of the property in question, except that one corner of the Plane Street frontage of the Newark Museum property does come within 200 feet.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and laid over to August 14.

Premises No. 217 Washington Street,  
Newark, N. J. Estate of John C.  
Joralemon, deceased.

My dear Mr. Egan:

I am in receipt of a copy of an ordinance providing for the paving and repaving of Walnut Street from the

east side of New Jersey Railroad Avenue to Lang Street.

Under the will of John C. Joralemon, I am the Trustee of the premises known as No. 217 Walnut Street. The rents of the property go to the widow of John C. Joralemon, who is an aged woman and lives on said rents. I do not know what the neighbors think of this improvement, but in my judgment the property is not valuable enough to warrant the improvement. It may be very nice for the persons passing through, but if the entire amount is assessed against the property I cannot see the benefit of the same.

I want to register my objection to the ordinance.

Yours very truly,

Estate of  
John C. Joralemon, dec'd.  
By A. Van Blarcom,  
Trustee.

Mr. William J. Egan,  
City Clerk,  
City Hall, Newark, N. J.  
Referred to Mayor Congleton.

1000 Broad Street,  
Newark, N. J.

July 29, 1929.

Hon. Board of Commissioners,  
Newark, N. J.

Dear Sirs:

It being the desire of the property owners of the neighborhood, as expressed through written petitions, that Norman Road be zoned for apartment houses from Mount Vernon Place to Putnam Avenue, and that I be granted a permit immediately to erect an apartment house on the plot of ground known as No. 161-169 Norman Road, I hereby humbly petition your Honorable Body to authorize the Superintendent of Buildings to grant me a permit without further delay to build an apartment on that site; such structure to comply in every way with, not only the State and City codes, but be built in accordance with rulings of the proposed Zoning Ordinance of the City of Newark, as set forth for Third Residence Districts.

Respectfully yours,

Hojk Q. Jardineux.

Referred to Zoning Commissioners.  
North Jersey District  
Water Supply Commission,  
Newark, N. J.

July 26, 1929.

Dear Sir:

There is transmitted herewith transcript of notes taken at the conference between representatives of the municipalities participating in the Wanaque Project, which followed a special meeting of the North Jersey District Water Supply Commission. Transcript of the Special Meeting of the Commission will be forwarded to you as soon as completed.

Very truly yours,

North Jersey District Water  
Supply Commission,  
Edmond Tyler, Secretary.

Referred to Mayor Congleton.

North Jersey District  
Water Supply Commission,  
24 Commerce Street,  
Newark, N. J.

July 27, 1929.

Dear Sir:

There is transmitted herewith transcript of the proceedings at a special meeting of the North Jersey District Water Supply Commission, held at the office of the Commission, Friday, July 26, which preceded the conference of representatives of municipalities participating in the Wanaque Project, transcript of which has already been sent you.

Very truly yours,

North Jersey District Water  
Supply Commission,  
Edmond Tyler, Secretary.

Referred to Mayor Congleton.

Board of Education,  
City Hall,  
Newark, N. J.

July 25, 1929.

Board of Commissioners  
of The City of Newark.

Gentlemen:

At the meeting of the Board of  
School Estimate held on Thursday

morning, July 25, 1929, it was decided to recommend to the Board of Commissioners of The City of Newark that an appropriation of six hundred thousand dollars (\$600,000.00) be made and placed to the credit of the Board of Education of Newark in the County of Essex for the purchase of land for school purposes, and for erecting, enlarging, repairing, or furnishing school houses, and for improvements to playgrounds in said City of Newark, as set forth in the attached statement.

Yours truly,

Alfred H. Krick,  
Assistant Secretary.

RESOLVED, That the request of the Board of Education of Newark in the County of Essex for an appropriation for the purchase of lands for school purposes and for playground purposes, and for erecting, enlarging, repairing, or furnishing school houses and for improvements to playgrounds within the said City and school district, be and it is hereby approved as to the items hereinafter mentioned, and that the Board of School Estimate hereby fixes and determines the amount necessary for such purposes to be as follows:

**Land**

Additional ground for Garfield School:

No. 295 North Seventh  
Street, being about  
16.47' x 100', and  
buildings thereon.. \$7,500.

No. 293A North Seventh  
Street, being  
about 16.53' x 100',  
and buildings thereon ..... 7,500.

No. 297 North Seventh  
Street, being about  
16.58' x 100, and  
buildings thereon.. 7,500.

No. 299 North Seventh  
Street, being about  
24.72 x 100,' and  
buildings thereon.. 8,750.

No. 301 North Seventh  
Street, being about  
25.83' x 100 and  
buildings thereon.. 8,750.

————— \$40,000.00

Additional ground for Newton Street School:

Lot No 24 Dark Lane,  
being about 45' x  
112.50', and build-  
ings thereon..... 4,500.00

Total ..... \$44,500.00

#### Buildings

For an additional appropriation for the erection of a new addition to the Barringer High School for the purpose of adding the following: Gymnasium instructor's room, corrective gymnasium, girls rest room, domestic science room, domestic art room, one standard classroom, etc.; also renovating present cafeteria and replacing all the boys' and girls' toilets in the old building, but eliminating the new cafeteria and recitation rooms specified in the original request .....\$25,000.00

For an additional appropriation for the erection of an elementary school on Chancellor Avenue, west of Aldine Street, for the purpose of adding eight (8) classrooms, clerks' office, waiting room, and toilet, vault, language room, special classrooms, nutrition and speech correction rooms, playground director's and directress' offices, toilets and showers, shower with dressing room, recitation rooms, reading room, playground storage room, kitchen, etc. 210,000.00

Playground ..... 14,600.  
Monmouth Street  
Playground ..... 11,600.  
South Street Play-  
ground ..... 11,500.  
South Market Street  
Playground ..... 7,400.  
Summer Avenue Play  
ground ..... 16,600.  
Sussex Avenue Play-  
ground ..... 3,500.  
Warren Street Play-  
ground ..... 5,000.  
\$89,500.00

#### Summary

Land .....\$ 44,500.00  
Buildings ..... 466,000.00  
Playgrounds — (Alterations  
and Improvements)..... 89,500.00  
\$600,000.00

RESOLVED, That the Board of Commissioners of the City of Newark be and it is hereby respectfully requested to appropriate the sum of Six hundred thousand dollars (\$600,000.00) to the Board of Education of Newark in the County of Essex for the purposes as set forth in the foregoing statement.

Jerome T. Congleton  
Henry Young

John Howe  
Louis C. Schwartz  
Jno. F. Murray, Jr.  
Board of School Estimate.

Ordered filed.

Mayor Congleton: Does any citizen have any matter to take up with the Board of Commissioners?

Mr. Benjamin M. Ratner, 128 Market Street: Mr. Mayor and gentlemen of the Commission: During the life of the late Mayor Raymond there was an ordinance passed by the Commission which was then in office, regulating the parking of motor vehicles on certain streets, and also providing for certain penalties for the violation thereof. I represent some 500 citizens—probably more—whose names are being written up now, who have been penalized under this ordinance, which went into effect in the year 1921. I don't understand under what ordinance—

Mayor Congleton: Would you mind telling us what the ordinance is so we can follow you?

Mr. Ratner: The very words I can't say—

Mayor Congleton: What is the purport of it?

Mr. Ratner: The purport was to permit parking on certain streets for certain times, and thereafter you would be charged with the violation thereof and pay a penalty of \$2, or whatever was specified on the back of the so-called summons. That ordinance was absolutely legal and effectual in 1921 and all the way up to 1928. In 1928, in September, our Legislature passed what is known as "An Act providing for the regulation of traffic on public roads," Laws of 1928, Chapter 281, in which, gentlemen, the ordinance of 1921 died a natural death by the very words of this Act of 1928. Let me refer you to the very wording of the Legislature which is set forth in that law. It says: "Cities and other towns, townships, municipalities and boroughs are prohibited from passing any ordinance altering or in any wise qualifying the provisions of this act; provided, however, that ordinances may be passed regulating special conditions existent in such municipalities on the following subjects and with the following limitations."

I am interested this morning in—

Mayor Congleton: Let me ask you, Mr. Ratner, doesn't that same act that you are quoting from save all ordinances then in effect?

Mr. Ratner: No, it does not. It says very specifically that all ordinances inconsistent with this act is void and with no effect.

Mayor Congleton: I grant you that; but the ordinance you are now complaining about is an ordinance of the kind that the City can pass if it has the approval of the Motor Vehicle Commissioner, and we had passed one and we had the approval in 1921, and this new 1928 Traffic Act saves that ordinance until it is changed or repealed.

Mr. Ratner: I don't agree with you.

Mayor Congleton: Well, you have a case in court involving that question.

Mr. Ratner: I am not raising the constitutionality of this service at this time. I am raising a different question for these 500 citizens. Why, by the very terms of this Act, the ordinance of 1921 died.

Mayor Congleton: We disagree with you on that and you have a case in court testing it out.

Mr. Ratner: I am not testing the ordinance; I am testing out the legality of the service. In there it says all you can do is govern and regulate the parking of motor vehicles.

Mayor Congleton: What is it you are asking us to do?

Mr. Ratner: I want to know under what ordinance are you gentlemen operating?

Mayor Congleton: We will refer that matter to the Law Department.

Mr. Ratner: I have asked the Law Department through the newspapers.

Mayor Congleton: And the Director of Public Safety, who has that in charge.

Mr. Ratner: I have received no answer, and I come here as a citizen this morning to find out what ordinance you are operating under.

Mayor Congleton: We will refer you to Commissioner Brennan, who, I presume, will take the advice of the Law Department as to what ordinance they are operating under.

Mr. Ratner: Can I know that now?

Mayor Congleton This isn't the place to find out.

Mr. Ratner: You gentlemen ought to know what ordinance you are operating under.

Mayor Congleton: I assume Commissioner Brennan does.

Mr. Ratner: May I ask Commissioner Brennan under what ordinance they are operating?

Commissioner Brennan: I am operating under an ordinance passed by the City of Newark which, I understand you are endeavoring to have nullified in the upper courts; and for your information I can tell you I am going to continue to operate under that ordinance until the upper courts decide otherwise.

Mr. Ratner: I want to know what ordinance you are operating under—the Laws of 1921?

Commissioner Brennan: You don't want to know what ordinance I am operating under—you want publicity.

Mr. Ratner: Whether I want publicity or not, that isn't the question. If a man seeks publicity, and he has good grounds to seek it—and I don't want publicity; I don't want any reporter to report what I am saying this morning—I am here representing 500 citizens.

Commissioner Brennan: Where are they?

Mr. Ratner: They are here, some of them.

Commissioner Brennan: Show them.

Mr. Ratner: Is Rappaport here?

Commissioner Brennan: He has got one.

Mr. Ratner: Here is another one. It doesn't make any difference, but the point is, Commissioner Brennan, that I contend, although you may disagree with me, that the law of 1921 is void and of no effect by reason of the Act of 1928.

Mayor Congleton: Now, that is a legal question that we do not propose to argue with you here. It is a matter that is within Director Brennan's department and you can take it up with him. I assume he will refer you to the Law Department to argue out the legal question, if you want it.

Mr. Ratner: I am entitled to an answer from them.

Mayor Congleton No, not from this Board on a legal question which you have raised and are arguing in court.

Mr. Ratner: I am not raising that question.

Mayor Congleton: You have been fined,—you or one of your clients,—and you are testing it out in the upper courts.

Mr. Ratner: I am testing out the service because it is against the Constitution of the United States. I am only wanting to find out this morning under what ordinance you are operating.

Commissioner Murray: You may be entirely right, and you may not be right, in the premise; but you can not expect the City Commission to give you an answer one way or another in a case of that character, because it belongs properly in the hands of the Corporation Counsel, at the request of the man who is at the head of the department which is acting under some ordinance. Now, what ordinance he is acting under, or what authority, he is bound to refer it to the Law Department. That is what the Law Department is for, and your burden is to go to the Director of Public Safety and ask him to take it up with the Law Department—your claim that service of summons by attachment to an automobile is not service. You may be right in it—

Mr. Ratner: I am not raising that question, Commissioner.

Commissioner Murray: You may be right in your argument that the law of 1928 superseded all previous laws of every kind, municipal or state, where they conflicted with the new law; and it may be that this ordinance died by operation of the new act, but this isn't the place to get it, as you can not get it here. Commissioner Brennan would be foolish to assume to tell you—he isn't a lawyer and it isn't part of his business to know the law, except as advised by the Law Department.

Mr. Ratner: Could I ask this one question: I have inquired as to what ordinance these people who are fined and held and sent to jail—under what ordinance is this City operating? I couldn't get the answer so I asked the city editors of the papers, who were kind enough to cooperate with me, and who put the question in the—

Mayor Congleton: Look at your red summons or white summons, or any other color. It says right on its face the act under which it is issued.

Mr. Ratner: No, it does not. Give me a red summons.

Mayor Congleton: The motion is that the matter be referred to Director Brennan. All in favor say "aye," those opposed "no." The clerk will call the roll.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Mr. Ratner: Nothing in there at all that apprises the citizen of what act he is accused by.

Mayor Congleton: Does any other citizen have any matter to bring up before the Commission?

Mr. David B. Silver, 24 Commerce Street: Gentlemen, I am here in behalf of about 30 property holders who own approximately 75 pieces of property in line with the South Broad Street tube extension and the proposed boulevard along New Jersey Railroad Avenue. Since the passing of this ordinance by the City Commission these property owners have suffered considerable loss, and the State, in their delay in taking over these properties, has increased this loss. Many stores and factory lofts are vacant due to the fact that these tenants knew they would have to get out within a short time, and rather than wait they moved into more permanent locations. No new tenants will rent the vacant properties due to the uncertainty of the term. Flats are empty and owners could rent them provided they were put in repair, but owners hesitate to spend money for the repairs due to the fact that they expect the city and state to acquire the property. Consequently, these flats are empty, and I find that there are a considerable number of them that are empty.

Many alterations and improvements are necessary to the property, and the owners can not make these alterations due to the uncertainty of the length of their ownership. Established manufacturers and business men don't know whether to look for new locations or to continue at their present location.

Because of the uncertainty they do not expand their business as necessity requires, but, instead, do business from hand to mouth and refuse large orders rather than gamble by installing new machinery and increasing the size of their plant. One large plant had plans for a new addition, and when they applied to the city for a permit the city turned them down because they didn't want the cost of acquiring these properties increased because of the new improvements.

Storekeepers and merchants are afraid to stock merchandise, and because of this lose a great deal of business and profits. Merchants have asked me whether they should order their stocks for next fall and spring. I have told several to wait for the present, and I am informed if they don't order these goods they may as well throw up their business. The tenants are aware of this condition, and many of them haven't paid rent for the last six months. Property owners do not put them out knowing they cannot get new tenants because of the uncertainty of the period, but take whatever money they can get from them. The better tenants, also knowing these conditions, have their rents reduced, and in some cases rents were reduced as much as 50 per cent.

These are some of the obstacles that these property owners have to put up with. I find that the majority of these property owners have not as yet paid their taxes for 1928, and a large portion of them haven't paid the first half of 1929. Those who paid their taxes have had to use their savings in order to pay taxes, because the properties were carried at a loss, and a great deal of them were forced to borrow from banks and from friends in order to pay their taxes in order to avoid the cost of redeeming the properties out of the tax sales. I know that part of this project concerns the state, but I feel that the City should take a hand in cooperating with these people to see that the state doesn't lose any time in taking over these properties.

The more delay that is taken in this matter is costing these people additional moneys, and I think that something ought to be done at the present time to get the state to acquire these properties without any additional delay. I feel that the City Commissioners

ought to cooperate with these people in trying to get the state to get these properties at present.

Mayor Congleton: I am in thorough accord with you, sir, on your entire proposition; and only yesterday afternoon I was in Trenton with the representatives of the State Highway Commission on the very proposition that you have raised, and I think that within a very few days there will be action taken with respect to the acquirement of the new right of way. So far as the tenants being apprehensive about having to move out over night, the State Highway Commissioners told us that they recognized the seriousness of that proposition and that all of the property owners will be given ample time, after a price has been agreed upon for the taking of the land, to make their new arrangements, because the program of the State Highway, as it exists today, this year's program only has provided funds sufficient to acquire the right of way and not for any of the construction work of the new highway, so that I think within a very few days that there will be real action in the acquirement of the lands and that the owners and tenants will be given some real information as to when they will be expected to vacate the premises.

Mr. Silver: Thank you.

Mayor Congleton: Does any other citizen have any matter to bring to the attention of the Board?

Commissioner Brennan: On the question of the purchasing agent dis-

cussed yesterday, I would move you, Mr. Mayor, that the Mayor be authorized to get in touch with Mr. Forbes, who is a nationally known expert on purchasing, and see if it is possible to procure his services to make a survey of the subject matter, what it would cost, and what length of time it would require, so that the Commission may be guided in its policy on the formation of a purchasing bureau, or otherwise.

Commissioner Murray: I second that motion.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Brennan: I move that we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

APPROVED:

City Clerk.

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

---

August, 1929

---

Newark, N. J., August 7, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Absent: Commissioner Gillen.

The minutes of meeting of July 31st were read and approved.

The City Clerk presented An ordinance to provide for the paving and repaving of Walnut Street from the east side of New Jersey Railroad Avenue to Lang Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation outside of the street railway track area and with napped recliipped granite block pavement on the old foundation inside of the street railway track area, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. Joseph Gunn: We wish to favor

this ordinance, representing the manufacturers who not only view it as a local improvement, but as a big traffic relief and aid to transportation down in that neighborhood, being one of the main arteries in the Ironbound Section. An unusual condition exists in that every property owner on the street has signed a petition in favor of the improvement. There is a delegation of property owners here and they would like to discuss with you the question of the proportionate cost. Mr. Campbell is in charge of that and he will discuss it.

Mayor Congleton: We have received a petition. The petition is to pave Walnut Street with a smooth surface, and they would like to have the trolley tracks out and buses substituted, but they would like to have the City pay 80 per cent. of the cost. That, I think, is out of the question.

Mr. Charles Campbell, 194 Walnut Street: Your Honor and gentlemen of the Commission, most of the property owners on Walnut Street are poor people with old houses that have a great many repairs to make. Now, the paving of this street will benefit the City more than their property, as it will be the main thoroughfare from Broad Street, and we feel that we should get

at least 80 per cent., the same as Wilson Avenue. We are relieving traffic such as no other street in the City will relieve from that district. We will get 90 per cent. of the buses from Philadelphia and all that suburban south-bound traffic. We are willing to make the sacrifice, but being all mortgaged up for all we are worth, and making improvements and repairs on property all the time, I think it will be only fair to concede to us the same amount as Wilson Avenue, which was 80 per cent. I thank you.

Mayor Congleton: I would like to say to you, Mr. Campbell, with respect to the trolleys, we have endeavored heretofore to have the trolley tracks taken out and we have not been successful.

Mr. Campbell: I had just one party that was in favor of the trolley tracks.

Mayor Congleton: We would like to see them out.

Mr. Campbell: All but one like to see them out.

Mayor Congleton: But we can not force them out unless it is by mutual agreement.

Mr. Gunn: I had a conference with Mr. Warner of the Public Service and they are agreeable to substitute buses for trolleys.

Mayor Congleton: We will certainly go along if they want to.

Mr. Campbell: I would like to ask you about the trees. We have got beautiful trees, and if you take that foot and a half you will destroy all our trees on Walnut Street. We are making a big sacrifice for the business system and manufacturers, we people who have property, and I think the street as it is would be much better. It would be a saving to us; it would accommodate a great many buses.

Mayor Congleton: All right, sir; we will see what we can do on that. The widening of it was between McWhorter and Van Buren. Of course, most streets that have been improved, the people have petitioned us to make them as wide as we could, if we can get the trolleys out it would help a lot, perhaps without widening.

Mr. Campbell: Most of the trees are from Van Buren down.

Mayor Congleton: Are there no trees

between McWhorter and Van Buren?

Mr. Campbell: Not particularly.

Commissioner Howe: But there are from Van Buren down.

Mayor Congleton: The widening calls for a distance between Van Buren and McWhorter, as I understand.

Commissioner Howe: The trees are below that.

Mr. Campbell: Well, thank you, gentlemen.

Mr. Americo Nelfe, 149 Walnut Street: Now, this here Walnut Street, I believe, is going to be about the principal artery connecting Port Newark with South Orange Avenue. Walnut Street, connecting with Port Street and Fifteenth Avenue, makes one of the straightest streets in Newark and the longest street there is in Newark. It is a street that is capable of taking more traffic than any other street. With the exception of Ferry Street, Walnut Street is the widest street there is from the river away down to the Pennsylvania freight station on Broad Street. It is the straightest; it is a street that has less hills and it is a street that has height under the Pennsylvania bridge, not being very close to the river; it is traveled and the street capable of taking the greatest traffic, and no doubt when that street is paved in asphalt all the traffic will be diverted by the mere fact it is good. At the present time comparatively little traffic passes there because it is poorly paved, but as soon as the street is paved it will become a really county street and it won't become a street of local importance. Therefore, I think that street ought to be looked upon as a main artery, a county street, and not a local street. The property owners on that street will hardly be improved. They will have the improvement in the street, but they will lose the advantage of having a safe place. The street will be filled with vehicles, and in such a condition it will be unsafe, and although the pavement will be an improvement they will lose the advantage of the safety of crossing, and so on. I think the street ought to be paved, not entirely by the people on the street itself, but on the taxpayers generally.

Mayor Congleton: Even though this

ordinance reads as though it is a local improvement and the cost assessed against the property, that doesn't mean by any means that the property owners pay it all. The City pays a very substantial part of it. We have to word the ordinance in this fashion or we couldn't assess the abutting property owners for it.

Mr. Nelfe: I hope that will be done because the abutting property owners will be relieved over there, because they are not very wealthy people and they do not want to carry an expense which is not fair in view of the fact that the people outside that street will be most benefited by passing through a principal artery.

Mayor Congleton: Does anyone else desire to be heard on this ordinance?

Commissioner Howe: I move the public hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the following ordinance be taken up on second reading.

An ordinance to provide for the paving and repaving of Walnut Street from the east side of New Jersey Railroad Avenue to Lang Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation outside of the street railway track area and with napped reclippped granite block pavement on the old foundation inside of the street railway track area.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.  
Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Howe moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the title of "An ordinance to provide for paving and repaving of Walnut Street from the east side of New Jersey Railroad Avenue to Lang Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation outside of the street railway track area and with napped reclippped granite block pavement on the old foundation inside of the street railway track area," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton:

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the paving and repaving of Walnut Street from the east side of New Jersey Railroad Avenue to Lang Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation outside of the street railway track area and with napped reclippped granite block pavement on old old foundation inside of the street railway track area.

The ordinance having been read three times was declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton:

The City Clerk presented An ordinance providing for the vacation of Marion Street, from Grafton Avenue northerly to the northerly line of Montclair Avenue, for the vacation of Montclair Avenue from the easterly line of the right of way of the Newark and Paterson branch of the Erie Railroad easterly about 667 feet to the westerly line of Riverside Avenue (formerly River Road to Belleville); for the vacation of Riverside Avenue as it is laid out 80 feet in width on the Commissioners' Map of Woodside Annexation, from Grafton Avenue northerly to the northerly line of Montclair Avenue, excepting that part of the above described Riverside Avenue lying within the lines of Riverside Avenue (formerly River Road to Belleville), and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Commissioner Brennan moved that the ordinance be laid over until August 21st.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton:

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the resurfacing and repaving of South 12th Street from Clinton Avenue to Avon Avenue with asphalt pavement on the existing brick or new concrete foundation as a base.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That South 12th Street from Clinton Avenue to Avon Avenue shall be resurfaced or repaved with asphalt pavement on the existing brick

or new concrete foundation as a base, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated June 18th, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$23,100.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$23,100.00,

under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. This ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that August 28, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance providing for the vacation of Queen Street from a line parallel to and distant 425 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, easterly 37.50 feet to the easterly ter-

minus of said Queen Street.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Queen Street from a line parallel to and distant 425 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, easterly 37.50 feet to the easterly terminus of said Queen Street, as shown on a map on file in the office of the Chief Engineer, Department of Public Affairs, known and designated as No. 1392-V, dated August 3, 1929, shall be vacated as a public street or highway, reserving, however, to the City of Newark the right to maintain and operate the existing sewer now laid between the lines of the street to be vacated and the right to enter upon the lands to be vacated for the purpose of inspecting, repairing, rebuilding, reconstructing or maintaining the sewer, its manholes and appurtenances now laid between the lines of the street; under and by virtue of the provisions of Section 1, sub-division (b) of Article XXII, of an act of the Legislature of the State of New Jersey, entitled "An Act Concerning Municipalities," approved March 27, 1917, and the acts amendatory thereof and supplementary thereto.

Section 2. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that August 28, 1929, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Murray introduced the following ordinance and moved its adoption on first reading:

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of a fifteen (15) inch storm water sewer in Fabyan Place from Keer Avenue to Chancellor Avenue, together with an eight (8) inch sanitary sewer in Fabyan Place from Keer Avenue to Chancellor Avenue.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That a fifteen (15) inch storm water sewer shall be constructed in Fabyan Place from Keer Avenue to Chancellor Avenue, together with an eight (8) inch pipe sewer for house sewage only in Fabyan Place from Keer Avenue to Chancellor Avenue. This sewer to be constructed with four (4) inch cast iron house connections to the curb lines together with all the appurtenances necessary to complete the same, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P. L. 1917-319), and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated July 29, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$4,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$4,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of

indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that August 28, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Little Street from North 13th Street to the East Orange City Line with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Little Street from North 13th Street to the East Orange City Line shall be graded, curbed, flagged and paved with asphalt pavement (1 ½" top-1 ½" binder) on a new six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specification and profiles dated August 2, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days, after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$2,800.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and

temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$2,800.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that August 28, 1929, at 10 A. M. Standrad time 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and, the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance regulating child labor,

The Board of Commissioners of the City of Newark, Do Ordain: :

1. It shall be unlawful for any child under the age of twelve years to work at selling newspapers, boot or shoe blacking or peddling of any merchandise on the streets of the City of Newark.

2. It shall be unlawful for the parent, guardian or other person having control of any child under 12 years of age to permit such child to work at selling newspapers, boot or shoe blacking or peddling of any merchandise on the streets.

3. No child under the age of 16 years shall sell newspapers, work at boot or shoe blacking or peddle any merchandise on the streets unless a permit and badge shall have been issued to such child by the Board of Education of the City of Newark or by such officer as may be officially designated by such Board for that purpose. No permit or badge shall be granted except upon application by the parent, guardian or other person having control of such child.

4. No badge or permit shall be issued until the officer issuing the same shall have received, approved and placed on file satisfactory proof that such child is at least 12 years of age. Such badge and permit shall be valid for the term of one year from date of issue.

5. Such permit shall state the date and place of birth of the child, name and address of its parent, guardian or custodian and contain a description of such child, and shall be signed by the child in the presence of the officer issuing the same. The badge to be furnished by the officer issuing the permit shall be numbered to correspond with the number of the permit and shall bear the signature of the child. The badge above provided for shall be worn conspicuously at all times by such child while working and shall not be transferable under penalty of forfeiture.

6. Any child to whom a permit and badge have been issued shall not work at selling newspapers, boot or shoe blacking or the peddling of merchandise between the hours of 9 in the morning and 3 in the afternoon nor after 10 o'clock in the evening.

7. Any parent, guardian or other

person having control of any child violating the above ordinance shall, on conviction thereof, be subject to a penalty of \$25 for the first offense and \$50 for any subsequent offense.

8. All ordinances and parts of ordinances inconsistent herewith be and the same are hereby repealed and this ordinance shall take effect after final passage and publication according to law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that August 21, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton:

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to amend Section 658 of the Revised Ordinances of the City of Newark.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That Section 658 of the Revised Ordinances of the City of Newark shall be amended to read as follows:

"658. It shall be unlawful for any person, persons, firm, corporation or other body of individuals to make or permit the making of disturbing noises. Any person, persons, firm, corporation or other body of individuals making any disturbing noises or permitting the same to be made after being given notice to desist from so doing by any employee of the Bureau of Health

shall be deemed to be guilty of violating the provisions of this ordinance."

2. All ordinances or parts of ordinances inconsistent herewith be and the same are hereby repealed and this ordinance shall take effect immediately.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that August 21, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for extension to the Main Library Building and Branch, the erection of a new Branch Library Building and the improvement and extension of Branch Library Buildings and providing for the financing thereof.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That the Trustees of the Free Public Library of the City of Newark be and they are hereby authorized to extend the main library building and branch, erect a new branch library building and improve and extend existing branch library buildings, and for that purpose acquire either by purchase or condemnation the necessary lands therefor.

2. That the total cost of the purchase of said lands and the erection

and improvements of the buildings aforesaid shall not exceed the sum of One hundred thousand dollars (\$100,000.00);

3. Pursuant to the provisions of Section 13, of Chapter 252 of the Laws of 1916, and the supplements thereof and amendments thereto.

there shall be issued temporary improvement bonds of The City of Newark in an aggregate principal amount not exceeding One hundred thousand dollars (\$100,000.00), bearing interest at a rate not exceeding six per centum per annum, payable semi-annually, for the purpose of acquiring the necessary lands and the erection and improvement of buildings thereon to be used as main library and branch libraries, including the original furnishings, in order to make said buildings suitable for said purposes. All other matters in respect of said temporary improvement bonds shall be determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and of Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto, and the Director of the Department of Revenue and Finance is hereby authorized to issue said temporary improvement bonds at such time or times and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Auditor and City Clerk are hereby authorized and directed to execute said bonds or so many thereof as the Director of the Department of Revenue and Finance shall deem it advisable to issue.

4. The sum of One hundred thousand dollars (\$100,000.00) to be raised by the issuance of said temporary improvement bonds, is hereby appropriated for the purposes for which said bonds are hereby authorized to be issued.

5. This ordinance shall take effect immediately after final passage and publication in accordance with law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that August 21, 1929, at 10 A. M. Standard

Time, 11 A M Dayllght Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The following resolution was presented:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Charles Rein for a public garage at 165 West Kinney Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of

granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Mayor Congleton: What is your pleasure, gentlemen?

Commissioner Murray: That was held over last week for further inspection. I looked it over before last week. It is inside the block. I don't think it is a good place for it.

Commissioner Howe: I looked it over. It isn't large enough for a garage. It is right between two frame houses.

Commissioner Brennan: It is a congested street.

Commissioner Murray: On a street that I do not think a public garage should be permitted.

Mayor Congleton: The resolution is in favor of concurring in the action of the Board of Adjustment.

The roll being called, the resolution was declared lost by the following votes:

Naves: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Mr. S. Cortes, 185 West Kinney Street: I am in favor of that garage, because I didn't hear very good when you called attention to that garage at 165 West Kinney. I was the man going to run to all the property owners to get the petition signed. The man wants a salesroom for automobiles. The man is stayed there seven years and everyone in favor for that. I got about 65 signatures from the property owners. Of course, I am the nearest neighbor there and I was trying for the welfare of the street.

Commissioner Murray: If you want to have it for an automobile showroom, why didn't you say so?

Mr. Cortes: This is automobile sales.

Commissioner Murray: No, a public garage.

Mr. Cortes: He wants for salesroom because a public garage it ain't big enough. It is only 28 feet front. We want to improve the street for something around there, because it is disgracing the way it is today.

Commissioner Murray: It is a dirty looking old shack, with signs all over the place.

Mr. Cortes: He wants it for an auto-

mobile salesroom, repair shop and sell something for automobiles.

Commissioner Howe: Let him make a new application.

Mr. Cortes: The way the petition read I let the people sign, calls for an automobile salesroom.

Commissioner Howe: It looks like a haunted house. I move it be laid over for one week.

Mayor Congleton: We will have to reconsider our vote. It was denied. The motion is that the motion be reconsidered.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Mayor Congleton: Now the matter is before us again and the motion is that the matter be laid over for one week and referred to the Board of Adjustment to correct the original application.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The following resolution was presented:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Michael Pastore for four additional garages in the rear of an apartment at 90-92 Grafton Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Mayor Congleton: Does anyone desire to be heard on this one?

Commissioner Murray: They are all up.

Mayor Congleton: The resolution is to concur.

Commissioner Murray: I don't understand why they put them up and then ask for permission to put them up. There are five running north and south and these running east and west.

Mayor Congleton: Why did the Building Inspector let them put them up before getting a permit?

Commissioner Brennan: Refer that to me.

Commissioner Murray moved that the matter be referred to Director Brennan.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Commissioner Howe offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Louis Adler for a gasoline filling station at 216 Wil-son Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

John Howe  
W. J. Brennan  
Jno. F. Murray, Jr.

Mayor Congleton: Does anyone desire to be heard on this one?

Commissioner Murray: I saw that location. That is just east of the State Highway.

Mayor Congleton: Between the State Highway and the ball park.

Commissioner Murray: Well, it is almost next to the State Highway. I don't see any particular objection to it. I don't know what kind of an individual the man is who is applying for it. This side of it is the highway elevation. I have no objection to that, myself.

Commissioner Howe: It is down there near the American Oil Company.

Commissioner Murray: It is this side. It is within 100 feet of the State Highway.

Commissioner Howe: Where you have got the City pipes.

Commissioner Murray: The ramp is on the north side of Wilson Avenue; this is on the south side. I imagine it is about 25 feet—I asked the policeman. He said it was in that plot, according to the number on the building below.

Commissioner Howe: It is a congested district, though. It is just where you make the turn.

Commissioner Murray: It is on the south side of the street, almost immediately adjoining the State Highway.

Commissioner Howe: When you come up from the ball park or come up from the Plank Road you turn right out in front of it to go onto the highway.

Mayor Congleton: The resolution is before us to concur in. All in favor will say "aye," those opposed, "no." The clerk will call the roll.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray.

Nay: Mayor Congleton.

The following communication was received and read:

**City of Newark, New Jersey.  
Department of Public Affairs.**

August 7, 1929.

To the Board of Commissioners  
of the City of Newark.

Addressed.

Gentlemen:

I expect to leave the City on August 9th for my vacation and thereafter to

be absent for a month, and in order that there may be some one to sign payrolls and attend to other matters relating to my Department, I would request you to designate Mr. James W. Costello to act in my place and stead during such temporary absence.

Yours respectfully,

Jerome T. Congleton,  
Director.

Ordered filed.

Mayor Congleton offered the following resolution:

WHEREAS, Jerome T. Congleton, Director of the Department of Public Affairs, intends to temporarily leave the City; and

WHEREAS, No person is now by law authorized to perform the duties of said office during his temporary absence; and,

WHEREAS, Said Jerome T. Congleton has requested this Board to designate James W. Costello to act in his place and stead during his temporary absence;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that under and by virtue of the provisions of

Section 19, of Article XXXVII, of Chapter 152 of the Laws of 1917, as amended by Sec. 3, of Chapter 319, of the Laws of 1920,

James W. Costello be and he is hereby designated to act in the place and stead of Jerome T. Congleton, Director of the Department of Public Affairs, during his temporary absence; and that the acts of said James W. Costello shall in all respects be legal and binding as if done and performed by said Jerome T. Congleton.

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

WHEREAS, An indenture of lease was executed on April 13, 1929, between The City of Newark and Fred R. Gibney, for lands at Port Newark Terminal; and

WHEREAS, through error, the following paragraph was inserted in said lease:

"10. It is further expressly understood and agreed that the landlord may terminate this lease at any time upon six months' notice of its intention to so terminate and in that event the landlord will pay to the tenant the value of the buildings theretofore erected by the tenant at the appraised value of the buildings at the time of such notice, which value shall be determined by appraisers to be selected, one by the landlord and one by the tenant and if the two cannot agree then by a third appraiser to be chosen by the two parties selected, and their decision as to the value of the said buildings shall be final and conclusive upon the landlord and the tenant."

NOW, THEREFORE BE IT RESOLVED, By the Board of Commissioners of The City of Newark that Section 10 of said lease, recited in the preamble hereof, be expunged from

said lease and for nothing holden; and BE IT FURTHER RESOLVED, That said lease be in all other respects in full force and effect.

Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-Howe, Murray, Mayor Congleton.

RESOLVED, That Harlan Berry be and he is hereby temporarily appointed as Dock Inspector in the Department of Public Affairs, Bureau of Docks, at a compensation of \$2,400.00 per annum, effective August 5th, 1929.

Jerome T. Congleton  
John Howe  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

The following communications were received and read:

A communication from the Beaver Manufacturing Company, protesting against the paving of North Third Street, was received, read and on motion ordered referred to the Mayor.

A communication from Spaulding Frazer relative to property owned by Nathan Goldsmith at Canal and Cherry

Streets being taken over by the City and the State Highway Commission was received, read and on motion ordered referred to the Mayor.

We, the undersigned, being merchants on Washington Street, Newark, New Jersey, between Spruce Street and William Street, respectfully address the City Commission with a view to better present conditions in relation to parking of our trucks and customers' trucks between the hours of eight and nine in the morning and four-thirty and six in the afternoon.

Many of us are in the wholesale business, requiring trucks to pull up to our premises to load or unload merchandise sold to or brought to us. It is impossible for us to sell any merchandise between these hours and this necessarily entails a loss of patronage from these people who cannot be served during these hours.

As soon as any vehicle parks in front of our premises it is given a ticket. At times these trucks are in front of our premises for less than half a minute, and sometimes for ten minutes, but it certainly is necessary for trucks loading or unloading merchandise to stay in front of our premises for a maximum of fifteen minutes.

We therefore respectfully submit that the parking rules along Washington Street be changed so as to permit commercial vehicles only to park in front of our premises, for the purpose of loading or unloading. We cannot do business otherwise.

(Signed by 22 merchants.)

Referred to Director Brennan.

Proceedings of a conference between representatives of Municipalities participating in the Wanaque Project, held at the offices of North Jersey District Water Supply Commission, 24 Commerce Street, Newark, N. J., July 31, 1929.

Referred to the Mayor.

Mayor Congleton: Does any citizen have any matter to bring to the attention of the Commission?

The following petition was received and read:

To the Honorable  
Commissioners of the  
City of Newark, N. J.

Honorable Sirs:

We, the undersigned, property owners along the highway commonly known as Sixteenth Avenue, Newark, N. J. respectfully petition your Honorable Board to pass an ordinance providing for the installation of electric lights, commonly known as "Great White Way Lights," from the junction of Springfield Avenue and Sixteenth Avenue up until the Irvington line at Twenty-first Street.

Sixteenth Avenue is now in the process of being paved and is a very important artery of traffic. The merchants and tenants in our respective properties have urged and requested us on numerous occasions to apply to your Honorable Body for the erection and installation of "Great White Way Lights." This improvement will be a benefit, not only to the undersigned, but to the City at large.

Hoping that your Honorable Body will give this matter your most earnest consideration, we are

Respectfully yours,

(Signed by about 87 persons.)

Referred to the Mayor.

Mr. Harry Augenblick, Mechanic Street: Mr. Mayor and members of this Commission: I have a petition signed by 31 property owners on Sixteenth Avenue and 56 merchants on Sixteenth Avenue, asking for this Honorable Body to pass an ordinance for the installation of additional lights on Sixteenth Avenue.

Mayor Congleton: You mean ordinary street lighting?

Mr. Augenblick: Well, we think we really would like to have what is commonly known as "Great White Way Lights", but I understand that the Commission is sort of opposed to the installation of lights of that kind, and if that is the policy of the Commission we would like to have additional lights. Sixteenth Avenue today, as you all know, is one of the darkest streets in the City of Newark. There is no lighting on Sixteenth Avenue from Littleton Avenue clean up to Seventeenth Street, with the exception of one on Tenth Street, and on the other side of the street there is only one light on that corner.

Mayor Congleton: What do you

mean? Do you want lights of a certain type? Have you seen the ones that we put in on West Market Street?

Mr. Augenblick: Yes.

Mayor Congleton: Is that what you want?

Mr. Augenblick: Those are the lights we would like to have.

Mayor Congleton: I don't know where any one gets the impression we are opposed to them. We have been putting them in as far as we could with the money available; but I will say to you, for your information, it can not be done this year. When we made up our budget in January we put in a very substantial sum for additional street lighting, as much as we felt could be taken care of this year. Sixteenth Avenue is not in the budget now. Your petition will be received and will be considered when we make up our budget next year.

Commissioner Murray: They are concerned now because of the repaving going on.

Mr. Augenblick: You have repaved Sixteenth Avenue; it is really a fine highway, and if you could not see your way clear to put in expensive lights we are talking about, you could put in some smaller lights from Littleton Avenue to Seventeenth Street.

Mayor Congleton: We will look into it, but I do not hold out much hope to you for this year, because all of our appropriation for new lighting has been used up. We put new lights on Frelinghuysen Avenue, some on Clinton Avenue, some on South Orange Avenue, Wilson Avenue, and pretty well along.

Mr. Augenblick: Well, I will leave the petition with your budget, and I hope you do the best you can for the merchants and property owners.

Mayor Congleton offered the following resolution:

WHEREAS, For the proper conduct of the Law Department of The City of Newark it was necessary to have certain law books repaired and rebound; and

WHEREAS, The Director of the Department of Public Affairs was in receipt of an estimate of \$1,957.50, such bid being received from Soney & Sage,

which estimate in his opinion is a fair and reasonable one for the doing of the work aforesaid, and did accept the same;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that an exigency existed which would not permit of advertising for bids for the doing of the work aforesaid; and

BE IT FURTHER RESOLVED, That the action of the Director of the Department of Public Affairs in entering into agreement with said Soney & Sage for the doing of said work be and the same is hereby ratified and confirmed; and

BE IT FURTHER RESOLVED, That the sum of \$1,957.50 be and the same is hereby appropriated to said Soney & Sage in full settlement and discharge of the amount due said company of its claim for rebinding 1,305 volumes of law books, under and by virtue of the power and authority of Section 1, Article XI, Chapter 152, P. L. 1917, (as amended).

Jerome T. Congleton  
John Howe  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Mr. Richard F. Mattia, 219 Mt. Prospect Avenue: Mr. Mayor and Commissioners, a committee is here from the Bloomfield Avenue Business Men's Association. While we realize that the Board is busy with several projects, still, we are getting a little bit uneasy. We figured that after the Commission placing in their appropriation, from the information we received, a sufficient fund to give us additional lighting on the avenue, that it was merely waiting a short while for the widening of the avenue. We have had a conference, as you know, and we thought that long before this a resolution of some kind would be introduced so that we might have the work done this summer. Conditions are kind of dangerous around there. There is a congestion. We haven't complained of our

loss of business since the removal of the Bloomfield buses. We now have the pleasure of looking at the Cleveland and Chicago buses. Whatever business we might get through their recommendation when they reach Chicago, I don't know. But we can not complain about re-routing the Bloomfield buses on the avenue, because we realize that it is congested and narrow. Like the other night at Broadway and Bloomfield Avenue, near the bank there, there was a crash between a trolley and bus caused by the exceptionally narrow spot at that particular place.

Mayor Congleton: At Broadway and where?

Mr. Mattia: Broadway and Bloomfield Avenue, just where that trolley station is.

Mayor Congleton: I thought that was widened out. We spent a lot of money widening that out a while ago.

Commissioner Murray: With your safety isle there you have got to make a very sharp turn to get in there.

Mr. Mattia: Just about room for a good sized bus, and that is all. Of course we realize, as I said before, there is a great deal of work to be done this year and we can not claim first place; but, at the same time, we are anxious; we are getting notices to remove trees. If the street is widened, why, naturally, those come along with the widening of the street, and we are very anxious because our business is going down some, and many of our business men like to make alterations. They are waiting for the street to be completed so that they might make the necessary alterations. It is kind of booming up a little, but at the same time it isn't doing justice on account of the street.

If you realize—you have only got Bloomfield Avenue—in other words, you have got Clinton Avenue, Springfield Avenue, and you have got Central Avenue, Orange Street and Bloomfield Avenue the only main arteries that go from the city out, and Bloomfield Avenue is the most congested one, and it is the only one north of Newark—that is, from the end of Newark—and it is the only place outside of Broadway to fit its needs for business. So we feel that the sooner that improvement is made the sooner business will be a

little bit better. I doubt it if the Broad Street merchants would stand for things that really deprive them of some business. Still, they have the overflow from everything, including us; but if we get a decent looking street, decent lighting, it is up to us merchants to see that we follow up the improvement to comply with the width of the street. We would like to have this taken up as soon as possible.

Mayor Congleton: Mr. Mattia, we agree with you in the necessity of making the improvement there, and we have been making a study of it—many studies. I have the latest one on my desk now. The difference between us on the one side, and your business men,—when we talk about widening it is a question of just narrowing the sidewalks or just making a real widening. To narrow the sidewalks, as has been suggested by your association, costs a lot of money, and in our opinion does not give the relief to meet the situation that you have been describing, that we think you ought to meet.

Then, again, we have been studying how to cut off around the corner there of Mt. Prospect Avenue—the northeast corner, and a real widening there where that very narrow spot is, but we have been sidetracked. It is a serious matter, and it is a question as to what is the best thing to do, not just for today, but if we are going to spend any substantial sum of money, as we must, for the future. And my own judgment is that it needs a real widening rather than a narrowing of sidewalks. I have another plan there that follows out the ideas expressed the last time we conferred on it, and we will get at that very promptly, as promptly as we can. We realize the situation just as much as you do.

Mr. Mattia: Is there any chance, do you think, of having the work done before winter sets in?

Mayor Congleton: Yes.

Mr. Mattia: There is?

Mayor Congleton: Yes.

Mr. Mattia: Well, then, there is no use of asking any more speakers.

Mayor Congleton: Unless some of the property owners whose property we have to take are so much at variance with us on what they think the

value of the land and the damage to their property is that we consume a lot of time. We very often get in that situation.

Mr. Mattia: Well, I doubt—of course I don't know just what the idea of the Commissioners is, but it is useless for me to ask any more speakers.

Mayor Congleton: Bloomfield Avenue, in my opinion, should be widened right from Broadway; substantially would mean cutting on the buildings to make the artery what it ought to be to take care of the traffic that you folks have to take care of.

Commissioner Brennan: It is increasing every day.

Mayor Congleton: That is what we proposed once before and the property owners did not want it, and now that building and loan building has gone up in the triangle, that property they say they spent \$60,000 on it.

Mr. Mattia: \$65,000. Of course, you gentlemen have looked over the ground, and there is only really one side, and that is the south side, where there are inexpensive, to a certain extent, buildings, providing something is done before the Howard erects their building, and they are starting now to tear down the present building. That is why I think we should get busy.

Mayor Congleton: We will try to do everything we can. We recognize it as a very serious neck-in-the-bottle that should be wiped out and use a major operation rather than a minor one.

Mr. Mattia: If the Commissioners would like to consult with us in any way, we will be only too glad to. We would like to have it done as soon as possible.

Mayor Congleton: Does any other person have any matter to bring to the attention of the Commission?

The following petition was received and read:

To the Honorable  
Charles P. Gillen,  
Director of Parks and  
Public Property  
of the City of Newark.

Sir:

We the undersigned, owners or occupants of premises on the south side of Commerce Street, opposite the City

Market and the Farmers Market, do hereby respectfully urge and request that the City refuse to permit Farmers Market to be used by anyone except farmers, and that speculators, peddlers and transient merchants be kept therefrom permanently.

We base our appeal on the unfairness of the competition resulting from these men, who have no place of business, employ no help and have no overhead expense, the use of City property at a most nominal rental charge, while we, who have permanent places of business, employ salesmen and other help, are compelled (because of the great value of our property and business) to pay great rentals and taxes. In addition to this, the transients can and do sell inferior merchandise, for they know that they are unknown by name or location and cannot be found by dissatisfied customers, while we, having permanent places of business, must and do sell only goods which are as represented.

We urge immediate action, for the present condition of affairs is causing irreparable damage and loss to us.

Respectfully,

(Signed by about 32 citizens.)

Referred to Commissioner Gillen.

Mr. William A. Schilling, Prudential Building: Gentlemen, I represent a group of property owners and merchants on Commerce Street between Mulberry and the Farmers' Plaza. I understand—

Mayor Congleton: Mulberry and what?

Mr. Schilling: Mulberry and the Farmers' Plaza where the merchants are. I understand this is a matter belonging to Commissioner Gillen, and unfortunately he is not here this morning. I wondered if the matter could be officially referred to him and I won't have to take up time.

Mayor Congleton: What is it?

Mr. Schilling: This is the situation: As I understand, Commissioner Gillen's Department has the authority to grant licenses and permits to vendors to sell their wares or merchandise from wagons in this plaza. We appear now for the property owners and merchants who are permanent along Commerce

Street, objecting to the granting of any further permits or licenses. I think your practice, or the practice of Commissioner Gillen's Department—is now to get fifty cents a day, but a nominal charge, and these farmers come in and dispose of their merchandise.

Mayor Congleton: Where do they park?

Mr. Schilling: Behind the Centre Market, between the—

Mayor Congleton: That is the Farmers' Market. Well, that has always been there, Mr. Schilling. I think since the earliest days of the market. There was a Farmers' Market where they brought their stuff in as far back as I can remember.

Mr. Schilling: It has been, Mr. Mayor, but I think it has changed entirely. This petition that we have shows that they are nothing but gyps that are now using that market. They are selling their merchandise, for instance, as an example, potatoes. They are now selling Long Island potatoes. Long Island potatoes are selling at \$2.35 a bag, and they sell them for \$1.90 and hold them out as Long Island potatoes. When they are examined it is found that they are not of that quality, and it means that the man that bought there will not come back, and it gradually means that there is no more business on Commerce Street, and these merchants here in their petitions say business has fallen off because of the fact they are nothing but gyps. Now, I realize permits have been granted for a long time back, but we thought that we could take up with someone the question of granting those to reliable people—someone you can fall back on, and not give them to Tom, Dick or Harry. And I wondered if the matter could be officially referred to the person in charge, who I believe is Commissioner Gillen.

Commissioner Brennan: I move it be referred to Commissioner Gillen.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

Mayor Congleton: I would like to say to you that I have a recollection that Commissioner Gillen did clean out a lot of people a while ago with

the thought—I don't know whether they were gyp artists—but he thought they ought not be there and cleaned them out.

Mr. Schilling: I might say I have learned their permits all expired on the first of August. We got into this matter yesterday. Apparently someone learned we were going to make application here to state the facts to the Commission, and I understand that there was a newspaper account, either yesterday or today, that the permits had been granted, and I hurriedly came down here and thought I could stall that off—at least, hold it off temporarily until the matter could be brought to the attention of the proper person.

Mayor Congleton: Does any other person have any other matter to bring to the attention of the Commission?

Mr. Charles Rein, 165 West Kinney Street: I got down too late when you brought up the matter about the garage. It isn't going to be a garage.

Commissioner Murray: That has been reconsidered and laid over a week so you can correct your application.

Mr. Rein: Next Wednesday?

Commissioner Murray: Yes.

Mr. Rein: All right. Thanks.

Mayor Congleton: Does any other person have any other matter to bring to the attention of the Commission? If not, a motion to adjourn is in order.

Commissioner Brennan: I move that we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON

W. J. BRENNAN

JOHN HOWE

JNO. F. MURRAY, JR.

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,

City Clerk.

Newark, N. J., August 14, 1929.

A regular meeting of the Board of Commissioners of the City of Newark N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present Commissioners Brennan, Gillen, Murray, Acting Mayor Howe.

Absent: Mayor Congleton:

The minutes of meeting of August 7th were read and approved.

The City Clerk presented An ordinance to provide for the grading, curbing, flagging and paving of Fabyan Place from Chancellor Avenue southwesterly about 1380 feet to the Essex-Union County line with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation and authorizing the making and execution of a contract with the Town of Irvington for the payment by said Town of a portion of the cost, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Acting Mayor Howe: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Gillen moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Commissioner Gillen moved that the following ordinance be taken up on second reading:

An ordinance to provide for the grading, curbing, flagging and paving of Fabyan Place from Chancellor Avenue southwesterly about 1380 feet to the Essex-Union County line with asphalt pavement (1½" top 1½" binder) on a new six (6) inch concrete foundation and authorizing the making and execution of a contract with the Town of Irvington for the payment by said Town of a portion of the cost.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

Section 5 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Gillen moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Commissioner Gillen moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Commissioner Gillen moved that the title of "An ordinance to provide for the grading, curbing, flagging and paving of Fabyan Place from Chancellor Avenue southwesterly about 1380 feet to the Essex-Union County line with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation and authorizing the making and execution of a contract with the Town of Irvington for the payment by said Town of a portion of the cost," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the

grading, curbing, flagging and paving of Fabyan Place from Chancellor Avenue southwesterly about 1380 feet to the Essex-Union County line with asphalt pavement (1½" top 1½" binder) on a new six (6) inch concrete foundation and authorizing the making and execution of a contract with the Town of Irvington for the payment by said Town of a portion of the cost.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Howe, Murray.

The City Clerk presented An ordinance to provide for the grading, curbing, flagging and paving and repaving of Third Street from the southerly side line of Abington Avenue to Berkeley Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Acting Mayor Howe: Does any citizen desire to be heard on this ordinance?

Mr. John D. Leslie, 651 North Third Street: On behalf of the Leslie Box Company, who are adjoining property owners on North Third Street, I would like to say we are in a peculiar position, which we think is not of any concern. We think that this is not the proper time to pave the entire length of the proposed paving of Third Street. Dugan Brothers, across the street, who applied for this thing, necessarily need a hard-surfaced road, due to the fact that they are putting up a new building. They are big taxpayers, and so on, and we are willing to carry on to that necessary paving, but beyond that Third Street is dead at the canal. Berkeley Avenue is also dead at the canal. We and the Federal-Brandles Corporation are the only other property owners there, who would not benefit by the full paving of North Third Street. We suggest that it only be done up to the necessary point to provide access to the Dugan bakery. That would be

about 100 to 125 feet south of the intended paving. Also, we think that in view of the possibility—

Commissioner Howe: Is that a dead end street?

Commissioner Brennan: Yes.

Commissioner Howe: Is it possible to pave part of the block?

Commissioner Murray: What is the length of the pavement proposed beyond where you are willing to have?

Mr. Leslie: About 150 feet.

Commissioner Murray: Why do you object to that?

Mr. Leslie: For the reason that—

Commissioner Murray: Do you own that property there?

Mr. Leslie: Yes.

Commissioner Murray: Do you own that property to the end of the street?

Mr. Leslie: Yes, sir.

Commissioner Howe: That doesn't seem like good policy. You have got five payments over a period of four years, and the only estimated cost is about \$16. a foot.

Mr. Leslie: According to the papers it would run \$19 to \$20 a foot.

Commissioner Howe: The approximate cost is \$16.30 a foot. It isn't very good spirit on your part.

Commissioner Murray: You don't pay all of it.

Mr. Leslie: I understand that, but here is the point: That property, in view of what may have happened along the canal—we don't know at the present moment that that may upset the present paving of the street. Also, Route 10, which has been objected to by the Forest Hill residents, we don't know at the present moment whether Route 10 will cross the park at the point of Abington Avenue and Berkeley Avenue. If they decide on putting Route 10 through Forest Hill Section, Abington Avenue and Berkeley Avenue, that upper end of Third Street we object to being paved and being wrecked by paving the Route 10. In other words, the upper end of Third Street may be paved, and if Route 10 comes across there—

Commissioner Brennan: I understand that it is practically settled that Route 10 is going over Verona Avenue.

Mr. Leslie: It is? We don't know that.

Commissioner Brennan: So I understand.

Commissioner Murray: There is very little danger of that highway going up across Forest Hill.

Commissioner Howe: I think you ought to go along.

Mr. Leslie: Well, I tell you —

Commissioner Howe: It is bad policy to leave just a little bit of the street unpaved. How would you like your neighbor to be paved and have the dust off your place blowing into his place? The same way with fire engines.

Mr. Leslie: If you saw the location of that property you would realize that you are putting down paving there that you won't have wagon wheels over for months at a time. Berkeley Avenue ends at the canal and Third Street ends at the canal. There is absolutely no place you can go to on that pavement.

Commissioner Howe: Can't you go to your place on the pavement?

Commissioner Gillen moved that the ordinance be laid over until September 4th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

The City Clerk presented An ordinance to authorize the purchase of Fire Department Apparatus and providing for the financing thereof, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Acting Mayor Howe: Does any citizen desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Brennan moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Commissioner Brennan moved that the following ordinance be taken up on second reading:

An ordinance to authorize the purchase of Fire Department Apparatus and providing for the financing thereof.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That the purchase of Fire Department Apparatus be and the same is hereby authorized.

2. That the cost of the purchase of said Fire Department Apparatus shall not exceed the sum of One hundred thousand dollars (\$100,000.00).

3. Pursuant to the provisions of Section 13, Chapter 252 of the Laws of 1916, as amended, there shall be issued Temporary Loan Bonds of the City of Newark, in an aggregate principal amount not exceeding One hundred thousand dollars (\$100,000.00), bearing interest at a rate not exceeding six per centum (6%) per annum, payable semi-annually, for the purpose of temporarily financing the cost of said purchase. All other matters in respect to said Temporary Bonds shall be determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and Chapter 252 of the Laws of 1916, as amended, and the Director of the Department of Revenue and Finance is hereby authorized to issue said Temporary Bonds at such time or times and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Auditor and City Clerk are hereby authorized and directed to execute said bonds or so many thereof as the Director of the Department of Revenue and Finance shall deem it advisable to issue.

4. The sum of One hundred thousand dollars (\$100,000.00) to be raised by the issuance of said Temporary Bonds, is hereby appropriated for the purpose for which said bonds are hereby authorized to be issued.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Brennan moved that said ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Howe, Murray.

Commissioner Brennan moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Howe, Murray.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Howe, Murray.

Commissioner Brennan moved that the title of "An ordinance to authorize the purchase of Fire Department Apparatus and providing for the financing thereof," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Howe, Murray.

The clerk then read the title of the ordinance as follows:

An ordinance to authorize the purchase of Fire Department Apparatus and providing for the financing thereof.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gilen, Howe, Murray.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance authorizing the issuance of \$100,000 Fire Apparatus Bonds of The City of Newark.

The Board of Commissioners of the City of Newark, Do Ordain as follows:

Section 1. Pursuant to Chapter 252 of the Laws of 1916 of New Jersey, and the acts amendatory thereof and supplemental thereto, negotiable bonds of The City of Newark, to be known as "Fire Apparatus Bonds," and to be dated September 15, 1929, are hereby authorized to be issued in the aggregate principal amount of \$100,000.00 for the purposes hereinafter stated, for which purposes it is necessary to raise said sum of money.

Section 2. The money to be raised by the issuance of said bonds shall be applied to the purpose of paying for the purchase of fire engines, fire trucks, hose carts or other vehicles for use in the Fire Department of The City of Newark.

Section 3. In the event that there are any outstanding temporary loan bonds or notes issued to pay the cost of said properties, the money herein authorized to be applied to the cost of such properties shall be applied to the payment of such bonds or notes.

Section 4. The following matters are hereby determined and declared, pursuant to the requirements of said Chapter 252 of the Laws of 1916, as amended:

(a) The properties for which bonds are hereby authorized to be issued were not acquired prior to September 1st, 1928, and said properties are of the class described in subdivision (P) of sub-section (2) of Section 4 of said Chapter 252 of the Laws of 1916, as amended.

(b) The probable period of usefulness of said properties, computed in the manner prescribed by Section 4 of said Chapter 252 of the Laws of 1916, as amended, is five years, beginning on the date of said bonds.

(c) No part of the cost of the improvements for which bonds are hereby authorized to be issued has been or is to be specially assessed against property specially benefited thereby.

(d) The average assessed valuation of the taxable real property (including improvements) of said City of Newark, computed upon the next preceding three valuations thereof, in the manner provided in Section 12 of said Chapter 252 of the Laws of 1916, as amended, is \$681,087,102.

(e) The net debt of said City, computed in the manner provided in said Section 12, as amended, is \$30,397,625.51.

(f) The statements required by said Section 12 (showing said net debt, etc.) have been made and filed with the City Clerk, as therein required.

Section 5. This ordinance shall take effect in the manner provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray.

Commissioner Brennan moved that August 28, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray.

Commissioner Murray introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance authorizing the issuance of \$500,000.00 Port Newark Improvement Bonds of The City of Newark.

The Board of Commissioners of the City of Newark, Do Ordain as follows:

Section 1. Pursuant to Chapter 252 of the Laws of 1916 of New Jersey, and the acts amendatory thereof and supplemental thereto, negotiable bonds of The City of Newark, to be known as "Port Newark Improvement Bonds," and to be dated September 15, 1929, are hereby authorized to be issued in the aggregate principal amount of \$500,000.00, for the purposes hereinafter stated, for which purposes it is necessary to raise said sum of money.

Section 2. The money to be raised by the issuance of said bonds shall be applied to the purpose of paying for the following described improvements to be made by The City of Newark, pursuant to authority conferred by Section 13 of Article XXVIII of Chapter 152 of the Laws of 1917, and Subdivision (J) of Section 1 of Article XX of said statute, and other statutes of the State of New Jersey, viz.:

(a) The making and construction of a channel or channels in navigable waters upon which front the lands heretofore acquired by The City of Newark, pursuant to Chapter 272 of the Laws of 1907, and other statutes, for the purpose of constructing and establishing docks and shipping facilities (which lands and the improvements thereon are commonly known as "Port Newark Terminal");

(b) The filling in of said lands;

(c) The construction of bulkheads and docks on said lands and in the water adjacent thereto; and

(d) The acquisition of additional lands for wharves, piers, docks, slips and basins, and for the purpose of connecting docks with highways and railroads within the City, and with other public docks of the City.

Section 3. In the event that there are any outstanding temporary loan bonds or notes issued to pay the cost of said improvements, the money herein authorized to be applied to the cost of such improvements shall be applied to the payment of such bonds or notes.

Section 4. The following matters are hereby determined and declared, pursuant to the requirements of said Chapter 252 of the Laws of 1916, as amended:

(a) The improvements for which bonds are hereby authorized to be issued were not completed prior to September 1st, 1928, and said improvements are of the class described in Subdivision (U) of Subsection (2) of Section 4 of said Chapter 252 of the Laws of 1916, as amended.

(b) The probable period of usefulness of said improvements, computed in the manner prescribed by Section 4 of said Chapter 252 of the Laws of 1916, as amended, is forty years, beginning on the date of said bonds.

(c) No part of the cost of the improvements for which bonds are hereby authorized to be issued has been or is to be specially assessed against property specially benefited thereby.

(d) The average assessed valuation of the taxable real property (including improvements) of said The City of Newark, computed upon the next preceding three valuations thereof, in the manner provided in Section 12 of said Chapter 252 of the Laws of 1916, as amended, is \$681,087.102.

(e) The net debt of said City, computed in the manner provided in said Section 12, as amended, is \$30,397,625.51.

(f) The statements required by said Section 12 (showing net debt, etc.), have been made and filed with the City Clerk, as therein provided.

Section 5. This ordinance shall take effect in the manner provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Commissioner Murray moved that August 28, 1929, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice

of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Commissioner Gillen introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of reinforced concrete pipe sewers in Walnut Street between New Jersey Railroad Avenue and Adams Street.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That reinforced concrete pipe sewers shall be constructed in Walnut Street between New Jersey Railroad Avenue and Adams Street as follows: The part between McWhorter Street and Pacific Street to be twenty-four (24) inch reinforced concrete pipe sewer and the balance fifteen (15) inch reinforced concrete pipe sewer, together with all the appurtenances necessary to complete the same, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P. L. 1917-319), and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated August 12, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$30,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$30,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize

and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Commissioner Gillen moved that September 4, 1929, at 10 A.M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Commissioner Brennan offered the following resolution:

RESOLVED, That the sum of Seventeen thousand four hundred seventy-nine dollars and seventy-nine cents (\$17,479.79) be and the same is hereby appropriated to persons named on the annexed certified list, being the bills and claims of the Department of Public Safety, as follows:

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

A Resolution to dispose of certain lands owned by the City of Newark and lying within the lines of Maple Street as delineated on the Map made by the Commissioners appointed by the Common Council of the City of Newark to lay out streets, avenues and squares in said

City, which map was made the 31st day of March, 1863.

WHEREAS, The City of Newark purchased from Hugh A. Toler and William Booraem property hereinafter described (which said property was so much of Maple Street as lay between the easterly line of the property of the said Hugh A. Toler and the line running between The City of Newark and Clinton Township), by deed recorded in Book F 16 of Deeds for Essex County, on pages 587, etc., and bearing date the 15th day of April, 1872; and

WHEREAS, Subsequent thereto, the City of Newark, by an ordinance entitled, "An Ordinance to vacate parts of public highways in the Fourteenth Ward," which said ordinance was passed September 5, 1890, and approved September 9, 1890, amongst other things provided: "Section 1. That the following named streets be vacated as public streets or highways, viz.: Maple Street between Frelinghuysen Avenue and Sherman Avenue \* \* \* and

WHEREAS, The City of Newark did on the 19th day of December, 1890, pass a further ordinance entitled, "An Ordinance to amend an ordinance entitled, 'An Ordinance to vacate parts of public highways in the Fourteenth Ward,' approved September 9th, 1890," which said amendatory ordinance, among other things, recited that a portion of Pennsylvania Avenue was erroneously included in the original ordinance, and that the bond, provided in said original ordinance to be given, had not been given, and that the ordinance was, therefore, not yet effective, and that certain of the streets and parts of streets in said ordinance mentioned were partly in the Tenth Ward and partly in the Ninth Ward, as well as in the Fourteenth Ward, and then provided, in Section 1, "that the following streets be vacated as public streets or highways, viz.: Maple Street between Frelinghuysen Avenue and Sherman Avenue, \* \* \* ", and further provided that the title of said ordinance should be amended and that the ordinance should take effect immediately; and

WHEREAS, The City of Newark has given deeds for parts of the title lying

in the bed of Maple Street to the owners of property through whose lands the said Maple Street ran, one of said deeds being recorded in Book M 28 of Deeds for Essex County, on pages 510, etc., and one recorded in Book Q 37 of Deeds for Essex County, on pages 167, etc.; but has never given any deed for the portion of the street hereinafter described; and

WHEREAS, By Section 9 of Article XVIII of an act entitled "An Act Concerning Municipalities," Chapter 152 of the Laws of 1917, as amended, it is provided that every municipality may sell or dispose of any lands or buildings, or rights or interests therein, not needed for public use; and

WHEREAS, By Chapter 38 of the Laws of 1929, it is provided that no land, or any right or interest therein, shall be sold by any municipality except at public sale to the highest bidder, after public advertisement, as provided in said Act; and

WHEREAS, It is the judgment of this Board that the land hereinafter described is no longer needed for public use;

NOW, THEREFORE, BE IT RESOLVED, That it is the judgment of this Board that the land hereinafter described is no longer needed for public use and that the best interests of the municipality will be served by the sale of said land, the said land constituting a portion of the roadbed of a street which has been vacated, as set forth in the preambles of this resolution;

AND BE IT FURTHER RESOLVED, That the Director of Parks and Public Property be, and hereby is, authorized and directed to advertise the lands hereinafter described for public sale to the highest bidder, in conformity with the provisions of Chapter 38 of the Laws of 1929. The said lands to be sold are described as follows:

Situate in the City of Newark, Essex County, New Jersey.

FIRST TRACT: Beginning at a point in the center line of Maple Street as delineated on the Map made by the Commissioners appointed by the Common Council of the City of Newark to lay out streets, avenues

and squares in said City, which said map was made the 31st day of March, 1863, which center line of Maple Street intersects the westerly line of Frelinghuysen Avenue at a point 230 feet on a course North 31 degrees 43 minutes East of Willow Street, as said streets now exist, and which beginning point is 112.50 feet west of Frelinghuysen Avenue and in said center line of Maple Street; and running thence North 58 degrees 17 minutes West 75 feet; thence Northeasterly at right angles to said first mentioned course, or nearly so, 30 feet to the northerly line of Maple Street as laid out as aforesaid; thence South 58 degrees 17 minutes East 75 feet; thence Southwesterly and parallel with the second course 30 feet to the point or place of beginning.

It being the intention by the above description to include all the land in the bed of Maple Street north of the center line thereof and lying between a point 112.50 feet west of the westerly line of Frelinghuysen Avenue and a point 187.50 feet west of said Frelinghuysen Avenue.

**SECOND TRACT:** Beginning at a point in the center line of Maple Street as delineated on the Map made by the Commissioners appointed by the Common Council of the City of Newark to lay out streets, avenues and squares in said City, which said map was made on the 31st day of March, 1863, which center line of Maple Street intersects the westerly line of Frelinghuysen Avenue at a point 230 feet on a course of North 31 degrees 43 minutes East of Willow Street, as said streets now exist, and which beginning point is 229.31 feet west of Frelinghuysen Avenue and in said center line of Maple Street; running thence north 84 degrees 8 minutes West 20.87 feet; thence on a radius of 56.30 feet, 11.57 feet to the said center line of Maple Street; and thence South 58 degrees 17 minutes East 11.57 feet to the point or place of beginning.

**AND BE IT FURTHER RESOLVED,** That upon the said lands being sold, that the Mayor and City Clerk be and they are hereby author-

ized and directed to execute a Deed to the purchaser of the lands hereinbefore described.

Charles P. Gillen  
W. J. Brennan  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

Commissioner Howe offered the following resolutions:

To the Board of Commissioners of The City of Newark, N. J.

Dear Sirs:

I respectfully submit the statements annexed (by items) of the amount in gross as shown by the records in this office of the several grading, curbing, pavings and sewers, Chapter 152, Laws 1917, now completed, which statements are now ready to be referred to the Board of Commissioners of Assessments for Local Improvements in order that assessments for benefits may be levied in accordance with law.

A. K. Brady,  
Acting Auditor of Accounts.

Fifteenth Avenue Grading,  
Curbing and Paving, Devine Street to City Line....\$3,918.08  
Maybaum Avenue Sewer, 100 feet north of Tremont Avenue to City Line..... 1,673.04

RESOLVED, By the Board of Commissioners of the City of Newark, New Jersey, that the foregoing report and declaration of costs be and the same are hereby referred to the Board of Commissioners of Assessments for Local Improvements to assess benefits pursuant to the direction and provisions of the statutes in such case made and provided.

John Howe  
Charles P. Gillen  
W. J. Brennan  
Jno. F. Murray, Jr.

The roll being called, the resolution

was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the sum of Nineteen thousand three hundred eighty-eight dollars and fifteen cents (\$19,388.15) be and the same is hereby appropriated to Consolidated Specialty Corporation, being the purchase price of a certain tract of land owned by said company, situated in the City of Newark, Essex County, New Jersey, described as follows:

Beginning at a point in the center line of Bound Creek at the southeasterly corner of land formerly of Samuel Camp or his line produced; thence running along the said Camp's land north 16 degrees 15 minutes east 125.60 feet, more or less, to a corner thereof; thence still along the same and land now or formerly of Stuart Lindsley north 71 degrees 51 minutes east 781.45 feet to a corner of land now or lately belonging to Security Land and Improvement Company; thence along the westerly line of last mentioned land south 18 degrees 37 minutes east 336.55 feet to the northerly line of land of one Headley; thence along the same and land of one Dean and of one Paul, south 71 degrees 2 minutes west 670.40 feet, more or less, to the center line of Bound Creek; thence along the center line of said Creek north 12 degrees 21 minutes west 73.50 feet; thence still along the said center line of said creek north 50 degrees 51 minutes west 89.90 feet; thence still along said center line of said creek north 68 degrees 20 minutes west 172.20 feet to the point or place of beginning.

Containing 5.984 acres.

According to a survey made by Ernest L. Meyer, Inc., dated October 1, 1917.

Said premises are shown upon the Assessment Map of the City of Newark as being:

Block 1297, Lot 4; Block 1298, Lot 6; Block 1299, Lot 3; Block 1309, Lot 1; Block 1310, Lot 1; Block 1311, Lot 1; Block 1312, Lot 5, Sec. 12, Plot 38.

and,

BE IT FURTHER RESOLVED, That said sum of Nineteen thousand three hundred eighty-eight dollars and fifteen cents (\$19,388.15) be paid to said Consolidated Specialty Corporation upon the filing by it with the Acting Auditor of Accounts of a deed from said Company, conveying, the lands above described, approved as to form by the Law Department.

#### Department of Public Safety, Newark, N. J.

August 14th, 1929.

To the Board of Commissioners  
of The City of Newark.  
Addressed.

Gentlemen:

I expect to leave the City on August 15th for my vacation, and in order that there may be some one to sign payrolls and attend to other matters relating to my Department, I would request that you designate Mr. James Moss to act in my place and stead during such temporary absence.

Yours respectfully,

W. J. Brennan,  
Director.

Ordered filed.

Commissioner Brennan offered the following resolution:

**WHEREAS,** William J. Brennan, Director of the Department of Public Safety, intends to temporarily leave the city; and

**WHEREAS,** No person is now by law authorized to perform the duties of said office during his temporary absence; and

**WHEREAS,** Said William J. Brennan has requested this Board to designate James Moss to act in his place and stead during his temporary absence;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that under and by virtue of the provisions of:

Section 19, of Article XXXVII, of Chapter 152 of the Laws of 1917, as amended by Section 3, of Chapter 319 of the Laws of 1920,

James Moss be and he is hereby designated to act in the place and stead of William J. Brennan, Director of the

Department of Public Safety, during his temporary absence; and that the acts of said James Moss shall in all respects be legal and binding as if done and performed by said William J. Brennan.

John Howe  
W. J. Brennan  
Charles P. Gillen  
Jno F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of Section 13 of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Charles Rein for an automobile showroom at 165 West Kinney Street, on condition that no gasoline be stored or sold on the premises.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

John Howe

Charles P. Gillen  
W. J. Brennan

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Walter F. Barry for a gasoline station at 97-99 Plane Street.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

John Howe  
Jno. F. Murray, Jr.  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

WHEREAS, The Board of Adjustment has certified in writing to this Board, that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Spruce Realty and Mortgage Company for a gasoline station at 22-24 Jones Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to August 21, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Abe Sternbach for a gasoline station at 73 Elizabeth

Avenue; approved on condition that the maximum amount of gasoline stored on the premises is not to exceed 1,000 gallons, that a fireproof wall be erected between the filling station and the stores to the south, and that an automatic sprinkler system be installed in the garage in the rear of the filling station;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue permits for the application above set forth.

Laid over to August 28, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of Joseph and David Forman for a gasoline station at 342-346 Washington Street; approved for one year for portable tanks on condition that no gasoline be stored in underground tanks, and none sold at the curb.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to August 28, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the Inspector of the Bureau of Combustibles and Fire Risks, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following

structure for which application was made be allowed:

Application of Riordan Leather Company for a gasoline station at 260 South Street;

**THEREFORE, BE IT RESOLVED,** By the Board of Commissioners of the City of Newark, that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Inspector of the Bureau of Combustibles and Fire Risks, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to August 28, 1929.

**WHEREAS,** The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of David Meyers for an automobile parking station at 128-130 Washington Street;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to August 28, 1929.

**WHEREAS,** The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Paramount Realty Company for a gasoline station at 169-171 Frelinghuysen Avenue;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that the recommenda-

tions of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of issuing permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to August 21, 1929.

**WHEREAS,** The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of Frank C. Carrigan for a gasoline pump in connection with his parking station at 42 Park Place; approved for one year for portable tanks on condition that no gasoline be stored in underground tanks, and none sold at the curb;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the ap-

Laid over to August 21, 1929.

**WHEREAS,** The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Angelo D'Agostino for a two-story apartment house with stores at 508 North Thirteenth Street;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby

directed to issue a permit for the application above set forth.

Commissioner Howe: Does anybody desire to be heard?

Mr. Anthony Gullano, 763 Broad Street: The owner, Mr. D'Agostino, proposes to build three six-family houses with two stories and the objection, I believe, is to the two stories. The old Board of Adjustment approved that corner as a business corner, and so does the new board. The plans were approved and the permit was granted. I live in that particular neighborhood myself and I happen to know the thing is in demand. The only real objection to it is made by the owner of two stores on the opposite corner, who is not even a resident of Newark, but resides in Belleville. I have been in touch with immediate residents in the particular vicinity, and they all approve of these stores being built there.

George R. Sommers, 17 Academy Street: This place where the stores are proposed to be erected is directly behind a hospital. There are no stores on North Thirteenth Street whatsoever. There are two stores, I believe, on Berkeley Avenue, which is only one block from Bloomfield Avenue. Bloomfield Avenue is strictly a business street and there is no need or any calling for stores on North Thirteenth Street, which is totally residential, where the hospital is and the nurses' home is. It means that it is going to be a place to create more noise than there is there now.

Commissioner Murray: I had no notice of this application before. I move it be laid over for a week.

Mr. Gullano: But these stores on Bloomfield Avenue are not in Newark, but in Bloomfield, and the Newark residents, I think, should have something to say about where they spend their money, and there is one owner in particular there that has twelve houses on Thirteenth Street south of Berkeley Avenue, and he is fully in accord with having these particular stores on that particular corner, and those two stores that Mr. Sommers talks about are right opposite the St. Gerard's Hospital. And these stores that we intend to put up are 150 feet away from these two stores.

Mr. Sommers: About practically next to the nurses' home.

Mr. Gullano: The nurses' home is at least 200 feet away, or more.

Commissioner Murray: Who is running that hospital?

Mr. Gullano: Why, it is in the receiver's hands. Doctor Nasse has it now.

Commissioner Murray: Is he the man who had it first?

Mr. Gullano: It went into the receiver's hands and the Presbyterians took it over for a while; now it is in his hands, as a tenant only.

Commissioner Murray: They took it over until their building was complete.

Mr. Sommers: The Newark Private is in there now temporarily.

Laid over to August 21, 1929.

Commissioner Brennan offered the following resolutions:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Inspector of the Bureau of Combustibles, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of Burns Brothers, Inc., for the storage of 500,000 gallons of fuel oil at 77 Riverside Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Inspector of the Bureau of Combustibles, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

W. J. Brennan  
Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal

from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Ogden and Rector Parking Company, Inc., for a gasoline station at 578-588 Ogden Street;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

W. J. Brennan  
John Howe  
Jno F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Howe, Murray.

Nays: Commissioner Gillen.

#### City Officers' Reports.

The following reports of City Officers were received and ordered filed: Department of Weights and Measures for July, 1929.

Clerk of First District Court for July, 1929.

Clerk of Second District Court for July, 1929.

Clerk of Alms House for July, 1929.

Clerk of Centre Market for July, 1929. City Clerk (2) for July, 1929.

Richard P. Rooney, Clerk 1st Criminal Court, for July, 1929.

Ellsworth R. Noble, Clerk 1st Criminal Court, for July, 1929; Part Traffic.

Robert J. Beckley, Deputy Clerk, 2nd Criminal Court, Part 1, for July, 1929.

Thomas P. Guthrie, Clerk, 2nd Criminal Court, Part 2, for July, 1929.

Arthur J. Connelly, Clerk, 3rd Criminal Court, Part 1, for July, 1929.

Arthur J. Connelly, Clerk, 3rd Criminal Court, Part 2, for July, 1929.

Elizabeth S. Lewis, Clerk, Family Court, for June, July, 1929.

City Treasurer for July, 1929.

#### Department of Revenue and Finance. Office of the City Treasurer, City of Newark, N. J.

August 2, 1929.

To the Honorable  
The Commissioners of the  
City of Newark, N. J.

Gentlemen:

In compliance with the Act of the Legislature entitled "A further supplement of the Act entitled "An Act to amend and revise the Charter of the City of Newark, N. J.," approved Feb. 22nd, 1866", I herewith present a statement of the receipts and disbursements for the month of July, 1929, condensed as to source:

#### Receipts:

Cash on hand June 30th,	
1929 .....	\$ 6,163,326.33
Received from Comptroller, July .....	3,862,208.58
	<hr/>
	\$10,025,534.91

#### Disbursements:

By Warrant .....	2,085,130.73
Without Warrant .....	4,462,749.42
	<hr/>
	\$ 6,547,880.15

Balance on hand July 31,	
1929 .....	\$ 3,477,654.76

Respectfully submitted,

John J. Sugrue,  
Acting Treasurer.

Mr. Max Cohen of 74 Waydell Street appeared and suggested that the garbage wagons be routed through Foundry Street instead of through Waydell Street, complaining of the odor. He also complained about the conditions existing in the piggery nearby.

On motion the matter was referred to Mayor Congleton and Commissioner Murray.

Commissioner Brennan: I move that we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray.

APPROVED:

JOHN HOWE  
W. J. BRENNAN  
JNO. F. MURRAY, JR.  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N. J., August 21, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Absent: Commissioner Brennan.

The minutes of the meeting of August 14, 1929, were read and approved.

Mayor Congleton: Has any citizen any matter that he desires to take up with the Commission?

Mr. Ralph E. Lum, Griffith Building: I desire to present to you this morning an application of the Military Park Garage Company for permission to construct at least a three-story concrete and steel garage beneath the surface of Military Park.

There are many things which we need not discuss at this time. I can say to you that if we can open negotiations we will understand at a term in advance that we must give to the City a satisfactory construction bond, that which you desire, and that we must give to you a satisfactory reconstruction bond. My people must restore the surface of Military Park to its present condition and, we think, a little better in some respects.

This is not a new matter. It has been up for consideration before. We are at present anxious that it should receive such consideration that we can go forward with our project if possible. This City has a very acute traffic problem, with which we are all very familiar. We have spent a very large sum of money on widening streets. We have done everything possible, recognizing that the use of the automobile is the present traffic method. We are, by this project, providing for 3,000 automobiles. If you will figure your problem in the terms of what it would cost you to widen the street to provide parking place, for the streets are now used for 3,000 automobiles, you would see that it would cost the City a sum that would run into several millions of dollars.

If I were here suggesting that the City should build this at its own expense and provide this parking for the

citizens of our City and those who come here to use our city's facilities, I feel that I would have an entirely sound and arguable proposition. Instead of that I am suggesting that the City make a lease to this company for fifty years. At the end of that time the space would have a building on it. There would be extremely little wear and tear of necessity. The building would come back to the City.

It would provide cheap parking, of course. If the company were obliged to buy a strip of property for this gigantic proposition, it would be necessary to charge rates so exorbitant as to defeat the purpose of the project.

There are thousands of people now going straight to New York by the buses and other methods, reaching New York to do their shopping. Many of them would much rather do their trade and shopping here. This would also take care of the professional men and other interests in Newark. The people don't come here now because the parking problem is very serious—almost an impossible one.

We have here the further reason of the diminishing outdoor parking places, which are now taking care of a great many of the cars and have taken care of ours in our coming back and forth to Newark for nineteen years. But one outdoor place after the other has been taken away. They are going, and they are going very rapidly. They are at the most strictly temporary things. There will not be space or facilities for outdoor parking in the center of this City for many cars for more than a very few years.

It would take at least two years to complete such a project in its entirety, and it is necessary for us to consider ways and means, and consider them immediately.

I understand that there has been consideration given to the use of a part of the park for a subway or for some other purpose. I mean in the sub-surface. If there is any project which you have forward at this time I will very happily cooperate to the fullest extent to see that anything looking to the future welfare of the city is not interfered with and at the same time that this is given its opportunity.

The engineering problems I need

not discuss. That will all be subject to the supervision of Mr. Costello, who certainly is most capable of protecting the city's interests. The problem of access, the problem of air, all these various things we have had the engineers estimate on, and they can be made to meet very satisfactorily with your code and with your terms. All other details can be taken care of equally well.

I have drafted a proposed lease, which, if you would permit me to submit to your legal department, we are ready to meet on at any fair and reasonable terms.

In speaking with various individuals, I have found at first a sentimental reaction against the project. Some have said, as one of our papers has commented, that none of the other cities have done it. When I was in Cincinnati the last time I noticed that they had taken the surface of their parks like this and given them over for parking. It will come to such a situation as that when all the outdoor places are gone unless something like this is done, or the commercial life of Newark would suffer severely.

If we had used in the past the argument that certain things had never been done before, it would have prevented the Holland Tunnel under the Hudson River from being built, it would have prevented the bridging of the Hudson, it would have prevented most of the improvements that we are now enjoying. Newark has never lacked in vision, and I will, without hesitation, say that after this is done in Newark you will find other cities following it, and following it with great rapidity. It is a sound and practical solution.

There can be no interference with the monument or with anything else that makes that park attractive and beautiful to its citizens. When you have preserved that and kept your crosswalks, you have preserved everything which serves any reasonable purpose on the surface of that park. It does make a pleasant resting place for the gentlemen who recline on newspapers there on a warm, sunny day. The parks have gathered together an interesting group of derelicts, but it does not serve the practical purpose of one-fifth of the space of the playground such as we have around the

City. The park does enhance the value of all the property around it, by keeping an open space there. It should be preserved absolutely.

It was originally designed as a training park for soldiers. That sounds now as if it came from a comic supplement, because the changes of the times have made it so utterly inconceivable for that purpose.

The crosswalks would be preserved or changed as you would desire them. Every paved surface would be as it is.

The company that is interested is composed of substantial people. The banking interests with which they are concerned are very substantial people. As I say, you need not have any concern, because before you are permitted to do anything, before your rights have moved an inch, you will receive every assurance that you want in the way of both construction and reconstruction bonds.

I am asking that the application be given very careful consideration by you at this time.

Are there any questions that any of you gentlemen want me to answer? There is a great deal that I am not going into because it consists of details that will be gone into by the Engineering Department.

Mayor Congleton: I should think, Mr. Lum, that this is a matter of such importance that the Commission should fix a convenient time for a conference on it. I don't know what the plans of the other commissioners are for next week. We have held conferences on Tuesday morning.

Commissioner Gillen, shall we fix a conference date? I would suggest that the matter be referred at this time to Commissioner Gillen, who has charge of the park, and that he bring it up with the other Commissioners, at conference, next Tuesday morning at eleven o'clock.

Referred to Commissioner Gillen.

The City Clerk presented An ordinance providing for the vacation of Marion Street, from Grafton Avenue northerly to the northerly line of Montclair Avenue; for the vacation of Montclair Avenue from the easterly line of the right of way of the Newark and Paterson branch of the Erie Railroad easterly about 667 feet to the

westerly line of Riverside Avenue (formerly River Road to Belleville); for the vacation of Riverside Avenue as it is laid out 80 feet in width on the Commissioners' Map of Woodside Annexation from Grafton Avenue northerly to the northerly line of Mantclair Avenue, excepting that part of the above described Riverside Avenue (formerly River Road to Belleville), and stated that today was the time fixed for hearing on the same.

Commissioner Howe: I move that the ordinance be laid over to September 4, 1929.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance regulating child labor, and stated that today was the time fixed for a hearing on the same.

Commissioner Murray: I move that the ordinance be laid over to September 4, 1929.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to amend Section 658 of the Revised Ordinances of The City of Newark, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

No one appearing, Commissioner Gillen moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the following ordinance be taken up on second reading.

An ordinance to amend Section 658 of the Revised Ordinances of the City of Newark.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Gillen moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen moved that the title of "An ordinance to amend Section 658 of the Revised Ordinances of The City of Newark," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to amend Section 658 of the Revised Ordinances of The City of Newark.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for extension to the main library building and branch, the erection of a new branch library building and the improvement and extension of branch library buildings and providing for the financing thereof, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

No one appearing, Commissioner Howe moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the following ordinance be taken up on second reading:

An ordinance to provide for extension to the main library building and branch, the erection of a new branch library building and the improvement and extension of branch library buildings and providing for the financing thereof.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.  
Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

Section 5 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Howe moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the title of "An ordinance to provide for extension to the main library building and branch, the erection of a new branch library building and the improvement and extension of branch library buildings and providing for the financing thereof," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for extension to the main library building and branch, the erection of a new branch library building and the improvement and extension of branch library buildings and providing for the financing thereof.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the re-

surfacing of Ridgewood Avenue from Meeker Avenue about 140 feet northerly to the existing brick pavement with asphalt pavement (1½" top-1½" binder) on the old telford base prepared.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That Ridgewood Avenue from Meeker Avenue about 140 feet northerly to the existing brick pavement shall be resurfaced with asphalt pavement (1½" top-1½" binder) on the old telford base prepared, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities", approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated August 16, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed upon the property benefited by

said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$1,700.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$1,700.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe move that September 11, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the repaving of Arch Street from Warren Street to New Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Arch Street from Warren Street to New Street shall be repaved with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P.L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated May 28th, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connection with the sewer, gas and water mains to the curb lines of said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$15,400.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$15,400.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, (P.L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that September 11, 1929, at 10 A.M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the following bonds be and the same are hereby approved as to sufficiency and the City Clerk hereby is directed to file the same with the Department of Public Affairs, which will in turn file the same with the proper City officer:

Sherwin-Williams Company, contract bond, furnishing paints and oils;  
Isadore Siegel, contract bond, furnishing paints and oils;  
John P. Callaghan, Inc., contract bond, furnishing Cowboy sand.  
The Electric Boat Company, contract bond, furnishing marine gasoline engine.

Jerome T. Congleton  
Jno. F. Murray, Jr.  
John Howe  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe offered the following resolutions:

WHEREAS, The Board of Adjustment has certified to this Board in writing that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Walter F. Barry for a gasoline station at 97-99 Plane Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

John Howe  
Jno. F. Murray, Jr.  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The Board of Adjustment has certified to this Board in writing that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Paramount Realty Company for a gasoline station at 169-171 Frelinghuysen Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray: I inspected those premises yesterday. It is a corner, and part of it is automobile junk,

not cars, but body junk, such as you would find in automobile junk yards. Automobile junk yards are the worst places in the world, anyhow. I wonder whether it would not be possible in a case of that kind to assess that property, in completed form, on a little higher basis so as to overcome the objection that ratables are not properly increased by these things.

Mayor Congleton: The only way that could be done would be to pass an ordinance to fix a license fee for revenue. That would have to apply.

Commissioner Murray: Anything that would do that.

Commissioner Howe: You would never be able to carry out the other plan.

Mayor Congleton: You can't assess it for more than it is worth.

Commissioner Gillen: And there wouldn't be much objection.

Commissioner Murray: I could not see any objection to it.

Commissioner Gillen: I move the recommendation be concurred in.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Inspector of Combustibles, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of Frank C. Carrigan for a gasoline pump in connection with his parking station at 42 Park Place; approved for one year for portable tanks on condition that no gasoline be stored in underground tanks, and none sold at the curb;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Inspector of the Bureau of Combustibles be and he is hereby directed

to issue a permit for the application above set forth.

Commissioner Murray: The question there was just to amend the application so as to eliminate the question of a gasoline station. It is specifically the application for the use of portable tanks.

Commissioner Gillen: I moved that it be laid over and that the City Clerk refer it back to Carrigan to have it properly changed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Spruce Realty and Mortgage Company for a gasoline station at 22-24 Jones Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Mr. Abraham J. Isserman, 24 Commerce Street: Mr. Chairman and gentlemen of the Board of Commissioners: I represent the applicants in this matter, the Spruce Realty and Mortgage Company, for the erection of a gasoline station at 22-24 Jones Street in the City of Newark. At this time I would like to urge briefly my reasons for urging the approval of the action of the Board of Adjustment.

The widening of Jones Street was preliminarily intended to assist in the thoroughfare of vehicles across the City of Newark. It was intended to make of Belmont Avenue, Jones Street and Norfolk Street a through traffic street, and as such, a gasoline station

on such a street, which has more or less been specifically designated for through traffic, is absolutely in place. Jones Street in this particular block is a business section, and on some of the vacant lots there have been erected stores and offices, many of which are vacant. Consequently, the property owners are now more or less at a loss as to how to develop the remaining portions of the property not yet built upon.

The lots on the east side of Jones Street, due to the amount of land taken for the widening of that street, are not full depth, having a depth ranging from 50 to 60 feet, so that the erection of a large building on a plot of that depth is not at all practical, and a gas station could be erected on this plot, as I said, will not at all hamper the development of that particular block on Jones Street, but will rather be an aid to the motorists that pass in their traffic across the city. We therefore urge that the action of the Board of Adjustment be concurred in. I might add that in the immediate vicinity of this plot there is a poultry slaughter house, where poultry is slaughtered and sold at retail.

Mayor Congleton: It has been there for a great many years now.

Mr. Isserman: Yes.

Mr. Paul R. Silverman, 1060 Broad Street: I appear on behalf of the Bonded Finance Company, which erected a building right next to the proposed gasoline station at 20 Jones Street. I had been notified as late as ten o'clock this morning that action on the application was adjourned by the Board of Commissioners until next Wednesday, and I so notified some of my clients. Through the kindness of Mr. Isserman I was called up ten minutes ago and was notified to rush down here, that the application was going to be worked on this morning.

Commissioner Murray: Do you want an adjournment?

Mr. Silverman: I would like to have an adjournment until next Wednesday, so that I can notify my clients.

Commissioner Murray: I move that it be adjourned to next week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Angelo D'Agostino for a two-story apartment house with stores at 508 North Thirteenth Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and she is hereby directed to issue a permit for the application above set forth.

Charles P. Gillen  
John Howe  
Jerome T. Congleton  
Jno. F. Murray, Jr.

Mr. Anthony Juliano, 763 Broad Street: I understand that there has been an ordinance up already for second hearing proposing to make that street, Berkeley, Avenue a business street. This property here is on the corner of Berkeley Avenue and North Thirteenth Street. It has been proposed as a business corner by the old Zoning Commission and also by the new. The plans have been approved and the permits granted. There are two or three stores there now between 12th Street and Thirteenth Street, and the owner of these stores is a resident of Belleville. He occupies one as a butcher store, on which he has a lease, and he owns the other two, and the main objection, of course, is made by him. I appear as a resident and also appear for a good many residents up there. It is quite a congested section and the thing is in demand. The thing that they are using as a blind against this thing is the private hospital up there.

Mayor Congleton: That is on the other side of Bloomfield Avenue.

Mr. Juliano: South of Bloomfield Avenue. I have spoken to the owners and there is no objection by them. They have circulated a petition throughout the neighborhood there and they don't seem to get any signatures. The thing is really in demand. I have lived there all my life and I know that neighborhood. I have sounded out a good many owners. One particular owner owns a whole block on the west side of Thirteenth, and he is in favor of it. The whole neighborhood is in favor of it.

Mr. George R. Sommers, 738 Broad Street: As far as the hospital is concerned, the owners of the hospital happen to be the receivers of the hospital. The hospital is occupied by Dr. Manasi and he is absolutely opposed to those stores going up directly behind his hospital. Because of the noise that it will cause and everything else. There are some other stores there that were put up some time ago and they caused a great deal of disturbance to the hospital, and any more stores in that neighborhood are going to make it just that much more congested for the hospital and more noisy. It is only one block from Bloomfield Avenue, a business street, and there is no need of bringing business over from Bloomfield Avenue to a strictly residential neighborhood. That is the reason why we are opposed to it.

Mr. Juliano: These stores we are talking about are in Bloomfield, not in Newark. This building is proposed to be erected in the City of Newark.

Mayor Congleton: Of course, we don't take very much stock in stores not being a very good thing for hospital districts. We try to keep Lyons Avenue residential and prevent apartment houses being erected and stores going up, for the new Beth Israel Hospital. The Beth Israel Hospital carried it all the way through to the highest courts, and we were knocked out on it.

Mr. Juliano: These stores are not directly behind the hospital. The hospital is on the northeast corner and these stores are on the northwest corner. They are 300 feet away.

Commissioner Murray: I looked that over yesterday. There is at least a hun-

dred feet of vacant lot fenced in running back between the stores and the hospital, but the block is built up, except for this corner, with two-family houses. I suppose there would be some reason for objecting to it, but on a block where there already is business I don't think it would do a bit of harm because there are stores there already.

Mayor Congleton: How much space does the hospital occupy? How high is it?

Mr. Sommers: Three stories.

Mayor Congleton: How many occupants?

Mr. Sommers: I couldn't tell you. About 50 or 60, I imagine.

Mayor Congleton: Is it in the hands of the receiver?

Mr. Sommers: Yes, for some time.

Commissioner Howe: It is being operated now?

Mr. Sommers: Yes, being operated by Dr. Manasi, the former owner.

Commissioner Gillen: Does a store really disturb a hospital. I don't know of any hospital where they haven't got stores.

Commissioner Murray: I don't either. That corner has got to be realized for something to get some ratables out of it.

Mr. Juliano: I understand that the whole street has been proposed for a business section.

Mayor Congleton: With the new ordinance, with the new schools and all that going in there, I don't know how they are going to keep it residential. I think it will all be business eventually.

Commissioner Murray: If they should change it to a business zone I don't think it would make any difference anyhow, because it is all built up south of Berkeley Avenue with two-story houses, and north of it it is built up with brick houses, I think.

Commissioner Gillen: I move that it be granted.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, The roof of the City Hall was damaged by the elements so

that it became necessary to immediately repair the same in order to avoid further damage, and thereby an emergency existed whereby the exigency of the public welfare would not admit of the usual delay in advertising for proposals; and

WHEREAS, The Director of the Department of Parks and Public Property contracted on behalf of the City with the Hetzel Roofing Company for furnishing materials and performing the labor of making said repairs, and incurred the expense of the following items:

Making and installing new copper tubes on City Hall building .....	\$ 49.60
Taking up old tile, carting dirt and old tile away, and applying waterproofing for new tile .....	392.10
Making cement bed for tile and installing new tile where necessary and filling in open joints on tile roof .....	1,274.20
	<hr/>
	\$1,715.90

THEREFORE BE IT RESOLVED By the Board of Commissioners of the City of Newark that the action of the Director of the Department of Parks and Public Property in making such repairs, be approved; and that said sum of \$1,715.90 be and the same is hereby appropriated to the Hetzel Roofing Company in payment for said work, such payment to be made on certification by the Director of Parks and Public Property that said work has been satisfactorily performed.

Charles P. Gillen  
John Howe  
Jerome T. Congleton  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, In accordance with the law and by authority of the Board of Commissioners of the City of Newark, N. J., the Director of the Department of Parks and Public Property publicly solicited, and received and opened bids

for a three months' supply of coal to be delivered to the Newark City Hall and the Centre Market; and

WHEREAS, Fairlie & Wilson Coal Company bid the sum of Four dollars and nine cents (\$4.09) per ton for the Centre Market and the City Hall, which was the lowest responsible bid received;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark, N. J., that the proposal of Fairlie & Wilson Coal Company be and the same is hereby accepted and the contract awarded to the Fairlie & Wilson Coal Company at the price aforesaid and the Law Department is directed to prepare the contract for the same on the adoption of this resolution.

Charles P. Gillen  
Jerome T. Congleton  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

RESOLVED, That the Director of the Department of Parks and Public Property be and he is hereby authorized to advertise for bids for a twenty (20) ton scale for the Centre Market, Newark, N. J.

Charles P. Gillen  
John Howe  
Jerome T. Congleton  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, In accordance with the law and by authority of the Board of Commissioners of the City of Newark, N. J., the Director of the Department of Parks and Public Property publicly solicited, received and opened bids for the furnishing of one (1) Chrysler Imperial Limousine for the Department of Parks and Public Property, and

WHEREAS, The De Cozen Motor Company was the lowest bidder, the

amount being Four thousand and fifteen dollars (\$4,015.00);

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark, N. J., that the proposal of the De Cozen Motor Company be and the same is hereby accepted at the price aforesaid and the Law Department is directed to prepare the contract for the same upon the adoption of this resolution.

Charles P. Gillen  
Jerome T. Congleton  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

John Howe,  
Director, Department of  
Revenue and Finance.

Ordered filed.

Mayor Congleton: Does any other citizen desire to bring any other matter to the attention of the Commission?

(No response.)

Commissioner Gillen moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
JOHN HOWE  
CHARLES P. GILLEN  
JNO. F. MURRAY, JR.

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N. J., August 28, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners, Howe, Murray, Mayor Congleton.

Absent: Commissioners Brennan and Gillen.

The minutes of meeting of August 21st were read and approved.

The City Clerk presented An ordinance to provide for the resurfacing of South 12th Street from Clinton Avenue to Avon Avenue with asphalt pavement on the existing brick or new concrete foundation as a base, and stated that today was the time fixed for hearing on the same

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance? (No response.)

No one appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to provide for the resurfacing and repaving of South 12th Street from Clinton Avenue to Avon Avenue with asphalt pavement on the existing brick or new concrete as a base.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance to provide for the resurfacing and repaving of South 12th Street from Clinton Avenue to Avon Avenue with asphalt pavement on the existing brick or new concrete foundation as a base," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the resurfacing and repaving of South 12th Street from Clinton Avenue to Avon Avenue with asphalt pavement on the existing brick or new concrete as a base.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance providing for the vacation of Queen Street from a line parallel to and distant 425 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, easterly 37.50 feet to the easterly terminus of said Queen Street, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance??

(No response.)

No one appearing, Commissioner Howe moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the following ordinance be taken up on second reading:

An ordinance providing for the vacation of Queen Street from a line parallel to and distant 425 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, easterly 37.50 feet to the easterly terminus of said Queen Street.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Howe moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the title of "An ordinance providing for the vacation of Queen Street from a line parallel to and distant 425 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, easterly 37.50 feet to the easterly terminus of said Queen Street," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance providing for the vacation of Queen Street from a line parallel to and distant 425 feet measured easterly at right angles from the easterly line of Frelinghuysen Avenue, easterly 37.50 feet to the easterly terminus of said Queen Street.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the construction of a fifteen (15) inch storm water sewer in Fabyan Place from Keer Avenue to Chancellor Avenue, together with an eight (8) inch sanitary sewer in Fabyan Place from Keer Avenue to Chancellor Avenue, and stated that

today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Murray Moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to provide for the construction of a fifteen (15) inch storm water sewer in Fabyan Place from Keer Avenue to Chancellor Avenue, together with an eight (8) inch sanitary sewer in Fabyan Place from Keer Avenue to Chancellor Avenue.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.  
Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance to provide for the construction of a fifteen (15) inch storm water sewer in Fabyan Place from Keer Avenue to Chancellor Avenue, together with an eight (8) inch sanitary sewer in Fabyan Place from Keer Avenue to Chancellor Avenue," be taken for its third reading.

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance to provide for the grading, curbing, flagging and paving of Little Street from North 13th Street to the East Orange City Line with asphalt pavement (1 ½" top-1 ½" binder) on a new six (6) inch concrete foundation," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Little Street from North 13th Street to the East Orange City Line with asphalt pavement (1 ½" top-1 ½" binder) on a new six (6) inch concrete foundation.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance authorizing the issuance of \$100,000 Fire Apparatus Bonds of the City of Newark, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that

the following ordinance be taken up on second reading:

An ordinance authorizing the issuance of \$100,000 Fire Apparatus Bonds of the City of Newark.

The Board of Commissioners of the City of Newark Do Ordain as follows:

Section 1. Pursuant to Chapter 252 of the Laws of 1916 of New Jersey, and the acts amendatory thereof and supplemental thereto, negotiable bonds of The City of Newark, to be known as "Fire Apparatus Bonds," and to be dated September 15, 1929, are hereby authorized to be issued in the aggregate principal amount of \$100,000, for the purposes hereinafter stated, for which purposes is it necessary to raise said sum of money.

Section 2. The money to be raised by the issuance of said bonds shall be applied to the purpose of paying for the purchase of fire engines, fire trucks, hose carts or other vehicles for use in the Fire Department of the City of Newark.

Section 3. In the event that there are any outstanding temporary loan bonds or notes issued to pay the cost of said properties, the money herein authorized to be applied to the cost of such properties shall be applied to the payment of such bonds or notes.

Section 4. The following matters are hereby determined and declared, pursuant to the requirements of said Chapter 252 of the Laws of 1916, as amended:

(a) The properties for which bonds are hereby authorized to be issued were not acquired prior to September 1st, 1928, and said properties are of the class described in Sub-division (P) of Sub-section (2) of Section 4 of Said Chapter 252 of the Laws of 1916, as amended.

(b) The probable period of usefulness of said properties, computed in the manner prescribed by Section 4 of said Chapter 252 of the Laws of 1916, as amended, is five years, beginning on the date of said bonds.

(c) No part of the cost of the improvements for which bonds are hereby authorized to be issued has been or is to be specially assessed against property specially benefitted thereby.

(d) The average assessed valuation of the taxable real property (including improvements) of said City of Newark, computed upon the next preceding three valuations thereof, in the manner provided in Section 12 of said Chapter 252 of the Laws of 1916, as amended, is \$681,087.102.

(e) The net debt of said City, computed in the manner provided in said Section 12, as amended, is \$30,397,625.51.

(f) The statements required by said Section 12 (showing said net debt, etc.), have been made and filed with the City Clerk, as therein required.

Section 5. This ordinance shall take effect in the manner provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

Section 5 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that said ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance authorizing the issuance of \$100,000 Fire Apparatus Bonds of the City of Newark," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance authorizing the issuance of \$100,000 Fire Apparatus Bonds of The City of Newark.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance authorizing the issuance of \$500,000 Port Newark Improvement Bonds of The City of Newark, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Howe moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the following ordinance be taken up on second reading:

An ordinance authorizing the issuance of \$500,000 Port Newark Improvement Bonds of the City of Newark.

The Board of Commissioners of the

City of Newark Do Ordain as follows:

Section 1. Pursuant to Chapter 252 of the Laws of 1916 of New Jersey, and the acts amendatory thereof and supplemental thereto, negotiable bonds of The City of Newark, to be known as "Port Newark Improvement Bonds" and to be dated September 15, 1929, are hereby authorized to be issued in the aggregate principal amount of \$500,000 for the purposes hereinafter stated, for which purposes it is necessary to raise said sum of money.

Section 2. The money to be raised by the issuance of said bonds shall be applied to the purpose of paying for the following described improvements to be made by The City of Newark, pursuant to authority conferred by Section 13 of Article XXVIII of Chapter 152 of the Laws of 1917, and Subdivision (J) of Section 1 of Article XX of said statute, and other statutes of the State of New Jersey, viz.:

(a) The making and construction of a channel or channels in navigable waters upon which front the lands heretofore acquired by The City of Newark, pursuant to Chapter 272 of the Laws of 1907, and other statutes, for the purpose of constructing and establishing docks and shipping facilities (which lands and improvements thereon are commonly known as "Port Newark Terminal");

(b) The filling in of said lands:

(c) The construction of bulkheads and docks on said lands and in the water adjacent thereto; and

(d) The acquisition of additional land for wharves, piers, docks, slips and basins, and for the purpose of connecting docks and highways and railroads within the City, and with other public docks of the City;

Section 3. In the event that there are any outstanding temporary loan bonds or notes issued to pay the cost of said improvements, the money herein authorized to be applied to the cost of such improvements shall be applied to the payment of such bonds or notes.

Section 4. The following matters are hereby determined and declared, pursuant to the requirements of said Chapter 252 of the Laws of 1916, as amended:

(a) The improvements for which

bonds are hereby authorized to be issued were not completed prior to September 1st, 1928, and said improvements are of the class described in Subdivision (U) of Subsection (2) of Section 4 of said Chapter 252 of the Laws of 1916, as amended.

(b) The probable period of usefulness of said improvements, computed in the manner prescribed by Section 4 of said Chapter 252 of the Laws of 1916, as amended, is forty years, beginning on the date of said bonds.

(c) No part of the cost of the improvements for which bonds are hereby authorized to be issued has been or is to be specially assessed against property specially benefited thereby.

(d) The average assessed valuation of the taxable real property (including improvements) of said The City of Newark, computed upon the next preceding three valuations thereof, in the manner provided in Section 12 of said Chapter 252 of the Laws of 1916, as amended, is \$681,087,102.

(e) The net debt of said City, computed in the manner provided in said Section 12, as amended, is \$30,397,625.51.

(f) The statements required by said Section 12 (showing said net debt, etc.) have been made and filed with the City Clerk, as therein required.

Section 5. This ordinance shall take effect in the manner provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

Section 5 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Howe moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe moved that the title of "An ordinance authorizing the issuance of \$500,000 Port Newark Improvement Bonds of The City of Newark," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance authorizing the issuance of \$500,000 Port Newark Improvement Bonds of the City of Newark.

The ordinance having been read three times was declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to amend an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Section 18, entitled "Area District Exceptions", of an Ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," be and the same is hereby amended by adding paragraph F, as follows:

Section 18 — Area District Exceptions.

(f) Nothing in this ordinance shall prevent the construction or alteration of a church or public building with area and clear story height exceeding the limits specified in this ordinance.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray moved that September 11, 1929, at 10 A.M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said

ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance providing for the vacation of part of Belmont Terrace on the northerly side thereof from Ridgewood Avenue easterly to Belmont Avenue.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That part of Belmont Terrace on the northerly side thereof from Ridgewood Avenue easterly to Belmont Avenue, as shown on a map prepared under the direction of this Board, which map is hereto attached, and made a part hereof and a copy of which map also is on file in the office of the Chief Engineer, Department of Public Affairs, known and designated as No. 1394-V, dated August 7, 1929, shall be vacated as a public street or highway, the part to be vacated being described as follows:

Beginning at the northeasterly corner of Ridgewood Avenue and Belmont Terrace as laid out on "Map of Property of New Jersey Realty Co., situated in the City of Newark, New Jersey, February, 1913, Revised April 1913, John R. Laird, Surveyor," approved April 3, 1913, by the Board of Street and Water Commissioners and filed April 12, 1913, in Case No. 667, in the office of the Register of Deeds of Essex County; thence northerly along the easterly line of Ridgewood Avenue 25 feet more or less to the northerly line of Belmont Avenue, as shown on a certain unrevised, unfiled map entitled "Map of Property of New Jersey Realty Co., situated in the City of Newark, New Jersey, February, 1913, John E. Laird, Surveyor"; thence southeasterly along the northerly line of Belmont Avenue, as shown on the last mentioned map, 312.16

feet more or less to the westerly line of Belmont Avenue; thence southerly along the westerly line of Belmont Avenue 25 feet more or less to the northerly line of Belmont Terrace, as opened by City ordinance, approved by Mayor, February 24, 1921; thence northwesterly along the northerly line of Belmont Terrace, as opened by ordinance, 103.47 feet more or less to the easterly line of property now or formerly of New Jersey Realty Co.; thence southerly along said easterly line 0.73 feet, more or less, to the northerly line of Belmont Terrace, as laid out on the first mentioned, revised map of property of New Jersey Realty Co.; thence westerly along the last mentioned northerly line of Belmont Terrace 210.60 feet more or less to the easterly line of Ridgewood Avenue and place of Beginning.

Under and by virtue of the provisions of Section 1, subdivision (b) of Article XXII, of an Act of the Legislature of the State of New Jersey, entitled "An Act Concerning Municipalities," approved March 27, 1917, and the acts amendatory thereof and supplementary thereto.

Section 2. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe moved that September 18, 1929, at 10 A. M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

**A Resolution fixing the form and terms and providing for the sale of \$600,000 Bonds of The City of Newark, to be issued pursuant to Ordinances heretofore adopted.**

BE IT RESOLVED, By the Board of Commissioners of The City of Newark, New Jersey, as follows:

Section 1. The \$500,000 Port Newark Improvement Bonds, the issuance of which was authorized by an ordinance entitled "An ordinance authorizing the issuance of \$500,000 Port Newark Improvement Bonds of The City of Newark," adopted by the Board of Commissioners of The City of Newark on August 28, 1929, shall be fifty in number, numbered from 1 to 50, inclusive, in the order of their maturity, and shall mature and be payable in annual installments as follows, viz.: Two bonds of the denomination of \$10,000 each on September 15th in each of the years 1930 to 1939, inclusive, and one bond of the denomination of \$10,000 on September 15th in each of the years 1940 to 1969, inclusive.

Section 2. The \$100,000 Fire Apparatus Bonds of The City of Newark, the issuance of which was authorized by

an ordinance entitled "An ordinance authorizing the issuance of \$100,000 Fire Apparatus Bonds of The City of Newark," adopted by the Board of Commissioners of the City of Newark on August 28, 1929, shall be ten in number, numbered 1 to 10, inclusive, in the order of their maturity, and shall mature and be payable in annual installments as follows, viz.: Two bonds of the denomination of \$10,000 each on September 15th in each of the years 1930 to 1934, inclusive.

Section 3. The said Port Newark Improvement Bonds and Fire Apparatus Bonds shall be dated September 15, 1929, shall bear interest from their date at the rate of four and one-quarter per centum ( $4\frac{1}{4}\%$ ) per annum, payable semi-annually on March 15th and September 15th in each year, and shall be registered bonds. They shall be signed by the Mayor, countersigned by the Director of the Department of Revenue and Finance, and the seal of The City of Newark shall be affixed thereto and attested by the City Clerk. Both principal and interest of the bonds shall be payable at The National State Bank in the City of Newark, in gold coin of the United States of America of the standard of weight and fineness existing on the date of said bonds, or its equivalent in lawful money.

Section 4. The said bonds shall be issued in substantially the following form:

No	United States of America	No.
STATE OF NEW JERSEY		
THE CITY OF NEWARK		
\$	..... BOND	\$

The City of Newark, in the County of Essex and State of New Jersey, for value received hereby acknowledges itself indebted to and promises to pay to the Sinking Fund Commission of The City of Newark, or registered transferee, the sum of

**Ten Thousand Dollars (\$10,000.00)**

on the 15th day of September, 19 , with interest thereon from the date hereof at the rate of four and one-quarter per centum ( $4\frac{1}{4}\%$ ) per annum, payable semi-annually on the 15th

days of March and September in each year. Both principal and interest of this bond are payable in gold coin of the United States of America of the present standard of weight and fineness, or the equivalent in lawful money at The National State Bank, in The City of Newark.

This bond is registered on the books of the City and is transferrable only upon presentation to the Comptroller with a written assignment duly acknowledged or proved. Upon presentation of this bond with such assignment, the Comptroller will note such transfer on this bond and on said books.

This bond is one of an issue of bonds of like date and tenor except as to maturity, issued under and pursuant to Chapter 252 of the Laws of 1916 of New Jersey, and the acts amendatory thereof and supplemental thereto, and pursuant to an ordinance duly adopted by the Board of Commissioners of The City of Newark on August 28th, 1929.

It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the State of New Jersey, to exist, be performed or happen precedent to or in the issuance of this bond, exist, have been performed and have happened, and that this bond, together with all other indebtedness of this City, is within every debt and other limit prescribed by the Constitution or statutes of said State, and the faith and credit of said City are hereby pledged irrevocably to the punctual payment of the principal and interest of this bond in accordance with its terms.

IN WITNESS WHEREOF, The City of Newark has caused this bond to be signed by its Mayor and countersigned by its Director of the Department of Revenue and Finance, and its corporate seal to be hereunto affixed and attested by its City Clerk, and this bond to be dated September 15, 1929.

.....  
Mayor.

Countersigned:

.....  
Director of the Department of  
Revenue and Finance.

Attest:

.....  
City Clerk

Notice: No writing on this bond, except by an officer of The City of Newark.

Date of Registration	In whose name Registered	City Comptroller

.....	.....	.....
.....	.....	.....

Section 5. The offer to purchase said bonds at par and accrued interest, submitted by the Sinking Fund Commission of The City of Newark, is hereby accepted, and the Mayor, Director of the Department of Revenue and Finance and City Clerk are hereby authorized and directed to execute said bonds, and the Director of the Department of Revenue and Finance is hereby authorized to deliver the same to The Sinking Fund Commission of The City of Newark, upon receipt of the purchase price thereof.

Jerome T. Congleton  
**John Howe,**  
Charles F. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Howe offered the following resolution:

RESOLVED, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county- city, borough, village, town, township or any municipality governed by an improvement commission," approved March 22, 1916, and the amendments thereto, there shall be issued Temporary Loan Bonds in the amount of One hundred thousand dollars (\$100,000.00) for the purpose of financing the extension of the main library building and branch,

erecting a new branch library building and improve and extend branch library buildings, and are improvements for which the City is authorized to issue bonds by the aforesaid Act;

FURTHER RESOLVED, That each of the Temporary Loan Bonds authorized by this resolution, amounting in the aggregate to One hundred thousand dollars (\$100,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum and be issued in such denominations and be executed in such manner as the Director of Revenue and Finance may determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk be and they are hereby authorized and directed to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252, of the Laws of 1916;

FURTHER RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

John Howe  
Jerome T. Congleton  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Commissioner Murray offered the following resolutions:

RESOLVED, By the Board of Commissioners of the City of Newark that the following changes affecting the payroll of the Newark City Hospital, from August 16th to 31st, 1929, be and the same are hereby approved:

**Competitive Appointments:**

Edna Edelman, Res. Nurse, temp., \$1,080, 8-16-29.  
Anna Hart, Res. Nurse, temp., \$1,080, 8-16-29.  
Florence Collins, Res. Nurse; temp., \$1,080, 8-19-29.

#### **Non-Competitive Appointments:**

Elizabeth Andrews, Under Nurse, \$720, 8-18-29.  
Harry Gallagher, Orderly, \$696, 8-9-29.  
Napoline H. Parker, Orderly, \$696, 8-6-29.  
Martin Campos, Orderly, \$696, 8-19-29, noon.  
John Dippel, Orderly, \$696, 8-19-29.  
Robert Stirrat, Orderly, \$696, 8-17-29.  
Henry Silverman, Orderly, \$696, 8-17-29.  
Thomas Daly, Porter, \$696, 8-12-29.  
William Throsby, Porter, \$696, 8-2-29.  
Terrence McMann, Porter, \$696, 8-17-29.  
Lillie Byrd, Porter, \$636, 8-20-29.  
Thomas Hannan, Laundry Work, \$696, 8-20-29.  
Lulu Josey, House Maid, \$576, 8-17-29.  
Minnie Baker, House Maid, \$576, 8-20-29.  
Pearl Charleston, House Maid, \$576, 8-15-29.  
Nancy Burrell, House Maid, \$576, 8-12-29.  
Frances Laws, House Maid, \$576, 8-8-29.

#### **Resignations:**

in Carnegie Avenue from State  
Highway to Mt. Olivet Avenue!

Jerome T. Congleton  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution  
was declared adopted by the following  
votes:

Yeas: Commissioners Howe, Murray,  
Mayor Congleton.

WHEREAS, The Board of Adjust-  
ment has certified in writing to this  
Board that it has approved, on appeal  
from the refusal of the Inspector of  
the Bureau of Combustibles, an appli-  
cation for a variation from the require-  
ments of the Zoning Ordinance, and  
recommends that the following struc-  
ture for which application was made  
be allowed:

Application of Joseph and David  
Forman for permission to use por-  
table gasoline tanks at 342-346  
Washington Street, approved for  
one year on condition that no gaso-  
line be stored in underground  
tanks and none sold at the curb.

THEREFORE BE IT RESOLVED,  
By the Board of Commissioners of the  
City of Newark that the recommenda-  
tion of the Board of Adjustment be  
and the same is hereby approved, and  
the Inspector of the Bureau of Combus-  
tibles, the administrative officer, in  
charge of granting permits, be and he  
is hereby directed to issue a permit for  
the application above set forth.

John Howe  
Jerome T. Congleton  
Jno. F. Murray, Jr.

The roll being called, the resolution  
was declared adopted by the following  
votes:

Yeas: Commissioners Howe, Murray,  
Mayor Congleton.

Commissioner Murray: This prop-  
erty has no lease on it. They are con-  
sidering building on the premises.  
They are going to build a gasoline sta-  
tion and garage on it. As I understand,  
they are going to put up a pretentious  
building.

Mayor Congleton: It is now being  
used as a parking station, under per-  
mission?

Commissioner Murray: Yes.

Michael S. Precker, Chamber of  
Commerce Building, Newark, N. J.: I  
represent the applicants.

Mayor Congleton: Your application  
is for portable tanks?

Mr. Precker: I should like approval  
for portables and a tank located some-  
where on the premises in which to  
store gas.

Commissioner Murray: You can't  
store gas in the tanks. You can have  
it in a tank for the cars there, but you  
can't sell gasoline at the curb.

Mr. Precker: I should like to be  
heard.

Commissioner Murray: Go ahead.

Mr. Precker: I don't want to be re-  
proaching your judgment in the mat-  
ter, but I think that I can indicate—

Mayor Congleton: Well, the only ap-  
plication before us is for a portable  
tank. The Bureau of Combustibles has  
not acted on a permanent tank.

Mr. Precker: The Bureau of Com-  
bustibles recommended— I don't  
know what it did, but I know that the  
Zoning Commission recommended por-  
table tanks without selling the gas at  
the curb and without the storing of  
gas on the premises. My application  
here is for a confirmation of the rec-  
ommendation to sell gas out of port-  
ables, and in addition thereto, the  
storage of the gas.

Mayor Congleton: We cannot en-  
large on what the Board of Adjust-  
ment recommends; we can only con-  
cur in their recommendation or turn  
them down; but we have no original  
jurisdiction so as to grant you more  
than they have granted, as I under-  
stand it. ;

Mr. Precker: If that is the situation,  
then, my application is, of course, that  
this body approve.

Commissioner Murray: Read the ap-  
plication again, please. (City Clerk  
Egan read the application.) That is the  
same language used in the Park Place  
application, calling for a gasoline sta-  
tion. He is not applying for a gasoline  
station; he is applying for portable  
tanks.

Commissioner Howe: What hap-  
pened in the Park Place application?  
They corrected it, didn't they?

Commissioner Murray: Yes, and

changed it to portable tanks to accommodate cars that are parked there.

Mayor Congleton: Have it drawn up right.

Application changed to read: " \* \* \* permission to use portable gasoline tanks at 342-346 Washington Street for one year, on condition that no gasoline be stored in underground tanks and not sold at curb."

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Riordan Leather Co. for a gasoline station at 260 South Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

John Howe,  
Jerome T. Congleton  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Application of David Meyers for an automobile parking station at 128-130 Washington Street.

Commissioner Howe moved that the matter be laid over until September 4.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

Application of Spruce Realty & Mortgage Co. for a gasoline station at 22-24 Jones Street.

Commissioner Howe moved that the

matter be laid over until September 4.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

A communication from The Joint Meeting on Outlet Sewer, dated August 26, 1929, in reference to portion of assessment due from The City of Newark in amount of \$27,882.62. was received, read and on motion ordered referred to the Director of Revenue and Finance.

RESOLVED, That James P. McMahon and Fred M. Herzig, heretofore appointed to the position of Assistant Superintendents in the Bureau of Street Cleaning of the Department of Public Affairs at compensations of \$2,700 per annum each, be and they are reduced to compensations of \$2,580 per annum each, the entrance salaries for such position, the Civil Service Commission having refused to certify to payrolls in excess of such entrance salaries.

Jerome T. Congleton  
John Howe  
Jno F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton.

RESOLVED, That the sum of Three thousand six hundred dollars (and forty-six cents (\$3,600.46) be and the same is hereby appropriated to the City Treasurer, as per annexed certified list, being the weekly payroll of the Department of Parks and Public Property for week ending August 21, 1929, as follows:

Shade Tree .....	\$1,593.90
Alice W. Hayes Estate.....	2,006.56
	<hr/>
	\$3,600.46

Jerome T. Congleton  
John Howe  
Jno F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray,  
Mayor Congleton.

RESOLVED, That the sum of Four thousand forty-eight dollars and eighty cents (\$4,040.80) be and the same is hereby appropriated to the persons named on annexed certified list, being the bills and claims of the Department of Parks and Public Property, as follows:

City Hall Alterations.....	\$1,677.90
Alice W. Hayes Estate.....	655.00
Public Buildings .....	1,715.90
	<hr/>
	\$4,048.80

Jerome T. Congleton  
John Howe  
Jno F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray,  
Mayor Congleton.

Application of Abe Sternbach to erect gasoline station at 73 Elizabeth Avenue.

Commissioner Howe moved that the matter be laid over until September 4.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray,  
Mayor Congleton.

Mayor Congleton: Has any person any other matter to bring before the Commission this morning?

Mr. John O. Muller, 207 Market Street, Newark, N. J.: I represent a committee of citizens that have been formed through the Passaic Valley. Probably you have read some of the reflections of the odors in the papers.

This Committee has been formed from citizens of Newark, Belleville, Kearny, Lyndhurst and some of the other towns. There is an effort being made to interest municipalities in this movement and back up the committee in getting after the Passaic Valley Sewerage Commission to induce them to take means at their disposal to remove this obnoxious condition. If they haven't the means at their disposal, I think that the procedure would be for the municipalities to see that the Legislature gives them the means at their

disposal. They have a means of injunction at the present time, but they think that that is rather cumbersome. If that means isn't sufficient, others should be taken.

I don't know what you gentlemen know of the condition, but the condition is so bad that houses that were painted yellow are now black and boats that were painted white are now black. The boats, you might say, are in the water, but the houses are on the shore. Residents a long distance from the river are compelled to keep their windows closed because of the odors. The youngsters—poor little kids who can't get out of town and who must have a little recreation—can't use the river for bathnig; it is detrimental to them at the present time.

The Commission says it is because of the low water, but they can't deny the fact that the pollution continues.

This committee has got in touch with Representative Hartley, who, in turn, has taken it up with the War Department, and a dredge is promised within thirty days; but the dredge will only remove certain scum which is in the channel. Unless the pollution is stopped that scum will return.

Of course, I may be transgressing a little by coming before this body, as probably this body is somewhat of a culprit itself.

Mayor Congleton: We understand that. We appreciate it. We have been doing everything we could to correct it, and we are under contract for a sewer, which is being built as rapidly as it can be done, at a cost of something over a million dollars, with several other municipalities in it, like the Second River situation. That work is being pushed just as rapidly as it can be. I personally agree with the Passaic Valley Sewerage Commission that the situation is due to the very low water. That has something to do with it. You will have to agree with that. Anyone who lives along the river feels that the river has improved, and last year we had relief, but the unusual dry season this year has caused annoyance. All of the municipalities are as alive to that situation as any of the private citizens. They have done everything that they can to correct it.

Mr. Muller: It is very true that the dry season has helped, but there are

lots of situations along that river, such as last year, when the condition wasn't as it is this year, we had a regatta of all the seacoast canoe clubs in Belleville. We can't hold that this year.

Mayor Congleton: Why?

Mr. Muller: Because of the condition of the water. It would not be safe for a fellow to fall overboard.

Mayor Congleton: The condition of the water is due to the dry season and to lack on the part of the Federal government of cooperation in having it dredged, as they have been requested to do time and time again. The stuff along that river has accumulated for years. Since the sewer has been in you haven't had any unusual freshets to wash it down.

We have tried to get the Federal government to come in there and spend their money, they having taken jurisdiction of it as a navigable stream, but they haven't done it. You have just happened to have an unusually dry season—one of the driest seasons, in fact, in a great many years, as the records will show—which has exposed some more of the banks of that river, and we suffer by reason of it. I wish it weren't so, but we can't help it.

Mr. Muller: I think that if the Commission and yourself as Mayor would cooperate with the other mayors who are forming an association, and if help is needed from the Federal government, probably by the cooperation of the municipalities we can get it a little faster.

Mayor Congleton: Some of the others are willing to do it now, when they have a little annoyance, but they wouldn't do it when we tried before.

Mr. Muller: Well, perhaps now is the time to get them all in to cooperate. The citizens along the stream, not only in Newark, but all along the stream, are bothered with it, and this Board knows that it is the poorer element of the City, who can't get away from it, that needs relief.

Mayor Congleton: We are doing everything we possibly can to give them that relief, and we intend to do so.

Mr. Muller: That is all I have to ask you to do here.

Commissioner Howe moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Howe, Murray, Mayor Congleton:

APPROVED:

JEROME T. CONGLETON

JOHN HOWE

JNO. F. MURRAY, JR.

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

### September, 1929

---

Newark, N. J., September 4, 1929.

A regular meeting of the Board of Commissioners of the City of Newark N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Absent: Commissioner Brennan.

The minutes of meeting of August 28th were read and approved.

A communication dated August 26, 1929, from Brandes Products Company concurring in the recommendations of the Leslie Box Company against the repaving of North Third Street beyond the Dugan line was received, read, and, on motion, ordered filed.

A communication from The Beaver Manufacturing Company, dated August 28th, protesting against the proposed ordinance for the repaving of North Third Street, was received, read and, on motion, ordered filed.

A communication dated August 19, 1929, from The Leslie Box Company, protesting against the ordinance providing for the repaving of North Third

Street, was received, read and ordered filed.

A communication dated August 30, 1929, from The Beaver Manufacturing Company, protesting against the ordinance for the repaving of North Third Street, was received, read and, on motion, ordered filed.

The City Clerk presented An ordinance to provide for the grading, curbing, flagging, paving and repaving of Third Street from the southerly side line of Abington Avenue to Berkeley Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance? There are four letters of protest here.

Mr. Ernest B. Slade, President, Beaver Manufacturing Co., 625-645 North Third Street: All of the property owners on this east side of North Third Street oppose this improvement. My Company, the Beaver Manufacturing Company, owns a little less than 300 feet on North Third Street, and we are

only interested in about 50 feet of that by the intersection of North Third and Abington. All of the frontage that we own is improved with block paving, which is perfectly satisfactory for our use.

Mayor Congleton: How about the other fellow's use?

Mr. Slade: We don't see why it isn't satisfactory for any factory use, and Mr. Leslie is here. They have one house next to our property; and then the Kingsland Cooperage people have a warehouse. Beyond that Leslie has a box factory. We all oppose the improvement. We are all satisfied to let it stay as it is. We think it is a shame to tear up any improvement that is there and which is perfectly satisfactory for all of the property owners. We think it is logical to pave the end of the present improvement up to about 100 feet from the end of Third Street, which is a dead-end street.

Mayor Congleton: Where is your property—between what streets?

Mr. Slade: Our property is south of Abington Avenue, but we extend across—about three-fourths of the way across Abington Avenue.

Mayor Congleton: This ordinance is for the paving of Third Street from Abington Avenue to Berkeley Avenue. There is no pavement there at all.

Mr. Slade: Abington Avenue stops abruptly at Third Street with no egress.

Mayor Congleton: From Abington to Berkeley is now unpaved, isn't it?

Mr. Slade: The intersection is all paved—

Mayor Congleton: The street frontage between Abington Avenue and Berkeley Street is unpaved, isn't it?

Mr. Slade: No.

Mayor Congleton: What is it paved with?

Mr. Slade: The block paving from Bloomfield Avenue continues north of the intersection.

Mayor Congleton: Mr. Andres, is your statement to me correct that the street is unpaved at the present time?

Mr. Andres: There is a piece of the old granite block in the intersection.

Mr. Slade: 70 feet beyond.

Mayor Congleton: And the rest of the street is not paved?

Mr. Andres: That is right.

Commissioner Howe: Is the street paved in front of your property now?

Mr. Slade: Yes, completely. We own to here. Here is Bloomfield Avenue here. We own to here. The paving goes to here and then 70 feet beyond the intersection and this paving is just as good as all the way down Bloomfield Avenue.

Mayor Congleton: The intersection, it is true is laid with granite block laid in 1901 on a sand foundation, and will not stand the kind of traffic and trucking it has to bear today. It would only make a botch to pave the section you suggest.

Mr. Slade: The paving is in no worse condition than it was 15 years ago.

Mayor Congleton: Well, the grade will be such that it will not be satisfactory to anyone. The new grade will not meet it.

Commissioner Murray: You can not start a concrete base pavement at the end of the sand foundation, can you?

Mr. Andres: We can not meet the base. It is about 12 inches high.

Commissioner Murray: So you will have to put an incline there to meet the new pavement.

Mr. Slade: It is just as easy to join on here as it is here (indicating).

Commissioner Murray: Oh, no. You have got six inches of concrete under the pavement.

Commissioner Howe: Have you got a concrete base here?

Commissioner Murray: No, it is all sand.

Mayor Congleton: You said something about it being a dead-end street. It won't be a dead-end street; it will hook right into Berkeley Avenue.

Mr. Slade: Branch Brook Park comes there.

Mayor Congleton: It will be a continuous street from Third Street to Berkeley.

Mr. Slade: If you turn a right angle turn.

Mayor Congleton: Most streets are right angle streets up there. Berkeley Avenue comes down to meet Third Street and it will make a continuous street down Third Street into Berkeley.

Mr. Slade: If so, it will certainly do us no good at all to have the paving torn up.

Mayor Congleton: All right, your protest will be noted. You said you were on the east side?

Mr. Slade: Yes, on the east side.

Mayor Congleton: Does any one else desire to be heard?

Mr. John D. Leslie, 661 North Third Street: On behalf of the Leslie Box Company, of which I am a partner, I appeared here at the last meeting and was ready to admit that in view of the fact that Mr. Dugan's industry perhaps required a hard surface road for ingress and egress to his property, that we were willing to carry on that particular paving up to his line. What we strongly object to is that Third Street—however, it isn't a dead-end street, as your Honor, Mayor Congleton, explained. At the present moment it is really a dead-end street as far as the actual use of it could be concerned.

Mayor Congleton: Isn't that because of the condition of the street, Mr. Leslie?

Mr. Leslie: No, your Honor. It is because Berkeley Avenue is not cut through from Third Street to Fourth Street. You see, if they pave beyond the Dugan line you would be laying a lot of pavement that would never be used. Third Street runs into the Canal and you can not turn to go to Fourth Street because Berkeley Avenue isn't cut through. So if the Commissioners should see fit to pave Third Street we should like to conserve necessary capital by any paving beyond Dugan's line, which would be a dumping ground.

Mayor Congleton: Oh, no; I don't agree with that. It would enhance values there.

Mr. Leslie: Being familiar with the people up there, I know the street has never been used. We would agree to the full paving of Third Street provided it would let us connect with Berkeley Avenue to let us get a truck around there, but it wouldn't connect that way.

Commissioner Murray: It would be a great convenience to the people north of you.

Mr. Leslie: No. The street ends there

your Honor, and runs into the Canal.

Commissioner Murray: There are property owners north of the Dugan Bakery.

Mr. Leslie: That is the Brandes people, and they couldn't use it any more than we could use it, and I think you have an objection from them on record. There is absolutely nothing above that block.

Mayor Congleton: Is there any one else who wants to be heard? I feel personally that this improvement should go ahead. It will give you a continuous—when the improvement is made you will be able to go around into Berkeley Avenue and have a continuous outlet in there.

Mr. Leslie: I agree with you, Mr. Congleton, but at the present time Berkeley Avenue is not cut through.

Mayor Congleton: I say to you when this improvement is completed it will be a continuous passageway from North Third Street around into Berkeley Avenue.

Mr. Leslie: In other words, I am to understand that they contemplate paving Berkeley Avenue right away, too?

Mayor Congleton: Yes, it will all be improved.

Mr. Leslie: That changes the situation.

Mayor Congleton: And the people on the west side of the street are asking for this improvement and we feel that one of the best assets the City has is its well paved streets; and the time has come when we ought not to have any more dirt streets for sanitary purposes and numerous other purposes.

No one else appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to provide for the grading, curbing, flagging, paving and repaving of Third Street from the southerly side line of Abington Avenue to Berkeley Avenue with asphalt pave-

ment (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance to provide for the grading, curbing, flagging, paving and repaving of Third Street from the southerly side line of Abington Avenue to Berkeley Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging, paving and repaving of Third Street from the southerly side line of Abington Avenue to Berkeley Avenue with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the construction of reinforced concrete pipe sewers in Walnut Street between New Jersey Railroad Avenue and Adams Street, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does any one desire to be heard on this ordinance?

Mr. Americo Nelfe, 149 Walnut Street: Now, as to this sewer in Walnut Street, we understand that the new sewer is to be built to replace another sewer from Adams Street to McWhorter Street. There is an old sewer to be removed and a new sewer to replace it. Now, that sewer that is going to be rebuilt is a smaller sewer, and we fear it might not be able to take all of the water there and some water might go towards the railroad, and that is the only interest we have in it.

Commissioner Murray: Is that possible to put a smaller sewer for a larger one?

Mayor Congleton: This is an old sewer, 60 years old, and it is the rebuilding of it.

Mr. Nelfe: The old sewer is 60 inch and the new sewer is 24 inch. The thing is, this sewer is to be renewed from McWhorter Street to Adams Street. The property owners will get that sewer, but from McWhorter Street down to the railroad there is going to be built a smaller sewer, only 15 inches

in diameter, and it is going to be about 100 feet or probably less—I don't know just the exact length of it, but I understand it is only even about 100 feet in length. Now, I don't see why the property owners on that block should be compelled to pay for a sewer which is to be erected—we only thought to pay in proportion to the sewer—

Mayor Congleton: Oh, no.

Commissioner Murray: Only what you get.

Mr. Nelfe: Then I will be satisfied on it.

No one else appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to provide for the construction of reinforced concrete pipe sewers in Walnut Street between New Jersey Railroad Avenue and Adams Street.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance to provide for the construction of reinforced concrete pipe sewers in Walnut Street between New Jersey Railroad Avenue and Adams Street," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the construction of reinforced concrete pipe sewers in Walnut Street between New Jersey Railroad Avenue and Adams Street.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance providing for the vacation of Marion Street, from Grafton Avenue northerly to the northerly line of Montclair Avenue; for the vacation of Montclair Avenue from the easterly line of the right of way of the Newark and Paterson Branch of the Erie Railroad easterly about 667 feet to the westerly line of Riverside Avenue (formerly River Road to Belleville); for the va-

cation of Riverside Avenue as it is laid out 80 feet in width on the Commissioners Map of Woodside Annexation, from Grafton Avenue northerly to the northerly line of Montclair Avenue, excepting that part of the above described Riverside Avenue lying within the lines of Riverside Avenue (formerly River Road to Belleville), and stated that today was the time fixed for hearing on the same.

Commissioner Murray moved that the ordinance be laid over until September 18th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance regulating child labor, and stated that today was the time fixed for hearing on the same.

Commissioner Murray moved that the ordinance be laid over until September 18th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe offered the following resolutions:

RESOLVED, That the sum of Two thousand five hundred ninety dollars and nine cents (\$2,590.09) be and the same is hereby appropriated to persons named on the annexed certified list, being the bills and claims of the Department of Revenue and Finance, as follows:

The Sinking Fund Commission of the City of Newark,	
N. J. ....	\$2,457.40

John Howe  
Jno. F. Murray, Jr.  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The following petition was received and read:

We, the undersigned, taxpayers of Newark and residents of Elliott Street, Newark, hereby respectfully petition you to discontinue, at your earliest convenience, the use of Elliott Street as a highway for Caldwell-New York buses, number 180.

1. These buses are a menace to life and limb, and the safety of our

families prompt us to take this action.

2. The noises also are increasingly intolerable, as the street is fast becoming destroyed by this added heavy traffic.

3. The route taken now by these buses is on a street where there is a school, whose enrollment exceeds 1,000 pupils, therefore endangering the life of our children.

4. Elliott Street being only 40 feet wide, we think it inadvisable for the buses to take this street as their thoroughfare while other streets are from 60 to 80 feet wide.

Our every effort will be expended to preserve Elliott Street as a residential section.

Respectfully yours,

Signed by thirty residents.

Referred to the Mayor.

The following communication was received and read:

**Radio-Keith-Orpheum Corporation.**  
**Newark, N. J.**

September 2, 1929.

Commissioners of the  
City of Newark,  
Newark City Hall,  
Newark, New Jersey.

Dear Commissioners:

On Saturday, September the seventh, Proctor's Theatre will inaugurate the first R. K. O. season and at the same time, celebrate its affiliation with the gigantic chain of four hundred R. K. O. Theatres, stretching from coast to coast.

The Greater R. K. O. season, is an epoch of wholesome amusement created by the combining of all factors of modern entertainment.

This event is of interest to you as a point of civic pride and a written welcome on the occasion would be of infinite value to us and point to the public your interest in their every phase of civic life—including the improvement of amusement offerings in Newark—a most vital part of the present generation's daily life.

May we have such a letter at this time which could be displayed in our theatre?

We cannot impress upon you too strongly the importance to you and your city of the R. K. O. Greater Season and Proctor's entrance into the R. K. O. combine.

Thanking you in advance, I am

Yours sincerely,

H. R. Emde,  
Division Manager.

Referred to City Clerk for reply.

Commissioner Howe offered the following resolutions:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Inspector of the Bureau of Combustibles, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of David Meyers for an automobile parking station at 128-130 Washington Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of The City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Inspector of the Bureau of Combustibles, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to September 11, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Spruce Realty & Mortgage Company for a gasoline station at 22-24 Jones Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommenda-

tion of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Mr. Abraham Isserman, 24 Commerce Street: Several weeks ago, when this matter was adjourned, I then stated the reasons why the applicant felt that the granting of a permit for a gasoline station on the premises at 22-26 Jones Street was desirable; and at this time I will just briefly reiterate those points. First, that Jones Street, because of its widening, has become a traffic artery, and, as a result, a gasoline station there would be beneficial to the automobilists using the same. Second, the east side of Jones Street, because of the widening, the plots on the east side of Jones Street are no longer of a full depth, this particular plot having a depth of approximately 60 feet and therefore cannot be used for the erection of a large apartment house or other structure. The only thing it might be available for, in addition to a gasoline station, is a small store or office building. At this time there are quite a number of such buildings on Jones Street unoccupied. There is considerable vacant land on the east side of Jones Street at this time, and we feel that a gasoline station will be a benefit to the street and to the neighborhood generally.

Mayor Congleton: Does anyone else desire to be heard in this matter?

Mr. Meyer Zemel: Gentlemen, I want to be heard on this gasoline station application. I am in favor of it because Jones Street, since it has been improved with this wonderful thoroughfare, seems to have gone back instead of progressed. We own property there for over twenty years, and the street seems to be dead, and any improvement at all will benefit it, especially if there is going to be any lights there at night time, because the streets looks like the "Deserted Village." There don't seem to any movement on the street whatever, and where it is business at all we welcome anything that comes along. I don't think there should be any serious objection to it because it wouldn't impede traffic there at all because the

street is very wide, and I think it would be a great benefit to the neighborhood. I think you ought to grant it.

Commissioner Murray: I move it be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolutions:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Abe Sternbach for a gasoline station at 73 Elizabeth Avenue; approved on condition that the maximum amount of gasoline stored on the premises is not to exceed 1,000 gallons; that a fireproof wall be erected between the filling station and the stores to the south, and that an automatic sprinkler system be installed in the garage in the rear of the filling station;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Mr. Herbert Winnerman, 786 Broad Street: I appear on behalf of Mr. Ralph Jacobson, who is unable to be here this morning, as he had to attend a Sheriff's sale. I would like an adjournment for a week.

Laid over to September 11, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the Inspector of the Bureau of Combustibles, an application for a variation from the requirements of the

Zoning Ordinance, and recommends that the following use for which application was made be allowed under the conditions imposed by the said Board of Adjustment:

Application of Frank C. Carrigan for permission to use portable gasoline tanks in the rear of 42 Park Place, approved for one year on condition that no gasoline be stored in underground tanks, and none sold at the curb;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Inspector of the Bureau of Combustibles be and he is hereby directed to issue a permit for the application above set forth.

Charles P. Gillen  
Jerome T. Congleton  
Jno. F. Murray, Jr.  
John Howe

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The following communication was received and read:

**Kingsland Cooperage Company,  
649 North Third Street,  
Newark, N. J.**

September 4, 1929.

The Honorable Commissioners  
of The City of Newark,  
Newark, N. J.

Gentlemen:

In reference to the grading, curbing, flagging, paving and repaving of Third Street between Abington Avenue and Berkeley Avenue, we, as property owners on the east side of Third Street, wish to go on record as opposing any paving whatsoever, fronting our property.

The present condition of the street is entirely satisfactory for our needs and the expense which would be entailed by said paving would avail us nothing.

Very truly yours,

Kingsland Cooperage Company,  
By Hyman Kline, Pres.  
By Nathan Goodman, Treas.

Commissioner Howe: I move that  
we adjourn.

The roll being called, the motion  
was declared adopted by the following  
votes:

Yeas: Commissioners Gillen, Howe,  
Murray, Mayor Congleton.

**APPROVED:**

JEROME T. CONGLETON  
JOHN HOWE  
JNO. F. MURRAY, JR.  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N. J., September 11, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Gillen, Murray, Mayor Congleton.

Absent: Commissioners Brennan and Howe.

The minutes of meeting of September 4th were read and approved.

The City Clerk presented An ordinance to provide for the resurfacing of Ridgewood Avenue from Meeker Avenue about 140 feet northerly to the existing brick pavement with asphalt pavement (1½" top-1½" binder) on the old telford base prepared, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to provide for the resurfacing of Ridgewood Avenue from Meeker Avenue about 140 feet northerly to the existing brick pavement with asphalt pavement (1½" top-1½" binder) on the old telford base prepared.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

The Clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance to provide for the resurfacing of Ridgewood Avenue from Meeker Avenue about 140 feet northerly to the existing brick pavement with asphalt pavement (1½" top-1½" binder) on the old telford base prepared," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the resurfacing of Ridgewood Avenue from Meeker Avenue about 140 feet northerly to the existing brick pavement with asphalt pavement (1½" top-1½" binder) on the old telford base prepared.

The ordinance having been read

three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

The City Clerk presented An ordinance to provide for the repaving of Arch Street from Warren Street to New Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Gillen moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Gillen moved that the following ordinance be taken up on second reading:

An ordinance to provide for the repaving of Arch Street from Warren Street to New Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Gillen moved that the

ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Gillen moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Gillen moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Gillen moved that the title of "An ordinance to provide for the repaving of Arch Street from Warren Street to New Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the repaving of Arch Street from Warren Street to New Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete base.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

The City Clerk presented the following ordinance and stated that today was the time fixed for hearing on the same:

An ordinance to amend an ordinance

entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Section 18, entitled "Area District Exceptions," of an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," be and the same is hereby amended by adding Paragraph F, as follows:

Section 18 — Area District Exceptions.

(f) Nothing in this ordinance shall prevent the construction or alteration of a church or public building with area and clear story height exceeding the limits specified in this ordinance.

Commissioner Murray moved that the ordinance be laid over for one week:

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Gillen introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the construction of a pipe sewer from a point approximately 1,800 feet north of McClellan Street in State Highway No. 25,

northwesterly about 1,900 feet to connect with the existing sewers on the east side of the Pennsylvania Railroad approximately 450 feet south of Van Dwyne Street.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That a pipe sewer shall be constructed from a point approximately 1,800 feet north of McClellan Street in State Highway No. 25, northwesterly about 1,900 feet to connect with the existing sewers on the east side of the Pennsylvania Railroad approximately 450 feet south of Van Dwyne Street, 300 feet to be sixty (60) inch pipe, 300 feet to be ninety (90) inch pipe and the balance ninety-six (96) inch pipe, together with all the appurtenances necessary to complete the same, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P. L. 1917-319), and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated September 6th, 1929, and now on file in the office of the Department of Public Affairs.

Section 2. That said improvement shall be undertaken as a general improvement and the cost thereof shall be paid by the City of Newark.

Section 3. That the sum of \$70,000.00 is hereby appropriated to pay the cost of said improvements and for the purpose of meeting said appropriation and temporarily financing said improvements temporary bonds or notes shall be issued from time to time in an amount not to exceed \$70,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Gillen moved that October 2nd, 1929, at 11 A. M., or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Gillen introduced the following ordinance and moved its adoption on first reading,

The clerk then read the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Berkeley Avenue from Third Street to Fourth Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation.

The Board of Commissioners of the City of Newark, Do Ordain'

Section 1. That Berkeley Avenue from Third Street to Fourth Street shall be graded, curbed, flagged and paved with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may

become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P. L. 1917-319), and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated September 7th, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$10,700.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$10,700.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916 (P.L. 1916-525) and the supplements thereto and amendments thereof,

which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Gillen moved that October 2nd, 1929, at 11 A. M. or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Murray introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows::

An ordinance to amend an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its pro-

visions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919. is hereby amended by extending the Industrial District as shown on the Use District Map so as to include the area bounded on the north by the Lackawanna Railroad, on the west by North 13th Street, on the south by a line south of and parallel to the Railroad, and on the east by a line 100 feet west of and parallel to North 11th Street; and that the Use District Map which accompanies said ordinance to which this ordinance is an amendment, be and the same is hereby changed so as to include the area above described in the Industrial District.

Section 2. This ordinance shall take effect immediately upon final passage and publication in accordance with law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Murray moved that September 25, 1929, at 10 A.M. Standard Time, 11 A.M. Daylight Saving Time, or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

Jno. F. Murray, Jr.  
Jerome T. Congleton  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolutions:

WHEREAS, In the opinion of the Director of the Department of Parks and Public Property it is necessary to acquire the hereinafter described property in the City of Newark, in connection with the development of the park system of The City of Newark, viz: the establishment of Hayes Park West:

Beginning in the westerly line of Humes Street at a point therein distant 40 feet northerly from the southerly line of land belonging to said Owen F. Gray; thence northerly along Humes Street 22 feet to the corner of lands heretofore sold by said Owen F. Gray to Isaac R. Collins; thence westerly along the same at right angles to Humes Street 75 feet, more or less, to the line of land of Louis Stern; thence southerly and parallel with Humes Street 22 feet; thence easterly on a line at right angles to Humes Street 75 feet, more or less, to the place of Beginning.

AND WHEREAS, The said Director is unable to agree with Anna Kreiss, the owner thereof, as to the price to be paid to her for said lands:

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the Corporation Counsel be and he hereby is directed to institute condemnation proceedings to acquire the said lands for the purpose aforesaid.

Jerome T. Congleton  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

WHEREAS, In accordance with the provisions of Chapter 115 of the State Laws of 1919, an estimate has been submitted to the Board of Commissioners of The City of Newark by the Engineer in Charge of the Bureau of Sewers showing the probable cost of constructing a sewer in Third Street from 190 feet east of Abington Avenue easterly to Berkeley Avenue for the use of the abutting property only, to be \$950.00, said probable cost being based on the best information available as to the probable cost of such sewer;

AND WHEREAS, The entire cost of doing the work will be less than One thousand dollars;

THEREFORE BE IT RESOLVED, That in accordance with the provisions of said Chapter 115 of the State Laws of 1919, the estimate so submitted and presented be and the same is hereby adopted and ordered filed;

AND BE IT FURTHER RESOLVED, That the Board hereby signifies its intention to construct a sewer in Third Street from 190 feet east of Abington Avenue easterly to Berkeley Avenue for the use of the abutting property only, and that the Director of the Department of Public Affairs of the City of Newark will hear objections to the making of said improvements on Monday, September 23rd, 1929, at 10 o'clock A. M. at the office of said Director on the second floor, City Hall, Newark, N. J.;

AND BE IT FURTHER RESOLVED, That the Engineer in Charge of the Bureau of Sewers be and he is hereby authorized and directed to mail a copy of this resolution to the last known owner of record as shown by the tax records of The City of Newark, N. J., of property abutting on the portion of the street or highway through which such sewer is proposed to be constructed; and that the Engineer be and he is further instructed to post or cause to be posted a copy of this resolution in the City Hall, Newark, N. J., at least five days prior to the introduction of a second resolution setting forth the final decision of said Board to construct such sewer.

Jerome T. Congleton  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

WHEREAS; In accordance with the provisions of Chapter 115 of the State Laws of 1919, an estimate has been submitted to the Board of Commissioners of the City of Newark by the Engineer in Charge of the Bureau of Sewers showing the probable cost of constructing a sewer in Berkeley Avenue from Fourth Street southerly to Third Street for the use of the abutting property only, to be \$900.00, said probable cost being based on the best information available as to the probable cost of such sewer;

AND WHEREAS, The entire cost of doing the work will be less than One thousand dollars;

THEREFORE BE IT RESOLVED, That in accordance with the provisions of said Chapter 115 of the State Laws of 1919, the estimate so submitted and presented be and the same is hereby adopted and ordered filed.

AND BE IT FURTHER RESOLVED, That the Board hereby signifies its intention to construct a sewer in Berkeley Avenue from Fourth Street to Third Street for the use of the abutting property only, and that the Director of the Department of Public Affairs of the City of Newark will hear objections to the making of said improvements on Monday, September 23rd, 1929, at 10 o'clock A. M. at the office of the said Director on the second floor, City Hall, Newark, N. J.

AND BE IT FURTHER RESOLVED, That the Engineer in Charge of the Bureau of Sewers be and he is hereby authorized and directed to mail a copy of this resolution to the last known owner of record as shown by the tax records of the City of Newark, N. J., of property abutting on the portion of the street or highway through which such sewer is proposed to be constructed; and that the Engineer be and he is further instructed to post or cause to be posted a copy of this resolution in the City Hall, Newark, N. J., at least five days prior to the introduction of a second resolution setting forth the final decision of said Board to construct such sewer.

Jerome T. Congleton  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

WHEREAS, The City of Newark, in conjunction with the governing bodies of Jersey City, New Brunswick, Montclair, Trenton, Belleville, Maplewood, Paterson, Clifton, Kearny and Irvington, did engage expert services in connection with the investigation of the application of the Public Service Electric and Gas Company for change in schedule of rates; and

WHEREAS, The Board of Commissioners of the City of Newark agreed to pay its proportionate share of the cost of such expert services;

NOW, THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the sum of \$6,000 be and the same is appropriated to Charles H. Stewart, Chairman of Special Committee in connection with the investigation of the application of the Public Service Electric and Gas Company for change in schedule of rates, representing Newark's proportionate share in the cost of employing such expert services.

Jerome T. Congleton  
Jno. F. Murray, Jr.  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Murray, Mayor Congleton.

The following communications were received and read:

**Beaver Manufacturing Company**  
Newark, N. J.

September 10, 1929.

Office of the City Clerk,  
City Hall,  
Newark New Jersey.  
Attention Mr. W. J. Egan.

Dear Sir:

We acknowledge receipt of yours of the 4th instant, addressed to the writer and would advise that the writer directed a communication to the Mayor on this subject, frankly setting forth our views.

Note that you advise that this ordinance has been passed and is now a law. Inasmuch as this is no real thoroughfare and the public's interest does

not require this paving, it seems illogical to us to put it through over the objections of a majority of the taxpayers involved, majority not only in numbers but in frontage. We would be pleased to have advice as to whether it is both customary and legal to pass ordinances over the will of the majority concerned.

The Brandes Corporation people who went on record at the second hearing, (who opposed to the same) are now more opposed when they hear that it really is the intention to carry the paving around the corner at Berkeley Avenue as they also own this frontage through to Fourth Street.

In view of these facts, even if the ordinance has been passed, an error (if made) should be corrected. The writer, although less concerned than one or two others, will be pleased to discuss the matter personally with either his Honor the Mayor or you as representing the taxpayers who are opposed to this improvement if you care to have him do so.

Respectfully yours,

Beaver Manufacturing  
Company,  
Ernest B. Slade,  
President.

Ordered filed.

An invitation from the New Jersey League of Municipalities to attend the Fifteenth Convention of the League in the Ambassador Hotel, Atlantic City, on Thursday, Friday, September 26-27, was received and as many as can to attend.

**The Board of Adjustment,**  
City of Newark, N. J.

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted granting the application of Joseph J. Kroeger for a building to be used as a warehouse for the storage and cutting of plate glass and for a commercial garage; premises 170-172 South 12th Street.

This application was rejected by the Building Department August 16, 1929,

and an appeal filed with the Board of Adjustment August 24th.

A public hearing was ordered on the appeal for September 5th, at which time the applicant was represented by Mr. Henry F. Opperman. The owner of 174 South 12th Street, adjoining on the south, objected to the proposed building being erected on the south property line in such a way as to obstruct light and ventilation to her residence.

The application was granted by the unanimous vote of the Board members present, Mr. Higgins being absent, on condition that the proposed building be erected three feet off the south property line, and that no machinery be installed in the building.

There is no church, school or similar institution within 200 feet.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner and laid over to September 25, 1929.

The Board of Adjustment,  
City of Newark, N. J.

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Francesco Crisatelli to convert an existing store into a gasoline station; premises 142 Clifford Street, corner of Van Buren Street.

This application was rejected by the Bureau of Combustibles August 21, 1929, and an appeal filed with the Board of Adjustment August 22nd.

A public hearing on the appeal was ordered for September 5th, at which time the applicant was represented by Mr. Michael Fortunato, architect. No objectors appeared.

The property in question is located in the Light Industrial District, while

the opposite side of Clifford Street is within the Heavy Industrial District.

The application was granted by unanimous vote of the Board.

There is no church, school or similar institution within 200 feet.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above change of use be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner and laid over to September 25, 1929.

Board of Adjustment,  
City of Newark, N. J.

September 5, 1929.

The Board of Commissioners  
of the City of Newark, N. J.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of the Chateau Realty Corporation for a gasoline station at 278-284 West End Avenue, corner of Valley Street.

This application was rejected by the Building Department August 21, 1929, and an appeal filed with the Board of Adjustment the same day.

A public hearing was ordered for September 5th, at which time Mr. Louis H. Frankel appeared as counsel for the applicant. No objectors appeared.

The property in question immediately adjoins the Irvington line.

The application was granted by the unanimous vote of the Board.

There is no church, school or similar institution within 200 feet.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner, and laid over to September 25, 1929.

**The Board of Adjustment,  
City of Newark.**

September 5, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of the Meropolitan Realty Company to convert a theatre building at 396-398 Littleton Avenue into a public garage.

This application was rejected by the Building Department July 23, 1929, and an appeal filed with the Board of Adjustment on August 21st.

A public hearing on the appeal was ordered for September 5th, at which time the applicant was represented by Mr. Romolo Bottelli, architect. Five objectors were present, one of whom was the owner of a public garage at 397-401 Fairmount Avenue.

The application was granted by unanimous vote of the Board on condition that a sprinkler system be installed in the building, and the second story on the Littleton Avenue frontage be removed.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure and use be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each  
Commissioner, and laid over to Sep-  
tember 25, 1929.

**Board of Adjustment,  
City of Newark, N. J.**

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Frank J. Finley to relocate the gasoline pumps and driveways of an existing gasoline filling station at 456-464 West

Market Street, corner of South Seventh Street.

This application was rejected by the Bureau of Combustibles and an appeal filed with the Board of Adjustment on August 21, 1929.

A public hearing on the appeal was ordered for September 5th, at which time Mr. Charles Turkenkopf appeared as counsel for the applicant. No objectors were present.

The purpose of the application is to permit the removal of the present gasoline pumps about twenty-five feet east of their present location, and construct a new driveway into South 7th Street.

The application was granted by unanimous vote of the Board.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above application be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each  
Commissioner, and laid over to Sep-  
tember 25, 1929.

**The Board of Adjustment,  
City of Newark, N. J.**

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Ferdinand Stecher for one additional garage at 720 Summer Avenue.

This application was rejected by the Building Department August 13, 1929, and an appeal filed with the Board of Adjustment on the 20th.

A public hearing on the appeal was ordered for September 5th, at which time the applicant was present. No objectors appeared.

Along the rear line of the premises at the present time is a row of five individual garages. The application calls for the construction of a single additional garage in the rear yard, between the rear line of the dwelling and the present 5-car garage.

The property in question is oppo-

site the Elliott Street School, and counsel for the Board of Education sent word to the Board of Adjustment that there was no particular objection to the application. The property is also within one hundred feet of the proposed Summer Avenue branch of the Public Library.

The application was granted by the unanimous vote of the Board.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner, and laid over to September 25, 1929.

Board of Adjustment,  
City of Newark, N. J.

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting a modification of the application of Max H. Odell for five additional individual garages at 136 Fifth Street.

The application was rejected by the Building Department August 8, 1929, and an appeal filed with the Board of Adjustment on August 20th.

A public hearing was ordered for September 5th, at which time Mr. John H. Heaford appeared on behalf of the applicant. Mr. Stanley W. Naughtright appeared as counsel for a number of property owners objecting to the application, and filed with the Board a written protest signed by fourteen property owners.

The applicant now has five garages and a frame shed along the rear line of his lot, and his application called for the replacement of the shed with one garage, and the construction of four more garages in the front of the property, projecting beyond the setback of adjoining residences.

The Board voted unanimously to grant the single garage (replacing the

frame shed on the rear line) and denied the four garages proposed for the front of the lot.

On the same block, but more than 200 feet away, is a church and a branch of the Public Library.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure for which approval was given by the Board of Adjustment be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner and laid over to September 25, 1929.

The Board of Adjustment,  
City of Newark, N. J.

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Frank McGee to use the premises at 525 Summer Avenue for a funeral parlor.

This application was rejected by the Bureau of Combustibles August 23, 1929, and an appeal filed with the Board of Adjustment the same day.

A public hearing on the appeal was ordered for September 5th, at which time Mr. William H. Kennedy appeared on behalf of the applicant. He stated that the premises were now used as a rooming house, that no alterations were contemplated, and that the applicant would reside on the premises with his family.

Nine property owners appeared in opposition, including the owners of 519, 521, 527, 530 and 533 Summer Avenue. A written protest including the names of twenty property owners within the 200-foot radius was filed with the Board.

In voting to grant the application the Board took into consideration the row of stores at 505-511 Summer Avenue and the fact that the applicant would make his home on the premises; also, that premises used for such a business are always well kept, and as

a rule of no annoyance. Mr. Lawrence voted no.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above use for which application was made be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner, and laid over to September 25, 1929.

The Board of Adjustment,  
City of Newark, N. J.

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of the Passaic Transportation Company to move two gasoline pumps from the inside of their garage to the outside at 92-94 Freeman Street, corner of Ferry Street.

This application was rejected by the Building Department July 29, 1929, and an appeal filed with the Board of Adjustment August 20th.

A public hearing on the appeal was ordered for September 5th, at which time Mr. F. L. Partridge, Jr., of Pitney, Hardin & Skinner, appeared as counsel for the applicant. No objectors were present at the hearing.

The application was approved by the unanimous vote of the Board of Adjustment.

The property of St. Aloysius Church is within 200 feet.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner, and laid over to September 25, 1929.

The Board of Adjustment,  
City of Newark, N. J.

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Max Simandl for a gasoline station at 107-109 Fabyan Place.

This application was rejected by the Building Department on August 19th, 1929, and an appeal filed with the Board of Adjustment on the 20th.

A public hearing on the appeal was ordered for September 5th, at which time Mr. Sidney Simandl appeared as counsel for the applicant. He cited a number of factories and industrial uses in the neighborhood, most of which, as the Chairman pointed out, are in Irvington. He filed a written petition favoring the application signed by seven property owners within 200 feet. Mr. W. H. Campbell, Jr., entered objections on behalf of F. W. Waibel and W. L. Benjamin, owners respectively of 111 and 118-122 Fabyan Place. The owner of 95 Fabyan Place also objected.

The application was approved by the unanimous vote of the Board of Adjustment.

There is no church, school or similar institution within 200 feet.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner, and laid over to September 25, 1929.

The Board of Adjustment,  
City of Newark, N. J.

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjust-

ment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of the Ivy Corporation for a gasoline station at 806-812 Sanford Avenue.

This application was rejected by the Building Department on June 20, 1929, and an appeal filed with the Board July 12th.

A public hearing on the appeal was ordered for July 25th, at which time the matter was laid over at the request of the applicant.

On September 5th Mr. Charles Handler appeared as counsel for the applicant. Five neighboring property owners entered objections, and a written protest bearing fifteen names and representing nine properties in the neighborhood was filed with the Board.

The application was granted four to one, Chairman Fitzsimmons being recorded in the negative.

A previous application was rejected by the Board of Adjustment on January 3, 1929.

There are no churches, schools or similar institutions in the neighborhood.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner, and laid over to September 25, 1929.

The Board of Adjustment,  
City of Newark, N. J.

September 5, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Henry J. Betz to erect an addition to an existing public garage at 904 South Orange Avenue.

This application was rejected by the Building Department on August 14, 1929, and an appeal filed with the Board of Adjustment August 18th.

A public hearing on the appeal was ordered for September 5th, at which time the applicant was represented by his architect, Mr. William M. Eisenbiegler. No objectors were present.

At the present time Mr. Betz has a garage occupying the front half of the lot, which was granted by the Board of Adjustment February 18, 1926. The present application is for an addition on the rear half of the same lot.

The application was approved by the unanimous vote of the Board of Adjustment.

The Board of Education, owners of property on Boylan Street, in the rear of the proposed garage, sent word through their counsel that they had no objection to the application.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner, and laid over to September 25, 1929.

The Board of Adjustment,  
City of Newark.

September 5, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Ida Silverman for a group of 27 garages at 167-171 Camden Street under certain conditions as outlined below.

This application was rejected by the Building Department June 3, 1929, and an appeal filed with the Board of Adjustment on June 7th.

A public hearing on the application was ordered for June 20th, at which time the matter was laid over for two weeks.

On July 11th Mr. Sidney Simandl appeared as counsel for the applicant. Mr. C. C. Giffoniello appeared as counsel for property owners on Fairmount Avenue who objected to any entrance to the garage from their street. Certain features of the plans were objected to

by members of the Board, and the matter was laid over for revised plans.

On July 25th the matter was again laid over after a further discussion of the plans.

On September 5th the application was granted by unanimous vote on condition that no automobile repairs be made on the premises, that no gasoline or oil be sold, that no trucks be stored in the garages, that the garages facing Camden Street be set back four feet from the property line, and that there be no entrance or exit to Fairmount Avenue.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed subject to the conditions imposed by the Board.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy referred to each Commissioner, and laid over to September 25, 1929.

Commissioner Murray offered the following resolutions:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Inspector of the Bureau of Combustibles, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of David Meyers for an automobile parking station at 128-130 Washington Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Inspector of the Bureau of Combustibles, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to September 18, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent

of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Spruce Realty and Mortgage Company for a gasoline station at 22-24 Jones Street.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same hereby is approved and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to September 18, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Abe Sternbach for a gasoline station at 73 Elizabeth Avenue; approved on condition that the maximum amount of gasoline stored on the premises is not to exceed 1,000 gallons, that a fireproof wall be erected between the filling station and the stores to the south, and that an automatic sprinkler system be installed in the garage in the rear of the filling station;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to September 18, 1929.

Mayor Congleton: Does any person have any matter to bring to the attention of the Commission this morning?

Commissioner Murray: I move that we adjourn.

The roll being called, the motion  
was declared adopted by the following  
votes:

Yeas: Commissioners Gillen, Mur-  
ray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON

JNO. F. MURRAY, JR.

CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N. J., September 18, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Gillen, Howe, Murray, Mayor Congleton.  
Absent: Commissioner Brennan.

The minutes of meeting of September 11th were read and approved.

The City Clerk presented An ordinance providing for the vacation of Belmont Terrace on the northerly side thereof from Ridgewood Avenue easterly to Belmont Avenue, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance providing for the vacation of part of Belmont Terrace on the northerly side thereof from Ridgewood Avenue easterly to Belmont Avenue.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance providing for the vacation of part of Belmont Terrace on the northerly side thereof from Ridgewood Avenue easterly to Belmont Avenue," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An ordinance providing for the vacation of part of Belmont Terrace on the northerly side thereof from Ridgewood Avenue easterly to Belmont Avenue.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance providing for the vacation of Marion Street, from Grafton Avenue northerly to the northerly line of Montclair Avenue; for the vacation of Mont-

clair Avenue from the easterly line of the right of way of the Newark and Paterson Branch of the Erie Railroad easterly about 667 feet to the westerly line of Riverside Avenue (formerly River Road to Belleville); for the vacation of Riverside Avenue as it is laid out 80 feet in width on the Commissioners' Map of Woodside Annexation, from Grafton Avenue northerly to the northerly line of Montclair Avenue, excepting that part of the above described Riverside Avenue lying within the lines of Riverside Avenue (formerly River Road to Belleville), and stated that today was the time fixed for hearing on the same.

Mayor Congleton: This ordinance I would like to have killed if somebody will make a motion to strike out the ordaining clause.

Commissioner Gillen: I move the ordaining clause of the ordinance be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented An ordinance regulating child labor, and stated that today was the time fixed for hearing on the same.

Commissioner Murray moved that the ordinance be laid over until October 2nd.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The City Clerk presented the following ordinance and stated that today was the time fixed for hearing on the same:

An ordinance to amend an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Section 18, entitled "Area District Exceptions" of an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," be and the same is hereby amended by adding Paragraph F, as follows:

Section 18—Area District Exceptions.

(f) Nothing in this ordinance shall prevent the construction or alteration of a church or public building with area and clear story height exceeding the limits specified in this ordinance.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

Mr. Phillips M. Gehl, 9 Clinton Street: Your Honor, in this resolution or ordinance it appears to exempt the churches or places of worship to construct buildings without going to the Board. That would mean that persons living in private residences or having a section where private residences have been erected, and the land restrictions having run out, before any notice could be given to us ground would be dug and probably a colored church alongside of us or Holy Jumpers in back of us; and we ought to have, as citizens of this City, notice to us or in the newspapers that the application is being made.

Mayor Congleton: I am rather in sympathy with the protestors myself. It isn't only churches, but public buildings. It ought to come before some Board to give the people an opportunity to object. Under this any church or public building—and "public building" covers a multitude of sins—they could go next to your house and build a fire house or police station.

Commissioner Gillen: Refer it to the Law Department for opinion.

Mayor Congleton: The Law Department prepared it. I am in sympathy with the property owners.

Commissioner Howe: I won't vote for it.

Commissioner Murray: The property owners have a right to know what is going on.

Mayor Congleton: I would suggest that it be laid over for four weeks until Commissioner Brennan is back and we get his views on it.

Commissioner Gillen moved that the ordinance be laid over until October 16th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe offered the following resolution:

RESOLVED, That the sum of One hundred thirty-two thousand one hundred twenty-five dollars (\$132,125.00) be and the same is hereby appropriated to the persons named on the annexed certified list, being the bills and claims of the Department of Revenue and Finance, as follows:

Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

WHEREAS, Recent confirmed press dispatches brought to us tales of horror from the Holy Land, and

WHEREAS, Citizens of our Country have been aroused by the brutal attacks perpetrated upon fellow American citizens and others by fanatics, and

WHEREAS, The President of the United States, Herbert C. Hoover, has issued a message of sympathy on behalf of the American people, and

WHEREAS, Our fellow citizens of the Jewish race of the City of Newark, who have been assisting the cause of rebuilding the Holy Land in a generous manner, mourn the inhuman loss of lives and the vandal destruction of property;

THEREFORE BE IT RESOLVED, By the City Commission of the City of Newark, New Jersey, meeting in regular session on the eighteenth day of September, 1929, that it extends its heartfelt sympathy to its fellow citizens of the Jewish race and it commends the precautionary measures taken by the State Department of the United States of America, and it expresses the hope that the British Government will discharge its duties as mandatory power by guarding against the repetition of such horrors; and

BE IT FURTHER RESOLVED, That copies of this resolution be sent to the Secretary of State, to his Excellency the Ambassador of Great Britain in Washington, D. C., and to the Chairman of the Newark Palestine Emergency Relief Committee.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe offered the following resolutions:

**RESOLVED**, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission," approved March 22, 1916 and the amendments thereto, there shall be issued Temporary Loan Bonds in the amount of Two hundred thousand dollars (\$200,000.00) for the purpose of temporarily financing the construction of City Hall Annex No. 3, and is an improvement for which the City is authorized to issue bonds by the aforesaid Act;

**FURTHER RESOLVED**, That each of the Temporary Loan Bonds authorized by this resolution amounting in the aggregate to Two hundred thousand dollars (\$200,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum and be issued in such denominations and be executed in such manner as the Director of Revenue and Finance may determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk be and they are hereby authorized and directed to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252 of the Laws of 1916;

**FURTHER RESOLVED**, That the Director of Revenue and Finance be and he is hereby authorized and di-

rected to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

The following communications were received and read:

**Pulaski Memorial Committee,  
United Polish Organizations,  
Newark, N. J.**

September 17, 1929.

Hon. Charles P. Gillen,  
City Hall,  
Newark, N. J.

Dear Sir:

As you perhaps know, the Poles of Newark, Irvington and Hillside are arranging for a Pulaski Memorial Mass Meeting at the Armory on Sunday, October 20, 1929, at 3:30 P. M.

The Governor has issued a proclamation for the statewide observance of the 150th Anniversary of the death of General Pulaski on October 11, 1929. He has also appointed a State Commission of nine composed of three members of the Assembly, of the Senate and three others.

We wish to urge your support for a resolution by the City Commission setting aside the same date for a city-wide observance of the anniversary, this to be accomplished by proclamation by the Mayor urging the display of national flags and the Polish and American flags flying over City Hall. Perhaps the Board of Education might instruct the teachers to give a short talk on Pulaski during the class assemblies on that date.

Following the examples of other cities in this and other states, the Mayor and Commission is urged to appoint an honorary committee to cooperate with our local Pulaski Memorial Committee in arranging the Mass Meeting on Sunday, October 20th, at the Armory. The detail work has already been accomplished.

In connection with the Pulaski Memorial exercises, we have arranged for an exhibit of Polish Arts and Crafts at the Newark Museum from October 15 to November 17.

We also wish to extend a personal invitation for your presence at the Mass Meeting in the Armory and at the supper which is to be given at the Robert Treat following the exercises.

A committee would be happy to appear before the Commission in support of the resolution and measures submitted.

Awaiting a favorable reply, I am,

Yours respectfully,

Adolph Wegrocki, M. D.,  
Chairman.

Mayor Congleton: Inasmuch as Commissioner Murray has charge of the celebration of holidays and public occasions, I suggest that it be referred to him.

Commissioner Howe: I make that motion.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

**The Investment House of  
N. & B. Goldsmith,  
60 Park Place,  
Newark, N. J.**

September 14, 1929.

Commissioners of the  
City of Newark,  
City Hall, Newark, N. J.

Gentlemen:

Enclosed herewith please find a copy of a letter that I wrote to the State Highway Commission.

This letter and previous correspondence and conversations had on this matter compels me to ask you to answer one of the three following questions:

Question No. 1. Whether public improvement can be delayed to such an extent as to bankrupt a property owner?

Question No. 2. Can I deal with my property disregarding Route 21, and enter into a contract immediately for

the improvement and development of my property?

Question No. 3. If you say "no" to the above two questions, will you see that a negotiator is appointed within a given time and advise me accordingly.

Very truly yours,

Nathan Goldsmith.

Referred to the Mayor.

Commissioner Howe offered the following resolutions:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Inspector of the Bureau of Combustibles, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following use for which application was made be allowed:

Application of David Meyers for an automobile parking station at 128-130 Washington Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Inspector of the Bureau of Combustibles, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Commissioner Murray: That is the place you spoke of as being next to the school. What size children go to that school?

Mayor Congleton: It is a vocational school.

Commissioner Murray: No small children.

Mayor Congleton: I think, as a matter of fact, it is being used for parking now.

Commissioner Murray: If we are going to force these cars off the street they have got to go somewhere.

Commissioner Gillen: I can't see any objection to it. It takes the cars off the street.

Mayor Congleton: This says "Application for automobile parking station." It is a vacant lot now. If we pass

this, does it give them the right to build a permanent garage?

Commissioner Murray: I don't think so.

Mayor Congleton: It doesn't say "open air;" it says application for a parking station.

Commissioner Murray: Correct the wording of it so there is no doubt.

Mayor Congleton: I have no objection to them using it while it is an open lot, but I do not want that made a permanent parking station.

Commissioner Howe: Who makes the application?

Mayor Congleton: David Meyer.

Commissioner Howe: The owner?

Mayor Congleton: So he says. I would like to lay it over for a week and get Russell Rankin, Secretary of the Zoning Board, to give us some more information.

Commissioner Murray: And to have the resolution properly worded.

Laid over to September 25, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommend that the following structure for which application was made be allowed:

Application of Spruce Realty & Mortgage Company for a gasoline station at 22-24 Jones Street;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark, that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to October 2, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zon-

ing Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Abe Sternbach for a gasoline station at 73 Elizabeth Avenue; approved on condition that the maximum amount of gasoline stored on the premises is not to exceed 1,000 gallons, that a fire-proof wall be erected between the filling station and the stores to the south, and that an automatic sprinkler system be installed in the garage in the rear of the filling station.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to October 2, 1929.

Mayor Congleton: Gentlemen, I want to present to you this morning a resolution on under which Newark, providing all of the other contracting municipalities in the Wanaque Development pass similar resolutions, that we authorize the North Jersey District Water Commission to enter into a supplemental contract with the T. A. Gillespie Company, the contractors building the aqueduct, to pay them a bonus if they complete the work earlier than the time specified in their contract. It must be completed thirty days or more before the time specified before they would be entitled to any bonus at all. The reason for that is that this very dry season has drawn down waters to such an extent that the municipalities are very anxious to see this new supply ready for use at the very earliest date. The City of Newark has plenty of water in its reservoirs in the watershed, but our pipe lines are not sufficient to carry the amount used day by day, so that we have had to draw down on our storage in Cedar Grove to a very great extent,—not to take care of the people of the City of Newark alone, but to take care of neighboring municipalities whom we have been supplying with water and who could not

have gotten it anywhere else and would have been forced to have gone back to the Passaic River. I refer to Montclair, Glen Ridge, part of Bloomfield, Nutley, Belleville, and some of Hillside. We have been supplying them all during this dry season, so that I say Cedar Grove is drawn down to a very low point. If next season should be a dry season and we have not been able to get the Cedar Grove storage back to its normal condition, we would have to cut off some of these other municipalities.

This resolution limits Newark's expenditures under any contingency to \$25,000. Under another contingency, if water is ready promptly, the City of Bayonne stands ready to contract—and as a matter of fact, authorized such a contract at its Commission meeting yesterday—with the North Jersey District Water Commission to take the surplus waters which would lie in the reservoir at Wanaque at \$70 a million gallons for a five-year period, their contract having expired. If that contract is made and continues for a period of five years, it is estimated that the various contracting municipalities will receive from these funds a very substantial credit. The amount received from Bayonne will pay the bonus and will give each of the municipalities a very substantial dividend, and will be apportioned amongst the contracting municipalities in proportion to their unused waters in storage at the reservoir. It is estimated that under that contract Newark's share will be something over \$600,000, which will go toward reducing our carrying charges and further capital expenditures in the Wanaque. It seems to me that it is a very advantageous proposition for the City to entertain and that we should pass this resolution.

Commissioner Murray: I move the adoption of the resolution. This gives an assurance over and above the very substantial profit Newark would get out of it and it is an insurance against any shortage of water on our part or any of the other contributing municipalities, or others, who get water from us now. We are bound to see that they are not short and we can not go short ourselves, and here we have everything to gain and nothing to lose by the expenditure. I think it is a worthwhile

investment, and I move the adoption of the resolution.

Mayor Congleton offered the following resolution:

1. WHEREAS, The North Jersey District Water Supply Commission has entered into contract with the T. A. Gillespie Company for the construction of the Wanaque aqueduct and appurtenances requiring such state of completion on or before July 24, 1930, being eighteen months from the date of the commencement of the work upon said project, as to make available to the contracting municipalities full allocated quantities of water—which eighteen months was, in the opinion of the Engineers in charge, an unusually short period for the completion of said works;

2. AND WHEREAS, Conferences between the Contractor and the contracting municipalities have indicated that owing to the unusually favorable weather conditions and to the excellence of the Contractor's organization and to the installation of modern, high priced special equipment, it is possible by increased effort to bring said works to such a state of completion at a substantially earlier date than is called for in said contract;;

3. AND WHEREAS, The earlier completion of said works will effect a substantial saving to some of the contracting municipalities, and assurance to all of said municipalities against water shortage, whether due to lack of capacity in existing aqueducts, breakdown in existing pumping and treatment plants or other causes;

4. AND WHEREAS, It is probable that unused water of the Wanaque supply may be sold to a municipality or municipalities under contract for a term of not less than five years to the extent of 12,000,000 gallons per day at a daily price of at least \$840.00;

5. AND WHEREAS, The daily saving to certain municipalities by the earlier delivery of Wanaque water, resulting from the termination of charges for water purchased from other sources is estimated as follows::

To the Town of Kear-	
ny .....	\$550.00

To the Town of Montclair .....	200.00
To the Town of Bloomfield .....	150.00
To the Town of Glen Ridge .....	30.00

aggregating .....\$930.00 per day;

6. AND WHEREAS, It is believed that by reason of unusually favorable contracts the Wanaque aqueduct and appurtenances will be constructed for a cost greatly below the estimate therefor, leaving substantial balances to the credit of the contracting municipalities, applicable in part to the meeting of the additional expense involved by the earlier completion of the aqueduct without the necessity of further appropriation from the contracting municipalities; ;

7. AND WHEREAS, The sale of the unused waters of the Wanaque over a period of five years to the daily amount of 12,000,000 gallons is estimated to inure to the financial benefit of the contracting municipalities by reduction in the maintenance and operating costs of the Wanaque supply chargeable against said municipalities at least to the approximate amounts following, to wit:

Of the City of Newark..\$	660,000.00
Of the City of Paterson	270,000.00
Of the Town of Kearny	198,000.00
Of the City of Passaic..	148,000.00
Of the City of Clifton..	81,000.00
Of the Town of Montclair .....	67,500.00
Of the Town of Bloomfield .....	54,000.00
Of the Borough of Glen Ridge .....	9,000.00

aggregating .....\$1,488,000.00

8. AND WHEREAS, Such earlier completion will effect a saving in engineering and other overhead of North Jersey District Water Supply Commission estimated at not less than \$200.00 per day;

9. AND WHEREAS, The City of Newark is willing to contribute to such earlier completion out of the funds subscribed by it to the North Jersey District Water Supply Commission such sum, not exceeding \$200.00 per day, or

\$25,000.00 in the aggregate, as, together with the estimated saving of \$200.00 in overhead to said Commission, the receipts from the sale of the unused waters and the pro-rated savings to certain of the municipalities, as shown in Section 5 of this preamble, shall be sufficient to meet such additional cost. It being understood, however, that this offer by the City of Newark is made upon the condition that should a sale of unused water, as hereinbefore set forth, be made to a municipality or municipalities other than the contracting municipalities, the City of Newark shall be reimbursed the advances made by it out of the moneys received from the sale of such unused waters after the period of payment of bonus and before such moneys are allocable to the several contracting municipalities;

10. AND WHEREAS, All of said contracting municipalities are willing that the funds of said Commission to the extent of the estimated saving in overhead costs be applied to such purpose;

11. AND WHEREAS, All of said municipalities, except the City of Newark, are willing, if the savings to the municipalities set forth in Section 3 of this preamble plus the receipts from the sale of unused waters and the contribution of the City of Newark, as aforesaid, shall be insufficient to meet such additional cost, to authorize the application by said Commission, out of funds respectively subscribed to it by them, sufficient moneys in addition to defray the balance of said cost, which additional sums it is estimated will not exceed, should no contract for the sale of unused waters be consummated, the following respective sums per day, to wit:

	Additional	Total
By the City of Paterson .....	\$225	\$225
By the Town of Kearny .....	135	685
By the City of Passaic	124	124
By the City of Clifton	76	76
By the Town of Montclair .....	56	256
By the Town of Bloomfield .....	45	195
By the Borough of	...	...

Glen Ridge .....	9	39
Total .....	\$670	\$1600

12. AND WHEREAS, The Contractor is willing to use its utmost skill to bring said aqueduct to such state of completion as to supply full allocated quantities of water to the respective municipalities at as early date as possible upon receiving as additional compensation the sum of \$2,000.00 per day for every day prior to July 24, 1930, it shall save, not to exceed 120 days, and upon condition that it shall be entitled to no additional compensation unless such state of completion shall have been obtained at least 30 days prior to July 24, 1930, provided, however, that should such date of completion be attained more than 120 days prior to July 24, 1930, the Contractor shall be entitled to a similar per diem beyond the 120 days for every day prior to March 26, 1930, during which Wanaque water shall be sold at the rate of 12,000,000 gallons per day or more to any municipality or municipalities under contract or contracts for a supply of such daily amount for a period of at least five years;

BE IT RESOLVED, By the City Commission of the City of Newark, that, in the event of the passage of similar resolutions by the municipalities parties to the Wanaque development, authorizing the application, out of the general funds of North Jersey District Water Supply Commission subscribed to it by the contracting municipalities toward the per diem of two thousand dollars (\$2,000.00) to which the Contractor shall become entitled for the earlier bringing in of said aqueduct to such state of completion as to permit of the delivery of full allocated quantities of water to each of the contracting municipalities, of the sum of two hundred dollars (\$200.00) per day, representing the estimated saving to said Commission in engineering and other overhead costs, and authorizing the payment, out of the funds under the control of said Commission subscribed to it respectively by the Town of Earny, the Town of Montclair, the Town of Bloomfield and the Borough of Glen Ridge, of the several amounts set after their names in Paragraph 5 of the preamble hereto, and author-

izing, in addition, in the event of the making of a contract or contracts with another municipality or other municipalities not parties to said Wanaque contracts, for the delivery to such municipality or municipalities of a daily supply of water of not less than 12,000,000 gallons for a period of not less than five years, of the moneys received by North Jersey District Water Supply Commission for the sale and delivery of said waters during the term during which said Contractor shall be entitled to said per diem, to the part payment thereof, or, in the event that no such contract or contracts with another municipality or municipalities for such supply of 12,000,000 gallons per day for a term of at least five years shall be entered into, then, upon the passage by the contracting municipalities of resolutions agreeing to contribute towards said per diem of two thousand dollars (\$2,000.00), the sums of money respectively set after their names under the column entitled "Total" in Section 11 of said preamble, the City of Newark hereby authorizes and directs North Jersey District Water Supply Commission, out of the funds gate, to exceed to pay, toward the said to pay, toward said per diem of \$2,000, the sum of two hundred dollars \$(200) per day, not, in the aggregate to exceed \$25,000.00; provided, that if any such contract or contracts for the sale to a municipality or municipalities not parties to the Wanaque undertaking of 12,000,000 gallons of water per day for a term of not less than five years shall be entered into, the City of Newark shall be reimbursed the amounts under the authority of this resolution applied to said per diem of two thousand dollars (\$2,000.00) out of the moneys received from the sale of such waters after the period during which said per diem is payable and before the allocation of further receipts from such sale to the several municipalities, the City of Newark hereby authorizing and directing North Jersey District Water Supply Commission, upon passage of the resolutions above set forth, to pay to said Contractor, as additional compensation, a per diem of two thousand dollars (\$2,000.00) for every day before July 24, 1930, that said Contractor shall bring said aqueduct to a state of completion so as to afford each of the contracting municipalities

full allocated quantities of water; provided, however, that in the event that such contract or contracts for the sale of water to a municipality or municipalities other than the contracting municipalities, shall not have been entered into, or deliveries of said water shall not have been able to be made, at a date more than 120 days prior to July 24, 1930, the Contractor shall not be entitled to said additional compensation for a period exceeding 120 days, irrespective of the date at which it shall have brought said aqueducts to such a state of completion, and, in no event shall be entitled to additional compensation if said aqueduct shall not have been brought to such state of completion on or before June 25, 1930.

BE IT FURTHER RESOLVED, By the City Commission of the City of Newark, that upon the concurrence by resolution of the other municipalities parties to the Wanaque development the City of Newark hereby authorizes and directs North Jersey District Water Supply Commission, in part payment of said per diem of \$2,000.00, to apply out of the general funds of said Commission subscribed to it by all of the contracting municipalities the sum of \$200.00 per day estimated to be the saving to North Jersey District Water Supply Commission by reason of the earlier bringing of said aqueduct to such state of completion; and

BE IT FURTHER RESOLVED, That any moneys received from the sale of such unused waters in excess of the amount paid as per diem compensation to the Contractor during the period of the bonus and paid to the City of Newark in reimbursement of the advances made by it shall be allocated among the several contracting municipalities in accordance with the provisions of the several contracts between the North Jersey District Water Supply Commission and the City of Newark and the several other contracting municipalities.

Jerome T. Congleton  
Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution

was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray: We will take proper steps, of course, to see that those other municipalities adopt like resolutions.

Mayor Congleton: Yes. This resolution is not effective unless all the others do.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton offered the following resolution:

RESOLVED, That the agreement between The City of Newark and Public Service Coordinated Transport, for substitution of bus service for trolley service and removal of rails, etc., on Walnut, Elm and Magazine Streets, in the City of Newark, a copy of which agreement dated September 18th, 1929, hereto is annexed, be and the same hereby is approved, and the Director of the Department of Public Affairs and the City Clerk hereby are authorized and directed to execute the same on the part of The City of Newark upon the adoption of this resolution.

Jerome T. Congleton  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton: Does any person have any matter to bring to the attention of the Commission this morning?

Mr. Harry Augenblick: Mr. Mayor, about two years ago the City of Newark entered into a lease with the Franklin-Port Newark Lumber Company down at Port Newark for about ten acres of ground. Now, since that time the Franklin Lumber Company—not the Franklin-Port Newark Lumber Company, but Franklin Lumber Company—have erected improvements on that ground to the extent of nearly \$400,000. The lease between the City

of Newark and the Franklin-Port Newark Lumber Company provides it can not be assigned unless the consent of the City is first obtained. The Franklin-Port Newark Lumber Company wants to assign its lease to the Franklin Lumber Company, the real company that put the money up for the improvements; and I am here now to get the consent of the City to such an assignment.

Mayor Congleton: No request has ever been made to me in charge of that department for any such assignment. If it comes to us we will take it up and go into the matter. There won't be any action here in an open meeting without some previous investigation. You make your application, and if you will submit the facts to me I will take it up and submit it to my colleagues in the proper form.

The following resolution was received and read:

At a public meeting of merchants and property owners of The City of Newark, the public in general being invited, held at 999 Broad Street, Newark, Monday, September 16th, 1929, at 3:30 P. M., it was resolved that the Commissioners of the City of Newark be advised that it is the sense of this meeting, after existing parking regulations and especially the ordinance relating to towing were discussed, "that the towing of cars as practiced today by the Police Department of Newark should cease forthwith."

Dated December 16, 1929.

Wm. J. Morgan,  
David Z. Jeselsohn,  
Morland B. Soria,  
Louis F. Hare,  
Wm. Hoffman,  
Edwin Hull,  
Edward I. Saks,  
Benj. J. Sugarman,  
Committee.

Attest:

Joseph Ribnik,  
Secy. Pro Tem.

Referred to Mayor's Advisory Traffic Committee.

Mr. David Z. Jeselsohn, 1060 Broad Street: Gentlemen, I am appearing here as spokesman for a group of

Newark merchants — approximately two hundred men who are merchants in the City here, having their places of business in the downtown area, who have signed a petition protesting against the present parking regulations, especially with respect to the existing towing ordinance. I would like to read a resolution that was passed at a public meeting held, and which I will ask the Secretary to be good enough to file.

The original is signed by William J. Morgan, David Z. Jeselsohn, Morland B. Soria, Louis H. Hare, William Hoffman, Edwin Hull, Edward I. Saks and Ben J. Sugarman. The meeting was held at that time and was of the opinion that your body should take some immediate steps with the view of abolishing the existing evil, which was referred to by one of them as "very hostile to the stranger within our gates."

It seems that the majority of the suburbanites have absolutely no knowledge of the ordinance and have no way of gaining knowledge except through the towing of their cars. It appears from the public press that the great majority of the cars towed are those belonging to visitors to our city, and a very small minority belong to the citizens of Newark. There were numerous suggestions offered at the meeting which might tend to alleviate the present parking perils. One of them was City owned and operated parking stations at which a nominal fee could be charged for the service rendered. Another one was the removal of the trolley cars from our main business arteries and the supplying of modern and up-to-date buses which could stop at the curb and thereby eliminate the safety isles. Another one was the ticketing of shoppers' cars when the driver is actually spending time in purchasing. An additional suggestion was the establishing of parking towers such as have been erected in the Middle West and which have met with quite some success. It was also brought out at the meeting that the plan of towing the cars has been tried with little or no success in other municipalities throughout the country, and has been discontinued after it was found that it caused worse losses to the merchants. Practically every merchant at the meeting was of the opinion that

the towing ordinance especially has harmed their business to a very, very great extent, and they all feel that some steps should be taken immediately to do away with this existing evil. Thank you.

Commissioner Murray: Didn't your Merchants' Association originally go after the Chief of Police, and go after him pretty strenuously because of the irregularity of parking down town?

Mr. Jeselsohn: Not that I know of. I have no knowledge of that.

Commissioner Murray: Well, I think they did, and they rather forced his hand. I think, myself, that the towing regulation is pretty severe against the outsider, but I don't know of any way you can distinguish between the rights of the outsider on the streets of Newark and the rights of persons living in the City of Newark on the streets of Newark.

Mr. Jeselsohn: After all, I believe where an ordinance of that character is in existence and does material damage to the merchants of the city, that something should be done to cure that. After all, if they were negligent in complaining of it prior to this time, even so, I would like to see something done about it. We are not criticising the Chief of Police, and I haven't heard anything at any of the meetings that I have attended. As a matter of fact, they commend him on the faithful performance of his duty in carrying out the regulations. We realize he is merely the servant of your body and he is performing his duty to the best of his ability.

Mayor Congleton: Personally, I feel that the City is very fortunate in having been able to prevail upon a representative group of business men to make a study and survey of our entire traffic proposition. Their report, I am informed, is due within a short time. I think that it would be a mistake for this Board at this time to do anything to interfere with the existing ordinances and regulations relating to parking and towing without hearing from this committee, because what we might do might upset all of the recommendations or might interfere materially with the recommendations that they are coming into us with. They have been on the job for a long time, and these suggestions made today may

be excellent ones, but I wonder how many of them were presented to this traffic committee when they held public meetings and invited the public and the merchants and the storekeepers to come with their suggestions. Maybe all of them. But I know that some of the meetings where they invited merchants to come they had one or two storekeepers down town come and offer suggestions or help. My suggestion would be that this entire matter be referred to the committee of citizens that have given of their time without any compensation, that they may study it in connection with the other recommendations that they will have to offer.

Mr. Jeselsohn: I wasn't criticising the Commission. Mr. Mallon, who, I understand, is chairman of the committee, attended our last meeting and said he would cooperate with us. As I understand it, the committee has been meeting since March of this year, and apparently while they have had a number of meetings, nothing definite has been done.

Mayor Congleton: Oh, yes; much has been done. They have been meeting every week and have gone into the matter very thoroughly, and they are now compiling their report to us, I am informed by the committee.

Mr. Jeselsohn: But, in the meantime, would it not be agreeable to stay the execution of the towing ordinance until the coming in of their report?

Mayor Congleton: Insofar as I am personally concerned, no; I don't think we ought to take this in pieces, and the towing of cars may be one of the things they are going to recommend. I don't know. I don't know what their recommendations are going to be. This towing is by ordinance. The ordinance was passed in 1926. There were public hearings given on it and it went through without any great objection.

Mr. Jeselsohn: Yes, I understand that.

Commissioner Murray: This Commission would have no authority to suspend the operation of an ordinance. In municipal law we have no right to suspend any law. We have the right to repeal it, but not suspend its operation while it is in effect.

Mayor Congleton: I think the Committee which has devoted so much time has the right to have this referred

to them and give it attention in conjunction with comprehensive reports on traffic conditions in this city.

Mr. Ben J. Sugarman, 89 Market Street: As a matter of fact, since Mr. Jeselsohn has asked for relief which cannot be granted, according to what you say, at this time, might we not ask for some provision to be made immediately so everybody who comes to our city, whether residents of our city or not—and a great many of our own people are not familiar with this ordinance—in front of my own place of business last evening while a young lady was doing some shopping, an Ohio license happened to come from the place of my birth, Cincinnati, and I was talking to the officer while he was writing out his ticket. And to be frank with you, I was playing for a little time in justice to the parties, whoever they were, and I didn't know them. And finally the lady who was shopping came outside, and happened to be a young lady about eighteen or twenty years old. I said:

"My dear Miss, I see that you are from the old place of my birth, Ohio, the Buckeye State."

She said: "Yes."

I said: "Where?"

She said: "Cincinnati."

Well, incidentally, her name happens to be Deutsch, and, no fault of hers, she happens to be a niece of a former chief of police. She was served with ticket number 6873, and it happened while the officer and I was talking, as I said, she appeared on the scene and besides getting her ticket for parking she didn't get towed away. Now, the matter that I would like to bring before you, if we can not get immediate relief, can't we ask for signs of some consequence so that at least they know that they are forbidden to stand there at and after four-thirty until after six o'clock?

Mayor Congleton: Aren't there signs on all the trolley poles "No parking"?

Mr. Sugarman: I am told, and the admission has been made by at least one of the gentlemen on your committee that has been appointed by this body, I believe—he admits that, being eight feet above the sidewalk, that they are too high, and as has been told by one gentleman, he admits

frankly, and I think he is within the hearing of my voice, that nobody coming along in an automobile can see that sign that is eight feet high with letters that are only one-inch letters—he measured them, and I take it for granted that is true. Now, I believe that would at least help some. I don't believe that the man who has the restaurant and haberdasher and other merchants of that kind have the right of being deprived of serving one meal after four-thirty in the evening. I understand they have lost considerable, as I know that we have. I have the name and address of a gentleman here at Springfield in this State that claims that there are six of his friends—gentlemen, here is his name and address—instead of these six gentlemen friends of his and their families—they will not come to Newark to shop. Now, it is a drastic thing. It is something that really ought to have some action. We ought to be released in some way. I understand that you gentlemen are unquestionably doing everything that is in your power to take care of this situation the best that any human being knows, but we have got to and ought to have some relief now that is going to help us some.

I want to say to you gentlemen as a merchant of Market Street, where I have the pleasure of being with a business that has been there on the one block for twenty-five years, that most of our business is between three and six o'clock and now we are deprived of it. As I stated the other day, you can really shoot a cannon up and down Market Street after four-thirty, excepting cars that are hurrying by. And you are taking the bread and butter away from the merchants. So that something ought to be done. We do not want to ask anything that is unfair. I think the business men of this city are very much in favor of the growth of our city. We don't want to keep these people away, and I can assure you on my word of honor that is what we are doing. That is why we are asking for some temporary relief. I thought we might ask, as Mr. Jeselsohn said, that until your committee makes its report—we have no reason to believe that its report will be in within the next three or four weeks. It has been out, as Mr. Mallon told me, since February, or, if I am mistaken, it positively has been

since March, and it isn't fair to us. Every one of us are taxpayers. Our own firm is a very large taxpayer in this city, as you unquestionably all know, and you are surprising us.

Gentlemen, I want to tell you that they come to shop in the furniture line—and I can speak mostly for my own line—if your wives come down town to select furniture they can not get through in a matter of minutes as you and I might buy a hat or collar in a few moments, but they can not buy a bedroom or living room suit, they can not buy a suit of clothes in a short time. And I believe for that reason that it is fairer, gentlemen, that we get some immediate relief of some kind. We have got to have it. 208 men that are storekeepers—now, I am speaking of office men or attorneys who have their offices upstairs. They are not asking for this. We didn't ask them to sign that petition. We have 208 gentlemen who own their own places of business. They are asking for some immediate relief. Now, gentlemen, I plead with you, please, to see that something is done so that we can go away from here satisfied that at least you will cooperate with us in the best way that you can and not to do something that is injurious to your own body or to the citizens of Newark. But we must ask that something be done immediately. We speak for 208 gentlemen, and I believe that we can speak for 1,700 if we had taken the time to canvass the city. We have a copy of the list here with the names of the men, whom, I believe, you are all acquainted with.

Mayor Congleton: I have the greatest sympathy with the proposition, but unfortunately I do not see how it is possible to provide parking space at the curb for everybody that comes to town in an automobile and wants to shop. I have had clients of my own—you speak about office buildings—I have my private office at 810 Broad Street. We have a building with some fifty or sixty or seventy-five feet frontage. If everybody that comes to town in his automobile who wants to go upstairs to confer with his lawyer or doctor or somebody else wants to park his car they would be in front of the building and along the church down to the City Hall and beyond. It is im-

possible to provide parking space at the curb on your busy streets for people who want to do their shopping.

Mr. Sugarman: If your Honor please, I speak mostly for Market Street. I believe Market Street is one of the widest streets in the country. Broad Street may be a little bit broader, but if we didn't park our cars—my own car is in the public garage or in my private garage up home. I ride down in the morning and go back, and we have had the pledge of these gentlemen that they will not bring their cars down town to stay. We have pleaded with these men and they have guaranteed us that they would not bring their own cars to remain; they are going to do as I have been doing. But if we can have those cars one behind the other up until four-thirty in the evening, why not until five-thirty? It simply gives a man who goes through and wants an opportunity to buy merchandise the time to buy it. If I were to give you reports that I have got in my own office, we are keeping our people away from Newark. There isn't a city in the country that is in the same position as Newark. Take Detroit. No matter where they are buying merchandise, they must go to Detroit or they can not buy and buy right. Cleveland is in exactly the same position. They can draw from the suburbs. But, gentlemen, I want to tell you that people from the suburbs of Newark, where the trade belongs here, are going to New York, and I can assure you on my word of honor that I can give you evidence. I have it in my own family, with a daughter-in-law of mine, which we have had cross words, which she insisted she will not come to Newark when she can get a train and go up to New York to do her shopping and then come to Newark. There is no merchant in Newark who doesn't find the same condition. Now, you are temporarily hurting Newark, and the fellow that is hurt temporarily you never will be able to quiet that man's mind.

If Mrs. Jones or Mrs. Smith goes away from Newark on account of our drastic laws, she is not going to come back to Newark. Now, you can go and pat Mrs. Smith and say, "We only peevied you once. Come on, be a good fellow and shop with us." You have got to look at this gentlemen, in the way that you are going to help every

man that is in business; at least, down town in Newark. He is suffering right now. If I want to go ahead and tell you I can tell you where people from the suburbs, Perth Amboy, and Elizabeth and towns of that kind, are inquiring as to the credit standing of our customers that are not coming into us but are establishing credit in those towns where they can buy, and, frankly, just as well as they can buy in Newark. They do not believe they can, but they can.

Mayor Congleton: We could ask our Traffic Committee to take up this special matter and give us a report in a few days.

Commissioner Murray: I think his statement is true that the signs are poor.

Mr. Sugarman: You don't tell them that they are to do so.

Commissioner Murray: You didn't make it quite clear enough. That could be done without interfering with any report. The Deputy Director of Public Safety is here now and I don't know why they couldn't arrange for you to take that up with the Department of Public Safety to put up signs that would be adequate and warn them from four-thirty to six o'clock they are liable to be towed in with an expense of six or seven dollars.

Mr. Sugarman: Aren't we within our rights in asking you to modify that temporarily to five o'clock?

Commissioner Murray: We can not suspend the operation of any ordinance without repealing it. We have to amend an ordinance or repeal it; we can not suspend its operation.

Mr. Sugarman: I have frankly nothing to say against your committee, but I honestly believe that the thing ought to come to a head very shortly, if you please, because if a committee has been out since March they may be out until November, and in the meantime we are going to suffer without the fall ahead of us, and, frankly, business has not been any too good in the last two years in Newark through no fault of the merchants.

Commissioner Murray: Or anywhere else.

Mr. Sugarman: Exactly, but they can not afford to let this thing go on

indefinitely. We have got to have some relief.

Mayor Congleton: We will take it up, Mr. Sugarman, and see if something can not be done.

Mr. Sugarman: If you gentlemen could only realize it as the merchants do. The great difficulty, as you spoke about the matter of citizens not coming to your meetings—that is all very true. But you all know the same thing happens in lodges or clubs: "Leave it to John." One fellow depends on the other. You can not get these people to come out.

Mayor Congleton: What I refer to, the Traffic Committee sent out special invitations.

Mr. Sugarman: I was told that before, and I did not want to plead ignorance. I never saw that invitation.

Mayor Congleton: They were doing a special piece of work and our idea in appointing that committee was to get men from the different civic associations whose primary object was to try to work out something on some basis that everybody could get back of. We do not expect the thing to be perfect, but I believe that we can get started with something that is rational; that if we could do that it would so grow from within because of the request for it.

Mr. Sugarman: You all know, gentlemen—I might just as well tell you this; I have said part of it: You all must realize that people want to go to a bigger city. Now, New York is a field by itself. They don't care about Newark. They are pulling our trade as it is, or they would not be spending a million dollars a year in newspapers. But why not try to hold the fellow who lives in the suburbs? New York has got the bulge on us. We know that the most prosperous concern in the world—referring to Bamberger's—they have for many, many years used the slogan "Shop in Newark." They knew what they were doing. They say, "Come to us and don't go to New York." That is what they meant. I want to tell you they are doing that; they are going to New York to shop. The fellow that is in the suburbs of the big towns always does that, and Newark suffers worse than any of them.

Commissioner Murray: They can shop in Newark as well as New York.

Mr. Sugarman: Of course they can. But, unfortunately, they do not realize it. As I say, the millions of dollars that are spent by Newark merchants in our papers is because they can bring them over there and let us try to keep them at home. Let us get the fellow from Springfield and Metuchen and Perth Amboy and Elizabeth. Those fellows want to shop here and if they don't we want to make them shop here. We have got to do it in a way of inviting them in here, in a way that is going to be courteous to them, and that is the story.

Mayor Congleton: All right, sir. We will see what we can do. Does anyone else want to be heard?

Mr. William J. Morgan: Last night I got in touch with the Fifth Avenue Association of New York, and the secretary informed me they have one-hour parking in New York. They are sort of an advisory committee to the City, a sort of traffic regulation body, and they say the penalty and all that sort of thing is left to the police department. Now, I am on Broad Street. We run from Broad Street through to Halsey Street. I was going to quit Broad Street October 1st and my landlord wanted to raise my rent anyhow, but before we decided I went out and got options on property on Halsey for a show room and property on Washington Street for a service station. I told the landlord what I had. I said, "Before you decide, go up and down Broad Street from Lincoln Park and count the number of places to rent on Broad Street before you make your decision." And he came back and said, "You win. You can stay here." I was prepared to move from Broad Street. They are putting up a lot of

taxpayers all through the street, which is the main street of the City, because people can not do business on Broad Street. They can not get the money out of Broad Street if this condition prevails. The City of Cleveland has got one hour parking all day long. I got a telegram yesterday from the manager of the city, Mr. Hopkins. What Cleveland can do Newark can do. Newark knows how. But does it? Now, gentlemen, we will leave this to you. I think Mr. Sugarman has made a very conciliatory speech. He has told you where the merchants stand. I think I will leave it with Mr. Sugarman's speech. By the way, I have just been reminded there is no towing from Halsey Street. Why? Why no towing from Halsey Street?

Mayor Congleton: Does anyone else want to be heard? Does any other person have any other matter to bring to our attention this morning?

Commissioner Howe: I move that we adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
JOHN HOWE  
JNO. F. MURRAY, JR.  
CHARLES P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Newark, N. J., September 25, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 10 A. M. Standard Time, 11 A. M. Daylight Saving Time.

Present: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Absent: Commissioner Brennan.

The minutes of meeting held September 18th were read and approved.

The City Clerk presented An ordinance to amend an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Mayor Congleton: Does anyone desire to be heard on this ordinance?

(No response.)

No one appearing, Commissioner Murray moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the following ordinance be taken up on second reading:

An ordinance to amend an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties

for the violation of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark Do Ordain:

Section 1. That an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919, is hereby amended by extending the Industrial District as shown on the Use District Map so as to include the area bounded on the north by the Lackawanna Railroad, on the west by North 13th Street, on the south by a line 162 feet south of and parallel to the Railroad, and on the east by a line 100 feet west of and parallel to North 11th Street; and that the Use District Map which accompanies said ordinance to which this ordinance is an amendment, be and the same is hereby changed so as to include the area above described in the Industrial District.

Section 2. This ordinance shall take effect immediately upon final passage and publication in accordance with law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Murray moved that the title of "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

The clerk then read the title of the ordinance as follows:

An Ordinance to amend an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specific uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of Districts for said purposes, and providing penalties for the violation of its provisions," adopted December 31, 1919.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe offered the following resolutions:

RESOLVED, That the sum of Twenty-seven thousand dollars (\$27,000.00) be and the same is hereby appropriated to Mollie C. Winchester, in full payment for the acquisition by The City of Newark of certain lands and premises located in the Township of West Milford, in Passaic County, New Jersey, described as follows:

#### First Tract—

"And at a place known as Echo Lake Park and on the east side of the Echo Lake, beginning at a stake opposite a stone fence and on the east side of Wellington Avenue; running thence (1) south seventy-six degrees and fifteen minutes east two hundred feet and parallel with Arlington Avenue; thence (2) south fifteen degrees west two hundred feet and parallel with Wellington Avenue; thence (3) north seventy-five degrees and thirty minutes west two hundred feet to the easterly line of

Wellington Avenue; thence (4) northerly along Wellington Avenue two hundred feet to the place of Beginning. Being about two hundred feet square."

**Second Tract—**

Beginning at a corner formed by the intersection of the southerly line of Central Avenue with the westerly line of Wellington Avenue, thence running southerly along said Wellington Avenue two hundred feet; thence westerly and parallel with Central Avenue to the easterly line of Waverly Avenue two hundred feet; thence along Waverly Avenue to the southerly line of Central Avenue two hundred feet; thence along the southerly line of Central Avenue two hundred feet to the place of Beginning.

**Third Tract—**

A plot of ground in the Township of West Milford, beginning 200 feet south from the corner of Central Avenue and Wellington and adjoining the land of said Burns, and running thence southerly two hundred feet and thence westerly two hundred feet; thence northerly two hundred feet, and thence easterly two hundred feet along land of said Burns to the point or place of Beginning; together with certain property and rights on the shore of Echo Lake, and in said lake for bathing, boating, fishing purposes and to the right of way to said shore by Central Avenue.

Said third tract being described in a former deed as follows:

**(Third Tract):**

"Beginning at a point two hundred feet south of the corner formed by the intersection of the southerly line of Central Avenue with the westerly line of Wellington Avenue and adjoining the land now owned by Miss U. E. W. Burns; thence running southerly along said Wellington Avenue 200 feet; thence westerly and parallel with Central Avenue to the easterly line of Waverly Avenue two hundred feet; thence along Waverly Avenue to the land of said U. E. W. Burns two hundred feet; thence along the land of said Burns and parallel with Central Avenue two

hundred feet to the place of Beginning."

Said sum of Twenty-seven thousand dollars (\$27,000.00) being appropriated from the Watershed Extension Account; payment of the same to be made to the said Mollie C. Winchester upon the filing by her with the Acting City Auditor of a Warranty Deed to the City of Newark, approved by the Corporation Counsel.

The following communication was received and read:

**Isserman & Isserman,  
Federal Trust Building,  
Newark, N. J.**

September 19, 1929.

William Egan, Esq.,  
City Clerk,  
City Hall, Newark, N. J.

Dear Sir:

This is to notify you that my client, the Spruce Realty & Mortgage Company, has authorized me to withdraw its application for a gasoline service station at 26-28 Jones Street, a resolution for the approval of which is now pending before the City Commission.

Will you kindly take the necessary steps to withdraw the above mentioned application and let this letter be your authority for so doing.

Very truly yours,

Abraham J. Isserman,  
Attorney for Spruce Realty  
& Mortgage Co.

Ordered filed.

Commissioner Murray offered the following resolution:

WHEREAS, The Board of Adjustment has certified to this Board in writing that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure for which application was made be allowed:

Application of Spruce Realty & Mortgage Company for a gasoline station at 22-24 Jones Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Commissioner Murray moved that

consent be granted to withdraw the application and that it be returned to the Board of Adjustment for notation on the Board of Adjustment minutes of the withdrawal so that in event of an application for renewal citizens may receive notice.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

Mayor Congleton offered the following resolution:

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Inspector of the Bureau of Combustibles and Fire Risks, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure or use for which application was made be allowed:

Application of David Meyers for an open air automobile parking station at 128-130 Washington Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendation of the Board of Adjustment be and the same is hereby approved, and the Inspector of the Bureau of Combustibles and Fire Risks, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Jerome T. Congleton  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

A communication from William L. Dill, Commissioner of Motor Vehicles, dated September 10th, relative to "Save-a-Life" Campaign to be conducted by that Department during the month of October, was received and read, and on motion the Campaign was endorsed and the City Clerk directed to

notify Commissioner Dill and the Police Department to that effect.

The following communications were received and read:

**The Board of Adjustment,  
City of Newark, N. J.**

September 19, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Arthur L. Burgess for a gasoline station at 244 Chancellor Avenue, at the southwest corner of Clinton Place.

This application was rejected by the Building Department on June 14 and appeal filed with the Board of Adjustment on July 17, 1929.

A public hearing on the application was ordered for September 5, at which time Mr. Gerald McLaughlin appeared as counsel for the applicant and asked that the matter be laid over for two weeks. On September 19th Mr. McLaughlin again appeared. There were no objectors present.

There is no church, school, or similar institution within 200 feet.

The application was granted, Messrs. Lawrence, Teichner and Fitzsimmons voting in the affirmative, Mr. Higgins and Fire Chief Towey in the negative.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed subject to the conditions imposed by the Board.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and action thereon postponed to October 9th.

**The Board of Adjustment,  
City of Newark.**

September 19, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Ad-

justment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Philip Stanzione for an addition to his gasoline and auto service station at 4 Tiffany Boulevard, southwest corner of Mt. Prospect Avenue. The application was rejected by the Building Department August 27, 1929, and appeal filed with the Board of Adjustment September 5, 1929.

A public hearing on the application was ordered for September 19th, at which time Mr. William Dubin appeared as counsel for the applicant. He stated that when this matter was denied by the Board of Adjustment on June 6, it had not been properly presented to the Board. He said that his client desired to enlarge his facilities for the greasing of automobiles; that the applicant did not contemplate the storage of more gasoline. No objectors appeared at the hearing.

There is no church, school or other institution within 200 feet.

The application was granted by the unanimous consent of the Board, Fire Chief Towey being absent, on condition that no new driveways to the property be constructed and that a fence be built along Tiffany Boulevard in front of the proposed addition to the service station.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed subject to the conditions imposed by the Board.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy sent to each Commissioner, and action thereon postponed to October 9th.

The Board of Adjustment,  
City of Newark.

September 19, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Thomas Burke for additional garages at 54-56 Fourth Street.

This application was rejected by the Building Department August 2, 1929, and an appeal filed with the Board of Adjustment on August 20.

A public hearing on the application was ordered for September 5, at which time Mr. Burke was present.

The application was for a row of garages along the south side of the property. Objecting to the application was the Reverend W. H. Merrin, Pastor of Bethel Church, who entered objections on behalf of the Church, which is directly across Fourth Street from the proposed garages. The matter was laid over with the suggestion that the applicant submit his plans to the church people and try and work out a different scheme which would satisfy them.

On September 19th Mr. Burke again appeared and stated that he had revised his plans and now desired to place a row of 8 garages along his rear line in place of the present frame sheds. No representative of the church was present and no other objectors appearing, the application was granted by unanimous vote of the Board members present, Fire Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed, subject to the conditions imposed by the Board.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and action thereon postponed to October 9th.

The Board of Adjustment,  
City of Newark.

September 19, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Alfonso Russomanno for a public garage at 155-159 Ridge Street, under certain conditions as outlined below.

This application was rejected by the Building Department on May 16, 1929,

and an appeal filed by the applicant with the Board of Adjustment on September 5, 1929.

A public hearing on the application was ordered for September 19th, at which time Judge Ungaro appeared as counsel for the applicant. The proposed building will take the place of a two-story brick stable in a neighborhood devoted almost entirely to buildings of this character. Mr. Cono Casale appeared as counsel for a number of objectors in the neighborhood.

This application was denied by the Board of Adjustment on June 6, 1929. There is no church, school or similar institution within 200 feet.

The application was granted by the unanimous vote of the Board members present, Fire Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed, subject to the conditions imposed by the Board.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and action thereon postponed to October 9th.

**The Board of Adjustment,  
City of Newark.**

September 19, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Alphonse J. Schlegal for an open air auto parking station at 1021 Broad Street, under certain conditions as outlined below.

This application was rejected by the Bureau of Combustibles and appeal filed with the Board of Adjustment on September 5. A public hearing was ordered for September 19th, at which time Mr. Fred Kautz appeared as counsel for the applicant. He stated that it was planned to have the cars enter the property from Broad Street and leave by way of Beecher Street.

One objection was filed with the

Board by Mr. Carl G. Lehman, representing property in the neighborhood.

The property in question is within 200 feet of the South Park Presbyterian Church.

The application was granted, Messrs. Lawrence, Teichner and Fitzsimmons voting in the affirmative, Mr. Higgins in the negative; Fire Chief Towey being absent.

This approval was given for one year on condition that the driveway from Broad Street be not more than 10 feet wide and that all cars leave by way of Beecher Street.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed, subject to the conditions imposed by the Board.

The Board of Adjustment,

R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and action thereon postponed to October 9th.

**The Board of Adjustment,  
City of Newark.**

September 19, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Yetta Freedman for a synagogue in violation of the area district requirements at 221 Schley Street.

This application was rejected by the Building Department and an appeal filed with the Board of Adjustment September 9, 1929.

A public hearing on the appeal was ordered for September 19th, at which time Mr. Louis Kasoff, architect, appeared on behalf of the owner. No objectors were present.

The application was granted by the unanimous vote of the Board members present, Fire Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Commissioner Murray moved that the communication be received and filed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

**The Board of Adjustment,  
City of Newark.**

September 19, 1929.

Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of Vincent Di Florio for the construction of a store at 237 Clifton Avenue.

This application was rejected by the Building Department August 12, 1929, and an appeal filed with the Board of Adjustment August 28th.

A public hearing on the application was ordered for September 19th, at which time the owner was represented by his architect, Mr. Joseph Centanni. No objectors appeared.

The application was granted by the unanimous vote of the Board members present, Fire Chief Towey being absent.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The above application is to convert an existing dwelling into a store and dwelling, about midway between Bloomfield Avenue and Park Avenue.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and action thereon postponed to October 9th.

**Board of Adjustment,  
City of Newark.**

September 19, 1929.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of William Gulka for a commercial garage at 42 Mercer Street.

This application was rejected by the Building Department August 19, 1929, and an appeal filed with the Board of Adjustment September 3rd.

A public hearing on the appeal was ordered for September 19th, at which time Mr. Frederick G. Nobbe, architect, appeared on behalf of the owner. The proposed building will be erected in the rear of the lot, and will be used by the owner for the storage of his own trucks. It will replace an existing building now used for the same purpose. No objectors appeared at the hearing.

There is a synagogue at 28-30 Mercer Street, and the Turn Verein is at 180-186 William Street, both within 200 feet of the premises in question.

In approving the application by unanimous vote, the Board of Adjustment took into consideration the fact that the premises are now being used for a commercial garage, and that there are public garages in the immediate neighborhood.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and action thereon postponed to October 9th.

**Board of Adjustment,  
City of Newark, N. J.**

September 19, 1929.

The Board of Commissioners  
of The City of Newark.

Honorable Sirs:

At a meeting of the Board of Adjustment held this day resolutions were adopted varying the Zoning Ordinance and granting the application of J. & M. Fernandez and Emilio Castro for the construction of a store and bake shop at 170 New York Avenue.

This application was rejected by the Building Department August 22, 1929,

and an appeal filed with the Board of Adjustment September 5th.

A public hearing on the appeal was ordered for September 19th, at which time Mr. Joseph J. Pallitta appeared as counsel for the applicants. No objectors were present. The present old dwelling on the premises will be razed and a new building erected for use as a store, dwelling and bake shop.

The application was granted by unanimous vote.

In accordance with Section 9, Chapter 274, P. L. 1928, it is respectfully recommended that the above structure be allowed.

The Board of Adjustment,  
R. B. Rankin,  
Secretary.

Received, copy to be sent to each Commissioner, and action thereon postponed to October 9th.

Mayor Congleton: Does any person

have any matter to bring to the attention of the Commission this morning?

(No response.)

Commissioner Howe moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray, Mayor Congleton.

APPROVED:

JEROME T. CONGLETON  
JOHN HOWE  
JNO. F. MURRAY, JR.  
CHARLESS P. GILLEN

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

---

October, 1929

---

Newark, N. J., October 2, 1929.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Gillen, Howe, Murray.

Absent: Commissioner Brennan, Mayor Congleton.

Commissioner Howe presided.

The minutes of September 25th were read and approved.

The City Clerk presented An ordinance to provide for the construction of a pipe sewer from a point approximately 1,800 feet north of McClellan Street in State Highway No. 25, northwesterly about 1,900 feet to connect with the existing sewers on the east side of the Pennsylvania Railroad, approximately 450 feet south of Van Dyne Street, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Commissioner Howe: Does any citizen desire to be heard on this ordinance?

(No response)

No one appearing, Commissioner Gillen moved that the hearing be closed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Gillen moved that the following ordinance be taken up on second reading:

An ordinance to provide for the construction of a pipe sewer from a point approximately 1,800 feet north of McClellan Street in State Highway No. 25, northwesterly about 1,900 feet to connect with the existing sewers on the east side of the Pennsylvania Railroad approximately 450 feet south of Van Dyne Street.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

The clerk then read the ordinance by sections:

Title declared open to amendment.  
Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Gillen moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Gillen moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Gillen moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Gillen moved that the title of "An ordinance to provide for the construction of a pipe sewer from a point approximately 1,800 feet north of McClellan Street in State Highway No. 25, northwesterly about 1,900 feet to connect with the existing sewers on the east side of the Pennsylvania Railroad approximately 450 feet south of Van Duyne Street," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the construction of a pipe sewer from a point approximately 1,800 feet north of McClellan Street in State Highway No. 25, northwesterly about 1,900 feet to connect with the existing sewers on the east side of the Pennsylvania Railroad

approximately 450 feet south of Van Duyne Street.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

The City Clerk presented An ordinance to provide for the grading, curbing, flagging and paving of Berkeley Avenue from Third Street to Fourth Street with asphalt pavement (1½" top-1½" binder) on a new six (6) inch concrete foundation, and stated that today was the time fixed for hearing on the same.

The Board then entered upon said hearing.

Commissioner Howe: Does any citizen wish to be heard on this ordinance?

Mr. Henry C. Lang, 200 Mt. Prospect Avenue: I am the Treasurer of the Brandes Products Corporation, which has 200 feet of property on Berkeley Avenue—in fact, fifty per cent. of the proposed improvement will be assessed on this company. In order that I do not have to make any unwarranted criticism—I want to ask how the Board arrived at the fact that this improvement is necessary at this time?

Commissioner Howe: Is it paved now?

Mr. Lang: Now, Third Street is a dead-end street, Fourth Street is a dead-end street, Berkeley Avenue is—

Commissioner Howe: This street is unpaved at the present time. The work proposed under the ordinance consists of a roadway 38 feet in width, with asphalt pavement, 1½" top, 1½" binder, on concrete. Approximate cost \$21.40. Paving is to be done in conjunction with paving of Third Street.

Mr. Lang: I object here, because we have a cost of \$10,700.

Commissioner Howe: \$10,700?

Mr. Lang: Yes, sir.

Commissioner Gillen: That is \$21.40 a front foot.

Mr. Lang: The cost to this corporation would be approximately \$5,000.

Commissioner Howe: As a rule, the City bears a portion of it.

Mr. Lang: It does?

Commissioner Murray: Always.

Mr. Lang: How much would the cost be?

Commissioner Howe: Well, the estimated cost is \$21.40 a foot. A hearing will be given by the Assessment Commission as to the benefits that are to be assessed against each individual.

Mr. Lang: At present there is no through traffic; that is, even after this street is paved, on the side opposite from this corporation's property there are no houses whatever. Apparently used for a dump heap for old automobiles and all that. On our side we have a small building, and as far as benefit to the particular property owners is concerned, I can see none at the present time.

Commissioner Howe: The paving of any street will benefit the street and will always add to its value.

Commissioner Murray: That block will never be any good until you pave it. The property owners on Third Street objected to the continuing of the pavement there unless Berkeley Avenue was paved to give them an outlet; and when they found that would be done they withdrew their objections in view of the fact we were paving that street. You cannot improve your property until you put in a front and bring people by it. Conditions won't improve a bit above what they are today until you have the City make this improvement. I think it is a very necessary improvement.

Commissioner Howe: We have made it to go along with that.

Mr. Lang: As I understand the situation now, seventy-five per cent. of the property owners on Third Street did object to that particular improvement. I had not heard anything to the contrary.

Commissioner Murray: They were right here and the stenographer's minutes of the meeting will show that when the assurance was given that Berkeley Avenue would be paved between Third and Fourth Streets, their objection was withdrawn right here in open meeting, and this work was predicated upon the completion of the

work in Third Street up to Berkeley Avenue. They said if that was done that would be beneficial to everybody, in their opinion.

Commissioner Howe: There was just one objector. With the exception of that one, all the rest were unanimous when they had been informed of the changes and improvements that were to be made in the surrounding adjoining streets.

Mr. Lang: There must be some misunderstanding, because three of them called me up and said they were objecting to it and tried to get me to agree with them.

Commissioner Howe: The minutes will show they agreed here.

Commissioner Murray: The Third Street ordinance went through three weeks ago and the notice was given then, after one of these gentlemen had made the statement, "What have you there? You have a dead end. Berkeley Avenue is not improved any way. There is nothing going into Fourth Street." Then he was told this was going to be done. He said, "All right, if that is the reason for putting it down I do not object."

Mr. Lang: Of course, Berkeley Avenue will be a dead end street at that point, the point where our property ends. You merely increase one block of paving without curing any situation.

Commissioner Murray: I think we improve it a whole lot, if you can go through Third Street and turn west to Fourth and the other streets that come in there. And you can not hold all that property back because part of it may be a dead end in that particular neighborhood. I think you will find that your assessment will be very fairly taken care of. It usually is. And no property on any street ever pays the full cost of the pavement.

Commissioner Howe: Does any other person wish to be heard for or against this ordinance?

(No response.)

Commissioner Murray: I move the public hearing be closed:

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Gillen moved that the following ordinance be taken up on second reading:

An ordinance to provide for the grading, curbing, flagging and paving of Berkeley Avenue from Third Street to Fourth Street with asphalt pavement (1 ½" top-1 ½" binder) on a new six (6) inch concrete foundation.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

Commissioner Murray moved that the ordinance be adopted on second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Murray moved that said ordinance be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Murray moved that the ordinance be taken up on third reading and final passage.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Murray moved that the title of "An ordinance to provide for the grading, curbing, flagging and paving of Berkeley Avenue from Third Street to Fourth Street with asphalt

pavement (1 ½" top-1 ½" binder) on a new six (6) inch concrete foundation," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Berkeley Avenue from Third Street to Fourth Street with asphalt pavement (1 ½" top-1 ½" binder) on a new six (6) inch concrete foundation.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

The City Clerk presented An ordinance regulating child labor, and stated that today was the time fixed for hearing on the same.

Commissioner Murray moved that the ordinance be laid over until October 16th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Murray introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance granting permission to International Combustion Tar & Chemical Corporation to construct, operate and maintain a single track siding at grade in Avenue P.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That permission be and the same hereby is granted to International Combustion Tar & Chemical Corporation to construct, operate and maintain a single track siding at grade in Avenue P, from a point on the westerly side thereof distant 224.58 feet southerly from the southwesterly cor-

ner of Avenue P and Allegheny Avenue, to a point on the easterly side of said Avenue P distant 199.08 feet southerly from the intersection of the southerly line of Allegheny Avenue extended, with the easterly line of Avenue P; as shown on a map prepared under the direction of this Board, which map is hereto attached and made a part hereof and a copy of which map is also on file in the office of the Chief Engineer, Department of Public Affairs, known and designated as Map 1002-S, dated September 21, 1929.

Section 2. That said permission be and the same is hereby given upon the condition and provisions that the said single track siding shall be removed within ninety (90) days after the receipt by the said International Combustion Tar & Chemical Corporation, or their successors, of notice from the City of Newark ordering the discontinuance of said single track siding; and upon further condition and provision that the said single track siding shall be changed in grade to correspond to any changes that may be made in the grade of Avenue P; and upon the still further condition that the portion of the single track siding within the limits of Avenue P shall be constructed with nine-inch Trolley rail and the area between the rails shall be paved with new granite block pavement on a concrete foundation, with asphalt and sand filled joints, and that a watchman with proper signals shall be stationed at the crossings whenever necessary to give warning of the passing of cars or locomotives.

Section 3. That the said permission is given upon the further condition that the said International Combustion Tar & Chemical Corporation shall at their own expense make all changes in the pavement, curb and sidewalk, including sewer basin work, made necessary by the installation of said single track siding at grade to the satisfaction of the Director of the Department of Public Affairs.

Section 4. That the said International Combustion Tar & Chemical Corporation shall indemnify and save harmless the said City of Newark, its officers, agents and servants from any and all claim, or claims, whatsoever for any damage to any person, firm or corpora-

tion arising from or in any way connected with the granting of said privilege or by reason of the location, grade, maintenance and existence of said single track siding at grade.

Section 5. That such permission be and the same hereby is granted upon the further condition that the said International Combustion Tar & Chemical Corporation shall file with the Clerk of the City of Newark their written acceptance of the provisions of this ordinance within thirty (30) days of the date on which it takes effect and shall pay on demand of the City of Newark the amount of the cost and expense to the City of all official publications of this ordinance.

Section 6. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Murray moved that October 23rd, 1929, at 11 A. M., or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Gillen introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the repaving and resurfacing of South 12th Street from Springfield Avenue to South Orange Avenue with asphalt pavement on the old brick pavement prepared.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That South 12th Street from Springfield Avenue to South Orange Avenue shall be repaved and resurfaced with asphalt pavement on the old brick pavement prepared, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks, or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities", approved March 27, 1917, (P.L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated September 30, 1929, and now on file in the office of the Department of Public Affairs.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Public Affairs, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$69,400.00

is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$69,400.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P.L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Gillen moved that October 23rd, 1929, at 11 A. M., or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Howe offered the following resolutions:

RESOLVED, That the sum of Two

hundred and eighty-two dollars and fourteen cents (\$282.14) be and the same is hereby appropriated to persons named on the annexed certified list, being the bills and claims of the Department of Revenue and Finance, as follows:

RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized and instructed to transfer the sum of Three thousand six hundred thirty-five dollars and forty cents (\$3,635.40) from the Sale of City Property Account to Green and Franklin Street Property Account.

John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

WHEREAS, In a suit instituted by the City to foreclose certain municipal liens against property then standing in the name of Second St. Paul's Evangelical Lutheran Church, desig-

nated as Lot 20, Block 766, on the City Tax Maps, and known as 94-100 Grafton Avenue, through error, the proper parties were not served with process in said suit; and

WHEREAS, Said suit had proceeded to a final decree, before the Pastor and officials of said church received notice of the pendency of said suit; and

WHEREAS, The amount due upon said final decree is the sum of \$4,837.-16, which includes a large sum for accrued interest; and

WHEREAS, As provided by statute, the present Congregation of said Church has offered in compromise of the City's claim the sum of \$3,000.00, which sum is not less than the assessed value of said property;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the Director of the Department of Revenue and Finance be and he is hereby authorized and directed to accept from Redeemer Evangelical Lutheran Church, present owner of the property in suit, the sum of \$3,000.00 in settlement and discharge of all claims of the City against said property, as set forth in the Bill of Complaint filed in said suit; and

BE IT FURTHER RESOLVED, That said Director cancel on the books of the City all claims against said church arising out of said suit to foreclose municipal liens, under and by authority of

Chapter 123 of the Laws of 1928 of the State of New Jersey.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

WHEREAS, In accordance with the provisions of Chapter 115 of the State Laws of 1919, an estimate was submitted to the Board of Commissioners of the City of Newark by the Engineer in Charge of the Bureau of Sewers showing the probable cost of constructing a sewer in Third Street from 190 feet east of Abington Avenue easterly to Berkeley Avenue for the use of abutting property only, to be \$950.00, said probable cost being based on the best information obtainable as to the probable cost of such sewer;

AND WHEREAS, The Board of Commissioners signified its intention by a resolution to construct such sewer in Third Street from 190 feet east of Abington Avenue easterly to Berkeley Avenue at a meeting of said Board held on September 11, 1929;

AND WHEREAS, A copy of such resolution together with a notice stating that objections to the making of

said improvement would be heard by the Director of the Department of Public Affairs on September 23, 1929, at 10 o'clock A. M. was mailed by the said Engineer to the last known address of the last owner of record, as shown by the tax maps of such city, of the property abutting on the portion of the street or highway through which said sewer is proposed to be constructed;

AND WHEREAS, A copy of such resolution and notice was posted conspicuously in the City Hall, at least five days prior to the introduction of this resolution, setting forth the final decision of said Board to cause the construction of said sewer;

AND WHEREAS, At least two weeks have elapsed since the passage of the first resolution to which this resolution refers;

THEREFORE BE IT RESOLVED, That this Board hereby signifies its final decision to construct a sewer in Third Street from 190 feet east of Abington Avenue easterly to Berkeley Avenue and the construction of such sewer to be done by day labor under the direct supervision of the Department of Public Affairs.

Charles P. Gillen  
John Howe  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

WHEREAS, The City of Newark has an interest in certain lands in the City of Newark, Essex County, New Jersey, more particularly described as follows:

Beginning at the intersection formed by the westerly line of Summer Avenue with the southerly line of D'Auria Street; thence westerly along the southerly line of D'Auria Street north eighty-three (83) degrees thirty-three (33) minutes west seventy-seven and seventy-three hundredths (77.73) feet, more or less; thence south thirteen (13) degrees twenty-seven (27) minutes west seventy-nine and forty-two hundredths (79.42) feet, more or less, to a corner of property fronting on Eighth Avenue, said corner being distant fifty (50) feet on a course of north thirteen (13) degrees and twenty-seven (27) minutes east from a point in the northerly line of Eighth Avenue, distant sixty-five (65) feet westerly from Summer Avenue; thence, easterly along the rear line of property fronting on Eighth Avenue south seventy-seven (77) degrees thirteen (13) minutes east sixty-nine and thirty-seven hundredths (69.37) feet, more or less, to a point in the westerly line of Summer Avenue distant fifty (50) feet two (2) inches northerly from Eighth Avenue; thence along the westerly line of Summer Avenue north eighteen (18) degrees twenty-seven (27) minutes east eighty-eight and sixty-seven hundredths (88.67) feet, more or less, to the point and place of Beginning.

Being known and designated as Lot No. 60 on Block 454, as shown on the Tax Maps of the City of Newark.

Also known as No. 6-10 Summer Avenue.

and,

WHEREAS, Said lands are not suit-

able or needed for public use by said City;

**THEREFORE BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that by virtue of the authority of Article 18, Chapter 152 of the Laws of 1917, of the State of New Jersey, said interest of the City in said lands be sold, at public sale, to the highest bidder, for cash, after public advertisement given in a newspaper circulating in the municipality, at least once a week for two weeks prior to such sale; and

**BE IT FURTHER RESOLVED,** That the Director of the Department of Public Affairs be and he is hereby authorized and directed to offer said lands for sale, to the highest bidder, for cash, and to report said sale and the terms thereof to this Board for confirmation.

Jerome T. Congleton  
John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

**BE IT RESOLVED,** By the Board of Commissioners of the City of Newark that the sum of Seventy-two thousand four hundred seventy-three dollars and sixty cents (\$72,473.60) be and the same is hereby appropriated to Elizabeth Terminal Corporation, being the purchase price of five tracts of land owned by said company, situate in the City of Newark, Essex County, New Jersey, described as follows:

**First Tract:**

Beginning at the south corner and at the west corner of Aphriam Pollock's meadow; thence north 79 degrees west 3.38 chains to other meadow; thence north 11 degrees 30 minutes east 8.14 chains to corner; thence south 73 degrees east 3.83 chains to Pollock's line; thence along his line in a southwesterly direction 7.11 chains to Beginning. Containing 2.84 acres, more or less.

**Second Tract:**

Parcel A. Being a lot of salt meadow lying at "Black Stake" so called. Beginning at the southwesterly corner of meadow belonging to the Estate of Joseph B. Ball, deceased, on a ditch; and running thence westerly on said ditch to meadow formerly owned by Samuel Lindsley, now deceased; thence along same easterly to adjoining meadow belonging to the Estate of Joseph B. Ball, deceased; thence along the line of same south to the place of Beginning. 3 acres of land.

Parcel B. Also adjoining Lot B at stake and stone on the northwesterly corner of same and an inner corner of Jothan Johnson's meadow; thence south 83 degrees 30 minutes east 7.60 chains; thence south 41 degrees east 1.33 chains to land late of John Lindsley, Esq., deceased; thence south 22 degrees west 5.72 chains; thence north 75 degrees 15 minutes west 7 chains to old ditch; thence north 2 degrees west 2.60 chains; thence north 22 degrees 30 minutes west 1.18 chains; thence north 32 degrees east 2 chains to Beginning. 4.81 acres.

**Third Tract:**

Beginning at the northerly corner of meadow that Nathaniel Taylor sold to Moses Stockman at a small ditch and in line of William Stockman; thence (1) along William Stockman and Thomas Baldwin, north 60 degrees 45 minutes west to Nehemiah Hedden; thence (2) along same south 20 1/2 degrees west 4.70 chains to Samuel Lindsley into an old worm, down the middle of the worm by meadow of Samuel Lindsley and John Lindsley to westerly corner of Moses Stockman; thence (3) along same to Beginning. 4 1/4 acres, more or less.

**Fourth Tract:**

Parcel A, at place called "Black Stake." Beginning at a stake on southwest side of creek or worm, said stake being the north corner of meadow of Jabez Bruen sold to Edward Earl; thence south 65 degrees west 5 chains 64 links to small ditch; thence north 16 degrees 30 minutes west 5.77 chains; thence north 73 degrees 30 minutes east 2

chains 70 links to said creek or worm the several courses thereof bounded by same, to Beginning. Containing 2.08 acres, more or less.

Parcel B. All that lot of salt meadow in Newark Great Meadow being part of lot of meadow formerly belonging to Daniel Roberts adjoining lot of meadow belonging to Ethan Baldwin; Beginning at corner of Aaron Johnson; thence along line of Ethan Baldwin south 70 degrees east 4.55 chains to Nehemiah Hedden's meadow; thence along his line south 8 degrees west 2.56 chains; thence south 76 degrees west 2.78 chains; thence north 17 degrees 30 minutes west 5 chains 12 links to Beginning. Containing 1.27 acres by estimation, more or less. Bounded northeast by Ethan Baldwin's. East by Nehemiah Hedden. South by Joseph Wilcox. West by Aaron Johnson.

**Fifth Tract:**

Beginning on the north side of Bound Creek in the middle of a ditch in the line of meadow belonging to William and Moses Price; thence with their line north 57 degrees east 3.92 chains to meadow of Aaron Hedden, deceased; thence with his line north 17 degrees 30 minutes west 4 chains to a stake; thence north 16 degrees 50 minutes west 1.67 chains to a stake; thence north 60 degrees 20 minutes west 5 chains to a stake in the line of Obadiah Meeker; thence with his line south 22 degrees 20 minutes west 5.19 chains to a stake standing by the side of Bound Creek; thence down said creek south 80 degrees 20 minutes east 3.65 chains; thence south 38 degrees 30 minutes east 1.25 chains; thence south 40 minutes east 3.63 chains to the place of Beginning. Containing 3½ acres and 27 square rods strict measure.

Bounded on the south by William and Moses Price; on the northeast by meadow of the heirs of Aaron Hedden, deceased, on the northwest by meadow of Obadiah Meeker and westerly by said creek. and,

BE IT FURTHER RESOLVED, That said sum of Seventy-two thousand four hundred seventy-three dollars and sixty cents (\$72,473.60) be paid to said

Elizabeth Terminal Corporation upon the filing by it with the Acting Auditor of Accounts of a Deed from said Company, conveying the lands above described, approved as to form by the Law Department.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Inspector of the Bureau of Combustibles and Fire Risks, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure or use for which application was made be allowed:

Application of Ida Silverman for a group of 27 garages at 167-171 Camden Street, on condition that no automobile repairs be made on the premises, that no gasoline or oil be sold on the premises, that no trucks be stored in the garages, that the garages facing Camden Street be set back four feet from the street line, and that there be no entrance or exit to Fairmount Avenue;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Inspector of the Bureau of Combustibles and Fire Risks, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

John Howe  
Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure or use for which application was made be allowed:

Application of Abe Sternbach for a gasoline station at 73 Elizabeth Avenue; approved on condition that the maximum amount of gasoline stored on the premises is not to exceed 1,000 gallons, that a fire-proof wall be erected between the filling station and the stores to the south, and that an automatic sprinkler system be installed in the garage in the rear of the filling station.

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Laid over to October 16, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure or use for which application was made be allowed:

Application of Joseph J. Kroeger for the construction of a building to be used for the storage and cutting of plate glass, and for a commercial garage; premises 170-172 South 12th Street;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby

directed to issue a permit for the application above set forth.

Commissioner Murray: That is for the use of the applicant only, and the only question there is whether they will maintain a setback so as not to interfere with the properties on either side. I think it ought to be laid over for one week until that matter is cleared up.

Commissioner Howe: I think so, too. There is a six-family house there and their windows may be shut off.

Commissioner Murray: They agree to set back three feet from their own line, but there is nothing there to show that they will keep back so as not to block the view of the people on each side of them.

Laid over to October 9, 1929.

WHEREAS, The Board of Adjustment has certified in writing to this Board that it has approved, on appeal from the refusal of the Superintendent of Buildings, an application for a variation from the requirements of the Zoning Ordinance, and recommends that the following structure or use for which application was made be allowed:

Application of Ferdinand Stecher for one additional garage at 720 Summer Avenue;;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that the recommendations of the Board of Adjustment be and the same are hereby approved, and the Superintendent of Buildings, the administrative officer in charge of granting permits, be and he is hereby directed to issue a permit for the application above set forth.

Charles P. Gillen  
Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Howe: I looked at that place and it is right at the end of the open sewer. I am sure no objection can be made to that.

The following petition was received and read:

We, the undersigned property owners and taxpayers, request your Honorable Body to take some action in regard to barn at Bragaw Avenue and Aldine Street, owned by Max Feiman. It is in a deplorable condition, not only infested with rats, but unhealthy and unsightly to the neighborhood. The stench at times is unbearable.

Hoping you will give this matter your attention, we remain

Loyal American Citizens.

P.S.—This man is an alien and refuses to take out his papers.

Referred to Commissioner Murray.

The following communications were received and read:

**Palestine Emergency Fund,  
24 Commerce Street,  
Newark, N. J.**

October 1, 1929.

Hon. William J. Egan,  
City Clerk,  
City Hall,  
Newark, New Jersey.

Dear Mr. Egan:

May I take this means of acknowledging your kind favor of the 20th in forwarding me a copy of the resolution regarding Palestine adopted by our Board of City Commissioners.

You undoubtedly noticed that the Emergency Fund office has already made public acknowledgment of the fine spirit shown by the Commissioners by mention of the resolution in the public press.

Again thanking you, I remain

Sincerely yours,

Michael Hollander,  
Chairman.

Ordered filed.

**Trenton, N. J.**

September 23, 1929.

To the Municipal Clerk:

I am presenting in this letter the percentage of outstanding taxes for all municipalities as at December 31, 1928, except in those cases where the audits are delinquent. The total levy, collections or cancellations and remissions and the amounts outstanding are also shown.

A similar table for the year ending December 31, 1927, was submitted about a year ago and I feel that many officials will be interested in a comparison for the two years. This can readily be made if a file has been kept of all the Department's monthly letters.

May I suggest at this time that these monthly letters be brought to the attention of the governing body.

Very truly yours,

Walter R. Darby,  
Commissioner of Municipal  
Accounts.

Referred to Commissioner Howe.

**Essex County Park Commission,  
810 Broad Street,  
Newark, N. J.**

September 30, 1929.

Hon. William J. Egan,  
City Clerk,  
City Hall,  
Newark, N. J.

Honorable Sir:

I forward you herewith certified copy of a preamble and resolution passed at a regular meeting of the Essex County Park Commission, held on September 12, 1929.

Yours very truly,

David I. Kelly,  
Secretary.

**Resolution dedicating for public use as a public street a strip of land in Weequahic Park abutting upon a street known as Dayton Street in The City of Newark.**

WHEREAS, The governing body of The City of Newark has requested this Commission to dedicate a strip of land in Weequahic Park abutting upon a public road or street, known as Dayton Street in the City of Newark, to public use as a road or street for the purpose of widening said public road or street known as Dayton Street;

RESOLVED, That it is for the public interest to dedicate that portion of the park lands hereinafter more particularly described, and this Commission does hereby dedicate, pursuant to the provisions of Chapter 282 of the Laws of 1927, to public use as a public road or street for the purpose of widening Dayton Street in the City of Newark, all that certain piece or parcel of land in Weequahic Park, in the City of Newark, County of Essex and State of New Jersey:

Beginning at a point in the northwesterly line of Dayton Street, said point being in the dividing line between land of The Essex County Park Commission and land now or formerly belonging to George Stengel, Inc., thence north sixty-one degrees thirty-five minutes thirty seconds west (N. 61° 35' 30" W.) along said dividing line six feet and eighteen one-hundredths of a foot (6.18 ft.) to a point in the same, said point being distant northwesterly sixty-four feet (64 ft.) from the southeasterly line of Dayton Street measured at right angles thereto;

thence north forty degrees fifty-one minutes thirty seconds east (N. 40° 51' 30" E.) on a line parallel with and distant northwesterly sixty-four feet (64 ft.) from the southeasterly line of Dayton Street measured at right angles thereto one hundred and seven feet and twenty-one one-hundredths of a foot (107.21 ft.); thence north forty degrees nineteen minutes thirty seconds east (N. 40° 19' 30" E.) along the same one hundred and twenty-seven feet and seventy-eight one-hundredths of a foot (127.78 ft.); thence north forty degrees five minutes east (N. 40° 5' E.) still along the same ninety-four feet and sixty-five one-hundredths of a foot (94.65 ft.); thence north forty-four degrees east (N. 44° E.) still along the same one hundred and eighty-seven feet and seventeen one-hundredths of a foot (187.17 ft.) to a point in the same, said point being in the northwesterly line of Dayton Street; thence south thirty-six degrees forty-three minutes thirty seconds west (S. 36° 43' 30" W.) along the northwesterly line of Dayton Street forty-seven feet and thirty-eight one-hundredths of a foot (47.38 ft.); thence south forty-one degrees fifty-nine minutes thirty seconds west (S. 41° 59' 30" W.) along the same one hundred and thirty-nine feet and eighty-five one-hundredths of a foot (139.85 ft.); thence south forty-two degrees twenty-six minutes thirty seconds west (S. 42° 26' 30" W.) still along the same one hundred and eighty-seven feet and fifty-three one-hundredths of a foot (187.53 ft.); thence south thirty-nine degrees forty-three minutes thirty seconds west (S. 39° 43' 30" W.) still along the same one hundred and forty feet and sixty-seven one-hundredths of a foot (140.67 ft.) to the place of beginning; containing .076 acres.

AND IT IS FURTHER RESOLVED, That the dedication hereinabove made shall become effective upon the governing body of the City of Newark accepting, by appropriate resolution, such dedication for the purpose aforesaid, and upon receipt of such resolution of consent from the governing body of the City of Newark, the Secretary of this Commission is

authorized to file with the Register of the County of Essex a copy of this resolution and a map of so much of the land owned by this Commission as may be necessary to show the land intended to be so dedicated to public use as a public road or street, the filing of such papers, however, to be at the expense of The City of Newark and without expense to this Commission.

I, David I. Kelly, Secretary of the Essex County Park Commission, do hereby certify that the foregoing is a true copy of a preamble and resolution passed at a meeting of the Essex County Park Commission held on September 12, 1929.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the Commission, this 30th day of September, 1929.

David I. Kelly,  
Secretary.

Referred to the Mayor.

Commissioner Howe offered the following resolution:

WHEREAS, It has come to the attention of the City Commission that His Honor, Mayor Jerome T. Congleton, has suffered the great loss of his dear mother, Mary Wade Congleton, who passed away today; and

WHEREAS, This Commission, and the entire City of Newark are deeply sympathetic for him and his family in their bereavement;

BE IT RESOLVED, That we, the members of the City Commission, hereby, on behalf of the City of Newark, and on behalf of ourselves, his associates, extend our sincere sympathy to him and to the members of his family; and

BE IT FURTHER RESOLVED, That a copy of this resolution be spread on the minutes, and a copy sent to the family.

Jno. F. Murray, Jr.  
Charles P. Gillen  
John Howe,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Murray.

Commissioner Howe: Does any citizen desire to be heard or have anything to bring before the Commission? If not, I might add that the Mayor wishes me to announce that there will be a conference of the City Commission at his office on Tuesday next at eleven o'clock to consider matters of importance now pending; and the resolution itself will explain why the Mayor is absent today,—on account of the death of his mother.

#### Reports of City Officers:

John Howe,  
Director of Revenue  
and Finance.

Commissioner Gillen: I move that  
we adjourn.

The roll being called, the motion  
was declared adopted by the following  
votes:

Yeas: Commissioners Gillen, Howe,  
Murray.

APPROVED:

JOHN HOWE  
JNO. F. MURRAY, JR.

CHARLES P. GILLEN  
The Board of Commissioners of  
The City of Newark, N. J.

J. J. EGAN,  
City Clerk.

Newark, N. J., October 9, 1929.

A regular meeting of the Board of Commissioners of the City of Newark N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

The minutes of meeting of October 2nd were read and approved.

Commissioner Brennan introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to provide for the opening and widening of Ferry Street on the southerly side thereof from New Jersey Railroad Avenue southerly to East Mechanic Street; for the opening and widening of Market Street on the northerly side thereof from Commercial Street easterly to Commerce Street; for the opening and widening of Commercial Street on the southeasterly side thereof from Commerce Street northeasterly to the Passaic River.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Ferry Street on the southerly side thereof from New Jersey Railroad Avenue southerly to East Mechanic Street shall be opened and widened as a public street or highway by the addition thereto of the city block bounded by the southerly line of Market Street, the southerly line of Ferry Street, the northerly line of East Mechanic Street and the southeasterly line of New Jersey Railroad Avenue; being all of Block 181 of the Newark City Tax Maps, including odd street numbers 1 to 31 inclusive on Ferry Street, odd street numbers 1 to 23 inclusive on East Mechanic Street, odd street numbers 1 to 25 inclusive on New Jersey Railroad Avenue, and street number 356 on Market Street.

Section 2. That Market Street on the northerly side thereof from Commercial Street easterly to Commerce Street shall be opened and widened as a public street or highway by the addition thereto of the city block bounded by the northerly line of Market Street,

the southerly line of Commerce Street, and the southeasterly line of Commercial Street, being all of Block 180 of the Newark City Tax Maps.

Section 3. That Commercial Street on the southeasterly side thereof from Commerce Street northeasterly to the Passaic River shall be opened and widened as a public street or highway by the addition thereto of the three (3) following described parts:

**Part No. 1.** From Commerce Street northeasterly to South Canal Street.

Beginning at the northeasterly corner of Commercial Street and Commerce street; thence  $40^{\circ} 42'$  east along the northerly line of Commerce Street 83.97 feet; thence north  $47^{\circ} 27' 10''$  east 187.09 feet to the southerly line of South Canal Street; thence north  $39^{\circ} 08' 30''$  west along the southerly line of South Canal Street 71.42 feet to the southeasterly corner of South Canal Street and Commercial Street; thence along the southeasterly line of Commercial Street south  $51^{\circ} 17'$  west 189.05 feet to the place of beginning.

**Part No. 2.** From South Canal Street northeasterly to the southwesterly line of Commercial Street as the latter is laid out approximately parallel to the Passaic River.

Beginning at the intersection of the southeasterly line of Commercial Street with the division line between the Morris Canal and South Canal Street; thence north  $51^{\circ} 17'$  east along the southeasterly line of Commercial Street 199.45 feet to the southwesterly line of Commercial Street as the same is laid out approximately parallel to the Passaic River; thence south  $44^{\circ} 53' 40''$  east along the last mentioned line of Commercial Street 55.87 feet; thence south  $47^{\circ} 27' 10''$  west 206.60 feet to the division line between South Canal Street and the Morris Canal; thence along said division line north  $38^{\circ} 10' 30''$  west 69.36 feet to the place of beginning.

**Part No. 3.** From the northeasterly line of Commercial Street as the same is laid out approximately parallel to the Passaic River, northeasterly to the Passaic River.

Beginning at a point in the north-

easterly line of Commercial Street as the same is laid out approximately parallel to the Passaic River, where said northeasterly line is intersected by the course south 47° 27' 10" west, in Part No. 2 above mentioned extended northeasterly across Commercial Street as the latter is laid out approximately parallel to the Passaic River; thence north 47° 27' 10" east 132.88 feet to the Passaic River; thence along the Passaic River north 42° 43' 10" west 1.59 feet to an angle; thence still along the Passaic River north 39° 05' 10" west 24.19 feet to another angle; thence still along the Passaic River north 37° 16' 40" west 49.48 feet to a line distant 75 feet measured northwesterly at right angles to the first mentioned course in Part No. 3 herein; thence south 47° 27' 10" west 141.96 feet to the northeasterly line of Commercial Street; thence along the same south 44° 53' 40" east 75.06 feet to the place of beginning.

All as shown on a map prepared under the direction of this Board, which map is hereto attached and a part hereof and a copy of which map is on file in the office of the Chief Engineer, Department of Public Affairs, known and designated as Map No. 1301-O, dated September 26, 1929.

Under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917 (P.L. 1917-319), and the supplements thereto and amendments thereof.

Section 4. That said improvements shall be undertaken as local improvements and the cost thereof shall be assessed against the property peculiarly benefited by said improvement in proportion to the benefits received, and in no case shall any assessment for said improvements exceed in amount such peculiar benefit, under and by virtue of the provisions of the act above referred to.

Section 5. That the sum of \$1,495,000.00 is hereby appropriated to pay the cost of said improvements and for the purpose of meeting said appropriation and temporarily financing said improvement temporary bonds or notes shall be issued from time to time in an amount, not to exceed \$1,495,000.00,

under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission," approved March 22, 1916 (P. L. 1916-525), and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 6. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Brennan moved that November 6th, 1929, at 10 A. M., or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gil-  
len, Howe, Murray, Mayor Congleton.

Commissioner Howe introduced the following ordinance and moved its adoption on first reading.

The clerk then read the ordinance as follows:

An ordinance to authorize the improvement of City Railway, and providing for the financing thereof.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That the improvement of the City Railway be and the same is hereby authorized.

2. That the total cost of constructing the portion of City Railway known and designated as Sections 4 and 5 shall not exceed the sum of six hundred thousand dollars (\$600,000.00).

3. Pursuant to the provisions of Section 12 of Chapter 252 of the Laws of 1916, and the amendments thereof and supplements thereto,

there shall be issued temporary improvement bonds of The City of Newark, in an aggregate principal amount not exceeding six hundred thousand dollars (\$600,000.00) bearing interest at a rate not exceeding six per centum (6%) per annum, payable semi-annually, for the purpose of temporarily financing the cost of the construction work aforesaid, and all incidentals connected therewith, in order to make the same suitable for said purpose. All other matters in respect to said temporary improvement bonds shall be determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and of

Chapter 252 of the Laws of 1916, and the acts amendatory thereof and supplemental thereto,

and the Director of the Department of Revenue and Finance is hereby authorized to issue said temporary improvement bonds at such time or times and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Auditor and City Clerk are hereby authorized and directed to execute such bonds or so many thereof as the Director of the Department of Revenue and Finance may deem it advisable to issue.

4. The sum of six hundred thousand dollars (\$600,000.00) to be raised by the issuance of said temporary improvement bonds is hereby appropriated for the purpose for which said bonds are hereby authorized to be issued.

5. This ordinance shall take effect immediately upon final passage and publication in accordance with law.

6. All ordinances and parts of ordi-

nances inconsistent herewith be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Howe moved that October 23rd, 1929, at 10 A. M., or as soon thereafter as said matter can be reached, and the Board's meeting room, second floor, City Hall, Newark, N. J., be fixed as the time and place when and where said ordinance will be further considered for final passage, and that the City Clerk be and he is hereby directed to publish said ordinance and give public notice of its introduction and passage on first reading as provided by law.

Jno. F. Murray, Jr.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: Commissioners Brennan, Gillen, Howe, Murray, Mayor Congleton.

Commissioner Gillen offered the following resolutions:

WHEREAS, It is generally thought that the construction of large skyscraper buildings by Mr. A. E. Lefcourt and the National Newark and Essex Banking Company at Broad, Commerce, Canal and Mulberry Street,

the expansion of the Public Service buildings in the same vicinity and the construction of the new Pennsylvania Railroad Station at Railroad Avenue and Commerce Street, together with other contemplated improvements in that vicinity will result in changing that section into a high-class office building district; and
